## FOREWORD

In confirmation of the scriptural signs of the end time, the world is becoming more unsecured, pervaded with violence with increasing physical and spiritual obstacles and barriers to accomplishing things. Over 70 percent of the people on earth across all the countries of the world are under affliction of poverty, hardship and social challenges connected with strange health, marriages and unemployment conditions. Total reliance on human knowledge to handling life matters is becoming inadequate. The need for the irresistible power of God to confront life challenges is fast becoming pertinent. Therefore, the inspiration to pursue a programme tagged “Tapping into the possibility powers of God” for 2018 is a divine direction for people to be able to stand, high above every obstacle and hindrance to enjoying a stress free year.

Reverend Sunday Akingbelure is a choice servant of God and passionate about providing step by step guides to addressing practical issues of life. He believes nothing is impossible for God and takes as a call to duty any opportunity to teach and lead people out of bondages and obstacles. He is heavily anointed and manifests special boldness in proclaiming the truth as inspired by the Holy Spirit. Every time I have opportunity to meet him, I see a man of God who is down to heart persuaded that there is nothing his God can't do and ministers to show case it.

The message of this book revolves around the truth that:  
 God has spoken once,  
 Twice I have heard this:  
 That power belongs to God. Ps 62:11

All power belongs to God and he holds the power for every one of us to enjoy. Everything on earth dances to the tune of the power of God. The power is available to you if you can take the right

steps. God has used Reverend Akingbelure to draw out for us 52 daily devotional insights to place every week of year 2018 in the hand of the Almighty. This book offers a blueprint of divine guidance and steps to tap the irresistible power of God that makes all things possible. This is designed to put you on the top of any condition you are going through.

I pray that you be awoken to secure a copy and to apply the devotion as divinely instructed for your dominion in 2018. The Lord will prove Himself in your life.

## INTRODUCTION

This is the 2017 edition of our end year Prophetic Take Over of the coming year.

It is our end year/new year 52-day prophetic fasting and praying programme. The theme of the programme is “Tapping into the possibility powers of God”.

As usual, it is a 52-day devotional and prayer book. Each day of the prayer takes care of each week of the coming year. At the end of the 52 days prayer, you would have succeeded to taking charge or dominion of the coming year of 52 weeks.

This book arms you with the two indispensable weapons for commanding exploits in life and controlling your future; the forces of wisdom and warfares.

Wisdom has to do with knowing what to do and doing it correctly. This is a function of access to relevant informations. Thus, the devotional discourses before each day's prayers.

This is necessary because you need wise counsel to embark on effective and successful warfare Pro.24:6. That is strategy that overrules energy for triumphs in the conflicts of life.

Warfare has to do with contention or the enforcement of the knowledge discovered. Spiritual prophecies or revelations need to be enforced by warfares before they are fulfilled. With the

combination of wisdom and effective warfares, your distinction and dominion in the race of life will be decided and undeniable.

This book is relevant for all times and seasons. It will help you to take cheap delivery of your rightful inheritance in life. It will engender sweatless triumphs and effortless breakthroughs in your life's adventures. It will establish your more than conquerors status on the earth.

Read and study the devotions. Meditate on the scriptures and the expositions. Pray the prayer points with meaningful aggression. Release your faith to receive. Let those scriptures dwell in you richly Col 3:16. Those scriptures are the Word of God for you. The Word of God is God in printed form.

Any area of life where you are rich and loaded in the Word of God, you become a god in that area. You dominate and reign, you take charge and control in that area. Any decree you make in that area commits God for performance without any negotiation and reservation.

With this book in your hand, this is your season. You are accessing the possibility powers of God. Nothing is impossible with you from henceforth. Your testimonies are unstoppable and irresistible in Jesus might name.

# CHAPTER ONE

## **FROM MAN'S IMPOSSIBILITY TO GOD'S POSSIBILITY**

***“But Jesus beheld them, and  
said unto them, With men this  
is impossible, but with God,  
all things are possible”***

***Matt.19:26***

Man, by reason of the fall, became subjected to life's impossibilities. There are indeed, many things in the life of man that are hard, difficult, tough, hopeless and even impossible.

When Sarah was told she would give birth at age ninety, she yelled and the Bible said,

***“And the Lord said unto Abraham,  
Wherefore did Sarah laugh, saying,  
shall I of a surety bear a child,  
which am old?”***

***Is anything too hard for the LORD?  
At the time appointed, I will return  
unto thee, according to the time of  
life, and Sarah shall have a son”***  
***Gen.18:13-14.***

God is saying, what is hard for man is easy and struggle-free with God. He is the God of an appointed time Psa.102:13.

In reality, there are many things in the life of man that the possibility of it is as the camel passing through the eye of a needle. There are experiences in the life of man that are both hopeless and helpless, like the dried and scattered bones in the open valley of Ezekiel, becoming a great army Ezek.37:1, 2.

## **NO IMPOSSIBILITY WITH GOD!**

Unlike man, there is no impossibility with God.

***“For with God, nothing shall  
be impossible”***

***Luke 1:37***

***“And Jesus looking unto them  
saith, With men, it is impossible,  
but not with God: for with God,  
all things are possible”***

***Mark 10:27***

There is nothing that is hard for God Jer.32:27, 17. The things that are impossible with men are possible with God Luke 18:27. Thus, the impossibilities of men are God’s opportunities to express or display His possibilities. That was what happened in the case of Sarah and Abraham in Gen.21:1-7.

## **THE LAWS OF LIFE**

The impossibilities of man are coded in the regulatory laws of life to which man was subjected by the reason of the fall. Adam before the fall in Eden lived in the world of possibilities. Nothing

was hard or impossible with him. Life and everything answered to him and he answered to none. He was master and ruler over the whole of creation. He experienced a lack-free and scarce-free world. Before a need arose, provision was waiting for him. Immediately he fell, he was ejected out of the garden of affluence into the wilderness of affliction and his life was to be controlled by the regulatory laws of life which brought limitations, restrictions, embargoes, restraints, barriers and destructive borderlines upon his life, destiny and journey on the earth. Gen.3:16-19, 23-24. It is these laws that sponsor or promote or introduce the diverse impossibilities that bedevil the experiences of men on the earth today. The reason why all things are possible with God is that these laws don't exist and cannot operate at the plane of the existence of God. The laws are not applicable with Him 1 Sam.14:6. There is no restraining law with Him.

## **TAPPING INTO THE POSSIBILITY POWERS OF GOD**

All you need to do to tap into the possibility powers of God is to see what you can do to suspend or terminate or annul the law remotely controlling the challenge or battle or the impossibility that is facing a man at any particular period of time. When the law is discovered and revoked, you enter into the possibilities realm of God and a miracle results.

## **ANNULLING THE REGULATORY LAWS OF LIFE**

There are three dominant forces that can put the laws of life on hold and open the doors of the possibility powers of God to a man.

First is the force of scriptural prophecy or God's word. God's Word went out concerning Sarah in Gen.18:9-14. It revoked the natural law that kept her barren for more than two decades. Against contradictory evidences of the senses, Sarah accessed the plane of existence of God where all things are possible as seen in Gen.21:1-7. All eventful of God all through history is in the direction of His Word. God cannot deny himself. He will always act in the direction of His Word Gen.21:1, 2. The Word of God is the statutes of the Lord Psa.119:112. It has power to revoke, suspend or annul every other law in life.

So when you locate any scriptural prophecy about what you are passing through in life and you hold tenaciously into it, you are on your way into the possibilities realm of God. God watches over His Word to perform it. Jer.1:12

Second, is your faith life.

***“Jesus said unto him, if thou  
canst believe, all things are  
possible to him that believeth”  
Mark 9:23***

Thus, your faith can take you to the realm of the existence of God where all things are possible and overrule the impossibilities of man. This was what happened to the paralytic in one of Apostle Paul's preachings in Acts 14:8-11.

It is a law of the spirit that what you believe is what you become John 1:12. What you believe is what is performed for you Luke 1:45.

Third is your prayers. Praying is a key that opens the door of the possibility powers of God.

***“Therefore I say unto you,  
What things soever ye desire  
when ye pray, believe that ye  
receive them, and ye shall  
have them”***

***Mark 11:24***

***“And whatsoever ye shall ask  
in my name, that will I do,  
that the father may be glorified  
in the Son”***

***If ye shall ask anything in my  
name, I will do it”***

***John 14:13-14***

The dead child of the Shunemite woman came back to life on the platform of the effectual fervent prayer of Elisha IKg.4:32-36.

Fire descended upon Mount Carmel to perform the unusual – the fire licked water – in response to the fervent prayers of Elijah IKg.18:36-38.

## PRAYER POWER

Analyzing the power of praying, in “Why Revival Tarries”, Leonard Revenhill cries out, “Who can tell the measure of God’s power? One might estimate the weight of the world, tell the size of the Celestial City, count the stars of heaven, measure the speed of lightning, and tell the time of the rising and setting of the sun – but you cannot estimate prayer power. Prayer is as vast as God because He is behind it. Prayer is as mighty as God, because He has committed Himself to answer it”.

Quoting a majestic passage from the venerated Chrysostom. He said further,

“The potency of prayer hath subdued the strength of fire: it hath bridled the rage of lions, hushed anarchy to rest, extinguished wars, appeased the elements, expelled demons, burst the chains of death, expanded the gates of heaven, assuaged diseases, repelled frauds, rescued cities from destruction, stayed the sun in its course, and arrested the progress of the thunderbolt.

Prayer is an all-sufficient panoply, a treasure undiminished, a mine which is never exhausted, a sky unobscured by clouds, a heaven unruffled by the storm. It is the root, the fountain, the mother of a thousand blessings”.

Concluding his discourse, Leonard said, “Elijah was a man, skilled in the art of prayer, who altered the course of nature, strangled the economy of a nation, prayed and fire fell, prayed and people fell, prayed and rain fell”.

## **THE TRIPARTITE DIVINE TREASURE KEYS**

In this book, we are utilizing three divine treasure keys of scriptural prophecies, faith and warfare prayers – to accessing the possibility powers of God in this 52-day spiritual journey.

We shall be exploring at the beginning of every week, the regulatory law at work and then go ahead to locate the scriptural prophecies, faith principles and warfare prayers to revoke the laws, thereby tapping into the possibilities realm of God by which we take cheap deliveries of our miracles in life.

## CHAPTER TWO

### **THE LAW OF DIVINE PRESENCE**

***“And He said My presence shall go with thee and I will give thee rest”  
Exo.33:14***

***“He hath not beheld iniquity in Jacob, neither hath he seen perverseness in Israel, the LORD his God is with him, and the shout of a king is among them....***

***Surely, there is no enchantment against Jacob neither is there any divination against Israel, according to this time, it shall be said of Jacob, and of Israel, What hath God wrought!”  
Num.23:21, 23***

The law of divine presence states that the presence or absence of God with you is the determinant of your victory or defeat in the conflict and race of life. The presence of God is with you is the guarantee of ultimate triumph, dominion, success, breakthrough, distinction and prosperity that endure. The absence of His presence, spells doom, defeat, disaster and disgrace at the end. Thus, if you want to ensure a secured future, an invincible and fulfilled destiny, secure His presence in your endeavours and pursuits on the earth.

***“What shall we then say to these things?  
If God be for us, who can be against us?”  
Rom.8:31***

If you can secure His presence, nothing can be against you.  
Everything will work for you and in your favour

His presence is the generator of commanding the possibility powers of God. God's possibilities are at the instance of His presence. Until His presence is secured, you are not freed from the yoke and experiences of man's impossibilities. Securing and attracting divine presence therefore is a divine key that grants cheap access into God's possibilities. Nothing gets done for you until God is **in** you, **with** you and **for** you.

In this week's spiritual journey, we are exploring into securing, and the great accomplishments of His presence

## **DAY 1: SECURING DIVINE PRESENCE THROUGH PRAYING**

***“And he said, My presence shall go with thee,  
and I will give thee rest, An he said unto him,  
if thy presence go not with me, carry us not  
up hence”  
Exo.33:14-15.***

Your greatest asset and need in life's journey is God's presence. Never step out into this year, this month, this week and this day until you are able to secure the guarantee of His presence. His presence is the guarantee for a blissful, fulfilled and harmless destination and future. His presence makes you stronger than the stiffest and toughest opposition. Inability to secure his presence makes every adventure into any endeavour, marriage, carrier, journey etc. very risky and uncertain.

### **THE EXPLOITS OF HIS PRESENCE**

What does his presence do for a man?

First, His presence carries favour that makes for distinction help, assistance and success wherever a man finds himself in life. This was the case with Joseph in Gen.39:1-6, 20-23. The man that carries His presence cannot be ignored, dumped or abandoned.

Second His presence carries glory which covers or protects against attacks, nakedness, shame and corruption in life. It was when his presence left Adam that nakedness, shame and all forms of attack became Adam's lot in life. Gen.3:7-10.

Third, His presence generates boldness, victory, conquest and dominion in the conflict of life. His presence makes a man unbeatable, unconquerable, invincible, unstoppable and irresistible in the journey of life. His presence makes God to be in you, with you and for you. And when God is for you, nothing, nobody and no presence can be against you Rom.8:31, Isa.43:2. The absence of His power makes a man vulnerable to demonic attacks and opens the door for devastating defeats Josh.7:12. His presence is a covering, an immunity, a defense against the arrows and onslaughts of the enemy II Kg.6:17, Isa.4:5

Fourth, His presence is the generator of the miraculous Mk.16:20. In the days of His presence with Samson, miraculous, supernatural, extra ordinary occurrences were the cheap, normal and daily experiences of his life. He was in cheap command of signs, miracles and wonders Judg.14:5-6, 15:14-15, 16:1-3. No man or demon could humiliate, harass, molest, mock or embarrass him. He was too dangerous to be dared. He was a dreaded creature. Miracles were at the tip of his fingers Judg.15:18-19.

Fifth, His presence disarms liars-in-wait and evil pursuers Gen.35:5

Sixth, His presence turns a man's weakness into strength Exo.3:11

## COMMANDING HIS PRESENCE

How do you secure or command his presence?

First, His presence is generated on the altar of holiness and purity of life. God is the thrice Holy God Isai.6:3, Rev.4:8. So, His presence is naturally attracted to and activated in a holy environment. Sin is the antidote to His presence. There is a direct relationship between His presence and power. We know that current flows through a pure channel. So if you are able to create a pure lifestyle, you can attract His presence and can access His power. It was sin that drove His presence away from Samson, which brought about weakness and the utter defeat of Samson Judg.16:16-21. It was sin that drove His presence away from the children of Israel and made them a cheap victim before their enemy. Josh.7:11-13. Until sin goes, signs will not flow. Every sinful habit in your life every sin you can't stop will eventually expel His presence from your life and render you a shattered victim and a sure prey in the hands of the predators of your life.

Second, His presence is secured on the altar of effectual, fervent praying. Solomon prayed and God's presence descended into the temple II Chro.7:1-3. Israel cried to God in their afflictions and God heard their cries and came down into their situation Exo.2:23-25, 3:7-8. Solomon went to Gibeon to pray and God appeared unto him there IKg.3:4-5. Divine presence and divine appearance answer to a holy cry unto God.

We are therefore provoking and creating His presence to follow us into the year by committing ourselves to a life of purity and Holy living this year and by our heart cry to God in prevailing and effectual praying.

### **SHALL WE PRAY?**

1. Begin to thank God for your life. Thank Him for everything He has done for you
2. Begin to thank God for this year, this month, this week and this day in your life.
3. Thank God for delivering your eyes from tears, your feet from falling and your soul from death.
4. Begin to thank God because this season shall surely favour, help, assist and raise you.
5. Thank God because you will not suffer any downfall, disgrace and disappointment this season in Jesus name.
6. Begin to plead the Blood of Jesus upon your life to cleanse you from every defilement of the spirit, soul and body.
7. Every sin that will not make God to hear me, that will make the devil accuse me, alledge or resist me before God, Blood of Jesus, cleanse me now and atone for me in Jesus name.
8. You the hold, grip and chain of sin upon my life, break now by fire in Jesus name

9. Every sin that has become a habit in my life, that has become part of my nature, break now upon my life and be destroyed in Jesus name.
10. Thou the spirit of error, thou the spirit that makes men fall into temptation, thou the spirit of carelessness and indiscipline that want to push me against God this year, be consumed out of my life right now in Jesus name.
11. Grace for purity, holy living, disciplined commitment to God that answered for Enoch, Joseph, and our Lord Jesus Christ while they were here on earth, fall on me now in Jesus name.
12. Thou the overshadowing presence and glory of God, envelope me right now and follow me into the rest of the years of my life in Jesus name.
13. Grace to continue to attract Divine Presence, Divine Pleasure and Divine Favour, fall upon me right now and accompany me in the journey of the years ahead of me in Jesus name.
14. I prophesy that every step I take from today, every move that I make, every endeavor that I embark upon, the Lord shall be with me, so I cannot fail, I cannot fall in Jesus name.
15. Every battle that is waiting for me in the years ahead, the Lord shall be with me, I shall not be defeated, and I shall not be overcome in Jesus name.

16. O thou my destiny, you shall not be a casualty, you shall not be hurt, harmed or humiliated by any force in the years ahead of me in Jesus name,
17. I prophesy that for the rest of my life, the covering of God above and around me will not be removed in Jesus name.
18. Every power that is sent to remove the hedge of God around me is devoured now by fire in Jesus name.
19. Oh God, envelope me with your presence, Glory and Power as from today and throughout my lifetime in Jesus name.
20. Begin to thank God for His presence that will saturate your life.

## **DAY 2: HIS PRESENCE GUARANTEES DOMINION AND DIVINE DELIVERANCE**

*For behold, I have made thee this day, a  
defenced city, and an iron pillar, and  
brazen wall against the whole land, against  
the kings of Judah, against the princes thereof,  
against the priests thereof and against  
people of the land*

*And they shall fight against thee; but they shall  
not prevail against thee; for I am with thee,  
saith the Lord, to deliver thee  
Jer.1:18-19*

This is a heavenly artillery and invincible but very destructible missile against every confrontation and opposition that stands on the way of your destiny, performance and fulfillment in life. This is your guaranteed provision for your dominion and more than conquerors status in the conflicts of life. It is your confident assurance for your ever winning status in any battle before the battle begins at all. This is the platform for your praying from victory rather than praying for victory in spiritual warfares.

God's promise in His Word-to be in you I John 4:4, to be for you Rom.8:31, and to be with you Jer.1:19, 20:11, Isai.43:2, are the guarantees for your unchallengeable, unstoppable, unconquerable, irresistible and highly dreaded appearance and adventures in life's journey. This will create a platform for your confidence, courage and boldness in facing any opposition and challenge in life.

When this scriptures becomes a revelation to you and form or build your mindset or attitude, stiff oppositions of life will bow before you Zech.4:6, you command divine help Psa.121:1, 2, Isai.50:7, the Lord begins to fight your battles Exo.14:14, Deut.20:1, 4, the Lord goes ahead of all your endeavours Isai.45:1-3, you command divine visitation Jer.29:10-14 and then you can establish your enthronement status on the earth Rom.5:17, Rev.1:5, 6; 5:10.

This was the mystery that informed the boldness of little David against the giant Goliath I Sam.17:37. This was the source of the inner strength of Joshua and Caleb among the twelve spies that went to search out the land of Canaan Num.13:30; 14:6-9

Now, hear this. The ministry of God's word is to renew and transform the mind Rom.12:1, 2. Constant meditation, inspiration and revelation in God's word purges the mind from all negativities, limitations, impossibilities that the laws of nature have subjected man to as a result of the fall of man. The word of God then plants the abilities and possibilities of God into man. This then builds God mindset or mentality or attitude into a man's mind. The mind therefore becomes transformed from human to divine. That is how we carry the mind of Christ I Cor.2:16.

Now, all battles of life are fought in the mind realm. Life's battles are spiritual but fought in the mind. All of life's transactions that determine a man's experiences in life are carried out in the mind. That's why the Bible says

***“Keep thy heart with all diligence; for out of it  
are the issues of life”  
Pro.4:23***

If you can't win the battle from the mind realm, you will loose in real life no matter how hard you fight.

But when your mind is renewed and fortified by adequate deposits of revelation from God's word, you remain stronger than your life's challenges or battles. You have won the battle before the battle began. You only need to release a missile against opposition forces and you won't miss your target.

The first of David's five smooth stones against Goliath did not miss its target. David didn't need to use the remaining four stones again.

From henceforth, carry the mentality of God is with me, in me, for me in life's journey. Confront life and your oppositions with that mentality and you will remain an ever increasing winner and a champion to beat in life's journey.

## **DAY 3: HIS PRESENCE CLEARS OBSTACLES AND BARRIERS FROM THE WAY**

***“I will go before thee, and make the crooked  
places straight: I will break in pieces the gates  
of brass, and cut in sunder the bars of iron:***

***And I will give thee the treasures of darkness,  
and hidden riches of secret places, that thou  
mayest know that I, the LORD, which call thee  
by thy name, am the God of Israel”  
Isai.45:2-3***

The journey into the year will be smooth, the journey into your endeavours – marriage, career, project, business etc. will be hitch – free as long as He has gone before you!

God, going before you in all of your life’s endeavours, plans and projects is the end of struggles, failures and woes and the myth behind unimaginable and unstoppable breakthroughs and results. The journey or endeavour is easy, safe, fruitful and productive if He has gone ahead of you.

To go ahead of God, to take steps without His approval or backing is to sign in for a doom and a disaster. That was why Moses refused to continue in the wilderness journey until he secures God’s companionship Exo.33:15. The guarantee of His

presence is the end of all wars and the beginning of rest  
Exo.33:14.

When he goes ahead of you, he removes obstacles and barriers on your way. He dismantles and scatters opposition and evil strongholds. He opens unusual doors and grants access into the treasures, pleasures and riches ahead of you.

Every next level in a man's life, every adventure and endeavour, every project, move, effort, step a man wants to take in life, especially if it will add value and worth to a man in life, will have oppositions and confrontations waiting for the man. To overcome and liquidate the oppositions, God needs to go ahead of you.

As we cry unto God today, I announce to you, in this new day, week, month and year, God has gone ahead of you. Are you preparing for marriage, for a business project, for a new career, for a trip? God has gone ahead of you. Are you anxious, troubled, fearful and worried about the step you want to take very shortly? Relax, God has gone ahead of you. God has taken care of all challenges and worries. Mountains are uprooted. Crooked places are made straight. Breakthroughs and miracles lie ahead of you in Jesus mighty name.

## SHALL WE PRAY?

1. Begin to thank God for today. Thank Him for answering your prayers.
2. Thank Him for enveloping you with the garment of goodness and mercy.

9. Oh God, go ahead of me into my endeavours, plans, projects and efforts and make the crooked places straight for me in Jesus name.

10. Oh God, let your presence with me remove obstacles and mountains that are arranged along my pathways in life as from today in Jesus name.
11. Every organized opposition and battle that are lined up along the pathway of my plans and endeavours in life, scatter now by fire in Jesus name.
12. Every programme of frustration, failure and disaster organized for me in any step I am taking this year, scatter now by fire in Jesus name.
13. In every step that I'm taking this year, oh God, open unto me the treasures of darkness and the hidden riches of secret places in Jesus name.
14. Every gate of brass and bars of iron along my pathways in life, melt away now by fire in Jesus name.
15. Oh thou my destiny, in all of your plans this year, God will go ahead of you, you shall not fail, you shall not fall in Jesus name.

## **DAY 4: HIS PRESENCE MELTS THE MOUNTAINS OF LIFE**

***“Oh that thou wouldst rend the heavens,  
that thou wouldst come down, that the  
mountains might flow down at thy  
presence.***

***As when the melting fire burneth, the  
fire causeth the waters to boil, to make  
thy name known to thy adversaries, that  
the nations may tremble at thy presence!***

***When thou didst terrible things which we  
looked not for, thou camest down, the  
mountains flowed down at thy presence”  
Isa.64:1-3.***

His Presence melts mountains. His Presence is created at the prayer altar.

The prayer altar is a place of fire. Continuous praying is kindling and rekindling divine fire. Ceaseless praying keeps gathering wood into the fire Pro.26:20, Lev.6:9, 12-13.

The prayer altar therefore is a place of burning, glowing hotness. It is a place of melting. It is at the prayer altar that mountains of life melt and flow down before a man in life. Some people's destinies, adventures, projects, endeavours and pathways in life are devilled with mountains. And until mountains melt, there cannot be any meaning and beauty to existence. Prayer is the only force that melts the mountains of life.

## WHAT ARE MOUNTAINS?

Mountains refer to:-

First, the hardness of life. Mountains are very hard. That which is very hard, difficult, impossible in a man's life is a mountain. Every human impossibility, hopelessness and helplessness in a man's life is his mountain. For Abraham and Sarah, it was conception and child bearing at old age Gen.18:11-14. For Elisha it was the double portion of Elijah's power II Kg.2:9-10. For Caleb, it was Hebron that was denied him for forty five years-an inheritance that was the habitation of the giants Josh.14:7-12. For Ezekiel, it was the scattered dry bones in the open valley becoming a great army Ezek.37:1-2.

Second, mountains are destructive obstacles, barriers, barricades along a man's pathways in life. They cause stagnation, slow motion. They impede progress and speed. They waste time, life and destiny. Israel spent 38 years at Horeb. They didn't make progress for 38 years Deut.1:6; 2:14. Mountain Horeb wasted 38 years of their lives. The man that is not making any appreciable progress in life, the man that is always where he used to be is a victim of the mountain of life. Mountains resist success and achievements Zech.4:7.

Third, mountains are insurmountable battles or problems or challenges of life.

***“Behold, I am against thee, o destroying  
mountain, Saith the Lord, which  
destroyed all the earth, and I will  
Stretch out mine hand upon thee,  
and roll thee down From the rocks,  
and will make thee a burnt mountain”  
Jer.51:25***

Thus, mountain refers to the battle that is stronger, tougher and more powerful than a man, the battle that has signed a covenant with a man's lifespan, the battle that has vowed never to leave a man until they carry him to the grave. That is the destroying mountain of a man's life.

How do mountains get burnt from a man's life? By effectual fervent praying. In IKg.18:38. Stones were burnt by the fire that came from heaven in response to Elijah's aggressive prayers IKg.18:36-37.

Also, effectual, fervent praying invokes and provokes God into one's situation, as seen from Solomon's experience in II Chro.7:1.

God is a fire Heb.12:29. When God comes down, He comes with His fire accent and begins to melt down the destroying mountains of a man's life Isai.64:1-3. Effectual heartfelt praying ignites divine fire as seen in Elijah's experience in I Kg.18:36-38. That was why Elijah was a divine fire carrier, and couldn't be dared II Kg.1:9-13. This was because he was a man of great prayers I

Kg.17:1; 18:42-46. Fire prayers kindle fires that melt mountain of life I Kg.18:38.

Until you pray, your mountain is the master. All that the mountains of your life are waiting for is fire praying. Fire praying makes you hot, dreaded and inflammable. When you are ablaze, you speak to the mountains of your life and they will melt before you like wax before fire Mark 11:23.

14. Every power that is sent on assignment to waste my time, my life and my destiny, be wasted now by fire in Jesus name.

22. Oh God, envelope my life right now with dignity, glory, beauty and honour in Jesus name.
23. Begin to thank God for answered prayers.

## **DAY 5: HIS PRESENCE ERRECTS A DIVINE DEFENSE AROUND A MAN**

***“They that trust in the LORD shall be as  
mount Zion, which cannot be removed,  
but abideth for ever***

***As the mountains are round about  
Jerusalem, so the LORD is round  
about his people from henceforth  
even for ever”***

***Psa.125:1-2***

***And Elisha prayed, and said, LORD,  
I pray thee, open his eyes, that he may  
see. And the LORD opened the eyes of  
the young man; and he saw: and,  
behold, the mountain was full of horses  
and chariots of fire round about Elisha.***

***II Kings 6:17***

A major potency of His presence is that it erects walls of defense and security around a man. Why do we need these walls of defense? There are evil conspirators Gen.37:19-20, evil spies II Kg.6:13, evil pursuers Josh.2:7, 16, those who lie in ambush Judg.6:13, evil arrow shooters and diviners Ezek.21:21-22, all of who are monitoring your destiny for destruction. The divine walls defend or protect you, making you impenetrable, untouchable and invincible to enemy forces

These destructive forces are agents or messengers of Satan that are seeking for access routes into a man's life and destiny. When

they gain entry, they perform, among other things, these destructive assignments:-

1. They manipulate man into error so that the man cannot fulfill his purpose on earth.
2. They weaken or paralyze a man from pursuing his assignment in life.
3. They seek the means to abort a man's assignment and destiny.
4. They strip a man of his glory, honor and crown in life.
5. They attack a man with afflictions, sickness, diseases and all manners of oppressions.
6. They attack with sudden or premature death.
7. They strive to keep a man in bondage, captivity and chains all through his lifetime.
8. They transfer a man's affliction to his posterity.
9. They seek to make a man cheap prey in the hands of the predators of life and reduce him to a casualty or prisoner of war in the years ahead of him.  
  
They hijack a man's future and saturate it with bitterness, pains and agony.
10. They are terrorist of blessings and hope.

## **THE DEFENSE WALL OF GOD**

The authentic answer to these attackers, hijackers, terrorists and destroyers of optimism are the defense walls of God. These are the only guarantee for a man's security, preservation, safety and peace that a man needs to be able to pursue and fulfill life and destiny to the full on earth.

These defense walls are seven:-

1. The wall of the Blood of Jesus – Zech.9:11-16
2. The wall of His presence – Psa.27:1-5
3. The wall of His Angels – Psa.34:7; 91:1-12
4. The wall of His shadow – Psa.91
5. The wall of the name of the Lord – Pro. 18:10, Phil.2:9-11
6. The wall of divine fire – II Kg.6:17, Zech.2:5
7. The wall of His wings – Psa.91:4, Deut.32:9-13

## **PRAYER PROVOKES AND ACTIVATES THE DEFENSE WALLS OF GOD AROUND A MAN**

Elisha was on the mountain praying when the king of Syria sent spies to come and arrest him. But his prayers commanded chariots of angelic horses and fire around him II Kg.6:15-17.

David was with Samuel on the mountain praying in Naioth of Ramah when Saul sent detachment of army thrice to arrest them, but their prayer attracted the very presence of God upon the mountain that made them untouchable I Sam.19:18-24.

The forty days fasting and praying of Jesus in the wilderness attracted Angelic ministration for Him Mark 1:13.

Prayers therefore ensure the security forces of God around a man. It erects the walls of defense of God around a man making it impossible for the monitoring agents of Satan to penetrate and accomplish their obstructive ministries in a man's life.

If you pray prevailingly, your destiny will be kept secured and your future will be guaranteed. Evil snares over your life will be broken for "...in vain is the net spread against any bird..." Psa.124:6-8, Pro.1:17-18.

21. Power, grace and anointing for long life and strength of days, fall upon me as from today in Jesus name.
22. Begin to thank God for answered prayers.

## **DAY 6: HIS PRESENCE PROVOKES DIVINE DELIGHT**

***“The Sacrifice of the wicked is an abomination to the LORD: but the prayer of the upright is His delight”***

***Pro.15:8***

One great potency of His presence is that it provokes God's delight. It makes God to be pleased with a man. God loves communication and relationship. He created man for that purpose Gen.1:26-27. That is His pleasure that He created man for Rev.4:11. And praying is the means for realizing this purpose. God so much delights in our praying that He ensures that all prayers offered by the saints, His righteous people are collected inside a container in His presence Rev.8:3.

### **LEVELS OF RELATIONSHIP**

There are five levels of relationship of God with man on a daily basis:-

1. Those that God is angry with I Kg.11:9. These people turn their back against God, they keep sinning and sinning. They keep breaking the scriptures, violating God's instructions and commandments.
2. Those that are displeasing the Lord II Sam.11:27. These are people that are not making God to be happy with them.

3. Those that God is not well pleased with I Cor.10:5
4. Those that please God Heb.11:5. These are people that make a consistent walking relationship with God Gen.5:24.
5. Those that God is well pleased with Matt.3:17, 17:5.

At this level, the whole of creation is under divine compulsion to hear, hearken and obey you.

### **PRAYER: A DIVINE RELATIONSHIP LUBRICANT**

Among other things in life, prayer is one of the potent and dynamic forces that oil the engine of relationship between God and man.

Thus every man of prayers command divine delight and pleasures, and at that level, they can access God's inexhaustible treasures and resources, His powers, secrets, blessings and abilities. When God is pleased with a man, He grants him special privileges and favour that is not accessible to other men. The man becomes exceptional and extraordinary.

It was because God was delighted in Moses, a man of prayers that he became a custodian of God's secrets. He was able to document that stories of creation, Abraham and the rest, events

that had happened long before he was born. It was God's delight in Elijah, a man of prayers, that made him able to call down fire from heaven, the fire that licked water and burnt stones into ashes. It was God's delight in our Lord Jesus Christ, a man who lived His life on earth in ceaseless praying, a man that taught and practiced the art of praying that made the whole of creation to answer to Him. He walked upon the sea, spoke to the wind and they obeyed Him. He called forth the dead and they answered to Him.

Prayer makes the relationship between God and man cordial, smooth, safe and pleasant. Prayer, especially the one prayed in uprightness of life, is a sweet smelling savor unto God. It initiates a man into the realm of signs, miracles and wonders. It puts a man in cheap command of the supernatural. If you must live to please God well, if you must attract heaven's attention to your daily experience on earth, if you must remain a dread to Satan and his kingdom and if you must accomplish or fulfill your purpose on earth with ease, you must be given to ceaseless, effectual, fervent praying. Prayer must not be an occasional exercise of your life, it must be your lifestyle and habit. You must learn to pray to live. You must desire praying as a means of servicing your relationship with God. You must learn to pray hard when it is hard to pray. Praying must be like breathing for you. For you to be prayerless is to stop breathing. You must learn to pray without ceasing.

Instead of playing, you must always be praying. You must see prayerlessness as a crime against heaven and a disservice to your glorious destiny.

***This is why we are instructed in the scriptures to***

- Always pray and not faint Luke 18:1
- Pray without ceasing I Thess.5:17
- Turn our cares to praying Phil.4:6-7
- Call upon God in the day of trouble Psa.50:15
- Call upon God Jer.33:3
- Ask, seek, knock Matt.7:7-11

These are the secrets of a man like David Psa.120:1; 116:1-2

The grace to pray and keep praying without fainting, receive as from today in Jesus mighty name (Amen).

## **DAY 7: HIS PRESENCE GENERATES HELPS**

*And there was a certain disciple  
at Damascus, named Ananias;  
and to him said the Lord in a vision,  
Ananias. And he said, Behold,  
I am here, Lord.*

*And the Lord said unto him, Arise,  
and go into the street which is  
called Straight, and enquire in the  
house of Judas for one called Saul,  
of Tarsus: for, behold, he prayeth,  
And hath seen in a vision a man  
named Ananias coming in, and  
putting his hand on him, that he  
might receive his sight.*

**Acts 9:10-12**

Saul of Tarsus was praying was praying in the house of Judas. The prayer moved God to organize help for him in the form of Ananias. As he was praying, his helper was looking for him. And when the helper found him, his diverted destiny became reordered. The commission that he was pursuing from the chief priests and the elders of Israel Acts 26:12 gave way to the divine commission, described as the heavenly vision Acts 26:13-19. As he was pursuing this new but true commission, he attracted again the help of God Acts 26:22 which made him excel and surpass all those who had been ahead of him before in exploits, results and accomplishments I Cor.15:9-10.

## **MAN AND HELP IN LIFE'S JOURNEY**

The mystery of man's creation, made it impossible for him to survive or succeed on earth without help. Help is the dominant decider, director and determinant of man's destiny. How far you can go in the race of life (rate of progress), how high you can rise (rate of lifting) and how strong you are in the conflict of life is a function of the help you are accessible to.

It is the absence of help that stagnates destiny. The status quo is the master until help comes. The man by the pool of Bethesda admitted that the absence of help kept him stagnated for thirty eight years John 5:7. Even God admitted that man cannot live life soloist, he needed help Gen.2:18.

All the abilities, qualities, gifting, qualifications and endowments of a man on earth, minus help will amount to nothingness, emptiness, abortion and frustration of destiny. He will be caged, pegged and ceiled until help comes. With all the enduements and endowments of Joseph he was kept in the dungeon. What he had couldn't deliver anything to him until help came Gen.14:41. On the other hand, a man may be zero and nothing, but with help available to him, outstanding and amazing results will begin to locate him. That was the case with Moses. He was complaining about his inadequacies, inabilities and shortcomings. God told him, "I will be with you..." Exo.3:11-12. The rest is history. The limitations of life became limited. The disqualifications of life

became overruled, and a man that was initially a failure became a resounding and celebrated success when help came.

It was help that qualified the unqualified Saul to become Israel's first king. He annulled tradition and constitution and crossed over from Benjamin to take the place of Judah in becoming King, I Sam.9:20-21. In fact, Saul was a very tall man but was treated as a short man, unknown, unrecognized, unnoticed and uncelebrated until help came I Sam.1:23-24. It was help that qualified the abandoned, isolated and rejected David the last born of Jesse to become king in the place of the qualified and accepted Eliab and the rest I Sam.16:1-13. It was help that brought Solomon to the scene when Adonijah had already been celebrating kingship I Kg.1:11-40; 2:15.

It is help therefore that overrules the mark of life to qualify the disqualified.

Help is the myth behind divine lifting, Joseph slept in prison and woke up into the office of the Prime Minister in Egypt. That lifting broke all the rules and protocols of life Gen.41:14, 37-44. Help clears obstacles, barriers and inhibitions along a man's pathways and turns his oppositions into opportunities. Help is the generator of speed in the race of life. Exo.2:17-19. The yoke of delays and denials of life are hidden in the absence of help. It is access into help that makes life an experience of effortless, sweatless and struggle-free breakthroughs. It is help that opens

life's door to limitless, boundless, irresistible, unquantifiable and record breaking results on the earth.

Every lifting, rising and progress in life is traceable to a source of help. Help is a great source of strength. When help comes, level, identity, location and destiny change. Help turns a man that was formerly a burden and a concern into a wonder, an asset and an amazement. Help moves a man from the realm of pity to that of envy.

## **SOURCES OF HELP**

There are seven sources of help available to a man for the total turnaround of his destiny. These include:

1. The help of creation Rev.12:14-16. By creation, we mean, everything created by God, the earth, the sun, moon, stars wind etc.
2. The help of man John 5:5-7, Mark 2:1-12
3. The help of time Psa.105:17-22; 102:13
4. The help of destiny Psa.3:3
5. The help of the Holy Spirit Rom.8:26
6. The help of the Angels Dan.10:11-13, Heb.1:13-14
7. The help of God Acts 26:22

## **HELP: AVAILABLE ON THE ALTAR OF EFFECTUAL PRAYING**

*And Jehoshaphat feared, and set himself to seek the LORD, and proclaimed a fast throughout all Judah.*

*And Judah gathered themselves together, to ask [help] of the LORD: even out of all the cities of Judah they came to seek the LORD.*

*II Chronicles 20:3-4*

Jehoshaphat declared fasting and praying, seeking for God's help. The help came when Israel won the great battle without physically fighting. God fought the battle Himself against the enemies of Judah II Chro.2:22-30.

Prayer moves God to release the exact help that will meet the exact needs of His people. As you begin to pray, the Lord will trigger your Ananias to begin to locate you for your needed assistance. This is your season of help.

22.     Begin to thank God for answered prayers.

## **CHAPTER THREE**

### **THE LAWS OF NATURE**

One tough law that imposes terrible impossibilities upon man is the law of nature.

At creation, there are certain laws that were enacted into nature by which the universe is ordered. The laws were to make for the smooth or undisturbed running of the whole of creation to prevent anarchy, chaos and corruption. These laws are called scientific laws. The discoveries of these laws are the platform for the inventions of science. Man was originally created in Eden to be above these laws according to Gen.1:28. But at the fall of man, he became a victim and docile to the laws. That is the foundation of the experiences of man's impossibilities on the earth.

By this law, man grows old, his physiology becomes weakened and ineffective with age, he becomes tired, his blood can be contaminated, he can die. His aspirations and desires in life can be fulfilled only as the laws of nature can allow him.

But when the law is suspended or terminated in any area of a man's life, he becomes an exception to the rule in that area and a miracle results. So, what is practically impossible by the laws of nature can become a cheap testimony in the man's life. The man

commands occurrences and experiences that defy and silence science, experiences that have no answer by the laws of nature.

That was what happened when Sarah gave birth at age ninety (Gen.21:1-7). That was what happened when Mary conceived without meeting with a man Luke 1:34. That was what happened at the Red Sea while the water flowing downhill moved backward Exo.14:21-22

This week, we are embarking on a spiritual journey of revoking these laws in areas where they are standing as obstacles to the accomplishment of our creative mandates on earth. We are tapping into God's possibilities by putting the laws of nature on hold through the instrumentality of scriptural prophecies and warfare prayers.

Get ready! A strange miracle is on your way. A marvel – a wonder – is about to burst out in your camp. This week, you shall surely carry testimonies of the unusual.

Study the devotionals. Receive the words. Pray the prayers that follow violently and aggressively.

## **DAY 8: REVERSING NATURAL LAWS**

***“Then Esther bade them return Mordecai  
this answer,***

***Go, gather together all the Jews that are  
present in Shushan, and fast ye for me,  
and neither eat nor drink three days,  
night or day: I also and my maidens will  
fast likewise; and so will I go in unto the  
king, which is not according to the law:  
and if I perish, I perish***

***So Mordecai went his way, and did  
according to all that Esther had  
commanded him”***

***Esth.4:15-17***

It was against the law for Esther to see the king at the time that Mordecai wanted her to see the king. If she shall approach the king at that time and particularly if the king is not disposed to the visitor, she would be put to death.

However, the situation was an emergency, delay was dangerous. A law had just been passed through the manipulation of the wicked Hamman, the Agagite. Very shortly, the whole Jewish race would be exterminated and wiped out from the face of the earth. If the king was not seen at that odd or forbidden time, if they had to wait for a more opportune time, the holocaust that was looming upon the Jewish race would be irreversible.

This situation is beyond human control and ability. It needs the intervention of supernatural forces. Thus Esther called for a 3

days major fasting and praying to contend with the frustrating, hopeless, demonic, hydra-headed monster. For if heaven remained silent and still, the destructive 'sword of Damocles' would fall.

## **EXPLOITS OF PRAYER**

The great, invisible, mysterious powers of prayer are seen, first, in Esth.5:1-3. Esther went in to the king at the time the law did not permit. She found favor with the king and the king received her with an open cheque to ask what she wanted. This is amazing. Second, eventually, she registered for the abrogation or annulment of this evil law and her request was granted Esth.8:5, 9, 13 and third, the lives of the enemies of the Jews became a ransom for their own lives Esth.9:1-10.

## **PRAYER REVERSES LAWS**

There are three dominant laws that administer the happenings and occurrences on the earth. Nothing just happens on earth, every happening is remotely controlled by a definite law.

First, is demonic law. This law enforces demonic experiences. These are evils or experiences that are mysterious or inexplicable to human as in the case of the man that was held bound by the pool of Bethesda for 38 years John 5:5, 7, 10.

Demonic laws make a man's lifestyle or experience run according to the will or desire or programme of Satan. Every intention and reoccurrence of evil in life is a programme of Satan as in the case of the family in Luke 20:29-32.

Second is national law. This is the law of a nation that is enshrined in the constitution of the nation. An example in the law, written to wipe out the Jews during the reign of king Ahasuerus of Persia Esth.3:12-15.

There are some laws in a nation that are antagonistic to the fulfillment or the accomplishment of some people's destinies or assignment on the earth. There are some satan sponsored agent in the legislative chambers in some countries who sponsor laws that are inimical to the destinies of some people or organizations. Such were people like Hamman as seen in Esth.3:8-11. It happened also in the days of Daniel Dan.6:4-9.

Third is natural law: These are laws enacted in nature by which the universe runs smoothly, such as the law of gravity or the law of motion. These laws regulate the activities and operations or experiences of men on the earth.

The triumph of prayer is that it can suspend, terminate or annul these laws. When you pray, these laws can be set aside for your sake. When that happens, a miracle results.

Demonic laws holding the man at Bethesda Pool down for 38 years were annulled and the man rose up, carried his bed and began to walk John 5:9. He lifted the bed in 38 seconds that carried him in 38 years. What he couldn't do in 38 years, he did in 38 seconds.

The national law that established the destruction of the Jews were annulled. Power changed hands and the Jews killed those that were assigned to kill them on the same day that they were to be executed Esth.9:1, 2. Daniel also prayed and those who enacted the law to put him inside the lion's den were those that were devoured by the lions Dan.6:21-22, 24.

Natural laws have been suspended or annulled on behalf of God's covenant children. That was why Sarah and Abraham could give birth to Isaac at their old age, contrary to the laws of nature Gen.21:1-7. The same goes for Zacharias and Elizabeth Luke 1:24-25. That was why Mary could conceive without having an affair with a man Luke 1:34-35.

This is your season of reversal or annulment of contrary laws. It is your season of dominion and distinction over the issues and affairs of your life. Every evil that is working against your needed miracle and breakthrough in life will be revoked and terminated permanently right now and your needed miracle will manifest in Jesus name.

## SHALL WE PRAY

1. Begin to thank God for today. Thank Him for everything He has been doing in your life.
2. Begin to plead the Blood of Jesus upon your life for mercy, atonement and redemption.
3. Every evil law that is remotely controlling and running my life and destiny is annulled now by fire.

11. Every siege around my life and destiny, disappear now by fire in Jesus name.

12. Every law of hardship and struggles that had been passed against my destiny, be annulled now by fire in Jesus name.
13. Every law of poverty, debt and losses passed against my destiny in the spirit world, be revoked and annulled now by fire in Jesus name.
14. Every law of disease and discomfort passes against my destiny, be annulled now by fire in Jesus name.
15. Thou the law of premature death passed against my family, be revoked and annulled by fire in Jesus name.
16. Every law that is resisting the accomplishment of my purpose, mission and assignment in life, be revoked and annulled now by fire in Jesus name.
17. Oh God, make my life a show case and specimen of what no man but God alone can do as from today in Jesus name.
18. Oh God, stretch forth your overruling hand and overrule every verdict of affliction in every area of my life right now in Jesus name.
19. Oh God, from all the trials and battles of my life, let testimonies come forth unto me as from today in Jesus name.
20. Begin to thank God for answered prayers.

## DAY 9: COMMANDING ALL POSSIBILITIES

***“Then said Mary unto the Angel, How shall this be, seeing I know not a man?”***

***And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the Son of God.***

***And, behold, thy cousin Elizabeth, she hath also conceived a son in her old age: and this is the sixth month with her, who was called barren.***

***For with God nothing shall be impossible”  
Luke 1:34-37.***

The creation of man, and especially his fall, brought him under some salient limitations in life. These limitations brought certain embargoes, and impossibilities to man. Man is for instance, limited by time, resources, power, death etc. These impossibilities are expressed or validated by the diverse laws that administer the affairs of life – the laws of nature or scientific laws, laws of a nation or national laws, demonic laws, inheritance laws etc.

The word of God is God’s laws. God’s laws are the ultimate, highest and sovereign of all laws.

Thus, when the word of the Lord comes over any situation or aspect of a man’s life, it suspends all prevailing laws revokes, reverses or annuls the operations or terms of reference of any

prevailing law, limits life's limitation and converts life's impossibilities into cheap testimonies.

The Holy Ghost is the executor of God's word or God's will. He's therefore the one that makes the impossible possible. So, when you receive God's word concerning any aspect or situation in your life and you declare it in warfare, every hopelessness and helplessness will bow, the irreversible becomes reversed, the irrevocable becomes revoked, the humanly unimaginable become your cheap delivery. That was what explained the conception and delivery of Elizabeth at old age and Virgin Mary who had no affairs with a man, suspending the prevailing law of science or natural laws.

By the irrevocable and sovereign law of God and by His word that says that "with God, nothing shall be impossible, your life's impossibilities, difficulties and helplessness will produce speaking testimonies to you this season in Jesus mighty name (Amen).

18. Begin to thank God for answered prayers.

## DAY 10: COMMANDING AMAZING WONDERS

*“Call unto me, and I will answer thee,  
and show thee great and mighty things,  
which thou knowest not”*

***Jer.33:3***

### WONDERS: WHAT ARE THEY?

Wonders are the acts or doings of God that are marvels to men Psa.118:23. Wonders are God’s interventions in the affairs of men that defy natural or logical or scientific explanations. Wonders are occurrences or events or happenings that prove that God is really God and that He is not a man.

When wonders happen, men marvel. Wonders silence the reasoning, philosophy, psychology, tradition and wisdom of men. Wonders are the interventions or creations of God Dan.4:3. But God’s presence with a man can empower him or initiate him into the working of wonders John 3:2, Acts 10:38.

### WONDERS: BIBLICAL EXAMPLES

The parting of the Red Sea is a wonder Exo.14:21-22. The stopping of the movement of the sun and the moon in the days of Joshua was a wonder Josh.10:12-14. The coming down of God’s fire on Mount Carmel that burnt stones, dust and licked water was a wonder I Kg.18:36-38. The coming backward of the sun’s

dial by ten degrees in the days of Prophet Isaiah and king Hezekiah is a wonder II Kg.20:8-11. The conception and birth of Jesus by Mary contrary to natural laws is a wonder Luke 1:34-35. The three and half years ministry of our Lord Jesus Christ are full of wonders Matt.8:27, Luke 7:16. The resurrection of our Lord Jesus Christ from the grave is a wonder Matt.28:1-6.

Wonders are all you need to give validity and efficacy to your Christianity. Christianity is not a religion. It is walking in and commanding the lifestyle of wonders. It is not living in miseries; it is turning the mysteries of life into masteries for dominion lifestyle on the earth. Wonders are supposed to be your heritage in redemption. The absence of the experience of wonders is the presence of the experience of shame, disgrace, humiliation and pity among men. Satan will want to frustrate and humiliate destinies by bombarding them with arrows of complex and diverse afflictions or problems that defy solutions. Wonders are the authentic answers to the attacks and attempts of satan in human lives.

Wonders disgrace satan, humiliate him and glorify God in human lives.

## **PRAYER COMMAND WONDERS**

God promised wonders in answer to effectual praying Jer.33:3

Israel cried to the Lord before parting the Red Sea Exo.14:10, 15, 16

Joshua cried to the Lord before God caused the sun and the moon to stand still Josh.10:12

Elijah prayed earnestly before fire came down from haven on Mount Carmel I Kg.18:36-38

Isaiah cried to the Lord before the sun's dial returned backward by ten degrees II Kg.20:11.

If you will see wonders and be freed from the shame creating manipulations or operations of satan, you must be ready to pray aggressively, forcefully and prevailing.

## **SHALL WE PRAY**

1. Begin to thank God for yet another day, thank Him for everything He is doing in your life.
2. Plead the Blood of Jesus upon your life for purging and cleansing from all mistakes, errors and sins.

12. Oh God, frustrate and disgrace Satan and his cohorts out of my life as from today in Jesus name.
13. Every evil mark and implantation in my life that is making life hard and difficult for me, be consumed now by fire in Jesus name.
14. Every power that is keeping any area of my life in the grave, be consumed now by fire in Jesus name.
15. I prophesy that as from today, when men are saying there is casting down, I shall surely say there is lifting up in Jesus name.

19. I command all the creations of God to begin to assist me to succeed effortlessly as from today in Jesus name.
20. Oh God, speak, release and program ease, speed and help into my life and destiny as from today in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 11: REVERSING SUNSET TO SUNRISE

*And he lighted upon a certain place,  
and tarried there all night,  
because the sun was set; and he took  
of the stones of that place, and put  
them for his pillows, and lay down  
in that place to sleep.*

**Gen.28:11**

*And Jacob was left alone; and there  
wrestled a man with him until the  
breaking of the day.*

*And as he passed over Penuel the  
sun rose upon him, and he halted  
upon his thigh.*

**Gen.32:24, 31**

Jacob's sun was set in the morning of his life. What a tragedy and disaster! There are forces that compel a man's sun to set before his time. Jacob's sun was set without any worthwhile accomplishment to show for the years of his life. That a man's sun is set is a signal that work is over, time is up.

What time did Jacob's sun set?

***"And he lighted upon a certain place,  
and tarried there all night, because  
the sun was set...."***

**Gen.28:11**

His sun was set in the night season of his life.

A lot of people are wallowing and enveloped by the power of the night season of life. You are either in the night or in the morning season of life. What are the characteristics of the night season of life?

The night season is characterized by persistent toiling, struggling, laboring but catching nothing. It is characterized by excessive sweat without sweetness. It is characterized by sowings without harvests, investments without dividends. It is characterized by nothing to show for one's labour, one's skill, one's certificates, one's years, one's marriage or one's lifetime.

The Bible says weeping endures for a night Psa.30:5. Thus, the night season is characterized by continuous or endless tears. And if continuous tears are products of powerlessness according to Eccl.4:1, then, the night season of life is characterized by powerlessness, defeats and downfall.

***Simon Peter saith unto them, I go a fishing.  
They say unto him, We also go with thee.  
They went forth, and entered into a ship  
immediately; and that night they  
caught nothing.  
John 21:3***

The night season is also characterized by no sight, no direction, stumbling according to Isai.59:10. It is a season of no help, no favour and no assistance.

It is a period when the elemental forces; the sun, moon and stars have withdrawn from their assignments towards a man.

It is a period when darkness and its powers are in charge or in control in a man's situation. It is a period when everything is still and stiff, nothing is working, nothing is responding and nothing is happening in a man's life. It is a season when a man's destiny is concealed or held captive in the cemetery. When a man is passing through all of these experiences in life, it is clear expression that the sun of the man has set.

## **THE MORNING SEASON OF LIFE**

***“But when the morning was now come,  
Jesus stood on the shore: but the  
disciples knew not that it was Jesus***

***Then Jesus saith unto them, Children,  
have ye any meat? They answered him,  
No***

***And he said unto them, Cast the net on  
the right side of the ship, and ye shall  
find. They cast therefore, and now they  
were not able to draw it for the  
multitude of fishes.***

***John 21:4-6***

The morning season is when help is available for you at life's bus stops where you had been stranded before. It is when numerous doors are opened where one door had closed against someone before. It is when direction and discretion begin to answer to a man's prolonged stagnation. It is when a man begins to take the right steps at the right speed in the right time in the journey of life. It is therefore the period of unspeakable, indescribable,

irresistible and unstoppable results and breakthroughs in life. It is a man's season of multitude of fishes in the language of John, John 1:26 and net breaking, ship sinking breakthroughs in the language of Luke, Luke 5:6, 7.

The morning season of life is characterized by joy, celebration and jubilation Psa.30:5. It is the period of tears wiped away, no more tears, pain, sorrow Rev.21:4-5.

It is the season when a day of favour begins to deliver what years of labour couldn't deliver. It is the period when captivity turns like a dream Psa.126:1-3. It is the period of total turnaround.

By the anointing of the Holy Spirit upon my life, I terminate permanently, the night season of your life, I usher you into the morning season of your life from henceforth in Jesus mighty name (Amen). The morning season of life is a proof that the son of a man has risen.

## **PREVAILING IN PRAYER REVERSES A MAN'S SUNSET INTO SUNRISE**

Jacob's sun was set in Gen.28:11. He wrestled and prevailed in praying in Gen.32:31. Then, he had the testimony of total sufficiency when he met with Esau on his way from Laban Gen.33:10-11. Until you breakthrough in praying, you don't

breakthrough and breakforth in life. Until you prevail in praying, you don't prevail and show forth in life.

There are forces that are struggling to compel your sun to set before its time. They are determined to envelope the afternoons of your life with total darkness. They are determined to frustrate your destiny out of existence. They want to turn your lifetime into an experience of vanity and emptiness. These forces are wicked, unrepentant and completely merciless. They only answer, submit, bow to prevailing, aggressive, violent and fire praying. If you are complacent, docile and lazy in the art of warfare, they will liquidate and extinguish your destiny. To bring sunrise out of your sunset and convert your night unto the morning season, you need to pray violently, forcefully and aggressively

## **SHALL WE PRAY**

1. Begin to thank God for this day. Thank Him for who He is, what He has done and what He will still do in your life.
2. Confess all your sins and errors to God. Plead the Blood of Jesus for forgiveness and atonement.
3. Plead the Blood of Jesus to go into the battlefield of your life and begin to fight for you.
4. Every power that is compelling my sun to set before its time, be roasted now by fire in Jesus name

8. Every yoke of nothingness, emptiness and vanity upon my life, break now by fire in Jesus name.

10. Every yoke of defeat and failures upon my life break now by fire in Jesus name.
11. Oh God, send help to me today to wipe away my tears forever in my life in Jesus name.
12. Oh God, let the morning of my joy and celebration break forth as from toady in Jesus name.
13. Oh God, begin to open doors of turnaround breakthroughs unto me in all areas of my life as from today in Jesus name.
14. Oh God, fill my life with record breaking records and outstanding testimonies as from today in Jesus name.

## DAY 12: COMMANDING A DAY TO REMEMBER

***“And it came to pass at the end of the four hundred and thirty years, even the selfsame day it came to pass, that all the hosts of the LORD went out from the land of Egypt***

***It is a night to be much observed unto the LORD for bringing them out from the land of Egypt: this is that night of the LORD to be observed of all the children of Israel in their generations”***

***Exo.12:41-42.***

There is always a set day in a man's life that is destined by God to be a memorial, a day to remember. That is the day the unusual, the unexpected, the humanly unimaginable happens in a man's life. It is the day of divine surprise, a wonder, and amazement occurs. It is the day a long persistent battle is disgraced, opposition silenced out of a man's life that the man can never forget for the rest of his life. It is the day that is referred to as **'a day to remember'**.

A typical example of the date to remember was the date Israel left Egypt Exo.12:41-42, it is a date to remember throughout the generations of the children of Israel. That was so because this generation of the children of Israel that left Egypt had never seen freedom in their lives. They were born into bondage. Bondage had become their normal order of life. As far as they were concerned, freedom never existed. They were like the captives in Plato's cave that were born in darkness who had never seen light and therefore never believed that there is anything called light at all.

Therefore the day this generation of the children of Israel left bondage in Egypt and they witnessed freedom for the first time in four hundred and thirty years, was a day to remember.

## **DAYS TO REMEMBER IN A MAN'S HISTORY**

### **1. THE DAY OF FREEDOM Exo.12:41, 42**

The day of freedom from bondage is a day to remember. The day of freedom is the day of change, change of location, identity, status, level and destiny. The proof of freedom is new things, constant positive changes from where you used to be to where you are supposed to be.

The proof of bondage is the status quo or continued stagnation. The enemy of change is chains. Until chains break, change can't come.

Thus the day of freedom or change is the day of celebration and memorial in a man's life. Your change has come right now in Jesus name.

### **2. THE DAY OF DELIVERY**

The day of delivery of pregnancy is a day to remember. It is a day of celebration as seen in Sarah Gen.21:2, Hannah I Sam.1:20.

There are three classes of people in the school of fruitfulness in life. First, those that cannot carry pregnancy, conception is difficult. This people are called barren.

Second, those that conceive but lack strength to deliver Isa.37:3. This is the cause of abortion or terminated pregnancy in life.

Third, those that conceived and delivered.

Suffice to say that it is not only children that they conceive in the womb and deliver in life. All breakthroughs, achievements, inventions results and progress in life must begin first as pregnancy in the form of a dream, vision or an idea in someone's womb. They must be incubated for a time period before delivery is effected in life.

Every accomplishment of destiny begins from the pregnancy of destiny. The worst thing that can ever happen to a man in life is to be carrying a barren womb, inability to conceive or to be pregnant. It is the root causes of catastrophic failures, emptiness of life and non-achievements.

There is no day that a man's womb must be empty. He must constantly be pregnant with great ideas, expectations, breakthroughs and progress. He must constantly be visiting the labour room of destiny to deliver. He must constantly be pushing or travailing to give birth to an unusual result or impact or exploit in life. The day of the delivery of the miracle or breakthrough is a date to remember in life.

### 3. **THE DAY OF ARRIVAL AT A LONG DESIRED BUS STOP OF LIFE**

Life is a journey that is made up of different bus stops. Bus stops of birth, admission into schools, graduating from schools, getting or starting jobs, getting married etc.

Rate of arrival at life's bus stops differ from person to person. Some are slow, others are quick. There are road blocks, mountains, barriers and barricades erected along life's pathways that determine when people arrive at their desired bus stops. The dates of arrival at life's bus stops are dates to remember they are days of celebration in a man's life. That was the case when Israel arrived at the Promised Land after their forty years wilderness journey Josh.4:19.

### 4. **THE DAY OF REST II CHRO.20:30, I KG.5:3-4**

The day of rest is when you are delivered from a long persistent battle of your life. It is the date that battles cease in your life. That is the date that a man's warfare is accomplished. That was the day that Hannah brought Samuel to the temple to show that her warfare of years had been accomplished I Sam.1:7, 27. It is a day to remember. A day of much celebration as seen in the man at the beautiful gate Acts 3:7-11, Abraham and Sarah Gen.21:6-8, Hannah I Sam.1:25-28.

## 5. **THE DAY OF DIVINE REMEMBRANCE**

The day that God remembers a man is when the man's story begins to be rewritten. That is when closed doors begin to open up for a man as seen of Rachael Gen.30:22-24, Hannah I Sam.1:19.

### **PRAYER: GENERATOR OF A DAY TO REMEMBER**

Prayer provokes great and mighty things that are unusual Jer.33:3. The bondage in Egypt was long and tough Exo.1:13-14. But they cried to God and their freedom day was determined and delivered Exo.2:23-25. If there is a man who can pray, there is a God who can answer. If you will pray, you will encounter the unusual, unexpected, the humanly unimaginable. Until you prevail in praying, the status quo remains the master.

Prayer breaks the chains that make change difficult. This is your right and timely appointment with a day to remember. Your long desired change of location, status, level, identity and destiny has come in Jesus mighty name.

### **LET US PRAY**

1. Begin to thank and appreciate God for this wonderful and glorious day. Thank Him for being a prayer answering God.
2. Begin to plead the Blood of Jesus upon your life to take your battle and begin to fight for you

3. Every chain upon my destiny that is making change difficult, break now by fire in Jesus name.

8. Power and strength to conceive and deliver the pregnancy of destiny, fall on me now by fire in Jesus name.
9. Power and help to deliver safely this month, the pregnancy that I had carried for years, fall on me now in Jesus name.
10. I am in the labour room of destiny right now. Great miracles and breakthroughs begin to come forth from the inside of me from now in Jesus name.
11. Thou the road blocks, barriers, mountains and oppositions, erected along my pathways in life, resisting my easy arrival at my desired bus stops in life, begin to melt away now by fire in Jesus name.

12. Grace and anointing for speed and quick arrival at life's bus stops, fall on me by fire in Jesus name.
13. Thou the destructive covenant of delay and denial at life's bus stops, be annulled over my life in Jesus name.
14. Anointing for divine acceleration and speed to arrive at my next level, my next bus stop in this month, fall on me now by fire.
15. Every yoke of no or slow motion in my life's adventures, break now by fire in Jesus name.
16. Every power that is sponsoring, strengthening, sustaining and elongating battles in my life, be devoured now by fire from my life in Jesus name.
17. Every demonic stronghold in my life that is causing evil reoccurrences be dismantled now by fire in Jesus name.
18. Every vicious cycle of disappointment, frustration and failures in my life, scatter now by fire in Jesus name.
19. Every protracted problem and battle that followed me to this month, be roasted now by fire in Jesus name.
20. Thou the door of divine remembrance, open wide unto me as from this month in Jesus name.
21. Thou the doors of unusual, uncommon occurrences, occurrences that prove that God is God, open wide unto me in all areas of my life as from today in Jesus name

22. I prophesy that by the workings of God, this month shall be unto me a month to remember in the history of my life in Jesus name.
23. Begin to thank God for answered prayers.

## **DAY 13: THE TRIGGER OF GOD'S SOVEREIGNTY**

God is sovereign, supreme, ultimate. He rules and overrules in the affairs of men. He's accountable and responsible to no man. He's indebted and answerable to no man. His accounts cannot be audited. The Bible says He sits in the heaven and does everything as He pleases Psa.115:3. If He likes, He can turn the worst or ardent criminal to become the most anointed preacher. His sovereignty is unquestionable, irresistible, unchallengeable and unstoppable.

King Nebuchadnezzar explained this sovereignty of God's this way:

***“And all the inhabitants of the earth are  
reputed as nothing: and he doeth  
according to his will in the army of  
heaven, and among the inhabitants of  
the earth: and none can stay his hand,  
or say unto him, What doest thou?”  
Dan.4:35.***

### **THE DISPLAY OF HIS SOVEREIGNTY**

Talking about the display of His sovereignty, Daniel has this say:

***“And He changeth the times and the  
seasons: He removeth kings, and  
setteth up kings: he giveth wisdom  
unto the wise, and knowledge to  
them that know understanding:***

***He revealeth the deep and secret things: He knoweth what is in the darkness, and the light dwelleth with him”.***

***Daniel 2:21-22***

In another place, king Nebuchadnezzar exclaimed

***“How great are his signs! and how mighty are his wonders! his kingdom is an everlasting kingdom, and his dominion is from generation to generation”***

***Daniel 4:3.***

In King Darius encounter with the display of God’s sovereignty when Daniel was thrown into the lion’s den, he said

***“...For He is the living God, and steadfast for ever, and his kingdom that which shall not be destroyed, and his dominion shall be even unto the end.***

***He delivereth and rescueth, and he worketh signs and wonders in heaven and in earth, who hath delivered Daniel from the power of the lions”***

***Daniel 6:26-27.***

Thus, when God wants to display His sovereignty, He suspends and if necessary, terminates natural laws, He rules and overrules, He breaks the protocols of life, He reverses the irreversible and revokes the irrevocable. He does the unusual. He performs amazing wonders. He does what is humanly

unimaginable. He does what negates or refuses to answer to logic or human reasoning or to science or to human philosophy, psychology or principle. He turns wise men backward and makes their knowledge foolish Isa.44:24-25.

## **HUMAN IMPOSSIBILITY: CASE FOR THE DISPLAY OF HIS SOVEREIGNTY**

Every impossibility in the life of man, all the hopelessness and helplessness of man are raw materials for the display of His sovereignty. Every stubborn, unrepentant enemy, every evil strongman in a man's life, every protracted and destructive battle or problem in a man's life are all challenging the sovereignty of God in a man's life.

You remember that this was Israel's experience with Pharaoh

***“And afterward Moses and Aaron went in,  
and told Pharaoh, Thus saith the LORD God  
of Israel, Let my people go, that they may  
hold a feast unto me in the wilderness***

***And Pharaoh said, Who is the LORD, that  
I should obey his voice to let Israel go?  
I know not the LORD, neither will I let Israel go”***

***Exo.5:1, 2.***

See another challenge on God's sovereignty in Nebuchadnezzar:

***“Now if ye be ready that at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of musick, ye fall down and worship the image which I have made; well: but if ye worship not, ye shall be cast the same hour into the midst of a burning fiery furnace; and who is that God that shall deliver you out of my hands?”***

***Daniel 3:15.***

These are the voices of powers that are challenging the sovereignty of God in a man's life.

Every time you are face to face with a human impossibility, a hopelessness and helplessness in life, you are a candidate for the display of God's sovereignty.

## **PRACTICAL EXAMPLES**

It was the display of God's sovereignty that made Sarah to conceive and give birth when she had passed the age of child bearing. That was what made Mary to conceive and give birth without meeting with a man contrary to natural laws. That was what seized and sealed the wisdom of the magicians in Egypt that they couldn't interpret Pharaoh's dream until Joseph arrived at the scene. That was what gave Queen Esther favour before the king at the time that it was not lawful for her to appear before the king. That was what pushed Hamman into error that made him

to take the place of Mordecai at death. That was what reversed the death sentence that was hanging upon the Jews during the reign of king Ahasuerus and transferred the sentence upon the enemies of the Jews.

It was the display of the same sovereignty of God that turned Nebuchadnezzar fiery furnace into an air condition for Shadrach, Meshach and Abednego and the same fire became a consuming inferno for their enemies. It was what shut the mouth of the hungry lions when Daniel was thrown into the lion's den and turned those who carried Daniel into the den to become cheap preys to the lions.

The list is endless. Is it not the display of this same God's sovereignty that released Peter from Herod's imprisonment at the eve of the day Peter was to be executed and went ahead to smite Herod that he was eaten of worms? Was it not that same sovereignty of God that went to meet Saul of Tarsus on his way to Damascus to persecute the believers and saved him when he wasn't looking for God?

Oh how great are His signs! And how mighty are His wonders!  
Dan.4:3.

## **PROVOKING HIS SOVEREIGNTY THROUGH PREVAILING PRAYING**

***“Go, gather together all the Jews that are present in Shushan, and fast ye for me, and neither eat nor drink three days, night or day: I also and my maidens will fast likewise; and so will I go in unto the king, which is not according to the law: and if I perish, I perish”***

***Esther 4:16.***

***“Now when Daniel knew that the writing was signed, he went into his house; and his windows being open in his chamber toward Jerusalem, he kneeled upon his knees three times a day, and prayed, and gave thanks before his God, as he did aforetime”***

***Daniel 6:10.***

***“Then the king went to his palace, and passed the night fasting: neither were instruments of musick brought before him: and his sleep went from him”***

***Daniel 6:18.***

Prayer is that force that presses the trigger or the button of God's sovereignty. When you pray God arises and begins to do what no man but He alone can do. When God arises in response to aggressive praying, He begins to show that He is God and that only He has the final, ultimate and sovereign say in the affairs of men.

When he arises, he begins to rule and overrule the contrary verdicts, decisions and conclusions.

Until you pray effectively, you will not be able to tap into the limitless and the inexhaustible powers and resources of God. Prayer grants a man access into what God alone can do. Prayer limits life's limitations in a man's life, makes the impossibilities of life, a walk over and a cheap testimonies in a man's life. Prayer connects man to God. And with God, nothing shall be impossible Luke 1:37. Thus prayer makes all things to be possible with man.

3. Every power that is challenging the sovereignty of God in my life, be consumed now by fire in Jesus name.

6. Thou the evil strongman of my life, receive stones of fire and thunder right now and be consumed in Jesus name.
7. Every power that is sitting upon the throne to execute evil and affliction in my life, be dethroned now by fire in Jesus name.

## DAY 14: COMMANDING THE MORNINGS

Job was a great man of affluence in his days. The Bible says he was the greatest of the men of the east Job 1:1-3. But he woke up one morning to find out that the wealth he had amassed for decades had disappeared. He had lost his farmlands to fire, his herds to demonic invaders, his children to destruction, his health to horrible bubonic plagues. He was holy, perfect and Godly. He couldn't adduce any reason for these terrible destructive attacks on his destiny. He complained and murmured, even against God. He attributed his woes and calamities to God. He was dumbfounded as to why God allowed those tragedies to befall him. He had countless questions begging for answers. His experiences and sufferings were wrapped up in mysteries until God answered him in clear terms.

***“Hast thou commanded the morning since  
thy days, and caused the dayspring to  
know his place:***

***That it might take hold of the ends of the  
earth, that the wicked might be shaken out  
of it?”***

***Job 38:12-13***

***Thus, Job's faults were two:***

- He didn't give command instructions to the mornings

- He didn't assign the dayspring (i.e. the sun) specific responsibilities towards him. He didn't allow the sun to know its obligations and duties towards him.

***These errors produced two evils:***

- The forces holding the ends of the earth became loose and powerless to defend him.
- The wicked took charge or control of the issues or the affairs of his life as witnessed by the disaster that visited him.

It is therefore the great responsibility of every man who wants to take charge of his destiny and establish his dominion status in life to be skilled in the art of giving command instructions to the mornings of his life. Failure or being a novice in this art leaves you with the pathetic experiences of living at the mercy of the enemy in your lifetime.

## **WHAT IS THE MORNING**

The morning is the beginning of the day. There is the morning of everyday. That is the hours before the day appears. There is the morning of every week, month or year. There is the morning of every venture, endeavor and project. There is the morning of every marriage that is the days before the wedding takes place.

There is the morning of every ministry. That is the days of weeks or months before the ministry take off.

Every day, week, month, year, project, marriage, endeavor etc. has its mornings in life. The morning is very important because it determines the days. What is programmed consciously or unconsciously into the mornings is what the day will bring out or produce for you.

The enemy takes very special interest in the mornings but a lot of people are non-challant and indifferent to it.

## **HOW DO YOU GIVE COMMAND INSTRUCTIONS TO THE MORNINGS?**

You rise up before the day or week or month or year or before the endeavor begins and begin to programme or decree or prophesy your heart desire or expectations into it. You determine before the day appears what it must deliver to you and begin to compel it to deliver exactly unto you. You consciously refuse or reject the evils in the day and accept the goods or benefits in it Isai.7:15.

You don't wait for the day to come before you do something about it. You take charge of the day before it comes. You dictate to the day what it must offer you, you don't allow it to give you what it has, or what it wants to offer. This is the secret of the dominion life of Jesus Mark 1:35.

## **THE MYSTERY OF COMMANDING THE MORNINGS**

Commanding the morning is the authentic answer to the ministry of the cursers of days.

***“Let them curse it that curse the day,  
who are ready to raise up their  
morning”***

***Job 3:8.***

The reality of life is that there are cursers of days. They wake up before the day begins to curse the day – they programme and invoke evils into the emerging days, so that as the day appears, the evils begin to appear with it. So, if you will do nothing about the emerging day or week or month or year to programme your heart desires into it and deprogramme evils from it, cursers of days will do something about it on your behalf by programming evils into it because nature abhors vacuum. Thus, the sudden disasters and tragedies like that of Job that men begin to see at certain times of their lives are offshoots of the ministries of the cursers of days who have taken advantage of men's ignorance and lethargy to programme evils into men's future because men have done nothing about their future themselves.

Commanding the morning is the only way to control or decide or determine your future rather than leaving it to chances or accidents or the enemy. It is the way to be in charge of your own life and destiny.

Commanding the morning is the way to tell the sun what to speak upon your destiny when it shines in the sky.

***“Day unto Day utterth speech, and  
night unto night shewth knowledge.***

***There is no speech nor language  
where their voice is not heard”***

***Psa.19:2-3.***

When you wake up and see the sun shining in the sky, it is speaking. To some, it is saying, you can't succeed, “you must fail no matter how hard you work today”, “wherever you go today, you must see disappointment” etc. To others, the shining of the sun upon their heads is saying, “you will succeed today”, you must be favored and helped today”, today is your day of celebration and jubilation” etc. what the sun is saying upon every head as it shines depends on the programmed instructions packaged into it by each individuals or his enemies. This is what David was saying when he said, “The sun shall not smite thee by day, nor the moon by night” Psa.121:6.

## **PRAYER IS A STRATEGIC WARFARE**

You win life's battle by strategy not by energy. Strategy terminates tragedy. See Samson's example:

***“And it was told the Gazites, saying,  
Samson is come hither. And they  
compassed him in, and laid wait for him  
all night in the gate of the city, and were***

***quiet all the night, saying, In the morning,  
when it is day, we shall kill him.  
And Samson lay till midnight, and arose at  
midnight, and took the doors of the gate of  
the city, and the two posts, and went away  
with them, bar and all, and put them upon  
his shoulders, and carried them up to the  
top of an hill that is before Hebron”  
Judges 16:2-3.***

You must learn to wake up and act before the enemy does his own thing. You must learn to always be on the offensive. Take charge of the day before the day comes. Programme the good prophecies of scriptures and your heart desires into the emerging day through the instrumentality of aggressive praying and then the pillars of the earth will be in place for you and the wicked, the cursers of days will be disarmed, dethroned and destroyed in your life, thereby ensuring and securing your glorious and enviable future.

## **SHALL WE PRAY**

22. Thank God for answered prayers.

## CHAPTER FOUR

### **THE LAW OF INHERITANCE**

Another law that cages man in the net of man's impossibilities is the law of inheritance.

The law states that man must carry the substance of his source in life. It is this law that makes a man to carry the genes and chromosomes of his parents and so the man looks like his parents. The law makes a man the extension of the evil rules or traits of his father's house. So whatsoever any human impossibility and limitation a man carries becomes transferrable to his posterity. The law makes people from the same territory or location to share similar traits and characteristics. It is this law that makes every mankind to inherit the sin and nature of Adam in life.

This law is a stubborn barrier to a man's access into the possibilities of God. When the law is revoked or annulled upon a man's life, the man becomes an exception rather than an extension to the evil rules of his father's house. The man breaks the borderline of his father's house. The man becomes distinguished, stands out, becomes outstanding rather than being lost in the crowd in his family, his world and his generation.

It must be noted that one way to annul this law is to be genuinely born again.

Redemption initiates into the family of God. You are born of the spirit into God's family which annuls your biological birth, and so, you are destined to begin to display or exhibit the very life and traits of God on the earth John 3:6, Eph.5:30.

As we embark upon the spiritual journey of this week, the law and evil inheritance upon your life and destiny will be revoked and annulled through the instrumentality of scriptural prophecies and warfares, opening the door for us to access the possibilities of God in Jesus mighty name (Amen)

## DAY 15: DELIVERANCE FROM FAULTY FOUNDATIONS

***“Either make the tree good, and  
his fruit good; or else make the  
tree corrupt, and his fruit corrupt:  
for the tree is known by [his] fruit”  
Matt.12:33.***

Every man’s experience in life is an expression of the nature of his foundation. The fruits (or experiences) of life are products of the tree (the foundation).

***“Even so every good tree bringeth  
forth good fruit; but a corrupt  
tree bringeth forth evil fruit.  
A good tree cannot bring forth  
evil fruit, neither [can] a corrupt  
tree bring forth good fruit”  
Matt.7:17-18.***

***“Lest there should be among you man,  
or woman, or family, or tribe, whose  
heart turneth away this day from the  
LORD our God, to go [and] serve the  
gods of these nations; lest there  
should be among you a root that  
beareth gall and wormwood”  
Deut.29:18.***

Every gall and wormwood (bitter, unpleasant and negative experiences of life) have a root (foundation) that bear or birth them. That is the reality of our lives. Our daily experiences,

whether bitter or sweet, pleasant or unsavory, hostile or unconducieve, easy or hard, are all reflections of the nature of our foundations. Every foundation that is corrupt, sick, faulty or demonic will never carry a destiny that is healthy and pleasant in life.

## **HEAL MY FOUNDATION OH GOD!**

Abraham, Isaac and Jacob suffered terrible delays in child bearing because of the idolatrous foundation they had from Mesopotamia. Until Abraham's foundation was healed by the altering of his name, fruitfulness was impossible Gen.17:4-5, 15-16. The destructive anger in Moses that made him to forfeit the Promised Land Num.20:11-12 was an offshoot of his foundation in Levi Gen.49:5-7. His great exploit in the spiritual life couldn't bail him out. Joseph suffered terrible hatred, abandonment and forgetfulness in life because of his foundation in Rachael until his foundation was healed and restored before he could access the possibility realms of God.

The corrupt foundation of Jabez hunted him until he was healed on the platform of aggressive warfares I Chro.4:9-10. The foundation of Jacob produced the galls and wormwoods of his life until he was healed at Penuel Gen.32:24-28. Peter would not have been able to fulfill the glorious destiny he accomplished on the day of Pentecost until his foundation became healed in John 1:42.

Today your foundation shall be healed and you will access the realm of the possibilities of God.

## **PATHWAYS OF DELIVERANCE FROM FAULTY FOUNDATIONS**

1. Be born again. In redemption, your foundation and nature change from the human to divine, from physical to spiritual John 3:6. And so, you become an extension of God on the earth.
2. Live holy and run away from sin because sin ties a man down with a corrupt or faulty foundation.
3. Pray your foundation out of the horrible pit of faulty foundation into the holy mountain of God Psa.40:1-3; 87:1. This is the gateway into divine transplantation.

As we cry unto God today, your foundation will be healed and you will begin to access the possibilities of God.

## **LET US PRAY**

## DAY 16: ACCESS INTO MY CANAAN LAND

***“And the LORD said, I have surely seen the affliction of my people which [are] in Egypt, and have heard their cry by reason of their taskmasters; for I know their sorrows;***

***And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites***

***Now therefore, behold, the cry of the children of Israel is come unto me: and I have also seen the oppression wherewith the Egyptians oppress them***

***Come now therefore, and I will send thee unto Pharaoh, that thou mayest bring forth my people the children of Israel out of Egypt”***  
***Exo.3:7-10.***

In life, you are either in Egypt or in Canaan. God’s plan and the will for man is Canaan. In fact that was where God created and put man from the beginning (Eden) Gen.2:8, 15. Man was ejected out of the place as a result of the fall Gen.3:23-24. That was where God called Abraham to settle Gen.12:1-5.

But Satan wants man to settle in Egypt. Egypt is a place of sweating, toiling and laboring for others to reap and enjoy Exo.1:13, 14. God's plan and desire for his covenant children is relocation from Egypt to Canaan

## **CHARACTERISTICS OF CANAANLAN EXPERIENCE**

1. Canaan land flows with milk and honey Exo.3:8. Milk talks of ease, honey talks of sweetness. Egypt's experience is full of hardship, hardness, tough and difficult life, bitter experiences. Canaan experience talks of easy passage, sweet and comfortable experience in life.
2. It is a land where you reap the labors of others Deut.6:10-11. Canaan land experience is a struggle free, sweatless experience. It is an experience of reaping or enjoying what others have labored for John 4:38. Egypt's experience is toiling and taking nothing Luke 5:5.
3. Canaan land is a land of abundance and plenty Deut.8:7-10. Canaan land experience is a scarce-free and lack-free experience on the earth.
4. Canaan land is a fertile land. The Canaan land experience is an experience of fruitfulness, productivity, prosperity and resourcefulness.
5. The Canaan land experience is an experience of merit overruled. You might not be qualified for the offer you are seeking, yet you are given. Whatsoever may want to

disqualify you is overruled. This was the experience of David in I Sam.16:1-13.

## **PRAYER: GATEWAY INTO YOUR CANAAN LAND**

The potency of prayer is that it disarms and paralyses opposing forces into your Canaan land and provokes the mercy of God to make a way for your entry Exo.2:23-25; 3:7-10. If you are waiting and watching, you may be wasting away. Until your cry reach God in heaven, arrangements for your relocation from Egypt into your Canaan land may not be in place.

## **SHALL WE PRAY?**

1. Begin to thank God for yet another day. Thank Him for his goodness, faithfulness and mercies towards you are in the past years of your life.
2. I decree and declare right now, that my last day in Egypt is over right now in Jesus name.
3. Every power that is hell bent on holding my destiny perpetually in Egypt, be roasted now by fire in Jesus name.
4. Whatsoever is making life hard, tough and difficult for me, be roasted now by fire in Jesus name.
5. Thou the yoke of barrenness upon any area of my life and destiny, break now by fore in Jesus name.

6. Every yoke of promise and fail, upon my life and destiny, break now by fire in Jesus name.
7. Every mystery that is making me to be disqualified and rejected at the bus stop of my breakthrough in life is consumed now by fire in Jesus name.

13. I prophesy that from henceforth, blessings and breakthroughs bigger and greater than me will begin to locate me wherever I am in Jesus name.
14. I prophesy that from today, I enter into my lack-free and scarce-free experience in all areas of my life in Jesus name.
15. I command every yoke of lack, want, need and denials in all areas of my life to be broken by fire in Jesus name.

16. I prophesy that every blessing that I had been pursuing before shall begin to pursue me as from today in Jesus name.
17. I decree right now, that I enter into my season of abundance, satisfaction, fulfillment in all areas of my life as from today in Jesus name.
18. I curse the spirit of frustration, discomfort and hardship out of my life as from today in Jesus name.
19. I prophesy that this year shall be my set time for uncommon favour, divine support and help in Jesus name.
20. Oh thou inhabitants of my Canaan land that will resist my taking possession of my Canaan land, angel of fire and destruction, begin to visit them right now in Jesus name.
21. Begin to thank God for answered prayers. Thank Him because you shall not be disposed of your Canaan land as from today and forever.

## **DAY 17: ACCOMPLISHING CREATIVE MANDATES**

***“And Isaac intreated the LORD for his wife,  
because she [was] barren: and the LORD  
was intreated of him, and Rebekah his  
wife conceived”  
Genesis 25:21.***

All the creations or creatures of God have certain definite mandates behind their creation. Everything that God made has a specific purpose to fulfill on earth. There is no creation of God that is devoid of a specific purpose. Thus, one dominant thing about God's creation is purpose.

Everything on earth therefore must be performing and realizing the purpose of creation without which it is assumed to have died. In other words everything dies when it ceases to perform the purpose of creation.

### **A CURSE AT WORK**

The first thing that happened when God finished the work of creation was that He blessed them Gen.1:28. Blessing is that which removes struggles, hardship and toiling in the accomplishment of the purpose of creation. It was when sin came and curse entered that we heard, “..... In the sweat of thy face shalt thou eat bread, till thou return unto the ground....”

Gen.3:17-19. In fact that curse changed man's assignment from dressing the garden in Gen.2:15 to tilling the ground in Gen.3:23.

Thus when the accomplishment of the purpose of creation is with struggles or hardship, a curse is at work. When the accomplishments of life become a taboo in a man's life, a curse is at work. When there is a resistance or opposition to the realization of the purpose of creation, a curse is at work.

The fish does not struggle to swim in the river. It is performing its creative mandate. Rivers don't struggle to flow. It is its assignment. Birds don't struggle to fly in the air. It is their commission. Plants don't struggle to grow from the ground. Even during the dry season when plants want to come out from the hard ground, the ground breaks open for them. Eyes don't struggle to see. Immediately they are opened, they keep seeing. Legs don't struggle to walk. Mouths don't struggle to speak. Winds don't struggle to blow. All they are doing effortlessly is performing the purpose of creation. They are fulfilling their commission and the terms of their assignment. When these cannot be accomplished with ease, a curse is at work.

Curses make the accomplishments of the purpose of creation a taboo. Curse diverts, perverts, obstructs, delay and hider the realization of the purpose of creation. Man was created to be fruitful Gen.1:28.

Bareness, fruitlessness and poverty are abortions of the purpose of creation, the symptom of a curse. The womb of a woman has the creative mandate to carry children. If for any reason scientific, medical, natural or physical, the womb cannot carry pregnancy; it is not performing the purpose of creation. It is not fulfilling its creative mandate. It is a curse. A woman is created to be a helpmeet for the man Gen.2:18. When the woman is playing the roles of the man in the home, neither the woman nor the man is performing or fulfilling the purpose of creation. A curse is at work. When any part of a man's physiology is malfunctioning, creative mandate is impaired. It's the symptom of a curse. The presence of a commission is to make for struggle free results in life. When the pursuit of the purpose of creation is met with stiff resistance and struggles, a curse is at work.

## **EFFECTIVE, PREVAILING PRAYING: COMPELLING CREATIONS TO FULFILL ITS CREATIVE MANDATE**

Rebecca, Isaac's wife was barren. The woman, and of course, her womb could not perform her creative mandate. A hidden curse, yoke or bondage was the cause. The husband (Isaac), held unto God. He prayed through. The yoke or curse broke. The woman conceived. The womb reacted against the forces that are aborting the purpose of creation Gen.25:21. The same thing happened to Hannah in I Sam.1:5-7, Zacharias and Elizabeth Luke 1:7, 13. There was drought and famine in Israel in the days of Elijah. The ground could not perform its creative mandate of producing fruits. Elijah went to the mountain top to pray down rain (I

Kg.18:42-45) and the ground began to perform its creative mandate James 5:17-18.

Thus effective, dynamic praying compels destiny or creation to begin to move creation ward i.e. to be performing the purpose of creation.

Until you prevail in praying and pray through, your purpose, mandate, commission, assignment on earth remains a mirage. Every attempt, effort, labour to realize it becomes a struggle and a vicious cycle of exercise in futility. Prayer removes barriers along a man's pathways in life. It dismantles the yoke of hidden curses. It lifts life's embargoes. It corrects every malfunctioning in the purpose of creation. It brings creations on the path of destiny fulfillment. For the accomplishments of life to be easy for you, for you to accomplish purpose and fulfill destiny, you need to pray hard, pray well and pray through.

## **SHALL WE PRAY?**

1. Begin to thank God for today. Thank Him for securing the years ahead of you with pleasantness, peace, prosperity and joy.
2. Thank Him for the gift of life and sound health.
3. Begin to plead the Blood of Jesus upon your life for cleansing and sanctification.

9. Every curse at work in any area of my life, break now by fire in Jesus name.
10. Every power that is making my journey in life to become an experience of tilling a hard ground, saturating my life with sweat instead of sweetness, be consumed out of my life today by fire in Jesus name.
11. Every power that is constantly resisting my efforts and labours in life from producing the necessary results, be consumed out of my life today by fire in Jesus name.
12. Every power that is frustrating every effort and move that I make in life, resisting my desires and pursuits from generating commensurate results, be consumed out of my life right now by fire in Jesus name.

13. I prophesy that my journey on earth, as from today, whatsoever my heart can conceive, my hands shall handle in Jesus name.
14. Anointing for ease in realizing creative mandates, fall upon me as from today in Jesus name.
15. Every hidden curse that is causing continuous delays and denials in any area of my life, break now by fire in Jesus name.
16. Thou yoke and curse of barrenness in any areas of my life, break now by fire in Jesus name.
17. Every yoke of poverty, emptiness in any area of my life, break now by fire in Jesus name.
18. Oh thou grounds of my destiny, begin to yield your increase unto me as from today in Jesus name.
19. I was created with the mandate of blessings. Thou the power, spirit and favour for blessings, begin to follow my life and destiny as from today in Jesus name.
20. I prophesy to every aspect of my life and destiny, you shall accomplish purpose and fulfill destiny as from today in Jesus name.
21. Every perversion and diversion in my destiny be corrected right now in Jesus name.
22. Begin to thank God for answered prayers.

## DAY 18: LOST BLESSINGS RESTORED

***“And the LORD turned the captivity of  
Job, when he prayed for his friends:  
also the LORD gave Job twice as much  
as he had before***

***So the LORD blessed the latter end of  
Job more than his beginning....”  
Job 42:10, 12.***

***“Now therefore restore the man [his]  
wife; for he [is] a prophet, and he  
shall pray for thee, and thou shalt  
live: and if thou restore [her] not,  
know thou that thou shalt surely die,  
thou, and all that [are] thine”***

***“And Abimelech took sheep, and oxen,  
and menservants, and womenservants,  
and gave [them] unto Abraham, and  
restored him Sarah his wife”  
Genesis 20:7, 14.***

Another great power of prayer is that it can restore lost blessings. Even blessings that have been devoured by the devourers and locusts of life can be restored on the altar of effective and prevailing praying. As far as prayer is concerned, justice delayed is not denied.

## **BLESSING: WHAT IS IT?**

God created man blessed Gen.1:28 and wants us blessed Gen.12:1-3. Man fell from blessing to cursing as a result of the fall Gen.3:17-19. Christ came to redeem us from the curse back to blessing Gal.3:13-14.

### ***What is blessing?***

First, blessing is the opposite of curse. Curse makes life hard, difficult, bitter and frustrating. Blessing therefore is that which makes life easy, sweet and fulfilling. Life is easy and sweatless to a man who is blessed.

Accomplishments of life answer struggle free and effortlessly to a man who is blessed. While the man under a curse has to toil, labor, struggle without any tangible results, the man who is blessed does not need to sweat to encounter record breaking, proof producing results. Outstanding and struggle free results are the marks of blessings in a man's life.

Second, blessings has to do with money, riches, wealth and all they can offer or afford man on earth. The Bible says "*money answereth all things*" Eccl10:9. So, money and everything that answers to money are part of blessings. A man cannot be said to be blessed if he is poor and cannot afford the basic issues or necessities of life. Abraham was accounted blessed because of his access to wealth and all that wealth can deliver. Gen.13:2, 6; 24:35.

Third, blessing also includes the accomplishments of life that money cannot buy i.e. issues in human existence that refuse to answer to money. Accomplishments like children, peace, sound health, long life, joy, favour cannot be bought with money. But when a man is blessed, he commands these things.

Fourth, blessing also has to do with fellowship or solid relationship with God. God is the source and author of all blessings. To be blessed is to know Him, fellowship with Him, be intimate and acquainted with Him, to walk with Him.

The man who is still living in sin, the man who is living and walking contrary to God, the man who does not know Jesus, the man who is breaking or contravening the word of God is carrying the anger of God upon his head and cannot therefore be said to be blessed.

## **SATAN: THE ROBBER OF BLESSINGS**

The ministry of satan is to steal, kill and destroy blessings in a man's life, to delay and deny a man of life's blessings John 10:10. He was behind the losses that Job incurred Job 1:12; 2:1-13. He instigated Ahimelech to take Abraham's wife from him Gen.20:1-2.

## **PRAYER: KEY TO RESTORATION OF BLESSINGS**

Prayer divinely empowers and strengthens a man to disarm and dispossess his destiny robbers and retrieve or recover back his blessings. This is the message of Luke 11:21-22. If you can pray aggressively and prevailingly, delayed, denied and lost blessings shall be restored back to you with dividends.

### **LET US PRAY**

1. Begin to thank God for today, thank Him because He is the prayer answering God.

14. I declare right now, that the Lord shall bless my latter end than at my beginning, thou the graph of my life, you will not come down as from today in Jesus name.
15. Thou the spirit of delay, denial, refusal and abandonment that is following me and monitoring my life, be devoured now by fire in Jesus name.
16. Every blessing that has been denied me in the past years of my life is restored back to me with great dividends in this month in Jesus name.
17. Thou God, who fought against Abimelech for Abraham, fight for me against my enemies this month in Jesus name.

20. Anointing to begin to possess my possession, fall upon me and follow me into this year in Jesus name.
21. Begin to thank God because you are a blessing carrier, curses will not be found around you as from today. Worship Him for answered prayers.

## **DAY 19: CAPTIVITY MUST TURN!**

***“Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you***

***And ye shall seek me, and find [me], when ye shall search for me with all your heart***

***And I will be found of you, saith the LORD: and I will turn away your captivity, and I will gather you from all the nations, and from all the places whither I have driven you, saith the LORD; and I will bring you again into the place whence I caused you to be carried away captive”***

***Jer.29:12-14.***

***“And the LORD turned the captivity of Job, when he prayed for his friends: also the LORD gave Job twice as much as he had before”***

***Job 42:10.***

Captivity turns on the altar of prevailing praying. Dynamic and effectual prayer altar is the melting oven of stubborn, hard and destructive captivity.

## WHAT IS CAPTIVITY?

It is to be bound or chained or tied to an affliction. It is to be held down forcefully or powerfully in a situation that one doesn't like or in a place of discomfort and yet, you cannot release yourself, no matter how hard you try. It is to be held hostage by a superior power who has covenanted against one's release.

***“And afterward Moses and Aaron went in, and told Pharaoh, Thus saith the LORD God of Israel, Let my people go, that they may hold a feast unto me in the wilderness***

***And Pharaoh said, Who [is] the LORD, that I should obey his voice to let Israel go? I know not the LORD, neither will I let Israel go”***  
***Exo.5:1-2.***

This is the voice of the captor, and the captive. The expression or ministry of captivity is seen clearly in Exo.1:13-14.

***“And the Egyptians made the children of Israel to serve with rigour: And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, [was] with rigour”***

Captivity therefore is to be living one's life under the slave-drivers, bondage masters and oppressors of life. It is to be

compelled to be living a life that one doesn't like and yet, cannot free oneself.

Bondage or captivity ties one's life to a definite, powerful affliction or oppression that one continues to serve and service as one's age increases. And if the captivity refuses to break, it will carry itself over to one's generation after one has left this earth. The affliction will thus become a generational one like that of the children of Israel in Egypt as seen in Exo.12:40.

## **NATURE OF CAPTIVITY**

***“And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up [herself]”***

***“And ought not this woman, being a daughter of Abraham, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the sabbath day?”***  
***Luke 13: 11, 16.***

***“And deliver them who through fear of death were all their lifetime subject to bondage”***  
***Heb.2:15.***

The woman in Luke 13 was bound or tied to sickness for eighteen years. Some people are tied to singleness. They can't marry. Some are tied to barrenness, they can't give birth. Some are tied

to delays and stagnation, they can't move forward or make progress. Some are tied to struggles, some to poverty. Some, to an uncontrollable fear. Some, to constant disappointments, some to failures and non-achievements. Some, to destructive sinful habit. Any evil or problem or challenge of life that constantly lord it over you against your wish in life is an expression of captivity or bondage.

Captivity makes life wearisome, burdensome and frustrating. It makes life hard, tough and unbearable. Captivity must therefore turn or break if the purpose of life must be accomplished.

## **PRAYER: GATEWAY OUT OF CAPTIVITY**

God has promised that when we call upon Him in prayers, He will turn our captivity Jer.29:12-14.

Aggressive, heartfelt, heart-rending, agonizing prayer therefore is the rod that must break in pieces the yoke of captivity. This is the method of the children of Israel in Egypt.

***“And it came to pass in process of time,  
that the king of Egypt died: and the  
children of Israel sighed by reason of  
the bondage, and they cried, and their  
cry came up unto God by reason of the  
bondage***

***And God heard their groaning, and  
God remembered his covenant with***

***Abraham, with Isaac, and with Jacob***

***And God looked upon the children of  
Israel, and God had respect unto [them]”  
Exo.2:23-25.***

Why waste time? Captivity must turn, bondage must break, oppression must cease. But we must pray aggressively and forcefully. Your last day in Egypt is over right now as you pray.

## **LET US PRAY**

1. Begin to thank God for this day. Thank Him for your life and for everything that God has been doing in your life. Thank Him for answering your prayers.
2. Begin to plead the Blood of Jesus upon your life, to atone for all sins and shortcomings.
3. Plead the Blood of Jesus upon your life to strengthen you and undertake for all your prayers and cause your prayers to avail.
4. Every yoke of captivity upon any area of my life and destiny, break now by fire.
5. Thou the slave driver, bondage master and oppressor of my life and destiny, be roasted now by fire in Jesus name.

6. Every evil or affliction that is bound and tied to my life and destiny, be consumed out of my life right now by fire.
7. Thou the evil terrorist of my life that is holding my destiny hostage in the land of discomfort and bitterness, die now by fire in Jesus name.
8. Every power that is subjecting my destiny to a state of bitter conditioned living be consumed now by fire in Jesus name.
9. Thou the yoke of slavery, hardness, hardship and bitterness upon my life and destiny, break now by fire in Jesus name.
10. Every demonic chain that is tying and bonding me to life's afflictions, break and be consumed now by fire in Jesus name.
11. Every power that wants me to spend my lifetime serving and servicing crisis, sickness, poverty, barrenness or any affliction, be consumed now by fire.
12. Every demonic programme to transfer affliction or any evil to my posterity, scatter now by fire in Jesus name.
13. Every yoke of generational captivity upon my life and destiny, break now by fire in Jesus name.
14. Every captivity that has displaced and destabilized my destiny, break now by fire.
15. Every captivity that is not allowing me to be whom God has created me to be on the earth, break now by fire.

16. Every evil power that has vowed never to release me from bondage be consumed now by fire in Jesus name.
17. Every bondage to struggles, labours, toiling and sweating upon my life, break now by fire.
18. Every bondage to stagnation, delays and denials in my life, break now by fire in Jesus name.
19. Every bondage to continued singleness or barrenness in my life, release me in Jesus name.
20. Every bondage to frustration and disappointment upon my life, break by fire in Jesus name.
21. Every bondage to failures and non-achievement in my life, scatter by fire in Jesus name.
22. Every bondage that is frustrating and aborting God's purpose for my life, scatter by fire in Jesus name.
23. Anointing to take captive my captors and to rule over all my oppressors, fall on me now by fire.
24. Every blessings, honor and breakthroughs in life that captivity has denied me of in the past years of my life, begin to be restored back to me as from now with interest by fire.
25. Begin to thank God for answered prayers. Worship Him because, like a dream, your captivity has turned as from today.

## **DAY 20: ENTERING INTO MY INHERITANCE IN LIFE**

God did not create you and send you to this earth without inheritance. You were not sent to the earth as a destitute or a failure. You were not sent here empty, impoverished or depleted. You were not sent here to display shame, ignominy or reproach. God is the all sufficient God Gen 17:1. The earth with all its fullness belongs to Him Psalm 24:1. All the silver and gold are His Haggai 2:8. He is the creator and owner of the heavens and the earth, and of course, the whole of all eternity. He has a will for you in His inheritance.

### **GOD'S WORD (GOD'S WILL): SOURCE OF YOUR INHERITANCE**

God's word is His will. Whatsoever you can find out from His word that meets the needs of your life is your inheritance from Him. The word of God is loaded with great and precious promises of God for your life. Every challenge or need or problem in your life has a definite provision or answer or solution from God's word for you.

There is no need facing you right now that has no provision from God's word. Thus, the word of God is loaded with your inheritance. By the abundant provisions and treasures in God's word, your life should be lack-free and scarce-free Deut.8:7-9.

Everything you will ever need in life had been provided for and made available to you before you were born in God's inheritance book Gen.1:29-30. 9:1-2. You were specially packaged and furnished by the creator. In fact, your destiny was prosperously and fruitfully furnished. You were sent here to be God's show piece on the earth. You are to show forth God's glory and praise I Pet.2:9.

## **CONTENTION: PRE-REQUISITIES FOR POSSESSION**

***“Rise ye up, take your journey, and pass over the river Arnon: behold, I have given into thine hand Sihon the Amorite, king of Heshbon, and his land: begin to possess [it], and contend with him in battle”  
Deut.2:24.***

All you need in life has been given. It is not that God will give or that He may give, He has given. All that is required is for you to accept the responsibility by contention.

In life, you need to contend to possess. Without contention, possession is not in view. Until you contend in battle, possession is impossible in life Deut.2:24. It is the man that succeeds or is effective in the school of contention that is dreaded by the adversaries of life Deut.2:25. Your destiny on earth therefore is at the mercy of warfare.

No matter what God has packaged into your destiny, no matter the great promises that God has given you, no matter that wonderful revelations that you have received from the Lord about your life, if you don't enforce them, they never see the light of the day. The realization of those promises or revelations is not automatic. They are enforced for possession by warfare.

***“And from the days of John the Baptist  
until now the kingdom of heaven  
suffereth violence, and the violent  
take it by force”  
Matt.11:12.***

Your inheritance in the kingdom of God to which we belong by redemption is only obtainable by force. It takes force to extract juice from the juicy fruits of life. Spiritual complacent and lethargic people have no place in God's inheritance. It takes force to enforce, ordain and establish your colorful destiny on earth.

Until force is injected, the juice of life never comes out for you. Have you read in the Bible that the honey of life is inside the rock? Deut.32:13. To suck honey from the rock, you mustn't sit down, waiting and watching, you must be ready to break the rock.

Breakthroughs and open doors of life have adversaries. You must be ready to overcome oppositions and paralyze evil resistance or adversaries to breakthrough into your inheritance in life I Cor.16:9; 11:16-19.

Nothing happens on earth by accident. Things don't just happen, they are made to happen. Things don't just work. They are worked out. Every woman that must deliver a baby must carry a pregnancy and must travail in labour before delivery. Without labour, there is no delivery.

Jesus had given the promise of the Holy Spirit to the disciples before His departure from them John 16:7, Luke 24:49. Yet the disciples had to engage the weapon of warfare continual, effectual, fervent praying to bring the Holy Ghost down.

***“These all continued with one accord  
in prayer and supplication, with the  
women, and Mary the mother of Jesus,  
and with his brethren”  
Acts 1:14.***

If they had sat down, waiting for the promise, doing nothing, they would all die in the upper room and be brought down into the lower room to be buried.

Contention in battle therefore is all that your life's inheritance are waiting for to be delivered into your hands.

## **DIVINE STRENGTH: PRE-REQUISITES FOR BREAKTHROUGH IN CONTENTION**

***“When a strong man armed keepeth his  
palace, his goods are in peace:  
But when a stronger than he shall come***

***upon him, and overcome him, he taketh  
from him all his armour wherein he  
trusted, and divideth his spoils”  
Luke 11:21-22.***

To succeed in contention for possession, you need great strength. Your inheritance that is yet to be delivered to you are in the custody of certain unrepentant, wicked, merciless forces who will not release them to you on the platform of mercy.

Mark 11:1-6. You need strength that is greater than the strength of the forces that are taking hostage or custody of your inheritance on the earth to effect the release of your inheritance. And you need to display to those forces that you are stronger than them. It is on this ground that you possess your possessions on earth.

## **LET US PRAY**

1. Begin to thank God for yet another day. Thank Him for the gifts of your life. Thank Him for another opportunity to come before His throne of mercy.
2. Begin to plead the Blood of Jesus upon your life for atonement and mercy.

10. I enter right now into the store house of heaven and I begin to possess all that I need for my colorful destiny on earth in Jesus name.
11. I enter by fire into the armory of my adversaries, I begin to plunder the armory and begin to gather my spoils as from today in Jesus name.

12. Every blessing of my life tied down in the four corners of the earth, be loosed and delivered to me right now in Jesus name.
13. Every power that is making me empty, naked, barren in life, be consumed now by fire in Jesus name.
14. Every power that is making me a pity, reproach, disgrace and a liability in my generation, be consumed now by fire in Jesus name.
15. Every power that is locking the door of my breakthroughs and accomplishments in life, be roasted now by fire in Jesus name.
16. Thou the doors of unstoppable progress and breakthroughs, open wide unto me as from today in Jesus name.
17. I command as from today, restoration of honor, dignity and beauty upon every area of my life in Jesus name.
18. I prophesy that as from today, I shall have abundance of all good and pleasant things of life, I shall lack nothing in Jesus name.
19. I prophesy that as from today, I shall be a dread and terror, untouchable and irresistible to all my adversaries in Jesus name.
20. I prophesy that whatsoever I had been denied in the past years of my life , begin to be restored back to me with interests as from today in Jesus name.

21. I prophesy that henceforth, life shall not react against me but respond positively to me in all areas of my life in Jesus name.
22. Begin to thank God for answered prayers.

## **DAY 21: COMMANDING MY CHAMPIONSHIP STATUS IN LIFE**

***“He teacheth my hands to war, so that a  
bow of steel is broken by mine arms.***

***I have pursued mine enemies, and  
overtaken them: neither did I turn again  
till they were consumed.***

***I have wounded them that they were not  
able to rise: they are fallen under my feet.  
For thou hast girded me with strength unto  
the battle: thou hast subdued under me  
those that rose up against me.***

***Thou hast also given me the necks of mine  
enemies; that I might destroy them that  
hate me.***

***Thou hast delivered me from the strivings  
of the people; [and] thou hast made me the  
head of the heathen: a people [whom] I have  
not known shall serve me.***

***As soon as they hear of me, they shall obey  
me: the strangers shall submit themselves  
unto me.***

***The strangers shall fade away, and be  
afraid out of their close places”.***

***Psa.18:34, 37-40, 43-45.***

This is the celebration of the champions over the lamentation of the victims in the conflicts of life.

Of all the champions who ever walked through this planet earth, David was unique. He was born a victim and a defeat Psa.51:5. He suffered humiliation, abandonment, rejection and maltreatment in life. He was marginalized and treated as

insignificant among his father's eight sons. He was persecuted and hated by those who should show love and security to him.

He was to be hopeless, helpless and defeated in life. But in all these things, he still emerged a champion, a more than conqueror in the journey of life.

## WHO IS A CHAMPION?

***“And Judah went up; and the LORD delivered the Canaanites and the Perizzites into their hand: and they slew of them in Bezek ten thousand men***

***And they found Adonibezek in Bezek: and they fought against him, and they slew the Canaanites and the Perizzites***

***But Adonibezek fled; and they pursued after him, and caught him, and cut off his thumbs and his great toes***

***And Adonibezek said, Threescore and ten kings, having their thumbs and their great toes cut off, gathered [their meat] under my table: as I have done, so God hath requited me. And they brought him to Jerusalem, and there he died”***

***Judg.1:4-7.***

A champion is a conqueror of conquerors. So he is a more than conqueror.

In the school of warfare, there are three classes of people

First are the conquered. These are the defeated or the vanquished or the victims. In this our text, these are the seventy kings that Adonibezek overcame and subjected under his table. They were kings, yet overcome and subjected to a state of bitter, discomfoting, conditioned living.

Second are the conquerors or victors or overcomers. These are the conquerors of the conquered. In our text, that is Adomibezek who conquered the seventy kings.

Third are the champions. These are the more than conquerors or the conqueror of conquerors. In out text, this is Judah, Jesus belongs here. By redemption, you belong to this class. That was why Jesus identifies us with the more than conquerors class Rom.8:37.

In Israel confrontation with Goliath in I Sam.17, King Saul of Israel was the conquered. Goliath was the conqueror. David eventually emerges as the champion the conqueror of conquerors thus, David was the more than conqueror.

In the story and journey of mankind, man is the conquered, having been overcome by satan during the fall. Satan remains the

conqueror. Jesus came to die and dealt a devastating defeat upon satan on the cross and became the champion, the conqueror's conqueror, the more than conqueror. Thus, by redemption, we enter into His class of more than conquerors.

So, no matter the battle you are fighting in life, your opponent is the conqueror. Your status and identity in the battle is more than conqueror. You are therefore not fighting for victory in the battle of life, you are fighting from victory. You have won the battle before the battle began.

The ultimate winner in the battle you are fighting had been decided before the battle began and you are the one.

Try to understand this truth and confront your life's challenges or battles from that mentality because it is your attitude that determines your altitude in life. Any battle facing you, just zero your mind on this truth:

I must win this battle, I must see the end of this battle because I am in the class of more than conqueror in this battle. I am stronger, tougher, greater and more powerful than this battle and the powers behind it, confront your life's challenges with that mindset. That was how David confronted Goliath in I Sam.17:32-52. That is the champion approach.

## CHARACTERISTICS OF A CHAMPION

1. The champion fights to obtain, maintain, sustain and retain his winning title. By redemption, your title is what the word of God, the manufacturers manual has said about you. You are what the word of God says you are. But assuming that title is not automatic. You fight to establish it. You enforce it over every resisting and antagonistic forces by warfare I Tim.1:18.
2. The champion knows who he is and refuses to be otherwise John 1:19-23. In life, if you don't know who you are the enemy and of course life will make you who you are not.
3. The champion is a continuous winner in life's battle. He does not concede or negotiate victory
4. The champion always react against reproach I Sam.17:32
5. He's not timid. He's bold and courageous I Sam.17:32
6. He reacts against every form of limitation I Sam.17:33
7. He has a track record of victory that he always build upon I Sam.17:34-36.
8. He has God as his confidence I Sam.17:37
9. A champion has his own secret I Sam.17:38-40
10. Champion frames their world by their words I Sam.17:45-47.
11. Champions are always on the offensive, they maximize the opportunity to strike first I Sam.17:48-49.

12. Champions always prevail. They dominate, they are not dominated I Sam.17:50-51.
13. Champions are ten times better than their competitors Dan.1:19-20.
14. Champions dear the dreaded I Sam.17:11, 26.
15. Champions attempt what no one else can Dan.2:10-11, 16.
16. Champions have access into secrets and mysteries Dan.2:19.
17. Champions are distinct Dan.6:1-3.
18. Champions are God's worshippers Dan.2:46-49.
19. Champions are God connected and prayer addicts Dan.6:10.
20. Champions are men of uncommon knowledge Dan.5:11-16.
21. Champions are men of books Dan.9:2.

## **CHAMPIONS AND BATTLES**

Champions come out of great battles in life. It is battles that make champions of victims on the earth. Champions therefore are dodged, rugged, strategic fighters as seen from the experience of David in Psa.18:34-45. Man was created a champion. We lost our championship to the fall. Right from the fall of man, the devil

took possession of man, his destiny, his inheritance, his dignity  
Luke 4:5-6.

Redemption aims at restoring back to man his dignity and glory.  
But it's not automatic. You will get your destiny recovered after  
the redemption on the crucibles of contention Deut.2:24,  
Matt.11:11-12.

To be a champion in your marriage, finances, career, health,  
spiritual life, ministry and in all life's endeavours, you must be  
skilled in the art of warfare prayer. This is because the enemy is  
constantly on the move, on a 24/7 mission or assignment  
concerning you whether you are aware of it or not Exo.15:9. To  
retain your winning title, you must always be on the battlefield.  
Your championship status is constantly being validated on the  
platform of warfare. Any moment you leave the battlefield, you  
are risking the loss of your championship. It was when David left  
the battlefield for the pleasures of the corridors that he lost his  
championship II Sam.11:1-27.

To continue to remain a champion therefore, let the fire on your  
prayer altar be constantly burning Lev.6:9, 13. The moment the  
fire is going out, you are at the risk of losing your championship  
status. Also, it is ceaseless, effectual, fervent, prevailing praying  
that strengthens you against the forces or powers that are  
unrepentantly and continuously challenging your championship  
status in all areas of your life Luke 11:21-22. Samson did not

know that his championship status was constantly being challenged. He allowed the fire to go down and he lost it to his enemies Judg.16:16-21. He recovered it back on the altar of agonizing fervent praying Judg.16:28-30.

No more shall you be a victim or a defeat in any area of your life. Yu will remain a chartered champion in all areas of your life, from henceforth till Jesus will come in Jesus name.

12. Every power that is making me who God did not create me to be, be devoured now by fire in Jesus name.

18. Anointing for distinction, excellence and dominion, fall on me now by fire in Jesus name.
19. Anointing for above only, power for uncommon lifting, the reigning and ruling anointing, fall on me as from today in Jesus name.
20. Thou my prayer altar, you will constantly and forever be enveloped with divine fire from henceforth in Jesus name.
21. Every force and power that is challenging and contesting my championship, be consumed by fire in Jesus name.
22. I shall remain a champion in all areas of my life from now till Jesus comes in Jesus name.
23. Begin to thank God for answered prayers

## **CHAPTER FIVE**

### **THE LAW OF POWER**

Man's impossibilities in life are coded in the regulatory laws of life. One of such laws is the law of power.

This law states that life is a battle. And in the battle or conflict of life, the one that has the greater power takes control. Power therefore is the regulator of the battles or conflicts of life.

According to this law, there is no point of battle – free zone in life. Whether you are conscious of it or not, the battle is ongoing.

The law goes further to explain that in life, man is always overcome by or is a victim of powers greater than him. The quantum of power at your disposal in life will determine where, who and how you will be at any period of time in life. The moment your power level increases in life, your status will increase accordingly. This is because, where you are now, there is a power level that keeps you perpetually there. The proof that your power level is constant is your continued stagnation where you are.

Infact it is the reduction of your power level that is promoting the depreciation or degeneration of your destiny. So, your class and level in life are determined by the quantum of power you command. Your greatest need therefore in the conflicts of life is power.

The ministry of the Holy Spirit is baptism with divine power Micah 3:8, Luke 24:48-49, Acts 1:8. This power will annul the

laws of defeat, limitations and failures and grant you cheap access into the possibilities realm of God.

In this week's spiritual journey, we shall be accessing divine power through the instrumentality of effectual fervent praying, taking deliveries of the exploits of power, stubborn battles shall be terminated. We shall be commanding the testimonies of rest from battles, gathering the spoils of battle in Jesus mighty name.

## DAY 22: ENCOUNTER WITH POWER

***“And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness.***

***And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all”***  
***Acts 4:31, 33.***

One of the great exploits of praying is divine power. Prayer is the generator of power. The prayer altar is the factory house where supernatural power for dominion lifestyle is manufactured on the earth. Praying men are reservoirs and carriers of divine power.

### ***Why do we need to pray?***

Life is an assignment. There is a commission behind every conception on the earth. There is a purpose for every existence. Life is not a product of biological accident. Existence is not by chance.

But the pathways of life or life's assignment are bedeviled with stubborn and unrepentant enemies and oppositions. Power is that necessary and sufficient force that compels oppositions to surrender so that life's purpose or assignment can be accomplished. Without power, purpose will be perverted, assignments will be frustrated and destiny will be aborted.

Power compels oppositions to bow Psa.66:3. Power secures continuous enthronement Psa.66:7. Power renders a man's enemies his footstool Psa.110:1-2. Dominion in life is impossible without genuine and total baptism with divine power.

Until power comes, bondage is the master. Power is the instrument of release from the stubborn and destructive bondage or captivity of life. Israel was in bondage for four hundred and thirty years in Egypt. Their bondage was a destructive, devouring and disastrous one Exo.1:13-14. God raised and commissioned Moses for their deliverance Exo.3:7-10. But God quickly remarked that their release would be impossible outside of power Exo.3:19-21. And when Moses confronted Pharaoh for their release, Pharaoh was stubborn, unbending and unyielding. He was unwilling to negotiate or surrender Exo.5:1-2. But when power came, he was begging Israel to leave Egypt quickly Exo.12:29-33. Until power comes, freedom is not in view.

Power terminates the tears of life. Every man cried at birth. Our mothers cried to bring us into this world (tears from labour pain). We entered into the world with tears. But regrettably, some people's tears continue unabated as the years of their lives continue. It is power that dries up and terminates the tears of life Eccl.4:1. Without power, the tears of life continue unabated till death. What a tragedy!

The pathways of life are full of serpents and scorpions that are sent on assignment to cut short our lifespan. Power is needed to trample on these serpents and scorpions and remain unhurt Luke 10:19.

### ***How does Power come?***

There is a direct relationship between prayer and power. Power answers to aggressive, prevailing, agonizing, heartfelt praying Acts 4:31. The hour of praying is the hour of power. It was when Peter and John were going into the temple at the hour of prayer that they accessed the power that terminated the forty years old paralysis of the man at the beautiful gate of the temple Acts 3:1-10. It was at the instance of prayer that power came down in form of fire upon Mount Carmel that consumed wood, dust, sacrifice and stones and licked the water I Kings 18:36-38. If you must be in cheap command of power to accomplish life's assignment and fulfill destiny, you must be a prayer addict.

### **SHALL WE PRAY?**

1. Begin to thank God for your life. Thank Him for today.  
Thank Him for what he has been doing in your life.
2. Oh God, revive and ignite my prayer altar now with your fire and let the fire continue to burn till Jesus comes in Jesus name.

3. Oh God, baptize me right now with your fire, set me aglow and ablaze for you and keep me hot for you till the end of my life in Jesus name.
4. Fire like of Mount Sinai, fire like Mount Carmel, fire like of Pentecost fall on me right now and initiate me into the realm of the supernatural as from today in Jesus name.
5. Right now, I declare that I am full of power by the spirit of the Lord; I am anointed and loaded with God's power as from today in Jesus name.
6. Power to fulfill destiny, power to accomplish life's assignment with ease, fall upon me as from today in Jesus name.
7. Power that cannot be resisted, cannot be stopped and cannot be overcome, fall upon me as from today in Jesus name.
8. Power for conquest, for dominion, for triumph and for continuous victory, fall upon me as from today in Jesus name.
9. Power that cannot be dared, power that makes a man a terror, power that cannot be humiliated, mocked or embarrassed, fall on me as from today in Jesus name.
10. Power that succeeds where others fail, power that does what no man can do, power for the unusual, the uncommon, power for the extraordinary, fall on me as from today in Jesus name.

11. Power for record breaking breakthroughs, power for landmark accomplishments in life, fall on me as from today in Jesus name.
12. The power with which God rules for ever in heaven, fall on me from today in Jesus name.
13. Power to rule in the midst of my enemies, power that subdues and overcomes all oppositions and confrontations; fall on me as from today in Jesus name.
14. Power that breaks the fetters of bondage and makes a man rule over his oppressors in life, fall on me as from today in Jesus name.
15. Power that reacts against failure, power that swallows up frustrations, power that forbids destiny abortion, fall on me as from today in Jesus name.
16. Power that terminates the tears of life, power to trample on serpents and scorpions of life and remain unhurt, fall on me as from today in Jesus name.
17. As from today, I refuse to be a victim, a casualty, a captive, a prisoner of war in the battle field of life in Jesus name.
18. Every yoke of powerlessness, weariness, weakness, lukewarmness and impotence upon my life and destiny, be consumed now by fire in Jesus name.

19. Every mark of Satan in my life, every evil stigma, every evil investment or satanic implantation in my life, receive fire right now and be consumed in Jesus name.
20. I declare that henceforth, the days of defeat, misfortunes, delays and disappointments are over in my life in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 23: POWER TERMINATES BATTLES

### *Why do we need power?*

Life is essentially, intrinsically, fundamentally a battle. The Bible gives credence to the reality of life as a battle.

***“For though we walk in the flesh,  
we do not war after the flesh,  
For the weapons of our warfare  
are not carnal...”  
II Cor.10:3-4.***

So, there is a war going on furiously in the spirit realm on account of every man's destiny.

***“For we wrestle not against flesh and blood,  
but against principalities, against powers,  
against the rulers of the darkness of this  
world, against spiritual wickedness in  
high places”  
Eph.6:12.***

So, whether you know it or not, there is a wrestling or destructive contention going on with mischievous, unrepentant and devouring forces in the spirit realm on account of your destiny.

***“Fight the good fight of faith, lay  
hold on eternal life...”  
I Tim.4:8.***

You won't accomplish destiny, finish poorly, painfully, regrettably and shamefully if you refuse to accept the responsibility of the battle of life. You must fight a good fight. Life is a battle but Power is the regulator of the battles of life. The battles of life

cause endless tears, as in the case of Hannah I Sam.1:7, but power terminates the tears of life.

***“So I returned, and considered all the oppressions that are done under the sun: and behold the tears of such as were oppressed, and they had no comforter; and on the side of their oppressors there was power; but they had no comforter”***

***Eccl.4:1.***

Absence of power elongates and multiplies the tears of life. Tears cease when power comes. The fountain (source) of the issue of blood of the biblical woman dried up due to an encounter with power. Mark 5:29-30.

Every destiny was divinely packaged and furnished at creation. But it's not every destiny that carries glory, honour, pleasantness and the beauty that the creator endowed her in life. The battles of life prevent, divert, abort and negatively rearrange destiny. Battles are armed robbers, hijackers, terrorists along destiny journey.

## **HIDDEN BATTLES**

Among the battles that plague men on earth, the most destructive of them all is hidden battles. This battle does not end with a man's lifespan, it goes down the bloodline. It is generational.

***“For he said, because the Lord hath sworn  
that the Lord will have war with Amalek  
from generation to generation”  
Exo.17:6.***

## **PROOFS OF HIDDEN BATTLE IN PLACE**

1. The victim is ignorant of the source of his battle
2. Victim is passing through mysterious experiences of life.
3. Competent and qualified, yet refused.
4. Continued stagnation or delay at life's bus stops.
5. Experiences of near success syndrome
6. Vulnerability to arrows and attacks of the enemy, low or no spiritual immunity. Defense systems are not in place
7. Life of limitations, embargoes and restrictions.
8. An experience of vicious cycle of struggles, misfortunes, ill or bad lucks and constant disappointments
9. A life of disfavor, dis-help, being a lone ranger in life's journey.
10. Evils, sickness, affliction that cannot be diagnosed.
11. Suffering for what you didn't know the cause or know anything about.

That was the battle that ruined Abiathar the priest of the Lord and all members of his father's house I Sam.22:16-23, I Kg.2:26-27.

Hiel the generous man was also a victim of this battle I Kg.16:34.

The answer to hidden, and of course, all battles is power. The powerless will be sacrificed on the altar in place of the one in cheap command of power. Countless number of children were slaughtered by Herod in place of Jesus in Matt.2:16-23. Power diverts the evils or plagues that are pursuing a man to the habitation of the powerless. The powerless will always remain a ransom for the powerful. Power determines the end result of the battles of your life.

Let us pray aggressively, violently, forcefully and prevailingly today, for divine enduement to terminate all wars around our lives and destinies.

Use it to terminate all long standing battles in your life.

## **DAY 24: POWER PROMOTES REST ROUNDBOUT**

One other byproduct of power is rest roundabout. One major necessity for power is the battles of life. The challenge of our existence in this world is that we came to this earth to meet an arch-enemy who has been waiting for us in anger, envy and bitterness long before we arrived Rev. 12:12. This enemy has only one option for us- to devour Rev. 12:1-4. This makes our world a battle field. Thus the battle of life is real and true. There is no alternative to it. Everyone is in it whether you want to be involved or not. Your opinion or decision is irrelevant in this ongoing war. To be lethargic or indifferent to it is to sign in for defeat and destruction in the battle. The pathway to the fulfillment of destiny is to accept responsibility for this battle and to be effectively and aggressively involved. This was what our Lord Jesus did when he carried the battle into the enemy's territory - the wilderness Matt.4:1. The proofs of the reality of this battle are the inexplainable, unexpected, unpleasant experiences that come along our way in life- the riddles, mysteries and vicissitudes that surround and characterize our daily existence.

### **BATTLE ARRAY: ARMY AGAINST ARMY 1SAM. 17:21**

This is the exact description of the reality of life. Life is really a war zone. The battle is set, whether you are aware of it or not.

You don't need to offend anybody to provoke the battle. No matter how innocent or gentle you are the battle is on.

Saul broke record. He crossed over from Benjamin to assume kingship that is the inheritance of Judah. He was generally accepted by all I Sam.10:23-24. He started very well but he ended up in shame, disaster and destruction I Sam.31:6. That is the battle in practical display. Hannah, Sarah, Rachel, Elizabeth were beloved and cherished by their husbands, but were barren. That is the battle in reality. Absalom was David's heir apparent. He died in ignominy without seeing the throne. That is the battle expressing itself. Naaman was a war veteran, but he remained a leper. That's the battle speaking. Gehazi and Judas were God's servants, destined to command unusual anointing like their masters, but they didn't manifest the anointing. They died shamefully, that's the voice of the battle. Every man on the face of the earth has his own story to tell of this ongoing battle, no one is exempted.

## **POWER: THE ONLY ANTIDOTE TO THIS BATTLE**

This battle will not answer to negotiation, appeal or begging but to power. It is power that resolves the battle. Power is the antidote to this battle. The byproduct of power is that this battle will be resolved in your favour. Solomon started well, he was a child of favour and grace, well beloved of God I Kg.3:3-14. But he ignored this battle and refused to become an effective actor in the

battle. We never read that he fought any battle in his lifetime. You can't come to this battle ridden world and be indifferent to this battle and not become a casualty. You will surely carry the bullets or wound of the battle. So, Solomon ended up as a victim and defeat in the battle I Kg.11:1-10, 14. The erstwhile beloved of God eventually attracted divine anger. He refused to fight, he lost out, despite his access to wisdom and prosperity.

## **REST ROUNDABOUT: BY PRODUCT OF POWER**

The byproduct of power is rest roundabout II Chro.20:30. This is talking about:

- Wearing out opposition, grinding and bringing opposition to a complete halt Gen.26:22.
- Subduing and compelling opposition to surrender and give up 1 Sam.7:13-14
- Quietness and peace Isa.60:18
- Ease, what has been hard and difficult, even impossible for a very long time will become easy and simple
- Testimonies from battles I Sam.1:26-27. This is the proof of warfare accomplished in a man's life Isa.40:1
- Fulfillment and accomplishment instead of frustration and emptiness of life.

It takes power to terminate battles. It takes power to sustain victory. It takes power to enjoy the spoils of battle in life.

Divine power is available on the altar of divine provocation through the instrumentality of effectual, fervent praying. It is the forceful that takes delivery of the deliveries of the kingdom of heaven by violence Matt.11:11. Possession of your inheritance on this side of eternity is impossible without aggressive contention Deut.2:24-25. As our cries go up today, the deliveries of rest roundabout which are the expressions of power in display will come down to us in Jesus mighty name (Amen)

## **LET US PRAY**

3. Thank him because you will reign over all evils, battles, enemies and challenges of your life from henceforth.
4. Begin to plead the blood of Jesus upon your life to redeem and cleanse you from all allegations and accusations of the devil against your life.
5. Every vestige and remnant of battle in my life, be devoured now by fire in Jesus name.
6. Every seed of destructive battles that will germinate and mature for harvest in the days ahead in my life, be consumed now by fire in Jesus name.

7. Every seed of battle that is producing the unpleasant experiences of my life, be consumed now by fire in Jesus name.
8. Every battle against the fulfillment and accomplishment of my assignment and destiny on the earth, scatter and be annulled by fire.
9. Every battle against my rising and lifting in life, scatter now by fire in Jesus name.
10. Every battle in array to frustrate, pervert, divert and abort my destiny, scatter now by fire in Jesus name.
11. Every battle that is making life hard, unbearable, tough and difficult for me, be consumed now by fire in Jesus name.
12. Every battle that is denying me of my rightful inheritance among the living; be wasted now by fire in Jesus name.
13. Oh God, empower me against the stubborn and devouring battles of my life from henceforth in Jesus name.
14. Power for continuous victory and triumph in all of the emerging battles of my life, fall upon me right now by fire in Jesus name.
15. Power for rest roundabout, power for warfare accomplished in the journey of life, fall upon me now by fire in Jesus name.

16. Thou the power that subdues opposition and compels opposition to bow and totally surrender, fall upon me as from today in Jesus name.
17. I prophesy that as from today, God shall prepare a table before me in the presence of my enemies, he shall anoint my head with oil and my cup will run over in Jesus name.
18. Oh thou my destiny, begin to gather and enjoy the spoils of battle from today in Jesus name.
19. Power for easy passage and struggle and struggle free breakthroughs in the journey of life, fall upon me as from today in Jesus.
20. Oh God, begin to produce strange testimonies for me from the protracted battles of my life as from today in Jesus name.
21. Begin to thank God for answered prayers.
22. Sow a battle seed to bring you into the realm of rest roundabout in all areas of your life.

## DAY 25: POWER PROMOTES RESTORATION OF STRENGTH

***“And Samson called unto the Lord, and said,  
O Lord God, remember me, I pray thee, and  
strengthen me, I pray thee, only this once, O  
God, that I may be at once avenged of the  
Philistines for my two eyes***

***And Samson took hold of the two middle  
pillars upon which the house stood, and on  
which it was borne up, of the one with his  
right hand, and of the other with his left***

***And Samson said, Let me die with the  
Philistines. And he bowed himself with all  
his might; and the house fell upon the lords,  
and upon all the people that were therein.  
So the dead which he slew at his death were  
more than they which he slew in his life”  
Judg.16:28-30.***

From this text, we can understand that one great exploits of effectual praying is the restoration of strength.

There are two great requirements for the fulfillment of destiny: power and strength. Power is for conquest, victory, dominion in the conflicts of life. Strength is for exploits and breakthroughs. Power is a gift, it is what you have but strength is who you are.

In the pursuits of the fulfillment of destiny, strength is superior to power. A man may be powerful but not strong. But a strong man is necessarily powerful.

So, strength incorporates power. We heard that Samson was very strong, he was also very powerful Judg.16:6, 15. And so, because he was strong, he was also very powerful Judg.14:5-6, 15:13-15, 16:2-3.

Thus, a strong man is a necessarily powerful. But a powerful man may not be necessarily strong.

Strength also incorporates wisdom Pro.24:4. A man may be powerful and not wise, wisdom talks of direction and discretion in the management of the affairs of life.

Thus, all the accomplishments of a man, his access into his inheritance, his dominion, conquest and exploits are function of how strong he is Luke11:21-22.

Strength is one of the greatest challenges of mankind on earth. For there is nothing of note in life that can be accomplished on the platform of weakness Josh.1:6, 7, 9. Caleb's determination to possess Hebron to actualize Moses' promise to him was on the platform of strength Josh.14:6-14. It is a disaster passing through life with weakness.

A man can be weak Judg. 16:11 or strong Judg. 16:9. Strength can increase Pro.24:5, Isa.40:29 or decrease. It is the lack or loss of strength that produces weakness. Weakness is the prerequisite for bondage, defeat, failure, dispossession and disinheritance in

life. The spoils of life are divided on the platform of strength or weakness Luke 11:21-22, Isa.53:12

## **SYMPTOMS OF WEAKNESS IN LIFE**

1. Vulnerability to evil arrows or attacks Luke 20:29-32.  
Weakness makes a man a target and a victim of evil arrows.
2. Spiritual dryness. When a man is no longer fresh spiritually.
3. No access into visions and revelations again I Sam.3:1
4. Dullness of sight and hearing I Sam.3:2
5. Relying upon past testimonies and past anointing.
6. When what you used to enjoy or do with ease before becomes a subject of struggles and burden now.
7. When you are now a victim of what you had been overcoming before Judg.16:21
8. When you can't even raise your head among mediocres Jer.12:5

## **PRAYER: AN IRRESISTIBLE ANSWER TO LACK OR LOSS OF STRENGTH**

When you are weak and becoming a prey to the predators that you are supposed to subdue in life, what do you do? When you are struggling where you used to enjoy ease before what do you

do? When you are now dried, powerless, weary, frustrated, everything seems failing and nothing is working for you again, what do you do?

First, take time to settle down and reflect on why, when and how things started to go down or bad for you and make necessary amends Rev.2:5.

Second, take time or separate a time to go and wait upon the Lord in studying His word, listening to tapes/messages, worshipping God, praying in tongues all which will provoke God to increasing your strength Isa.40:29.

Third, do it Samson's way. Cry to God for the restoration of strength Jud.16:28. Don't sit or lie down in the valley. Don't succumb to the dictates and desires of the enemy, cry unto God. He is the giver of strength Isai.40:29. He will answer. He will restore to you supernatural strength for supernatural exploits Judg.16:29-30.

## **SHALL WE PRAY?**

1. Begin to thank God again for today. Thank him for your past years and your future.
2. Plead the blood of Jesus upon your life for cleansing from all sins.

3. Oh God, baptize me with divine power and strength for the fulfillment of my destiny on earth right now in Jesus name.
4. Every contention and resistance to the accomplishment of my purpose on earth, scatter now by fire in Jesus name.
5. Oh God, make the source of my strength in life a mystery to my enemies in Jesus name.
6. Oh thou my destiny, you shall not be a cheap prey in the hands of the predators of life as from today in Jesus name.
7. Power for conquest, victory and dominion in the journey of life, fall on me in Jesus name.
8. I enter now into the armory of my enemies and begin to possess my possession from henceforth in Jesus name.
9. I command every form of bondage upon any area of my life to begin to scatter now by fire in Jesus name.
10. I command every area of life that is bound by the enemy to be loosed right now, I am free in Jesus name.
11. Every yoke and curse of weakness upon my life and destiny, break now by fire in Jesus name.
12. Every satanic arrangement or programming to suck, sap and reduce my strength, be devoured in Jesus name.
13. I decree to my destiny that as my days are so shall my strength be as from today in Jesus name.
14. I prophesy that as from now I shall not suffer any defeat, failure or loss in any area of my life in Jesus name.

15. Oh thou my destiny begin to divide the spoils of life with the strong, begin to take your portion with the great in Jesus name.
16. Strength for uncommon exploits, accomplishments and breakthroughs in life, rest upon me and enter into me as from today in Jesus name.
17. I rebuke the spirit of spiritual dryness over my life right now in Jesus name.
18. I prophesy that nothing, no evil is permitted to overcome me as from today in Jesus name.
19. Every evil sacrifice that delivered me into the hands of my adversaries, be revoked and annulled right now by fire in Jesus name.
20. I prophesy that from henceforth, my life shall not be a case of rejoicing in the camp of my enemies in Jesus name.
21. Begin to thank God for answered prayers

## **DAY 26: POWER PROMOTES THE RELEASE OF THE FINGER OF GOD**

*“And the magicians did so with their  
enchantments to bring forth lice, but  
they could not: so there were lice upon  
man, and upon beast*

*Then the magicians said unto Pharaoh,  
This is the finger of God: and Pharaoh's  
heart was hardened, and he hearkened  
not unto them; as the Lord had said”  
Exo.8:18-19.*

*“We see not our signs: there is no more  
any prophet: neither is there among us  
any that knoweth how long*

*O God, how long shall the adversary  
reproach? shall the enemy blaspheme  
thy name forever?*

*Why withdrawest thou thy hand, even  
thy right hand? pluck it out of thy  
bosom”  
Psa.74:9-11.*

One of the indescribable exploits of prayer is that it presses the button that triggers the release of God's finger. The withdrawal of God's hand from a person's situation provides opportunities for the enemy to reproach and blaspheme God's name in such a life. When God plucks out his hands or stretches them forth into a man's situation, the finger of God is released. When the finger of

God is released, opposition is silenced permanently, adversaries are totally subdued.

## **THE MINISTRY OF THE FINGER OF GOD**

The ministry of the finger of God performs the following assignments:

First it speaks of the enemy's limitation vis-à-vis God's supremacy Exo.8:16-19.

It displays or showcases God's power.

The presence of the finger of God tells the enemy, you have reached your limits and you can go no further. It tells the enemy in very clear terms that the sovereign God is at work and what He can do, no other spirit, power or force can do the same. The finger of God therefore can wipe off the enemy and can terminate battles.

Second, the finger of God is the agent of creation Psalm 8:3, 19:1. When God's finger comes into a situation, God's creative power steps in to create or recreate what is needed as in the case of the man in Mark 3:1-5, it can create jobs, spouses, recreate new wombs or new parts in the place of damaged ones. It corrects the defects or buts' in human lives as in the case of Namaan II Kg.5:1.

Third, it can reverse the verdicts of the enemy, bringing out new things from old ones, beauty from ashes and order from chaos.

Satan had drawn his conclusion or verdict about the condition of the earth in Gen.1:2. But when the finger of God was stretched out in Gen.1:3-31, Satan's verdict became annulled and overruled. The finger of God is the expression of his ruling and overruling hand. A beautiful, ordered earth came out of the formless, empty and confusing earth Psalm 19:1.

Fourth, finger of God writes and rewrites. Every occurrence or happening on earth has first been written before performance. The finger of God writes Exo.31:18, Deut.9:9-11.

It can write breakthroughs, favour, progress and miracles for men. These are called His promises or prophecies for you.

They are contained in his word, locate the ones that apply to your situation and apply them in warfare I Tim.1:18.

It can also write judgment for the enemy as did for Nebuchadnezzar Dan.4:17 and Belshazzar in Dan.5:5.

The finger of God can also annul satanic marks that are marks of satanic handwritings Col.2:14-15.

Fifth, the finger of God terrorizes, paralyzes, humiliates, disgraces and displaces demons Luke 11:20. When the finger of God is stretched out, demons are tormented and cast out.

Sixth, the finger of God is an agent of healings Mark 7:31-37. No sickness or disease can remain in the body that the finger Has touched.

Seventh, the finger of God writes forgiveness and pardon for the guilty John 8:2-11. There is no accusation for the one the finger of God has written mercy for.

## **PRAYER PRESSES THE TRIGGER OF THE FINGER OF GOD**

The children of Israel cried unto God in agonizing prayers in Exo.2:23-25. In response to their prayers, God stretched forth His hands over the land of Egypt Exo.3:19-21. The attendant manifestations of the finger of God that performed signs and wonders eventually culminated in the termination of the four hundred and thirty years of bitter bondage.

God's hand is not plucked out of the bosom until it is provoked. When you pray desperately, passionately and violently, God is moved to stretch forth his finger over your situation and the miraculous becomes your cheap testimony,

## **LET US PRAY**

1. Begin to thank God for today. Thank him for who He is, what He can do and what He will do for you.
2. Thank Him because His finger is still available for you for your deliverance and breakthroughs.
3. Begin to plead the Blood of Jesus upon your life for cleansing and redemption from all sins.

4. Thou the Finger of God, be stretched forth over my life and situation right now in Jesus name.
5. Thou the Finger of God, be stretched forth and wipe out the stubborn enemies and battles that followed me into this month right now in Jesus name.
6. Thou the Finger of God, be stretched forth unto the Pharaohs of my life and compel them to give up over my case in Jesus name.
7. Thou the Finger of God, be stretched forth into my destiny and create for me my desired miracle now in Jesus name.
8. Thou the Finger of God, be stretched forth into my life and correct every defect, abnormality, malformation and malfunctioning in my life in Jesus name.
9. Thou the finger of God, whatsoever the enemy has destroyed or taken away from my life and destiny; recreate and restore them unto me right now in Jesus name.
10. Thou the finger of God, be stretched forth right now and reverse every verdict and conclusion of Satan in my life in Jesus name.
11. Thou the finger of God, be stretched forth right now and blot out the handwriting of the ordinances that are written against my destiny that are contrary to me in Jesus name.
12. Thou the finger of God, be stretched forth right now and terminate every evil mark of the enemy that is upon my life right now in Jesus name.

13. Thou the finger of God, be stretched out right now and begin to rewrite the story of my life, open a new chapter to me in the book of my destiny in Jesus name.
14. Thou the finger of God, be stretched now and begin to bring out new things from the old experiences of my life, begin to bring out beauty from my ashes and order from my chaos in Jesus name.
15. Thou the finger of God, be stretched out right now and begin to write judgment of death for my enemies in Jesus name.
16. Thou the finger of God, be stretched forth unto my situation and begin to plague demons on assignment on account of any area of my life in Jesus name.
17. Thou the finger of God, be stretched into my situation and begin to heal, strengthen and restore every sick aspect of my destiny from today in Jesus name.
18. Thou the finger of God, be stretched into my life and begin to annul every condemnation against my destiny in Jesus name.
19. Thou the finger of God, begin to write forgiveness and pardon for all my past mistakes that are holding me down right now in Jesus name.
20. Thou the finger of God, be stretched forth over my situation and let signs and wonders become my everyday occurrences as from today in Jesus name.
21. Begin to thank God for answered prayers.

## **DAY 27: POWER PROMOTES TOTAL RESTORATION**

***“Now therefore restore the man his wife;  
for he is a prophet, and he shall pray  
for thee, and thou shalt live: and if  
thou restore her not, know thou that  
thou shalt surely die, thou, and all  
that are thine”***

***Gen.20:7***

***“So the Philistines were subdued, and  
they came no more into the coast of  
Israel: and the hand of the Lord was  
against the Philistines all the days of  
Samuel***

***And the cities which the Philistines  
had taken from Israel were restored to  
Israel, from Ekron even unto Gath;  
and the coasts thereof did Israel  
deliver out of the hands of the  
Philistines. And there was peace  
between Israel and the Amorites”***

***I Sam.7:13-14.***

Restoration is another by product of power. To restore is to get back what was illegally taken or stolen away from someone. It also means to return back to its original and functioning state. There are powers that illegally rob a man of his blessings, joy, health, peace and fulfillment in life. There are powers also that destroy a man's true identity, his physiology and psychology causing a malfunctioning or dysfunctioning in those areas of his

life. Such abnormalities, imbalances, losses and maladjustments are corrected with total sanity restored in those areas on the platform of power.

Malformations or malfunctioning and illegalities of life are addressed and redressed by power. Power is the restorer of lost fortunes and heritage. It takes power to restore the broken wall of our shattered life. There are certain powers behind the losses and malfunctioning of our lives and destinies. It takes a greater power to see those abnormalities corrected and healed in a man's life.

All the cities taken away from Israel by the Philistines were restored on the platform of power. It was after the philistines were subdued under Israel that they came under divine compulsion to restore to Israel the cities they had illegally been taken. Abimelech came under divine compulsion to restore Sarah to Abraham on the platform of power. It was the power of resurrection and life, working through our Lord Jesus Christ that banished death and restored the widow of Nain her dead son back to her Luke 7:11-16. Satan was the force behind Job's devastating losses Job 1, 2. It takes a superior power in the Almighty God to restore back all that Job had lost Job 42:10-18. The malfunctioning in the reproductive system of Sarah that left her barren for twenty five years were corrected by divine visitation, the generator of divine power. Gen.21:1-2.

It is power that disarms, paralyses, plagues and disposes your destiny robbers and compel them to retrieve back to you what

they had illegally taken or tampered with in your life. That power is available on the altar of ceaseless, effectual, fervent prayer. If you can pray aggressively and prevailingly; delayed, denied and consumed blessings shall be restored back to you with great interest in Jesus name.

## **LET US PRAY**

1. Let us begin to thank God for another day. Thank him for answering your prayers.
2. Thank him for His mighty hand of deliverance upon your life.
3. Begin to plead the Blood of Jesus upon your life to atone for all accusations and allegations of the devil against you before God.
4. Oh God, envelope me with divine power against all agents of losses and malfunctioning in every area of my life in Jesus name.

6. Power to recover delayed, denied inheritance with great dividends, fall upon me as from today by fire.
7. Power against withholding and resisting forces of my life fall upon me as from today by fire.

8. Every force that is perpetrating and executing illegality in any area of my life, be consumed by fire.
9. Whatever God's word is not supporting, whatsoever God is not permitting in my life, every force that is sponsoring, inventing and sustaining them, be consumed by fire right now by fire in Jesus name.
10. Every malfunctioning and dysfunctioning in any area of my life and destiny, be corrected and be made whole as from today by fire.
11. Every power that is causing imbalances, losses and malfunctioning in any area of my life and destiny, be roasted now by fire in Jesus name.
12. Thou the Abimelech's and Philistines of my life, be subdued totally under me, you shall not rise again in Jesus name.
13. Every programme of loss, misfortune, tragedy and disaster organized for me in the years ahead of me be annulled and terminated now by fire.
14. Thou the programme of weeping, pain and sorrow, organized for me in the years ahead, be revoked and annulled now by fire in Jesus name.
15. Wherever I had suffered delays, losses and denials in the past years of my life, the cry of mercy shall answer for me as from today in Jesus.
16. I decree that my true destiny, dignity, honour and greatness be restored back to me as from today in Jesus name.

17. I prophesy that every step that I take as from now will receive divine approval and divine backing in Jesus name.
18. I plead the Blood of Jesus to redeem the rest of my years from failures, losses, afflictions and tragedies in Jesus name.
19. I command the blessings and breakthroughs that will humiliate Satan, advertise God and show forth the glory of God in my life, to begin to locate me as from today in Jesus name.
20. Anointing to recover my lost grounds and possess my possession, follow me into the days, months and years ahead of me in Jesus name.
21. Begin to thank God for answered prayers.

## **DAY 28: POWER PROMOTES UNDENIABLE CHANGE**

Another by-product of power is change. It takes effective power to effect tangible change in life. The status quo is a symptom of powerlessness.

God said he was relocating his people from the land called Canaan Exo.3:7-8. But he quickly added that the change will attract stiff resistance and opposition from Pharaoh. He then promised to release his power to effect the needed change Exo.3:19-21. The status quo is a stubborn, tough and unyielding bondage. There is a terrible power behind every protracted delay and stagnation in life. Until chains break, change can't come and it takes power to break the chains. Power therefore is the greatest requirement for change to happen in life. The proof of power in display is constant change, constant motion as the journey of life continues. The day change stops in a man's life is the day stagnation starts. Stagnation or the status quo is the proof of decay which is a bondage to corruption Rom.8:21. It is power that breaks this bondage in a man's life and releases him into the glorious manifestation of the sons of God Rom.8:19.

### **WHAT IS CHANGE?**

***New things:*** Unusual, unprecedented things. Things that are greater than what had always been. It is that which is different and superior to the present or existing things. God is a God of

new things Isa.43:18-19, Rev.21:4-5. The status quo is too boring. Nobody gets excited in it. New things create excitement. It is new things - positive change - that give excitement and meaning to existence.

## **PROOF OF CHANGE**

***“And Joseph was the governor over the land, and he it was that sold to all the people of the land: and Joseph's brethren came, and bowed down themselves before him with their faces to the earth.  
And Joseph knew his brethren, but they knew not him”  
Gen.42:6, 8.***

When a divine change occurs in man's life, within a very short time, they won't be able to recognize the person again. People who used to see or know the person will see him but unable to recognize him. Joseph saw his brethren but they couldn't know him. He has changed radically and supernaturally beyond recognition.

The status quo makes a man the person he used to be and ties him to where he is for years. When this order of change happened to the blind man in John chapter nine, he became an object of controversy John 9:8-9. He moved from being a creature of pity to becoming a creature of envy. But his change came by power encounter John 9:6-7. When chains break, change comes.

## **AREAS WHERE POWER ALWAYS EFFECT CHANGE IN A MAN'S LIFE**

Power always creates change in six specific areas of a man's life.

First is in his nature. It takes divine power to effect a change in a man's nature. To exchange your inborn Adamic nature for the divine (God's nature), you need an encounter with divine power.

***“But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name”  
John 1:12.***

When a man encounters this power of the new birth, he becomes a new creature II Cor.5:17. That power enables him to overcome those anti-God activities and practices that he loves doing before and to derive a special pleasure in doing what brings delight to God which he couldn't do before. He now begins to live to please God. That was Paul's experience in Acts 9:19-22.

God desires first and foremost, a change in a man's nature. The divine power makes this a reality.

Second, is your location. God is a God of relocation Exo.3:7-8. God does not want a man to continue to remain too long at a spot. The proof of power of change is constant relocation to a higher, better, more fruitful and pleasant land.

Third, is in your class or level. When power comes; your level or class changes. You ascend the ladder of life; your company will also change.

Fourth, power also changes a man's status or position.

Fifth, power changes a man's physiology. It was Naaman's encounter with divine power through Elisha that corrected or healed the malfunctioning of Naaman's physiology II Kg.5:10, 14. Any malfunctioning or dysfunctioning in any man's physiology can be corrected through power encounter. God, the creator of man has spare parts and warehouse for all parts of man's physiology.

Sixth, power changes a man's destiny. When the identity of the blind man changed, he became an object of debate John 9:8-9.

## **PRODUCTS OF CHANGE**

Change is total turn around in a man's experience and story in life. When this change happens, it produces jubilation and celebration. Change appreciates a man's destiny. That was the experience of the paralytic by the beautiful gate in Acts 3:1-11.

As we cry unto God today, your long awaited and desperately desired change has come. Power is available on the prayer altar to effect your desired change. You are about to experience an explosive and irreversible supernatural turnaround right now in Jesus mighty name.

## CHAPTER SIX

### **THE LAW OF LIFE AND DEATH**

***“There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit***

***For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death”***

***Rom.8:1, 2.***

The law of death is the sponsor of hopeless and helpless experiences of life. It promotes stagnation, decrease and all experiences of oppressions, exploitation and domination. Wherever this law is at work, nothing works, everything is still and stiff. The operation of this law explains the presence and reality of the bones that are dead, dried and scattered in the open valley of Ezekiel in Ezek.37:1-2.

It is the law of the spirit of life in Christ Jesus that suspends or annuls the law of sin and death. When this law is at work, the door of the possibilities of God is opened, validated by the operation or manifestation of the signs, miracles and wonders as

it happened when the dried bones rose to become a great army in Ezek.37:3-10

The law of the Spirit of life is activated by the Holy Spirit Ezek.37:1, Rom.8:11. It is released by scriptural prophecies and warfare prayers Ezek.37:4-9.

Armed with these weapons in our spiritual journey this week, we are engaging the law of the spirit of life to tap into the possibility powers of God to assume our rightful place in destiny.

Life is working in our favour right now. The lines are about falling unto you in pleasant places. Everything is turning around for the best for you from henceforth in Jesus mighty name.

## DAY 29: DIVINE JUDGEMENT REVERSED

***“If I shut up heaven that there be no rain,  
or if I command the locusts to devour the  
land, or if I send pestilence among my people;***

***If my people, which are called by my name,  
shall humble themselves, and pray, and seek  
my face, and turn from their wicked ways;  
then will I hear from heaven, and will forgive  
their sin, and will heal their land”***

***II Chro.7:13-14.***

The greatest and toughest source of life's impossibilities is the judgment from God. Whatsoever God has judged or condemned a man for is final. If God has decreed or declared or condemned a person to failure, barrenness, struggles or any affliction whatsoever, it is irreversible and irrevocable. No power can alter it.

All cases of impossibilities in man are products of some definite judgments. We heard that Hannah was barren, but we were told that it was God that shut that womb I Sam.1:5-6. We heard of a terrible plague in Israel in the days of David that claimed thousands of lives, but it was a judgment from God II Sam.24:11-13, 15. The generations of Amalek knew no peace until they were wiped out of the face of the earth because of God's judgment upon them Exo.17:14, 16. See what Amalek did in Deut.25:17-19. Thus cases of stubborn, protracted, destructive battles,

generational or inherited or ancestral afflictions, near success syndromes, mysterious defeat in the face of apparent success, degradation and down fall beyond redemption etc. are traceable to definite judgments especially judgments from God. These judgments are the sources of the impossibilities of life.

## **PRAYER AND LIFE'S IMPOSSIBILITIES**

The faithful, merciful, loving, gracious and benevolent God has not left us hopeless on earth. There is no situation in human existence that is hopeless where hope is in God. It is inability to bring God into one's situation that shatters or ruins destiny beyond the state of hopelessness and redemption.

God has promised us in His word in II Chro.7:13-14 that even if He has spoken or brought judgment and condemnation upon anyone and has concluded to execute the judgment, if man can repent, turn to Him and then pray, He would reverse and revoke the judgment. Thus, any human impossibility, arising from any form of judgment can become a walk over for a man if he can cry to God in prayers. Prayer therefore is the antidote to the impossibilities of life. Through prayer therefore, you can change the mind or verdict of God, reverse the irreversible and revoke the irrevocable.

## **BIBLICAL EXAMPLES**

The judgment upon Hannah was reversed and revoked upon the altar of effectual, fervent praying I Sam.1:5-6, 10-11, 19-20.

Moses prayed and changed God's mind concerning the judgment He wanted to unleash upon Israel Exo.32:9-14. The judgment of death hanging upon King Hezekiah was reversed on the altar of prevailing praying II Kg.20:1-6. Zacharias and Elizabeth were barren and they both had passed the age of child bearing which is the proof of a judgment in place Luke 1:7. On the altar of effectual praying, judgment was revoked and a child of compensation and restoration was delivered Luke 1:10-13, 24-25. The coming of the child terminated the reproach of decades upon their marriage. If you can therefore erect the altar of effectual, fervent, word saturated praying and you can sustain, maintain, service the altar, you will begin to see the impossibilities of your life become a walk over and you will remain a wonder and bundle of testimonies.

## **LET US PRAY**

1. Begin to thank God for today. Thank Him for His unfailing love, care and provision for you.
2. Begin to plead and cover your life with the Blood of Jesus for atonement, forgiveness and redemption.

9. Every judgment of Satan upon my life and destiny, be annulled now by fire in Jesus name.
10. Every judgment of man upon my life and destiny, be annulled now by fire in Jesus name.
11. Every affliction that has held strongly to me as a result of judgment, be uprooted from my life right now by fire in Jesus name.
12. Oh thou the stubborn battles of my life, begin to disappear into the ocean of forgetfulness as from today in Jesus name.
13. I plead the Blood of Jesus upon my life, I provoke the mercy of God upon my life, I declare that the anger of God turn into the pleasure of God in all areas of my life as from today in Jesus name.

14. I decree that every evil decision, conclusion, agreement and verdict upon my life and destiny become revoked, erased and annulled right now in Jesus name.
15. I command every gate and door locked against my blessings and breakthrough to be opened unto me right now by fire in Jesus name.
16. Every spirit of near success syndrome, mysterious defeats and disappointments that is following me, remotely controlling and manipulating my life and destiny, be consumed now by fire in Jesus name.
17. Every yoke of generational affliction upon my life, break now into irreparable pieces in Jesus name.
18. I curse right now, the foundation of hopelessness and helplessness in every area of my life in Jesus name.
19. Every blessing and breakthrough that I had lost to condemnation and judgment in the past years of my life, begin to be restored back to me with great interests as from today in Jesus name.
20. I command sweetness, pleasantness and ease into every area of my life as from today in Jesus name.
21. Thou the yoke and curse of barrenness upon any area of my life, break now by fire in Jesus name.
22. Begin to thank God for answered prayers.

## DAY 30: PROVOKING DIVINE VISITATION

*“And the Lord said, I have surely seen the affliction of my people which are in Egypt, and have heard their cry by reason of their taskmasters; for I know their sorrows;*

*And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites*

*Now therefore, behold, the cry of the children of Israel is come unto me: and I have also seen the oppression wherewith the Egyptians oppress them*

*Come now therefore, and I will send thee unto Pharaoh, that thou mayest bring forth my people the children of Israel out of Egypt”*  
*Exo.3:7-10.*

### DIVINE VISITATION: WHAT IS IT?

It is the arrival of God in the situation or the circumstance of men. It is the intervention of God in the challenges and experiences of men on the earth. It is God’s response to the afflictions of His people.

Until God comes down into a man's situation, the situation remains the same. Nothing changes in a man's destiny until a superior power comes to challenge or confront the power or force behind the status quo in the man's life. It is the intervention of God in a man's experience that turns his afflictions into affluence. It is the intervention of God that terminates the former things and punctuates a new beginning or new things in a man's life. If a man therefore lacks the provocative power that will trigger the button of divine visitation in his life, he will remain too long or may as well die in his situation.

## **THE POWER OF DIVINE VISITATION**

God does not visit a place or a man and leave him the same way or in the same place. The visitation of God will cause an unprecedented and unexplainable change in identity, location, status, level and experience of men.

God visited the children of Israel in Egypt and the visitation terminated their hard, stubborn and protracted bondage of 430 years. The visitation also effected the restoration of the losses of those 430 years.

The visitation punished, plagued, paralyzed, disarmed, demobilized and subdued their stubborn, unrepentant enemy Exo.5:1, 2; 12:30-33. The visitation terminated an era and

ushered in a new era, a new beginning in Israel's history  
Exo.12:40-42.

God visited Abraham and Sarah and the yoke of barrenness of decades broke upon their lives. The visitation reversed the law of nature and turned the impossible into a walk over Gen.21:1-7. The visitation of God turned the wilderness of a man's life into a fruitful hill.

It was divine visitation that restored the dead child, joy and hope of the widow of Nain Luke 7:11-16. Divine visitation reversed and revoked the programming and agenda of Satan for the woman.

In fact, the exploits of divine visitation are inexplicable. In the words of Prophet Isaiah, it melts the mountains and accomplishes the unprecedented Isa.64:1-4. All that the stubborn and long battles of your life are waiting for to disappear is divine visitation. All that your destiny is waiting for to recover its colour, dignity and hour is divine visitation. Your only requirement for singing a new song and celebrating a new beginning is divine visitation. It is divine visitation that rewrites the history of a man.

## **DIVINE VISITATION: ANSWER TO EFFECTUAL, FERVENT PRAYING**

Divine visitation does not respond to spiritual complacency and lethargy. It is not activated in the environment of spiritual

coldness or ease. it is provoked in the environment of definite, divine demands. Israel cried to God by reason of their hard bondage. Their cries came up as a memorial to God in heaven Exo.2:23-25. Then, God came down into their situation Exo.3:7-10.

It is their cries to God that provoked and attracted heaven's attention. Abraham had been making incessant demands on God for a child times over and over again Gen.15:2:2-4. Then, God visited him and his covenant child was born Gen.21:1-7. The visitation of God to Cornelius was provoked by his intense, continual praying Acts 10:30-33. Zacharias visitation by God was on the altar of effectual, fervent praying Luke 1:9-13.

Divine visitation is not accidental or automatic. It is provoked. Heartfelt, effectual, fervent praying is the divine provoker that presses the button and unlocks the door of divine visitation. Until you cry to Him, He's not moved, neither will He respond to the challenges or battles of your life.

But your life agonies must not continue. Your battles must cease. Bitterness must end in your life. Your story is about to change. The triumph and reign of oppression in your life must be terminated. The bell of ultimate victory and celebration must ring

in your house as you rise up to provoke divine visitation by your aggressive praying right now.

## **LET US PRAY**

1. Begin to thank God for today. Thank Him for the miracles you have been receiving since this programme started.
2. Begin to plead the Blood of Jesus upon your life to cleanse you from every from every manner of defilement of the spirit, soul and body.

14. Oh God, visit me this month and turn my weeping to laughter and joy in Jesus name
15. Oh God, visit me this month and let every deadness of my life come back to life in Jesus name.
16. Oh God, visit me this month and turn the bitterness of my life into sweetness in Jesus name.
17. Oh God, visit me this month and open the door for a new and better beginning for me in all areas of my life in Jesus name.
18. Oh God, visit me this month and open the door for uncommon, unusual happenings to me in all areas of my life in Jesus name.
19. Oh God, visit me and cause me to sing a new song this year in Jesus name.
20. Oh God, visit me right now and turn my mourning to dancing in Jesus name.

21. I prophesy that right now, I am entering into my season of ultimate victory and endless celebrations in Jesus name.
22. Begin to thank God for answered prayers.

## DAY 31: PROVOKING ANGELS ON ASSIGNMENT

***“But to which of the angels said he at any time, Sit on my right hand, until I make thine enemies thy footstool?”***

***Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?  
Heb.1:13-14.***

***There shall no evil befall thee,  
neither shall any plague come nigh thy dwelling***

***For he shall give his angels charge over thee,  
to keep thee in all thy ways”  
Psa.91:10-11.***

One of the great provisions of God for the prosperity, distinction and dominion of the saints on the earth is the angels.

Angels are very powerful and strong. The Bible says they excel in strength Psa.103:20. Only one angel smote one hundred and eighty five thousand of the Assyrian Soldier in one night II Kg.19:35. The saints are not programmed for defeat, disgrace, pity and destruction on the earth. With the services of the angels put in place for the saints by God, the saints are free to enjoy heavenly and supernatural lifestyles on the earth. The saints can walk through fire and remain unhurt. They can walk through the sea as if on dry ground. They can turn the most hostile,

destructive and unbearable situation to become the most pleasant and conducive. The great responsibility the saints need to adhere to is how to release their angels on assignment on their behalf.

## **THE MINISTRY OF ANGELS**

There are three specific ministries of angels.

First, they worship God Isai.6:1-3, Rev.5:11-14. That is why when we worship God qualitatively, effectively and powerfully on the earth, angels descend into our midst.

Second, they fight. Angels fight the saints' battle and they don't lose any battle they engage in II Kg.19:35, Acts 12:21-23

Third, they bring blessings. They are good news carriers Luke 1:19, 26-33.

These three ministries of angels span through the entire Bible. Note that angels are not to be worshipped by men. They are not intermediaries between God and man. The saints are not to pray to God in their names or through them. They are messengers, not masters over man. Men are superior to angels before God. The Bible says we shall judge angels I Cor.6:3. The Bible warns us against worshipping them Col.2:18.. those who pray in the name of angels or invoke angels do so to Satan, not to God. When John

on the Island of Patmos wanted to worship the angel that came to show him revelations, the angel rebuked and corrected him Rev.22:8-9.

The awesome powers and strength that the angels wield are for the enjoyment and ministration of the saints. You must therefore know how to put your angel to work for your sweatless and triumphant experiences in your sojourn on earth. You are supposed to lack nothing. Angels are to bring all your needs to you from heaven's storehouse I Kg.19:5-7

## **PROVOKING ANGELIC INTERVENTIONS THROUGH PREVAILING PRAYERS**

The power of prevailing praying in releasing angels on assignment is clearly seen in the experience of Peter in Herod's imprisonment in Acts 12:5-11. Peter was kept in Prison. He was put in chains. He was put under the surveillance of blood thirsty security guards.

He was under a death sentence that was to be executed in less than three days. But the church was in intense, aggressive, continual prayers for him. The ceaseless prayers of the church released Peter's angel on assignment. The rest is history. Peter was released from the prison. Death sentence went back to sender, Herod died in the place of Peter. Iron gates opened of their own accord Acts 12:10.

It was on the altar of a twenty one days fasting and praying that angels were dispatched to bring answers to Daniel's puzzles. In fact, when the first angel couldn't breakthrough to Daniel because of resisting and withholding forces in the spirit realm, ceaseless praying on the part of Daniel provoked greater angelic reinforcement that broke through the barriers in the spirit realm and effected the ultimate delivery of Daniel's requests Dan.10:2-3,11-13.

It was during intense, congregational praying, that an angel was sent to bring a child to Elizabeth and Zacharias Luke 1:10-13. Thus, angels on assignment answer to effectual, fervent praying of the saints. Angels excel in strength Psa.103:20.

When they arrive in a man's situation, they roll away demonic stones that are planted on the doorways of man's breakthroughs Matt.28:2, they shut the mouths of the devouring lions of life Dan.6:22, they open prison doors without keys Acts 5:18-19, 23; 12:7-10, they perform the humanly inexplainable and unimaginable.

Closed doors are about to be reopened for you right now like a dream, your captivity is about to turn, your hopelessness is about to give way. Difficulties, hardness and struggles are about to melt away from your life. You are about to command and enjoy the services or ministrations of the angels in every area of your life where you are at your wits end right now if you will be ready to pray aggressively, forcefully and prevailingly, provoking your angel on assignment.

## LET US PRAY

2. Begin to cover yourself with the Blood of Jesus. Ask that the Blood will speak mercy, cleansing and atonement for you.

14. Thou my angel, begin to open the doors of my progress and breakthroughs in life in Jesus name.
15. Thou my angel, begin to loose all my blessings wherever they are held down and begin to deliver them unto me as from today in Jesus name.
16. Thou my angel, arise now on my behalf and begin to break very form of bondage to captivity upon my life and destiny in Jesus name.
17. Thou my angel, arise now on my behalf and begin to turn my enemies against one another to begin to fight themselves in Jesus name.
18. Thou my angel, be empowered right now to begin to restore all my past losses with great dividends in Jesus name.
19. Thou my angel, arise on my behalf right now and turn my problems and challenges to promotion for me in Jesus name.
20. Thou my angel, arise right now and bring waters for me, from the deserts of my life in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 32: DREAMING: GATEWAY TO EXPLOITS

***“And Joseph dreamed a dream....  
And he dreamed yet another dream.....  
Gen.37:5, 9.***

***And Joseph was the governor over the land,  
and he it was that sold to all the people of  
the land: and Joseph's brethren came, and  
bowed down themselves before him with their  
faces to the earth***

***And Joseph remembered the dreams  
which he dreamed of them.....”  
Gen 42:6, 9.***

Joseph was constantly dreaming. He was a dreamer per excellence. It was not a dream of defeat, downfall, disgrace or death. It was a dream of greatness, lifting, distinction, dominion and glory. The dreams became a vicious cycle and he couldn't keep it to himself alone. One day he found himself on the throne where he had dreamt about. His brethren came to him and bowed down to him exactly the way he had dreamt it. And then he remembered his dreams. His brethren who couldn't dream came to bow down to the one who could dream. They have become victims of chances and accidents. They had dreamt about nothing and so can remember nothing. Their lives had no compass or direction and so they were moving in the direction of the winds of life. They were not in charge or in control of the movement of their destiny.

The myth behind life's exploits is dreaming. Dreaming is a compulsory requirement for greatness and distinctions in life.

Dream break the restraints of life, it limits life's limitations. It terminates the embargoes of life. It compels the law of nature or the rules of life to answer to a man. It brings life under compulsion to respond to a man's bidding.

Joseph ruled over the then world including his brethren, contrary to all logic, laws and possibilities of life. His human, natural, biological limitations became limited. He was lifted beyond limits. He was exalted above everyone else in the land where he was a stranger. He was blessed beyond curses during the season of famine, drought, adversities and adversaries. He became a mystery and a wonder to himself and the sons of men. But this didn't just happen, he had dreamt about it. Accidents don't take place in the spirit realm. Every occurrence is programmed or made to happen. Whatsoever you can't programme into being won't be. Whatsoever you can't dream of, reality cannot produce it for you.

Joseph's brethren came to bow down to him. Those who dream are programmed to rule over and dominate those who can't. Non dreamers will forever serve and service those who can dream. Those who can dream will feed and nourish those who can't. The destinies of those who can't dream will forever be determined by those who can dream. Dreamers will always do the impossible

since they always see the invisible and will continue to remain a mystery, wonder, amazement to those who can't dream.

## **THE TWENTY FIVE CHARACTERISTICS OF DREAMERS**

1. Dreamers see the invisible and perform the impossible. The supernatural world is a world of abundance, possibilities, limitlessness and boundlessness that cannot be accessed by the natural eyes. It is the world of the invisibles. The physical world is the world of the visible and impossible because of the operations of the laws of nature. Access into the world of the supernatural will grant you cheap access into the invisible and only those who see the invisible lay hold unto the impossibles of life. Eyes that look are common but eyes that see are rare. Everybody looks, few see.
2. Dreamers are not fearful. They are bold and they dare the dreaded. Fear, worry, tension, anxiety are products of inability to see the operations in the supernatural world.
3. Dreamers are the script writers and players of their destinies while non-dreamers will act the script written for them. Sometimes, non-dreamers are victims of the handwriting of ordinances which are contrary to them Col.2:14.
4. Dreamers are adventurers and risk takers. They are ready to sacrifice the known for the unknown
5. Dreamers are non-conformist. They are rebels against the status quo. They are always dissatisfied with where they

are. They are bitter enemies to complacency and self-indulgence. They are always restless to be at rest and uneasy to be at ease.

6. Dreamers are idealist. They are always considering what ought to be as opposed to what is.
7. Dreamers are men of dominion not of domination. They rule and reign, their environment and circumstance is subject to them.
8. Dreamers are dictators and deciders of events and happenings including their destinies.
9. Dreamers are workers, not wishers. They are inventors, not imitators. they are originals, not carbon copies.
10. Dreamers are creators, not creatures.
11. Dreamers are voices, not echoes
12. Dreamers are answers, not questions. They are assets, not liabilities
13. Dreamers are hopes, not vanities. They are liberated, not bound Rom.8:21-23.
14. Dreamers are proactive. They always think and act far ahead of events and happenings.
15. Dreamers are not victims of sudden occurrences. They are sensitive to divine signals.
16. Dreamers carry a healthy and sound emotion. They can therefore turn the worst and hopeless situation to become the best.
17. Dreamers carry a positive mental attitude (PMA)
18. Dreamers carry a very large heart. They don't run life with the chest but with the heart. They can handle

oppositions and critics. They can use what is against them to their maximum advantage.

19. Dreamers are good listeners than talkers. They are intelligent actors.
20. Dreamers are good managers, not wasters of resources, men, material and time.
21. Dreamers are not selfish but selfless. They are not self but God and people centered.
22. Dreamers are always on the offensive rather than on the defensive.
23. Dreamers are spectacles, not spectators. They are players, not referees in the race and game of life. They are goal setters and goal getters. They are not just players, they are scorers.
24. Dreamers are rugged and undaunted they don't give up.
25. Dreamers are always growing, glowing and going as the journey of life continues.
26. Dreamers are searches and researches of secrets

## **PRAYER TURNS DREAMS INTO REALITY**

***“Before she travailed, she brought forth:  
before her pain came, she was delivered  
of a man child”  
Isa.66:7.***

Prayer is the travail that is needed to bring forth the reality from dreams. It is a disaster to carry an empty or barren womb. It is a double tragedy to have a dream and not being able to deliver it.

Joseph carried a dream Gen.37:5-11. He faced oppositions, confrontations and battles Psa.105:19 and then, he delivered. His dreams became a reality Psa.105:20-22. Until you breakthrough in praying your dream life never become a reality.

There are dream antagonists and destroyers Gen.37:19-20, 23-24. You silence them on the altar of effectual, fervent, violent and fire prayers.

You must not die a failure. The frustrations of life must leave you alone, you must fulfill destiny, but not until you pray through. This is your season

## **SHALL WE PRAY**

1. Begin to thank God for today. Thank Him because the days, weeks, months and years ahead of you are blessed.
2. Thank Him for He is mighty and strong to save, redeem and deliver you.
3. Begin to plead the Blood of Jesus upon your life for mercy, atonement and redemption.

4. Thou the curse of the poverty of the mind that is not allowing me to carry good, productive dreams, break now by fire in Jesus name.
5. Thou the curse of emptiness and barrenness of the mind, break upon my life right now by fire in Jesus name.
6. Every curse that is making a man to have evil dreams that come to pass and good dreams that do not come to pass break now upon my life by fire in Jesus name.
7. Every power that is manipulating my dream life be devoured now by fire in Jesus name.
8. Power to be in charge, in control of the issues of my life and destiny, fall on me now by fire in Jesus name.
9. Every pollution, confusion, congestion and perversion of the mind, clear now by fire in Jesus name.
10. Power to carry and deliver the pregnancy of destiny, fall on me now by fire in Jesus name.
11. Thou the anointing of the super achievers, fall on me now by fire in Jesus name.
12. Oh God, set the ladder of greatness and distinction for me as from today in Jesus name.
13. Every yoke of mental dullness, mental disease, stagnation and dormancy, break upon my life right now by fire in Jesus name.
14. Every power that is determined to reduce me to a slave, a servant and an oppressed in life, be consumed now by fire in Jesus name.

15. Oh God, empower me as from today to see, conceive and carry what the natural eyes can't see or do in Jesus name.
16. Every power that is compelling me to act the script that is written for me by the enemy, be consumed out of my life from henceforth by fire in Jesus name.
17. Every power that is making the status quo my normal order of life, be devoured now by fire in Jesus name.
18. Every yoke of domination, oppression and affliction upon my life and destiny, break now by fire in Jesus name.
19. Power to be a voice, not an echo, a solution, not a problem, an answer, not a question, an asset, not a liability in my world, fall on me now by fire in Jesus name.
20. Every dream killer that is monitoring my life and destiny, die now by fire in Jesus name.
21. I decree that as from today, I refuse the evil and choose the good throughout my journey on earth in Jesus name
22. Begin to thank God for answered prayers.

## DAY 33: ACCESSING MY NEXT LEVEL

***“They go from strength to strength,  
every one of them in Zion appeareth  
before God  
Psa.84:7.***

***But the path of the just is as the shining  
light, that shineth more and more unto  
the perfect day  
Prov.4:18.***

***But we all, with open face beholding as in  
a glass the glory of the Lord, are changed  
into the same image from glory to glory,  
even as by the Spirit of the Lord  
II Cor.3:18.***

***The Lord our God spake unto us in Horeb,  
saying, Ye have dwelt long enough in this  
mount:”  
Deut.1:6.***

Life is in phases and levels. The plan of God for His children is continuous motion. No marking time. As the journey of life continues, God’s plan is that as our days are, so should our strength be Deut.33:25. God expects us to be moving regularly from one level to another better or higher level at different phases of our lives.

God hates stagnation. He hates seeing us at one level for a long period of time. God frowns at time wastage. He desires every

second of our lives to count for something tangible and valuable. Thus, it is His utmost will that we continue to ascend the ladder of life, moving from one level to a higher one; with each day becoming a plus to the previous day in our lives. This is what gives worth, value and meaning to existence. It is what makes life exciting. When one stays too long at a level, that life becomes boring, frustrating and meaningless.

The agenda of Satan is to tie destinies down perpetually at a level for a long period, even if possible, for a life time. A lot of people are fulfilling this satanic agenda. Example is the paralytic man at Bethseda in John 5:5-6 and Israel at Horeb in Deut.1:6; 2:14. There are people like Lazarus, who spent their entire lifetime at one uncomfortable level. What we heard of him at birth was that he was poor and that was what we heard about him at death. Luke 16:20-22. His level didn't change throughout his entire lifetime. What a disaster! But what God desires for you is that your levels begin to change with the changing days and dates of your life.

## **POWER: PREREQUISITES FOR CHANGE OF LEVELS**

Wherever a man is in life, has its next level. There is no height in life that is ultimate or final. If anyone stays too long at one level, he will be experiencing negative changes. The people below and

behind him will be overtaking him. He will be passing through life with shame, reproach and disgrace.

If you see anyone staying too long at a level or a phase in life, that is indicative of a contending force keeping that fellow perpetually stagnated there.

Until there is a visitation or baptism with a greater or superior power over the power that is holding him down, that man's level will remain the same. It takes power therefore to move from one level to a higher one in life. The power that carried a man to his present level cannot carry him to the next level of his life. This is because every level destined for you in life has its glory and glory attracts battles, oppositions and confrontations and therefore has different power requirements.

## **DAVID: A CASE STUDY**

David was anointed three times in life. Every time the anointing came upon his life, his level changed. He was anointed the first time in I Sam.16:13 and he moved from the forest where he was keeping animals to become a palace boy. He lived with King Saul in the palace.

The second anointing lifted him to become the ruler of two tribes in Israel II Sam.2:4.

The third anointing lifted him to become the ruler over the whole twelve tribes of Israel in II Sam.5:3

The anointing is a divine empowerment and enablement to accomplish something more tangible than what you ever had.

Therefore, fresh oil is a compulsory prerequisite for positive change of level in life Psa.92:10. The retention of the status quo is the proof of lack of power or fresh oil in a man's life. This is typified by a state of no movement, no change, and no progress.

Conversely however, the proof of fresh oil (constant empowerment) in a man's life is continuous progress as the journey of life continues, with each day becoming a plus to the previous day.

## **PRAYER GENERATES POWER**

Prayer provoked the Holy Spirit. The Apostles continued in prayers in Acts 1:14 and then, their prayers brought the Holy Spirit (Holy Ghost) down in Acts 2:1-4. They also prayed and their prayer brought down the Holy Spirit in Acts 4:31. The Holy Spirit baptizes with power Acts 1:8. Thus great powers fell upon them as a result of great praying Acts 4:31, 33. The power for the change of level is available on the altar of effectual, fervent praying.

Prevailing prayers will dismantle the strongholds of the status quo in a man's life, break its yoke, paralyze the spirit and compel the opening of the door into the next level. When stagnation leaves, progress comes into a man's life. This is your season of supernatural advancement, divine upliftment without any opposition in Jesus name.

## **LET US PRAY**

1. Let's begin to thank God for another day. Thank Him for being a prayer answering and a covenant keeping God.
2. Thank Him because the years ahead of you are loaded with great benefits and breakthroughs.
3. Thank Him because every day of your life, you will be highly favored, honored and blessed in Jesus name.
4. Begin to plead the Blood of Jesus upon your life for atonement, purging and redemption from all sins.
5. Every conspiracy and confederacy against my destiny that I will not leave my present level, scatter now by fire in Jesus name.
6. Every demonic chain and fetter that is holding me perpetually at a stagnant level in life, break now by fire in Jesus name.
7. Every anti change and anti-progress spirit that is monitoring my life and destiny, be roasted now by fire in Jesus name

8. Oh thou everlasting chain, used to tie my destiny down at a spot in the spirit realm, scatter now by fire in Jesus name.
9. Every destructive covenant with the status quo on account of any area of my life, be revoked and annulled right now by fire in Jesus name.
10. Oh ye destructive road blocks, barriers on the pathway into my next level, scatter now by fire in Jesus name.
11. Every demonic padlock on the door of my next level in life, melt away now by fire in Jesus name.
12. Thou the iron gate that leads into the city of my next level, break and open now by fire in Jesus name.
13. Every power that is making the journey of one year to become ten years in my life, be consumed now by fire in Jesus name.
14. Every yoke of continued delay, denial, refusal and rejection upon my life and destiny, break now by fire in Jesus name.
15. Every destructive embargo upon any area of my life, be lifted now by fire in Jesus name.
16. Every condemnation, judgment and verdict against my destiny in the spirit realm that I must not leave where I am, be reversed and annulled right now by fire in Jesus name.
17. Power for my next level, fall upon me right now by fire in Jesus name.
18. Every mystery of life that is making progress and promotion illegal, forbidden and a taboo in my life be annulled and erased from my life right now by fire in Jesus name.

19. Oh thou my destiny, continue to ascend the ladder of life as from today and don't stop till Jesus will come in Jesus name.
20. Every power that is resisting the will of God and enforcing the will of Satan in my life, be consumed now by fire in Jesus name.
21. Oh God, release fresh oil for the next level everyday upon my life as from today in Jesus name.
22. Begin to thank God for answered prayers.

## DAY 34: COMMANDING LONG LIFE

***“He shall call upon me, and I will  
answer him: I will be with him in  
trouble; I will deliver him, and  
honour him.***

***With long life will I satisfy him,  
and shew him my salvation”***

***Psa.91:15-16.***

***“Turn again, and tell Hezekiah the captain  
of my people, Thus saith the Lord, the God  
of David thy father, I have heard thy prayer,  
I have seen thy tears: behold, I will heal thee:  
on the third day thou shalt go up unto the  
house of the Lord***

***And I will add unto thy days fifteen years; and  
I will deliver thee and this city out of the hand  
of the king of Assyria; and I will defend this  
city for mine own sake, and for my servant  
David's sake”***

***II Kg.20:5-6***

Prayer generates long life. God promised that we will call upon Him, He will answer. He will deliver us and satisfy us with long life. King Hezekiah was to die. He cried to God in earnest prayers and God responded by adding fifteen more years to his life. Prayer moves God, God can shorten or lengthen a man's lifespan. I kg.3:14.

God desires us to live long. Death was not part of God's programme at the beginning. Death came to man as a result of

sin Gen.2:16-17. But even after the fall, man's lifespan was still long Gen.5. Man's lifespan began to reduce with increasing wave of sinning. In fact, Jesus came and died young so that we can live long. The programme of Satan is to cut short your lifespan so that the ultimate programme and plan of God will not be fulfilled in a man's life.

But know that life and longevity are definite choices a man must make in life Deut.30:19. You make definite choice for longevity by discovering the secrets of controlling your days. You are to rule over and determine the times and seasons of your life. In life, destiny follows the direction of decision.

## **KEYS TO COMMANDING LONG LIFE**

For a detailed understanding of the spiritual and physical keys to longevity, go through chapter 5 and 6 of my book, "Life and Longevity in Ministry".

To live long, the following principles must be adhered to:

First, be born again and stay pure. Walk in purity, I Tim.5:22. When you live in purity the wicked one can't touch you. I John 5:18. Purity provokes divine presence which erects a divine hedge around a man Job 1:10.

Purity immunizes you against every form of satanic arrows Num.23:21, 23.

Purity commits God to a man and to his battles II Chro.20:15, 17. Purity makes God to be with you and for you Rom.8:31. Sin weakens a man's spiritual defense mechanism, expels God's presence from him, breaks the divine hedge around him and makes him vulnerable to the arrows and attacks of Satan. Judges 16:20-21. Purity is heaven's number one prescription for health and longevity. Sin is a very powerful force for Satan in the spirit realm. Immediately it gains access into a man's life, it breaks the hedge around him, paralyses or weakens him from being able to resist attacks. The moment Satan sees this opportunity, he begins to shoot his arrows of either a disaster, terminal sickness or a premature death. Satan is an opportunist. He will not wait for an opportunity for the man to repent. He knows that the point of sin is the most productive opportunity to get at anyone.

Second, feed on the word of God. Fill yourself with the word. Live by it. Speak and confess it Pro.4:20-22. Don't confess any negative thing. Confess the word even against contradictory evidences of the senses. The word works wonders.

Third, live in covenant walk with God. The covenant commits God to your life. Gen.22:15-18, Psalm 50:5.

Give to God sacrificially. Never owe him in offerings, tithe, and vows and pledges so as to keep all devourers at bay Malachi 3:10-12. The covenant is a security and defense.

Fourth, keep away from junk and dead foods. Eat more vegetables and fruits. Comply with healthy eating habits. Drink plenty of water regularly. Don't wait till you are thirsty before you drink water. The human body is composed of 75% water and 25% solid matter. Water is the most important nourishment the body needs to stay healthy. Drinking a lot of it will help the body sustain the capacity to fight against diseases and thereby improve the chances of staying healthy.

Fifth, do regular exercises and go for medical checkups periodically. Know when to work and when to rest. Manage stress effectively.

Finally, pursue divine strength through regular fasting and praying. We are enjoined to be strong in the Lord Eph.6:10.

Satan always looks for your tired and weary seasons to launch his attacks. Amalek attacked Israel on the way when Israel was weak and weary Deut.25:17-18. The times when you are in the valley, worn out, discouraged and exhausted are Satan's opportunity to launch his offensive I Kg.13:14-19. Therefore get yourself refreshed, inspired, loaded and aggressive through fasting and praying. Develop the skill of commanding the morning Job 38:12-13. Confront and contend with the cursers of your days Job 3:8. Refuse to allow your destiny to be wasted on Mount Tabor by the Zebahs and Zalmunnas of this world by aggressive warfare. Confront, resist and terminate the ministry of

the eaters of flesh and suckers of blood over your life by aggressive, forceful, violent warfare Isa.49:25-26.

## **SHALL WE PRAY?**

1. Begin to thank God for this day. Thank Him for he is good and his mercies endure forever.
2. Thank him because you will rejoice and celebrate for the rest of your life.
3. Plead the Blood of Jesus upon your life to cleanse you from all sin.
4. Every power that is on assignment over my life, monitoring me to cut short my lifespan, be consumed by fire right now by fire in Jesus name.
5. Every power that wants to break the hedge of God around me, be consumed now by fire in Jesus name.
6. Thou the combined forces of the Angels of the lord, the Blood of Jesus, Holy Ghost fire, form an impregnable hedge around all areas of my life today in Jesus name.
7. Every evil arrow or weapon designed from the kingdom of darkness at the instance of my life and destiny, backfire, go back to sender now in Jesus name.
8. Every appointment with premature death on account of my life and destiny be terminated and annulled now by fire in Jesus name.

9. Thou the eaters of flesh and suckers of blood that are monitoring my life and destiny be consumed now by fire in Jesus name.
10. Thou the Zebahs and Zalmunnas that want to waste my destiny on Mount Tabor, be wasted out of my life right now by fire in Jesus name.
11. I prophesy over my life as from today that the sun shall not smite me by day nor the moon by night in Jesus name.
12. I prophesy that the Lord will keep me from all evil, he shall deliver me from all troubles in Jesus name.
13. I receive the covenant of long life and sound health throughout my life as from today in Jesus name.
14. Grace to stay pure, holy, right and upright with God rest upon me as from today in Jesus name.
15. I rebuke the spirit of errors and mistakes that pushes a man against God, be consumed out of my life right now in Jesus name.
16. I rebuke the spirit of sickness, disease, discomfort and ailment in my life; get out of my life right now by fire in Jesus name.
17. I rebuke the spirit of accidents in my life right now in Jesus name.
18. I rebuke the spirit of armed robbery attack or assassination in my life in Jesus name.
19. I prophesy that anyone who wants me dead shall die in my place now or in the future in Jesus name.
20. I prophesy that the life of my enemies shall be used as a ransom for my own life as from today in Jesus name.

21. I decree that with long life God shall satisfy me, I shall fulfill my days in Jesus name.
22. Begin to thank God for answered prayers.

## DAY 35: PROVOKING CONTINUOUS INCREASE

***“And the Lord shall make thee plenteous  
in goods, in the fruit of thy body, and in  
the fruit of thy cattle, and in the fruit of  
thy ground, in the land which the Lord  
sware unto thy fathers to give thee”***

***Deut.28:11***

***“The Lord your God hath multiplied you,  
and, behold, ye are this day as the stars  
of heaven for multitude***

***The Lord God of your fathers make you a  
thousand times so many more as ye are,  
and bless you, as he hath promised you!”***

***Deut.1:10-11.***

God's mandates to us at creation are both fruitfulness and multiplication. Gen.1:28, God's plan and package for us are inclusive of the abundance of all things, Deut.28:47. This is the abundant life Jesus came to offer in John 10:10. God hates stagnation. He desires us not only to increase but to multiply in all things. Deut.8:13.

God's vision for His children is a lack-free, scarce-free life. Deut.8:9. May this become your testimony and experience as from today in Jesus name.

There are seven areas where God does not want us to diminish. God desires us to multiply in these seven areas of our lives.

These are the components of eternal life that Jesus came to offer. This was why He came to die to offer to those who will put their trust in him. This is contained in Rev.5:12.

***God wants us to increase, and multiply daily in:***

1. ***Power Rev.5:12.*** In order to keep sustaining your dominion status in life, you need to multiply in power. Power is needed to compel opposition to bow. Psalms 66:3, 7; 110:1, 2.
2. ***Riches Rev.5:12.*** God desires us to keep multiplying in riches. Psalms 35:27, II Corinthians 8:9, 9:8.
3. ***Wisdom Rev. 5:12.*** God desires us to keep multiplying in wisdom. Wisdom is the destroyer of confusion, stagnation and frustration in life!

The display of increasing wisdom is the reason for continuous progress and motion in the journey of life.

4. ***Strength Rev.5:12.*** God desires us to multiply in strength. Strength is the destroyer of weakness, affliction, disease, fear, worry, anxiety, discouragement, all of which limit the accomplishments of life.
5. ***Honour Rev.5:12.*** God desires continuous lifting, rising and promotion for us in all spheres of life.

6. **Glory Rev. 5:12.** God wants us to continue to increase or multiply in glory II Cor.3:18. He desires us to keep shining and excelling in all areas of our lives Isa.60:1-3.

7. **Blessing Rev. 5:12.** God wants us to keep multiplying in blessings and in all good and pleasant things of life.

## **SATAN IS THE AUTHOR OF DECREASE**

Satan's programme for man is decrease, demolition, disintegration, devaluation, downfall and deterioration. Satan was behind the Midianite attacks against Israel, depletion, dispossession and impoverishment in the days of Gideon in Judges 6:3.

He was behind the decrease of Naomi in the land of Moab in Ruth 1:1-5. He was behind the destructive losses of seven sons in a family in Luke 20:29-32. The devil is always standing; attempting to reverse whatsoever God is saying. In order to accomplish his mission of decrease, Satan will go all out to steal, kill and destroy John 1:10.

## **PRAYER: GATEWAY INTO INCREASE**

When Israel was facing the diminishing, depletion and destruction mission of Satan in the days of Gideon, they cried unto God Judg.6:7. It was this divine provocative praying that made God to raise help and deliverer for them. Judg.6:8-14.

It was five loaves of bread and two fishes in the hands of Jesus. But after praying, the force of supernatural multiplication was set in motion John 6:8-13. Prayer therefore:

- Disarms and destroys the forces of decrease and effects deliverance from their bondage.
- Triggers forces in the supernatural realm that keep increasing and multiplying what is available on the earth.
- Releases helpers of destiny into whose hands men's blessings are kept, to release those blessings.
- Effects restoration of the losses of the past years.

Prayer is the force that compels Satan to give up, surrender and withdraw from a man's situation.

Prayer sets forces in motion in the supernatural world that make things work in favour of someone in the natural world. If you can pray and pray through, you will continue to experience supernatural multiplication in all areas of your life till Jesus comes.

## **LET US PRAY**

1. Begin to thank God for yet another day. Thank him for answered prayers so far.
2. Thank him giving you strength in this programme.

3. Thank Him for the days, months and years ahead of you. Thank him for He is a covenant keeping God.
4. Plead the blood of Jesus upon your life for cleansing and atonement from all sins.
5. Every programme of decrease organized for me in the kingdom of darkness, scatter now by fire in Jesus name.
6. Every programme of devaluation organized for me by Satan and his cohorts, scatter now by fire in Jesus name.
7. Every power sent on assignment to consume my harvest, fruits and results in life, be devoured now by fire.
8. Every covenant of fruitless labour, futility of efforts and emptiness of life upon my life and destiny, be annulled now by fire in Jesus name.
9. Anointing for fruitfulness and plenty in all areas of my life, fall on me as from as from today in Jesus name.
10. Every yoke of losses of life and property upon my life now or in the future, break now by fire in Jesus name.
11. Grace to increase in power and sustain my dominion status in life, fall upon me as from now in Jesus name.
12. I prophesy that I shall increase in riches and financial wealth as from today in Jesus name.

13. Oh thou my destiny, be empowered as from today to lend unto nations, you shall not borrow in Jesus name.
14. Wisdom that destroy stagnation, confusion and frustration, fall upon me as from today in Jesus name.
15. Wisdom that transforms the oppositions of life into opportunities, the challenges of life into testimonies, fall upon me as from today in Jesus name.
16. Wisdom that generates continuous progress and breakthrough, even in the impossible places of life, fall upon me right now in Jesus name.
17. I destroy the yoke of infirmity, disability and malfunctioning in any part of my body physiology right now in Jesus name.
18. I command my physiology to become divine, my strength to become supernatural as from today in Jesus name.
19. Anointing for continuous lifting, rising, promotion in all areas of my life, fall upon me as from today in Jesus name.
20. Every power that is suppressing my head from being lifted, holding me down from making progress in life, be consumed now by fire in Jesus name.
21. Every power working shame, corruption and disgrace in my life be consumed now by fire in Jesus name.
22. Begin to thank God for answered prayers.

## CHAPTER SEVEN

### **THE LAW OF GATES**

Gates are forces in the spirit realm that determine and remotely control the occurrences in the natural world. The law of gates says that the nature of a man's gate in the spirit world determine his experiences in the physical world. Your world is a function of your gate. If your gate is closed, your destiny will be trapped and you will be travelling the journey of life with locked destiny. The opening of a man's gate is the mystery of unlocking locked destinies on the earth. Expounding the triumph of this experience, Prophet Isaiah said:

***“Therefore thy gates shall be open continually;  
they shall not be shut day nor night; that men  
may bring unto thee the forces of the Gentiles,  
and that their kings may be brought”  
Isai.60:11.***

Thus if a man's gate are opened in the realm of the spirit, the man will begin to command pleasant experiences, easy passage, sweatless breakthroughs in life. If a man's gates are closed on the other hand, life will be hard, tough, uncomfortable, hostile and frustrating.

Endless struggles without results, vicious cycle of evil reoccurrences, hard, bitter and tough life are the symptoms of closed gates in a man's life.

Gates are also fierce forces that contend in the spirit realm to extinguish the fire of a man's life and liquidate his destiny on the earth. Gates are glory contenders in a man's life.

***“And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it”  
Matt. 16:18.***

What do you do to realize or accomplish, fulfill your glorious and colourful destiny on earth? You identify the gate at work in your life, contend with them in aggressive warfares, force them opened for you and enter into your world of the possibilities of God.

***“When they were past the first and the second ward, they came unto the iron gate that leadeth unto the city; which opened to them of his own accord: and they went out, and passed on through one street; and forthwith the angel departed from him”  
Acts 12:10.***

This is the natural, practical reality of what happens to a man when his gate is opened in the spirit realm.

Life is warfare, not a funfair. Our conception was bedeviled with terrible conflicts – the battle that resulted in the triumph of a single sperm cell in a contest among about a million sperm cells.

A million minus one sperms died. The sperm that produced you in your mother's womb only triumphed.

You were born into a world where your arch enemy, who has vowed never to see you survive or succeed in life, has been waiting for you before you were born Rev.12:12.

Life is really a battlefield. A very fierce battle is going on the account of your life, whether you are aware of the battle or not. Your opinion whether you want to be involved in the battle or not is irrelevant. The battle is on. That you are ignorant of this battle or indifferent about it makes you a cheap prey or a chattered victim in the battle. Nothing just happens on earth. Every occurrence has a remote control. The mysterious, unpalatable and unexplainable experiences that you pass through on a daily basis are testimonials to the ongoing battle.

The Bible acknowledges the reality of this warfare. It says “...*for we wrestle not against flesh and blood...*” Eph.6:12. Commanding us to rise to the responsibility of the battle, it says, “...*fight the good fight of faith...*” I Tim.6:12. In another place, it advised us to endure hardness as a good soldier...”II Tim.2:3-4. Reminding us that the battle is essentially spiritual, it says, “*for though we walk in the flesh, we do not war after the flesh. For the weapons of our warfare are not carnal...*” II Cor.10:3-5. This battle is real. It is raging. It is decisive. The outcome of it is your daily experiences.

## **THE GATES OF HELL**

Our battle in life is essentially against gates, the evil gates of life called the gates of hell.

These gates have trapped many colourful and glorious destinies, caged them, limited them, rendered them weak, ineffective, impotent, impoverished and powerless to attain fulfillment. If your destiny is trapped in any of these gates, it does not matter how qualified, ingenious, skilled or connected you are, your pursuit on earth will remain a mirage and your life a journey of meaningless existence. The years of your life will continue to be a vicious cycle of emptiness, failures, non-achievement and frustrations.

You therefore need to fight and contend in battle with these gates and the powers behind them and release yourself from their grip to secure and guarantee your glorious inheritance in the years ahead.

These gates are seven and we shall be contending with each one of the next seven weeks of this programme. When the gates are opened and you are released, struggles will end in your life, breakthroughs and victories become automatic, sweatless, stressless and effortless.

## DAY 36: THE ANCIENT OR OLD GATES

***“Moreover the old gate repaired Jehoiada the son of Paseah, and Meshullam the son of Besodeiah; they laid the beams thereof, and set up the doors thereof, and the locks thereof, and the bars thereof”  
Neh.3:6.***

There are erectors of the old gate. There are repairers of the gate, if the gate collapsed or wants to collapse. The gate has beams doors, locks, pillars and foundations. That is why the afflictions produced by this gate are ancestral or generational.

The old gate is the gate erected by the ancestors, putting their generations in bondage as seen in Matt.27:25.

The gate is erected, among other things through:

- Covenants with Satan
- Invocation of curses
- Sacrifice to Satan
- Dedication or initiation to Satan
- Idolatry
- Occultic practices
- Causing a harm or hurt or pain or torture or grief or loss to a man of God.
- Causing a pain or affliction on innocent persons

***The erection of this gate always cause:-***

- Ancestral or generational afflictions or problems that spread to generations
- Common imprisonment
- Long or protracted wars and battles II Sam.3:1
- Evil reoccurrences or vicious cycle of evils
- Afflictions that resist prayers and fasting's

You gain victory over this gate by praying scripturally with deep repentance from the sins and wickedness of your ancestors. You remain sensitive to the Holy Spirit as you are praying to receive definite instructions and directions from Him. Acting upon these instructions will produce ultimate release from this evil gate.

When the gate is opened for a man's release, the man becomes a record-breaker in his father's house. He becomes an exception rather than a proof of the evil rules or laws of his father's house. He will stand out from the rest than being lost in the crowd. His experiences will be pleasant and sweet from the bitter and discomfoting experiences of the rest of them.

You must be unique, special, exceptional in your lineage. You must wear your coat of many colours from the rest that are naked. You must not join them in their cryings, sighing's and grief's. You need to pray yourself out of the destructive traps or snares of the ancient gate of your father's house.

## SHALL WE PRAY?

1. Let us begin to thank God for creating this day of our pleasures. Thank Him for helping you this far in this prayer.
2. Begin to plead the Blood of Jesus upon your life for redemption and atonement.

9. Thou the builders and repairers of the gate, your ministry is terminated in my life as from today in Jesus name.
10. Every yoke of generational affliction upon my life and destiny, break now by fire in Jesus name.

11. Every evil chain that is connecting or tying me with my ancestors, break now by fire in Jesus name.
12. Whatsoever the devil is holding unto as a legal right to keep me bound, Holy Ghost Fire, consume it now, Blood of Jesus, release me in Jesus name.
13. Every ancestral spirit that is following me, remotely controlling my life, be disconnected from me as from today in Jesus name.
14. Every manner of chain, bondage, captivity that is following me month by month and year by year, scatter now by fire in Jesus name.
15. Every evil verdict and judgment upon my bloodline that is having effect upon my life and destiny, be reversed, revoked and annulled right now over my life in Jesus name.
16. Oh thou my destiny, become a record breaker and an exception to the evil rules of my father's house as from today in Jesus name.
17. Anointing that distinguishes a man and makes him to stand out in his father's house and in his generation, fall upon me as from today in Jesus name.
18. Anointing that makes life pleasant and sweet, fall upon me as from today in Jesus name.
19. Thou the water of dryness, deadness and bitterness that is flowing into my life, dry up now by fire in Jesus name.
20. Oh thou my destiny, begin to wear your coat of many colours among the children of my mother as from today in Jesus name.

21.      Begin to thank God for answered prayers.

## DAY 37: THE PRISON GATE

***“And from above the gate of Ephraim, and above the old gate, and above the fish gate, and the tower of Hananeel, and the tower of Meah, even unto the sheep gate: and they stood still in the prison gate”***

***Neh.12:39.***

***“Peter therefore was kept in prison: but prayer was made without ceasing of the church unto God for him***

***And when Herod would have brought him forth, the same night Peter was sleeping between two soldiers, bound with two chains: and the keepers before the door kept the prison”***

***Acts 12:5-6***

The second evil gate of hell that traps, wrecks and ruins great destinies is the Prison gate.

This gate defies and ignores even the anointing of the Holy Spirit upon a man's life as it has trapped the Apostles Acts 5:18, Peter Acts 12:5-6, Paul and Silas Acts 16:23-24, it has trapped men of wisdom like Joseph Gen.39:20, Kings like Jehoachim II Kg.25:27, I Kg.22:26-27, and great prophets like Jeremiah Jer.32:2.

When a man is trapped in this gate, his destiny begins to experience limitations, restrictions and embargoes. This gate makes a man to possess, great potentials that are not realized, ideas, vision, revelations and dreams that won't work for him,

prophecies and good promises not coming to pass and prayers not answered.

Furthermore, victims of this gate manifest the following characteristics:-

No matter what they have, education, skills, potentials, endowments or what they can do, they can't rise above certain heights or go beyond certain limits in life. If they make efforts to rise or go beyond that limit, they will still crash and fall. They can't stay rising or progressing in life

Second, their lives are full of endless struggles and sweats with little or no results. They are like an animal in a cage, struggling to come out to no avail.

Third, they experience hard, tough and difficult life. Nothing works for them with ease in life.

Fourth, they don't live up to their true identity in life. They're kings by titles, but they live as subjects. Who they are do not match where they are and what they have. They live below their heritage in life.

Fifth, their experiences always attract pity, shame and disgrace. They are not enviable. They don't command attraction and attention. They are always ignored, despised and rejected.

Six, their relationships are also limited. They are only allowed to relate with fellow inmates. They can't relate with accomplished people.

If help does not come, irrespective of their endowments and gifting, they can die as riff raffs and nonentities in the dungeon.

### **PRAYER: THE IRRESISTIBLE JAIL BREAKER**

It was ceaseless praying that broke Peter's jail, opened prison doors and effected his release Acts 12:5-12. Peter's shadow was healing the sick and raising the dead in the streets of Jerusalem Acts 5:12-16, but he couldn't accomplish that in the prison.

When prison gates are opened unto a man, exploits and results become unstoppable and unquantifiable for him, lifting's become limitless for him. It was the same prayer coupled with praise that broke the jail of Paul and Silas and effected their deliverance Acts 16:24-26.

Prayer therefore is an irresistible bombardment on life's prison gates and the agent of undeniable release from that destructive

confinement. From henceforth, there is no more confinement, restrictions, limitation, caging, pegging, ceiling or embargoes upon your life and destiny.

### **SHALL WE PRAY?**

1. Begin to thank God for today. Thank Him for this week, month and year. Thank Him for the rest of the years of your life.
2. Begin to plead the Blood of Jesus upon your life to remove barriers, obstacles and hindrances on the pathways of your prayers.
3. Thou the prison gate where my destiny is trapped, break now, I am coming out in Jesus name.
4. Every demonic and destructive embargo placed upon any area of my life, be lifted and terminated right now by fire in Jesus name.
5. Every caging and confinement around my life and destiny, scatter now by fire in Jesus name.
6. Every yoke of limitation, barriers and restrictions upon my life and destiny, be terminated and consumed now by fire in Jesus name.
7. Every demonic wall erected around my life and destiny, be terminated and consumed now by fire in Jesus name.

8. Every power that is defying, ignoring and challenging the gifting's and grace of God upon my life be consumed now by fire in Jesus name.
9. Every power that is resisting and limiting my rising and progress in life, be consumed now by fire in Jesus name.
10. Every power that is making my life an endless journey of struggles and sweats, be consumed now by fire in Jesus name.
11. Oh thou earth, from henceforth, you are not permitted to swallow my sweats in vain in Jesus name.
12. Every yoke of hard, tough and difficult life in any area of my life, melt away now by fire in Jesus name.
13. Every garment that makes for pity, reproach and shame upon my life, tear now by fire in Jesus name.
14. Every garment of oppression and affliction that is forced upon me in the spirit realm that I am wearing about, tear now by fire in Jesus name.
15. Every prison uniform that wants to follow me into the next day of my life, tear now by fire in Jesus name.
16. Every force and power that is discrediting and disqualifying me at the bus stop of breakthroughs in life, be devoured now by fire in Jesus name.

17. Every force and power that is resisting and annulling prophecies in my life, be devoured now by fire in Jesus name.
18. Every blessing and breakthrough of my life that is locked up in the prison house of life, be released and delivered to me right now by fire in Jesus name.
19. Every accomplishment of life that had become difficult for me in the past years, become easy, sweatless, effortless and automatic for me as from today in Jesus name.
20. Oh thou my destiny, begin to breakthrough and break forth in every area as from today in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 38: THE CORNER GATE

***“Moreover Uzziah built towers in Jerusalem  
at the corner gate, and at the valley gate,  
and at the turning of the wall, and fortified  
them”***

***II Chro.26:9***

This is the gate that keeps a man in obscurity. This gate administers one of the terrible mysteries of life. When a man is trapped in this gate, the man is hidden, nobody sees him. The man is not known, not noticed, not appreciated no matter his giftings, potentials, resourcefulness, skills, endowments or enduement.

This gate buries a man, his glory, his struggles and labours. This gate prevents a man's light from shining and his voice from being heard. It disconnects a man from receiving help or assistance. You work hard with results but not rewarded. You have great ideas, potentials, capabilities but not known. You are highly ingenious and resourceful but not seen. This is the destructive assignment of this gate.

This is the gate that trapped Joseph for decades. He was gifted and anointed but kept in the dungeon. He labored for Potiphar. Potiphar knew that Joseph was the source of his blessings and breakthroughs but he didn't compensate Joseph. The only reward he got was his being physically thrown into the dungeon. He got to the prison and the prison officials committed all the

assignments in the prison to his care, yet no reward. He interpreted the dreams of the Chief Butler and the Chief Baker and begged the Chief Butler to remember him when he is restored to his butlership.

Yet, the chief butler forgot him. He was not rewarded, he had all it takes to come out of obscurity and come into the limelight of life, but the forces of the corner gates of life always cause things to work to his disfavor so that he may lose his glory and honour to the devouring locusts of life. The ministry of the corner gate of life is to mortgage, manipulate and exchange a man's glory and greatness in life. If you refuse to contend with this gate and effect your release, you will remain or even die in obscurity, ignominy and anonymity. You will pass through life and even die unnoticed, uncelebrated and unsung. Your existence on earth will be tasteless, burdensome, meaningless and boring.

## **DELIVERANCE FROM THE CORNER GATE OF LIFE**

***“Arise, shine; for thy light is come,  
and the glory of the Lord is risen upon thee***

***For, behold, the darkness shall cover the earth,  
and gross darkness the people:  
but the Lord shall arise upon thee,  
and his glory shall be seen upon thee***

***And the Gentiles shall come to thy light,  
and kings to the brightness of thy rising”  
Isai.60:1-3***

The way out of the corner gate is to ARISE. Make conscious deliberate, determined effort to arise. If you don't arise, you would not shine. Don't die in obscurity, arise for your light has come. Don't die in obscurity, "*arise...for your light has come...*" Isa.60:1 "*...the gentiles shall come to your light...*" Isa.60:3. You have a light. Don't exchange it for darkness. You can shine don't settle for an opaque life. You accept responsibility of shining by rising. Refuse to be complacent and lethargic.

***You arise by:***

- Thinking deep to contact an insightful idea of what to do to bring you from the corner into limelight. A productive idea will deliver a man from the destructive snares of life.
- Working smart in the right direction of life. Not just working hard but working smart. A lazy or idle man, a busybody, a man that is not diligent and disciplined cannot arise and cannot shine. He will die in the corner gate of life.
- Winning warfare. If you don't confront or contend with this gate, it will trap you for life.

God gave the formula for possessing Canaan to the children of Israel in Deut. 2:24-25.

First is *rise ye up!*, Second is *contend with him in battle*. Third is *possess his land*. And then, fourth; *your dread and fear will be on all creation*.

Until you contend with force, aggression and violence; the gate is not opened for your release and your glory is not delivered.

### **SHALL WE PRAY?**

1. Begin to thank God for another day. Thank him for his mercy and favour upon your life.
2. Begin to plead the blood of Jesus upon your life for forgiveness and atonement from all sins.
3. Every power that is holding my destiny tight in the corner gate of life, be devoured now by fire in Jesus name.
4. Every power that is mortgaging, manipulating and exchanging my glory, be devoured now by fire.
5. Thou the corner gate that has kept my destiny in obscurity in the past years of my life, open now and release me by fire in Jesus name.
6. Every power that is burying my efforts and my labours in life, be devoured now by fire in Jesus name.
7. Every yoke of insignificance, ignominy and anonymity upon my life; break now by fire in Jesus name.

8. Every power that is working rejection, abandonment and nothingness in my life, be devoured out of my life right now by fire in Jesus name.
9. Every evil veil and covering that is preventing men from seeing, helping and assisting me in life, tear and be consumed out of my life right now in Jesus name.
10. Every hidden yoke and curse that is making men to use and dump me in life, break now by fire.
11. Every yoke that is not allowing men to compensate me for my labours and efforts in life, break now by fire in Jesus name.
12. Thou the power that has brought me into this year, cause my buried glory to be released unto me as from today in Jesus name.
13. I prophesy that this year shall be my year of divine announcement and divine publicity in Jesus name.
14. Thou the irresistible power of God, bring my destiny from the rear behind into the forefront and fast forward my destiny as from today in Jesus name.
15. Oh thou my destiny, come out of darkness right now and come into limelight in Jesus name.

16. I prophesy that as from today; the gentiles shall come to my light and kings to the brightness of my rising in all areas of my life in Jesus name.
17. I decree that my light shall shine in the midst of the darkness and darkness will not be able to prevail against me as from today in Jesus name.
18. I decree that everywhere I go as from today; I shall be appreciated, celebrated and rewarded in Jesus name.
19. I step into God's covenant of greatness, Honour and fame as from today.
20. Oh thou my destiny, move from the status of a nonentity into a dignitary as from today in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 39: THE VALLEY GATE

***“And I went out by night by the gate of the valley, even before the dragon well, and to the dung port, and viewed the walls of Jerusalem, which were broken down, and the gates thereof were consumed with fire”  
Neh.2:13.***

***“The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones,***

***And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry”  
Ezek.37:1-2.***

Another gate of hell that you must battle with is the valley gate.

People that are trapped in this gate have some terrible characteristics:

First, they can't rise in life no matter how hard they try. Their heads are suppressed or ceiled or bowed down. They are always at the lowest ebb on the ladder of life. They have the curse of slavery and servitude upon their destinies. They serve enemies. They serve Satan and his cohorts.

They serve men, they are always being dominated. They don't dominate, they are in the oppressed class in life. They are always

beneath, not above, tails and not heads. If they make efforts to rise, they don't stay rising

Second, they are perpetual victims of the status quo in life. They stay at a spot for a very long time. They are victims of the wasters of time and life. They watch the years of their lives passing away without having anything to show for them. That was the case of the paralytic by the pool of Bethesda John 5:5-7. That was the case of Israel, meandering and wandering around mountain Kadeshbanea for 38 years. Deut.2:14

Third; they don't command change. When the brethren of Joseph came to meet him in Egypt, Joseph had become the Prime Minister. Joseph knew his brethren but they knew him not. Gen.42:6-8

This was because they had not changed throughout the years of their separation. This is the proof of being trapped in the valley gate of life. But Joseph had changed. They couldn't recognize him. The gate had been opened to him and he had escaped. People that are delivered from this gate experience transformation from glory to glory on a daily basis.

This gate makes a man to be justifying himself where he is, adducing reasons and excuses for remaining there. This gate

destroys thirst, hunger and desire in a man's life. This gate produces mediocres, failures and non-achievers

## **YOU ARE NOT DESTINED FOR THE VALLEY**

By creation and redemption, you are not meant for the valley. You are a candidate for the mountain top. People at the mountain top are the dictators and deciders of the issues and affairs of life. People in the valley have the affairs of their lives being decided for them by forces beyond their reach. It's a disaster for a man not to be in charge or in control of the happenings or the occurrences in your life. But things work according to the biddings of mountain top people. Elijah was a mountain top man, things worked according to his bidding as seen in I Kg.18:30-38, II Kg.1:9-13.

Things don't work for valley people, things work against them. Valley people settle for the below average, mediocrity and struggler's lifestyles. The powers at the valley gate are destiny wreckers. They make destinies complacent and contented with the valley lifestyle as seen in the case of Issachar in Gen.49:14-15 and Lazarus in Luke 16:20-21. The valley gate swallows up great and colourful destinies. You must fight and refuse to be trapped by this evil gate in life.

## PRAYER DELIVERS FROM THE VALLEY GATE

*“I waited patiently for the Lord;  
and he inclined unto me, and heard my cry.*

*He brought me up also out of an horrible pit,  
out of the miry clay, and set my feet upon a  
rock, and established my goings*

*And he hath put a new song in my mouth,  
even praise unto our God: many shall see it,  
and fear, and shall trust in the Lord”*

***Psa.40:1-3.***

The valley gate is what the Psalmist called the “horrible pit”. The way out of this terrible place is by crying to the LORD. You rebel against the gate and contend in warfare with the powers at the gate. You command supernatural forces to open wide the gate unto you and effect your immediate release. You establish your new creation realities by the provisions and mandate of the scriptures. You command every weight that is pressing you down in the valley to be lifted and then you begin to experience turn around breakthroughs on all sides.

## SHALL WE PRAY?

1. Let us begin to thank God for another day. Thank Him for the days, months and years of your life. Thank Him because today must favour and help you.

2. Thank God for this programme. Thank Him for answering your prayers
3. Begin to plead the Blood of Jesus upon your life for cleansing, atonement and deliverance from every sin.
4. Every power that is keeping me in the valley gate of life, be consumed now by fire in Jesus name.
5. Thou the valley gate that is holding my destiny to ransom, open now and release me by fire in Jesus name.
6. I am not destined for the valley, I am for the mountain top. Every covenant and yoke of the valley upon my destiny, break now and be consumed by fire in Jesus name.
7. From the horrible pit of life, oh thou my destiny, come out now by fire in Jesus name.
8. Every covenant with the valley of dry bones on account of my life and destiny, break now by fire in Jesus name.
9. Every power that is suppressing, caging and celing my head, not allowing me to rise in life, be devoured now by fire in Jesus name.
10. Every curse and covenant that is working against my rising or lifting in life, be revoked and annulled now by fire in Jesus name.
11. Every yoke of slavery and servitude upon my life and destiny, be destroyed today by fire in Jesus name.
12. Every power that is working falling and rising, every power working against continuous rising in my

life, be consumed now from my life by fire in Jesus name.

13. Every yoke and covenant with the status quo upon my life and destiny, break now by fire in Jesus name.
14. Every power that is assigned to waste my time, life and destiny, be devoured now by fire in Jesus name.
15. Every mystery that is holding me perpetually at a spot, resisting my forward advancement in life, be devoured now by fire in Jesus name.
16. Every anti - change and anti-progress spirit that is monitoring my life, be devoured now by fire in Jesus name.
17. Thou the invisible hand that lifted Joseph from the prison to palace, locate me where I am now and lift me above the rock that is higher than me in Jesus name.
18. Anointing for stardom and championship, fall upon me as from today in Jesus name.
19. I prophesy that this year shall be my year of peak performance and mountain top experience in Jesus name.
20. I prophesy that as from today in I am in charge and in control of the issues and affairs of my life in Jesus name.
21. I decree henceforth, that life begins to respond and things begin to work according to my bidding and

not according to the bidding of my enemies in Jesus name.

22.      Begin to thank God for answered prayers

## **DAY 40: THE SHEEP GATE**

***“And between the going up of the corner  
unto the sheep gate repaired the goldsmiths  
and the merchants”  
Neh.3:32***

This is the gate that has to do with the goldsmiths and the merchants. This is the gate where businesses and financial prosperity are determined. This is the gate where the economy of nations, organizations, families, churches or ministries and individuals are determined. The currencies of the nations of the world are locked up at this gate and must pass through this gate before it is delivered into the hands of man. There are clearing agents at this gate that determine whether those currencies are accessible to you or not.

### **THE MINISTRY OF THE GATEKEEPERS AT THE SHEEP GATE**

They lock the gate against an individual, a family, an organization or a nation resulting in the following:-

1. Idleness of hands or joblessness
2. Working hard but not smart Luke 5:4-6
3. Begging and borrowing
4. Indebtedness

5. Financial hardship and struggles
6. Business or financial losses and misfortunes
7. Business dwindling and loss of patronage
8. Anti-covenant practices such as stinginess, miserliness, non-payment of tithes
9. Refusing to give God priority in life's pursuit Matt.6:33.
10. Love of money
11. Lack of affection for God's house
12. Sending devourers and destroyers of harvests
13. Turning one's land into the desert or wilderness
14. Inability to dig one's well of wealth. That is, living your wealthy land fallow and untilled.

In summary, the gatekeepers at the sheep gate will make men to either be ignorant of or refuse to comply with

- The natural laws that make for wealth creation
- The ways or principles or laws of God that trigger the forces of wealth creation
- The Word of God Luke 5:4-5.

## **WHEN THE SHEEP GATE IS OPENED**

When the sheep gate is opened unto a man:

1. He begins to command riches Gen.13:2; 24:35

2. His wealth and riches will be contagious Gen.13:5-6.
3. The man will be a covenant practitioner Gen.14:18-20.
4. Even in the drought, in the time of famine, in the desert, the man still prospers Gen.26:1-3, 12-14.
5. Everything the man does, work and generate results for him Gen.30:43.
6. The man will always be favoured Gen.39:1-6
7. The man enters into the class of the great in his generation Job 1:1-13
8. The man will be rich towards God I Kg.5:4-5

## **THE COVENANT OPENS THE SHEEP GATE**

There are certain missiles that the sheep gate keepers cannot resist. Let us identify these covenant forces from the life of Isaac a man who, by covenant addiction, broke through financially in a strange land at an odd time in a hostile environment.

1. He received divine instruction and direction Gen.26:3
2. Obedience and compliance with divine instruction Gen.26.6
3. He's a sower Gen.26:12
4. He's a well digger Gen.26:18

He was not wishing, he was working

5. Finally, he was a man of warfare Gen.26:15, 18-22

The sheep gatekeepers filled his well with water Gen.26:15, 18. He didn't give up. He continued fighting. He dug another well and they got it from him Gen.26:21. He refused to accept defeat. He continued digging until he got to Rehoboth Gen.26:22. He continued to contend with and confront opposition until he won out oppositions. He defeated the forces of opposition and compelled them to give up surrender in his life.

This is an example in warfare for financial breakthroughs. There are anti-prosperity forces and powers. There are determined to frustrate every effort and attempt to prosper financially. You must be ready to contend with them in warfare. You must be ready to break the curse and covenant of financial hardship and poverty and release yourself into the covenant of financial breakthrough.

You don't stroll into Rehoboth, you stretch into it. The journey into Rehoboth is bedeviled with stiff oppositions and resistance. The road that terminates into Rehoboth is saturated with the sheep gate keepers. It is aggressive bombardment of scriptural and covenant missiles that clear them from the way.

## **LET US PRAY**

1. Begin to thank God for today. Thank Him because you will spend your days in prosperity and your years in pleasure.

2. Thank Him for answering your prayers.
3. Begin to plead the Blood of Jesus upon your life for atonement, redemption and cleansing.
4. Thou the sheep gate that is trapping my destiny, break now by fire.
5. Thou the sheep gate keepers of my life, be devoured now by fire in Jesus name.
6. Thou the sheep gate that is restricting my access into financial breakthrough, open wide unto me now by fire in Jesus name.
7. Every curse and covenant of poverty and financial hardship upon my life and destiny, break now by fire in Jesus name.
8. Every demonic chain and basket upon my hands that is resisting money from coming or staying in my hands be devoured now by fire in Jesus name.
9. Thou the spirit of financial stagnation, misfortunes and losses, monitoring my life and destiny, be consumed out of my life as from today by fire in Jesus name.
10. Thou the spirit of debts and borrowing, monitoring my life, be consumed out of my life right now by fire in Jesus name.
11. Every embargo placed upon my business and finances, be lifted now by fire in Jesus name.

12. Every devourer and destroyer of harvests in my life, be consumed now by fire in Jesus name.
13. Favour for financial abundance fall upon me as from today in Jesus name.
14. Every power that is resisting my journey into my Rehoboth, be roasted by fire out of my life as from today in Jesus name.
15. Thou my hands, be divinely empowered for financial wealth as from today in Jesus name.
16. Every power that is assigned to attack my business, career, finances and the source of my livelihood, be consumed now by fire in Jesus name.
17. I decree that this year shall be my year of financial breakthrough and sufficiency in Jesus name.
18. Anointing for continuous progress and increasing wealth, fall upon me from today in Jesus name.
19. I prophesy that this year shall be my lack free, scarce free and sorrow free year in Jesus name.
20. I decree that from henceforth, the LORD shall be my defense and I shall have plenty of silver in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 41: THE GATE OF BRASS

***“I will go before thee, and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron:***

***And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call [thee] by thy name, [am] the God of Israel”***  
***Isai.45:2-3.***

The gates of brass is another chief gate of hell that must be overcome in life if a man must accomplish purpose and realize his destiny on earth.

All other gates are to be opened, but this gate must be broken into pieces before a man is released into his glorious destiny in life. They don't open it, they break it. If you don't break it, it will definitely break your destiny.

This is the gate that covers and ceils a man's heavens, preventing his rain from falling, keeping him permanently in a dry, desert land where he experiences drought all his life.

## **CHARACTERISTICS OF VICTIMS OF THE GATE OF BRASS**

People that are trapped by this gate manifest the following characteristics:

1. Hardness and dryness of life. No easy passage in life. No freshness
2. Much effort, great labour but little or no returns.
3. Barrenness and fruitlessness of the ground, body and hands.
4. Disconnection from angelic assistance, angelic intervention and angelic ministration.
5. Experiences of curses instead of blessings.
6. Life of toiling and endless struggles.
7. No favour, help, no assistant.
8. Constant disappointments and frustrations
9. Circular movements, moving in a circle. No continuous progress, in fact, progress is hard and difficult.
10. Serving your juniors or subordinates. You are intelligent but you are ruled by mediocres.
11. Denial of life's inheritance
12. No answers to prayers.

## **PRAYER BREAKS THE GATES OF BRASS AND BREAKTHROUGH IN THE HEAVENLIES**

***“Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words***

***But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia”***  
***Dan.10:12-13.***

Brass gatekeepers are the principalities and powers, the rulers of the darkness of this world, the spiritual wickedness in high places Eph.6:12. They are the forces that are helping Satan to administer the celestial realm. They padlock a man's heavens. They withstand, resist and can delay the angels on assignment on account of one's destiny in life. They are the wicked forces that struggle to take charge of the pillars that hold the ends of the earth so that the lines of a man's life will not fall pleasant places unto him Job 38:13.

You break this gate by aggressive and continuous prayers with fasting and provoke angelic intervention and reinforcement, as in the case of Daniel in Dan.10:12-13. You pray the kind of prayers that break through the heavenlies and paralyze the activities of

principalities and powers. It is this kind of prayers that give you dominion in the heavenlies for until you gain dominion over there, you can never dominate down here.

This is your season of dominion from the celestial to the terrestrial world. The gates of brass must be broken into pieces. Your heavens must be widely opened right now. Principalities and powers must be made subject unto you. You must begin to command angelic ministrations in all facets of your life's endeavours. Your drought season is about to be over in Jesus name.

### **SHALL WE PRAY**

1. Begin to thank God for today. Thank Him because He is a prayer answering God. Thank Him for answering your prayers.
2. Begin to plead the Blood of Jesus upon your life to atone for all errors, sins and shortcomings.
3. Thou the brass that is covering my heavens, melt away now by fire in Jesus name.
4. Thou the gate of brass that is resisting the opening of my heavens, begin to break into irreparable pieces now by fire in Jesus name.
5. Every power that is preventing my rain from falling, be devoured now by fire in Jesus name.

6. Every power that is assigned to lock my heavens and turn my land into a desert, be consumed now by fire in Jesus name.
7. Every covenant, yoke and curse of barrenness in my hands, my body and my ground, break, be revoked and annulled now by fire in Jesus name.
8. Power and strength for fruitfulness in all areas of my life, fall upon me now by fire in Jesus name.
9. I plead the Blood of Jesus upon my destiny to begin to command and enjoy Angelic ministrations as from today in Jesus name.
10. I command Angelic intervention and reinforcement in every area of my life as from today in Jesus name.
11. Every experience of curse upon my life, cease now by fire in Jesus name.

16. Thou my heavens, release my rains of blessing to begin to fall upon my life as from now in Jesus name.
17. I prophesy that this year shall be my year of all round fruitfulness and productivity in Jesus name.

18. Oh thou my destiny, begin to take delivery of the treasures of darkness and the hidden riches of secret places as from today in Jesus name.
19. Power to suck the breast of kings and to eat the riches of the gentiles, fall upon me as from today in Jesus name.
20. I plead the Blood of Jesus and I begin to exercise authority in the spirit realm and I shall dominate in this natural world as from today in Jesus name.
21. Thank God for answered prayers.

## DAY 42: THE GATE OF DEATH

***“Fools because of their transgression, and  
because of their iniquities, are afflicted.***

***Their soul abhorreth all manner of meat;  
and they draw near unto the gates of death”  
Psa.107:17-18.***

Another great exploit of prayer is the release from the gates of death. The gate of death is the seventh gate of hell. In fact, death and hell are twins Rev.20:14.

The gates of death has trapped many great destinies, thereby disfiguring, discoloring and diverting those destinies. The gates of hell have exchanged affluence with afflictions, glory with corruption and comfort with discomfort on the earth.

## THE LAMENTATION OF THE MAN TRAPPED BY GATES OF DEATH

***“After this opened Job his mouth, and cursed  
his day***

***And Job spake, and said,***

***Let the day perish wherein I was born, and the  
night [in which] it was said, There is a man  
child conceived***

***Let that day be darkness; let not God regard  
it from above, neither let the light shine upon  
it...***

***I was not in safety, neither had I rest, neither  
was I quiet; yet trouble came”  
Job 3:1-4, 26.***

Every day of the man by the gates of death is full of sadness, sorrow, pain, murmuring, regret, remorse and loaded questions begging for answers.

The gates of death produced the following experiences:

1. Recurring, even terminal sicknesses and diseases. You know that even sickness is described as the first born of death Job 18:13.
2. Experiences of hopelessness and helplessness
3. Loss of appetite, inability to eat.
4. Insomnia, inability to sleep
5. Uncontrollable fear.
6. Endless worries, tensions, anxieties
7. Life's dead ends
8. Constant demonic attacks or demonic activities.
9. Premature or sudden deaths in the bloodline.
10. Toughness and stiffness of life. Nothing is happening and nothing is working.

All these experiences make life wearisome, burdensome, meaningless and undesirable.

## **PRAYER DESTROYS THE GATES OF DEATH**

***“Their soul abhorreth all manner of meat;  
and they draw near unto the gates of death***

***Then they cry unto the LORD in their trouble,  
[and] he saveth them out of their distresses***

***He sent his word, and healed them, and  
delivered [them] from their destructions”  
Psa.107:18-20.***

There are two potent arrows for the destruction of the gates of death:

First is crying to God Psa.107:19. You must be ready to cry to God in the agony of your soul. Cry to Him like blind Bartemeus in Mark 10:46-52. Until you cry passionately to Him, you don't attract His attention. If you didn't call upon Him, He will do nothing about your case Jer.33:3. But if you can call upon Him, He can answer you.

The second weapon is God's word Psa.107:20. His deliverance to you will come from instructions from the scriptures. There is a condition or instruction that He has tied to your release from that affliction buffeting your life. Your locating the condition or

instruction and complying with it or obeying it will surely affect your release from the bondage. Every instruction from God's word holds the key that opens the gate of death for man's release. *"He sent His word..."* Psa.107:20. The word heals. The word delivers from destructions.

So when you want to get out of the gates of death, use appropriate word or promises of God as missiles in your prayers. The gates will open, you will come out and life will replace death while testimonies replace hopelessness.

### **SHALL WE PRAY?**

1. Begin to thank God for today. Thank Him for hearing you at all times. Thank Him for He is the covenant keeping God.
2. Begin to plead the Blood of Jesus upon your life to clothe you with the righteousness of Jesus.
3. Ask for the help and empowerment of the Holy Spirit to pray right.
4. Thou the gates of death erected for me, my family, career and ministry, scatter now and be consumed by fire in Jesus name.
5. Every curse, covenant and appointment with death on account of my life or any member of my family, break and be annulled now by fire in Jesus name.

6. Any death sentence or judgment hanging on me or any member of my family, be revoked and annulled now by fire in Jesus name.
7. You the spirit of death that is following me or assigned to me or to any member of my family, be disconnected from me right now by fire in Jesus name.
8. Any area of my life that is hard, stiff or dead now, receive the breathe of life of God right now and live in Jesus name.
9. Every covenant and appointment with sorrow, sadness and grief in my life and destiny, be terminated now by fire in Jesus name.
10. Every yoke of sickness and disease upon my life, be destroyed now by fire in Jesus name.
11. I curse the spirit of fear to get out of my life right now by fire in Jesus name.
12. You the spirit of worry, tension and anxiety, be consumed out of my life right now in Jesus name.
13. Every arrow and weapon of affliction designed for me from the kingdom of darkness be annulled now and go back to sender in Jesus name.
14. I prophesy as is written, I shall not die but live to declare the works of the Lord in the land of the living in Jesus name.
15. It is written, for with God nothing shall be impossible. Every impossibility of my life, turn to miracles and testimonies right now in Jesus name.
16. Every sickness and disease in my body right now, dry up and die now by fire in Jesus name.

17. Oh thou my destiny, your experiences on the earth as from today shall be exciting and fulfilling in Jesus name.
18. Oh thou my destiny, be delivered from every form of oppression and destruction as from today in Jesus name.
19. Thou the God that showed mercy unto Bartemeus, open the door of mercy unto me this year in Jesus name.
20. I prophesy that as from today, I shall spend my days in prosperity and my years in pleasures in Jesus name.
21. Begin to thank God for answered prayers.

## CHAPTER EIGHT

### **THE LAW OF CONTENTION**

***Rise ye up, take your journey, and pass over the river Arnon: behold, I have given into thine hand Sihon the Amorite, king of Heshbon, and his land: begin to possess it, and contend with him in battle***

***This day will I begin to put the dread of thee and the fear of thee upon the nations that are under the whole heaven, who shall hear report of thee, and shall tremble, and be in anguish because of thee”  
Deut.2:24-25.***

***“And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force”  
Matt.11:12.***

Some destinies are trapped in the snare of man's impossibilities of life because they couldn't apply or engage the law of contention in releasing themselves and accessing the possibility powers of God.

The law of contention states that nature is neutral, life is just, God is no respecter of persons. Whatsoever any demand you can place upon life, life will release it to you. The law states further that what you don't confront in life, you don't conquer, what you

don't contend for, you are not qualified for. Life will never give you what you deserve but what you demand.

***“.... I have given into thine hand Sihon the Amorite, king of Heshbon, and his land: begin to possess it, and contend with him in battle”  
Deut.2:24.***

That is God speaking, “.... *I have given....*” It's not that I shall give or I may give. I have given. But the fact that I have given does not place it in your hand. You have to contend with him to possess or take delivery of what I have given. If you are not ready to contend, possession is not in view.

So, whatsoever God has given you is deliverable on the platform of contention. That is the undoing of people who believe that what will be will be, you don't need to force God, your prayers won't change Him, every happening on earth is a matter destiny, it has been destined to be so. You are totally wrong my brother. God is saying here, whatsoever I have given or designed or decided for is available to you on the platform of contention. His word or promises or prophecies are instruments for warfares before the promises are transformed into performance or reality I Tim.1:18.

The process of contention calls for violence and force Matt.11:12. You can never take delivery of your inheritance in God on the platform of lethargy, complacency, indifference and laziness.

“Objects”, according to Isaac Newton, “*remain in a perceptual state of rest, until an external force acts upon it*”. Contention via spiritual warfare is that force that need to be injected into nature for motion and turnaround to become man’s inheritance on the earth.

Spiritually weak, indolent and complacent men die in the prison house of man’s impossibilities, they will be dispossessed and disinherited as compensations for their refusal to accept the responsibility of contention for the reclaiming of the restoration of their coats of many colors on earth.

In this week’s spiritual adventure, we shall be examining and utilizing the specific key strategies for effective contention to lay hold on to the possibility powers of God.

Believe me, I say unto you, with God, in your life this week, nothing shall be impossible!

## DAY 43: OPENING THE GATE OF HEAVEN

***“And Jacob awaked out of his sleep, and he said, Surely the Lord is in this place; and I knew it not***

***And he was afraid, and said, How dreadful is this place! this is none other but the house of God, and this is the gate of heaven”***

***Gen.28:16-17.***

Surely, if hell has gates, heaven must have. So there is gate of heaven.

The gate of heaven is where the treasures, resources and blessings of God are kept. It is the warehouse where the packages of redemption are stored. That is where battered, shattered and ruined destinies are repaired. That is where diversion and perversion of destinies are reversed. That is where destinies that are malformed and deformed are transformed. It is where losses of decades and generations are restored. That is where the *irreversibles* of life become reversed, the *irrevocables* become revoked and the *impossibilities* of life become cheap testimonies.

The gate of heaven is the meeting point between the mortal and the immortal, the human and the divine and between the natural and the supernatural. Anyone that the gate is opened to is initiated into the realm of the supernatural. That is where the

dead hears the voice of the son of God and live John 5:25, that is where the law of resurrection terminates the law of death by the force of faith John 11:25-26. It is the place of the now possibility John 11:22. It is where captivity turns like a dream Psa.126:1-3.

It is a place of turn around breakthroughs. At the gate of heaven, struggles end and tears are wiped away Rev.21:4. It is where God makes all things new Rev.21:5. It is where the stories of men are rewritten, new chapters are opened to a man and men enter into 'above the next' level in their endeavors and adventures on the earth. It is the place of special and creative miracles. It is where demonic, ancestral, natural or national laws are suspended by supernatural laws. It is where a man's life begins to command supernatural experiences, occurrences and explanations on the earth.

## **JESUS: ENJOYING THE OPENING OF THE GATE OF HEAVEN**

***“While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud, which said, This is my beloved Son, in whom I am well pleased; hear ye him”  
Matt.17:5.***

There are two experiences of the opening of the gate of heaven to Jesus. First, in his Baptism in the Jordan River Matt.3:13-17. Second on the Transfiguration Mountain Matt.17:1-5. The results

of these are the supernatural experiences that followed Jesus lifestyle on the earth. Everything he spoke to, heard and obeyed him, the wind and sea Matt.8:27, at the tomb of Lazarus John 11:43-44 etc.

Nothing refused Him. Everything answered sweatlessly to Him. When he needed food to feed the thousands in the wilderness, food answered to Him. When He needed an assistance to carry His cross, Simeon the Cyrene came to assist Him Matt.27:32. When He was to be buried, Joseph of Arimathea released his wealthy grave for Him. When He wanted to resurrect, angels came to roll the stone from the sepulcher Matt.28:1-6. These were manifestations that heaven's gatekeepers opened the gate of heaven unto Him.

## **HEAVEN'S GATEKEEPERS**

Heb.12:22-24

Heaven's gatekeepers include:

- Innumerable company of angels
- The Church of the firstborn in heaven
- God, the judge of all
- Holy Spirit
- Jesus, the mediator of the New Covenant
- The Blood of Jesus

## **COMMANDING THE GATE OF HEAVEN TO OPEN TO A MAN**

The forces that open the gate of heaven to a man include the followings:

First is the Word of God Commitment, compliance with, addiction to the word of God opens the gate of heaven to a man Deut.28:1, 12-13. This was the case with Peter in Luke 5:5.

The heaven's gatekeepers honour, respect and obey a man who is moving in the direction of the Word of God, the man who is word driven, word saturated and word connected. While you live to fulfill all the righteousness demands of God's word you compel the gate of heaven to be opened unto you Matt.3:15

Second is tithing

Heaven's gatekeepers refuse, reject and resist any man who fails to pay his tithes. They ensure that the gate of heaven is totally locked against him no matter his religious rituals and rigors. A non-tither has attracted devourers to every area of his life Mal.3:10-12

Third is aggressive praying. Jesus went to the transfiguration mountain to pray when the gate of heaven was opened to him. As

a matter of fact, Jesus was a prayer addict Mark 1:35, Luke 6:12; 4:2; 22:44.

That explains why the gate of heaven was perpetually opened to Him and why He commanded the support of the heaven's gatekeepers throughout his sojourn on earth. If you are a man of the word, a tither and a prayer addict, you will access the opening of the gate of heaven in your sojourn on this side of eternity.

### **SHALL WE PRAY?**

1. Begin to thank God for yet another day. Thank Him for He is a covenant keeping and merciful God.
2. Begin to plead the Blood of Jesus upon your life to atone for your errors and shortcomings.
3. Every act of violation and breaking of scriptures in my life, Blood of Jesus, forgive me now in Jesus name.

18. Oh thou my destiny, begin to experience the above the next level in all areas of your life as from today in Jesus name.
19. I command that as from today, life begins to answer, support, favour and help me on every side in Jesus name.
20. I decree that what had become hard for me in the past years shall become easy for me as from today in Jesus name.
21. Begin to thank God for answered prayers.

## DAY 44: CONTENDING WITH PRAYER COMPANIONS

***“And he took with him Peter and the two  
sons of Zebedee, and began to be sorrowful  
and very heavy***

***Then saith he unto them, my soul is exceedingly  
sorrowful, even unto death: tarry ye here, and  
watch with me”  
Matt 26: 37-38.***

In spiritual warfare, there are battles of *“alone with God”* Gen.32:24. And there are battles that your strength alone cannot contend with. In such situation, you can employ the services of prayer companions. This is the example of we saw of the Lord Jesus Christ in the *“agony in the garden”* Matt.26:36-46.

In spiritual warfare, there are some of your life’s battles that you can’t fight and win soloist. Sometimes, you need people of like-minded, people of like passions, burden bearers to unbottle your pent-up emotions to them. You will seek their agreement with you in praying before ultimate victory can be delivered.

Jesus emptied his mind to his prayer companions. *“My soul is exceedingly sorrowful, even unto death”*. Then he sought their prayer support, *“tarry here and watch with me”*. There must be someone you can empty your mind to; share your burdens with in the place of prayer.

Leaders need to have committed intercessors. Winners in life journey must have prayer companions and burden bearers.

***“Now Peter and John went  
up together into the temple  
at the hour of prayer, being  
the ninth hour”***

***Acts 3:1***

You must have a prayer companion with who you are ascending the spiritual altitudes of life. Spiritual companions with who you approach heaven with, unraveling the mysteries of life, turning mysteries unto masteries. That was the case with Daniel Dan.2:17-19. The apostles had Prayer Companions Acts 4:23.

Now see their experiences in the places of prayer Acts 4:31 and the attendant blessings that followed Acts 4:33. Jesus gave credence to the efficiency of this strategy in Matt 18:19.

Today, as you align with your spiritual companion to approach heaven together, speaking testimonies will begin to spring out of the stubborn and protracted battles of your life in Jesus name (Amen). Look for a prayer partner to pray with you today.

## **SHALL WE PRAY?**

1. Begin to thank God for yet another day. Thank him for his grace and mercies.
2. Thank him for your life. Thank him for his strength and sustenance.
3. Thank him for not disappointing, disgracing and frustrating you in the place of prayer.

4. Thank him for being a prayer answering and covenant keeping God.
5. Begin to plead the blood of Jesus upon your life for mercy and cleansing.
6. Oh thou the recalcitrant and stubborn battles of my life, begin to melt away out of my life right now in Jesus name.
7. I agree with my prayer partner right now that I shall see the end of the stubborn battles of my life and see my desires over all that rose up against in Jesus name.
8. I agree together with my prayer partner now that from the long persistent battles of my life, pleasant testimonies will begin to spring out for me as from today in Jesus name.
9. I agree with my prayer partner that occurrences of laughter and celebration will begin to come forth from the sorrows and grieves of my life from today in Jesus name.
10. With my prayer partner, we agree together that the heavens and doors of divine and pleasant surprises open wide unto us as from today in Jesus name.
11. We agree together that the heavens of supernatural interventions open wide over our heads as from today in Jesus name.
12. We agree together that we shall no more experience shame or reproach or disgrace again in any area of our lives in Jesus name.

13. We agree together that we shall begin to experience as from today what God alone and what no man can do in Jesus name.
14. We agree together that the best days of our lives shall radiate God's glory, honour and majesty in Jesus name.
15. We agree together that our rain of blessing begin to fall upon us from heaven and our ground begins to yield its increase unto us in Jesus name.
16. We agree together that now is our season of unstoppable celebration and joy and no more weeping for us in Jesus name.
17. Begin to thank God for answered prayers.

## **DAY 45: CONTENDING WITH THE WEAPON OF PURITY**

Purity is another winning strategy in spiritual warfare. Purity is a life of total dominion over sin Rom 6:6; 14. It is the total deliverance from all the filthiness of the spirit, soul and body II Cor 7:1. The presence of sin in any life is an automatic guarantee of defeat in any spiritual warfare, no matter how armed or equipped you are in the battle. The experience of Israel in the battle with small Ai in the bible is a testimony to this assertion Josh 7:11-13.

### **THE MYSTERY OF PURITY**

Much more than any divine force, purity provokes and attracts divine presence. Purity and divine presence are two sides of the same coin. They are divine complimentary forces. Where one is found the other is automatically there. The two of them attracts divine power. Thus, there is a proportional relationship between purity, divine presence and power in that order.

Anyone that lives in purity carries God's presence with him. He's immuned against every weapon and arrows of the enemy. The enemy doesn't dare him.

***“We know that whatsoever is born of God  
sinneth not; but he that is begotten of  
God keepeth himself, and the wicked  
one toucheth him not”  
I John 5:18.***

## **ISRAEL IN THE WILDERNESS JOURNEY**

Israel was on their journey from Egypt to their promised land of Canaan. They got to Moab enroute Canaan. Balak the king of Moab went to hire Balaam to come and curse them. Curses are forces in the spirit realm that have power to invent and enforce evils or afflictions in the natural world. When curses are invoked, evil spirits are released on assignment on terms of reference of the curse. Most of the incurable, destructive, recalcitrant plagues or afflictions that a man is passing through in life have their roots or sources in hidden or unbroken curses. Curses are great obstacles to the flow of blessings and favours in a man's life.

Balaam came. He erected the altars upon the mountains, sacrificed upon the altars to invoke evil spirits that will feed on the sacrifice and follow the curses that are to be pronounced for proper execution. If that operation or arrangement had worked, Israel would just discover mysterious calamities, tragedies and disasters befalling them in ways that cannot be explained or understood by the laws of life. But alas, the curses refuse to alight according to Prov. 26:2.

Balaam would really open his mouth to curse Israel, but it was blessings that were oozing out of his mouth. He was opening his mouth and speaking curses but God was converting them to blessings when converted to audible voice Num.23:11. This was really strange to Balak and he could not explain this mystery.

It was the bible that gave us an insight into this puzzle

***“He hath not beheld iniquity in Jacob,  
neither hath he seen perverseness in  
Israel: the lord his God is with him, and  
the shout of a king is among them”  
Num.23:21.***

And because iniquity, perverseness, defilement, guile, hypocrisy and unrighteousness of any kind was not found in Israel, they carried divine presence (the Lord his God is with him Num.23:21), they are curseless and curse - free by any man or power Num.23:8, they are careers of blessings that are irreversible Num.23:20.

Thus, the winning strategy in spiritual warfare is to fight with the guarantee or assurance of divine presence and backing. This was what emboldened little David before giant Goliath. It was the platform for his courage and assurance that he would win the battle I Sam 17:37. And the only thing that secures God's presence is “he had not beheld iniquity in Jacob, neither has he seen perverseness in Israel.....” Num.23:2! A practical life of purity, holiness, sinlessness, and defilement or pollution free will necessarily command divine presence, divine backing, and divine power. Any battle that is fought with this attitudinal strategy will be won anyhow, anyway, anytime by anyone.

Anyone that is toying or playing with or living in any known sin, indulging himself in that sin and is engaging in spiritual warfare has lost the battle on the ground of holiness strategy. Sin expels

divine presence and renders a man weak to confront the forces of opposition in life Josh 7: 11-13.

As we approach God today on the ground of purity and holy living, every area of your life will move from curse to blessings and the mountain of battles before you shall collapse by fire. From henceforth, you shall become a living testimony in Jesus mighty name.

### **SHALL WE PRAY**

1. Begin to thank God for today. Thank him for keeping and sustaining you in this programme.
2. Thank God for his overshadowing presence and favour over your life.
3. Thank him for winning all the battles of your life for you.

16. Oh thou my destiny, you will begin to command divine presence, divine backing and divine power as from today in Jesus name.
17. Oh God, make me a living testimony in every area of my life as from today in Jesus name.
18. Begin to thank God for answered prayers.

## **DAY 46: CONTENDING WITH THE ANOINTING**

The anointing- the enablement or empowerment of the Holy Ghost is another winning strategy in spiritual warfare. The anointing itself is an unbeatable weapon for fighting the battle of life. The anointing makes a man invincible, immovable and irresistible in the conflicts of life.

***“He suffered no man to do them wrong:  
yea, he reproved kings for their sakes;  
Saying, Touch not mine anointed,  
and do my prophets no harm”  
Psa.105:14-15.***

The anointed is a dreaded and dangerous creature. He's power laden and loaded. Anyone that dares him goes for him. The anointed is the man of exploits. The man that lacks the anointing is the one that is exploited, impoverished, depleted and defeated in life's journey.

### **THE MINISTRY OF THE ANOINTING IN SPIRITUAL WARFARE**

In the journey of Israel through the wilderness into the Promised Land, Miriam and Aaron began to alledge and accuse Moses and they were planning to deal with him. Moses was not aware of their plot and did not confront them. He didn't do any fasting and praying or vigil. But the anointing answered for the anointed from the anointer.

***“And the LORD came down in the pillar of the cloud, and stood in the door of the tabernacle, and called Aaron and Miriam: and they both came forth***

***And he said, Hear now my words: If there be a prophet among you, I the LORD will make myself known unto him in a vision, and will speak unto him in a dream***

***My servant Moses is not so, who is faithful in all mine house***

***With him will I speak mouth to mouth, even apparently, and not in dark speeches; and the similitude of the LORD shall he behold: wherefore then were ye not afraid to speak against my servant Moses?***

***And the anger of the LORD was kindled against them; and he departed***

***And the cloud departed from off the tabernacle; and, behold, Miriam became leprous, white as snow: and Aaron looked upon Miriam, and, behold, she was leprous”***

***Num.12:5-10.***

God is a fighter. The Bible calls him the man of war Exo.15:3. God has armoury where he keeps his weapons of war Jer.50:25. One of the terrible weapons in God’s armoury is his anger. When the anger of God is released against a man, the man will begin to experience the horror of hell, going about with the garment of corruption and the crown of decay. The man will be dying, wearing away yet still living. That is the experience that the bible is talking about when it says, “It is a fearful thing to fall into the hands of the living God” Heb.10:31.

It is the anointing of God upon a man's life that releases the trigger of God's anger against the adversary. The product of God's anger upon Miriam for contending with Moses was leprosy- the worst of all bubonic plagues upon man at that time.

When the anointing is resting upon a man's head, it locates every form of confrontation, opposition and contention against the man and begins to deal with them, even without the anointed knowing about it. And if the anointed should utter a word or sentence, the result is dangerously disastrous, incalculatable and irredeemable. It was just a statement that Moses spoke in the rebellion of Korah, Dathan and Abiram and the anointing swept them and their generations into oblivion in a manner that sent cold fear into the spines of mankind Num.16:29-35.

## **ACCESS INTO THE ANOINTING**

You must seek the anointing with utmost desperation instead of the energy you put into fasting and vigils to kill your enemies. When the anointing comes, it will handle your enemies without your knowing about it.

To access the anointing, you need to develop an insatiable hunger and thirst for God more than anything else in your life. Psa.42:1-3; 63:1-3, Matt.5:6. This hunger and thirst will lead you to seeking God in reading, studying, meditating in, memorizing, confessing, and practicing God's word.

It will lead you to seeking God in fasting and praying. It will lead you to seeking the baptism in the Holy Ghost and walking in

relationship of fellowshiping with the Holy Spirit. It will lead you to running away from sin and binding himself yourself to a holy and pure lifestyle. It will lead you to attending fellowships regularly with God's children. It will lead you to walking with and servicing the anointed. It will lead you to a life of praising and worshipping God at all times irrespective of any experience that comes along your way. When you practice these ideals on a habitual and regular basis, you are on your pathway to the anointing. When you can't follow these efforts, you remain natural or carnal. You will then be fighting your life's battles – engaging in spiritual warfare with your flesh and you can't win in that manner.

From henceforth, the anointing of the Holy Spirit will rest upon your life and will move into the battlefield of your life, subduing opposition on your behalf, causing you to walk upon the ground of triumph and dominion for the rest of your life in Jesus mighty name (Amen).

### **SHALL WE PRAY?**

2. Thank him for he will not deliver you into the hands of your enemies.
3. Thank him for he will continue to be a present help for you in times of need.

19. Begin to thank God for answered prayers.

## **DAY 47: CONTENDING WITH SACRIFICE**

Sacrifice is the trademark of champions. It is the brand name of the great. It is the secret of stars in all field endeavours. It is a winning strategy or weapon in spiritual warfare.

It is a divine provoker. It provokes God to do what God would not have done under a normal, natural situation.

Many people suffer catastrophic defeats in life's battle, not because of the strength of their battle, but because they lack the provocative force that can bring God into the scene of their lives battles. And that force is sacrifice. There is no man that is not skilled in using sacrifice as fuel or gas in the vehicle of destiny that can rise above average in life's journey.

Sacrifice is a proof of self – abnegation or selflessness which is God's qualification for greatness. There is no iota of sacrifice that goes without heaven's response with unspeakable dividends.

God sacrificed His only begotten son and reaped harvest of sons in redemption John 3:16. Jesus sacrificed his life to reap the name above every other name Phil 2:5-11. Sacrifice therefore is a mark of divine nature.

Anyone that carries that nature will always command heaven's attention in their situations, challenges and circumstances in life.

## WHAT IS A SACRIFICE?

It is giving your treasures to God. It is giving to God what is costly, painful and valuable to you. It is offering to God what is beyond your limit, above your means and greater than your power. It is surrendering to God that which has no other alternative. It is an action that expresses to God that He's sovereign, ultimate and of utmost priority in one's life.

## SACRIFICE: THE POWER OF IT

Sacrifice strikes or cuts a covenant or initiates a man into covenant with God.

***“Gather my saints together unto me;  
those that have made a covenant with  
me by sacrifice”  
Psa.50:5.***

And when a man cuts a covenant with God, God becomes committed to the man in such a way that whatsoever will overcome the man will have to overcome God first. The man's issue or case or battle becomes of God's utmost priority and concern.

## DAVID'S EXAMPLE

***“And the king said unto Araunah, Nay,  
but I will surely buy it of thee at a  
price; neither will I offer burnt offerings  
unto the LORD my God of that which  
doth cost me nothing. So David bought  
the threshing floor and the oxen for fifty  
shekels of silver***

***And David built there an altar unto the LORD,  
and offered burnt offerings and peace offerings.  
So, the LORD was intreated for the land, and  
the plague was stayed from Israel”***

***II Sam.24: 24-25.***

David had acted to annoy God and a doom was loosed upon Israel. We really need to pray for our leaders, secular or spiritual. Whatsoever any error they make will have the consequence on the subjects. The LORD has decided to visit Israel with judgment for three days. In the first day, seventy thousand men had died II Sam.24:15. To stop the disaster, David had to go and buy the threshing floor of Araunah for a cost and began to erect the altar of sacrifice before the second day appeared. That sacrifice appeased God and God's anger turned into God's pleasures and the disaster stopped II Sam 24:24-25. Fasting and prayer could not have secured that for David.

Sacrifice is the weapon for fighting battles that are destructive, stubborn, protracted and recalcitrant. Battles that have the finger prints of God are averted on the altar of sacrifice. It was God, we are told that shut Hannah's womb I Sam 1: 5-6. Sacrifice was the weapon that Hannah used to appease God. I Sam 1:10-11. Ancestral, generational, inherited battles are terminated on the altar of sacrifice. Solomon disconnected and delivered himself from the war roundabout of his father's house (I Kings 5:3) by sacrifice I Kings 3:3-4, 5:4-5. After you had fasted and prayed and battle is still tough, begin to erect the altar of sacrifice. That is the secret card of the more than conquerors.

## LET US PRAY

1. Begin to thank God for today. Thank him for the abundance of his mercies and favour towards you.
2. Thank him because he will continue to keep, preserve and bless you in the days, months and years ahead.
3. Thank him for he is a prayer answering and covenant keeping God. He will surely answer all your prayers.
4. Thank him because he will continue to intervene in every area of your life and destiny.
5. Begin to plead the blood of Jesus upon your life for redemption from all sins and short comings.
6. Take a sacrifice in your hand as you begin to pray today's prayers.

9. I plead the blood of Jesus upon my life and destiny, I provoke divine delight and divine pleasures upon my life as from today in Jesus name.
10. I use the sacrifice in my hand to stop and terminate every plague and affliction that is upon any areas of my life as from today in Jesus name.
11. With this sacrifice in my hand, I provoke the goodness and mercy of God from heaven to begin to follow me wherever I go as from today in Jesus name.

12. Oh thou my destiny, with this sacrifice in my hand,  
move from war round about to rest round about in all areas  
of my life as from today in Jesus name.
13. With this sacrifice in my hand, I declare from  
henceforth, no evil shall befall me; no plague shall come  
near my dwelling till Jesus will come in Jesus name.
14. I command right now every wall of battle erected  
around me to collapse now and scatter by fire in Jesus  
name.
15. I command the devouring mountains of my life to  
begin to melt away by fire right now in Jesus name.
16. Doors of outstanding miracles and testimonies open  
wide unto me as from today in Jesus name.
17. I decree that miracles, signs and wonders shall become  
the natural occurrence and experience of my life as from  
today in Jesus name.
18. I decree that henceforth, no force or power shall defeat  
or overcome me as from today in Jesus name.
19. Every demonic agenda and evil pattern in my life and  
destiny be consumes now by fire in Jesus name.
20. Begin to thank God for answered prayers.

## **DAY 48: CONTENDING WITH WORDS FOR WARFARE**

In spiritual warfare, your tongue is an irresistible actor. It is another winning strategy in spiritual warfare.

Essentially in life, your battle moves in the direction of your tongue. Your tongue is the steering that determines ultimately where your battle will turn.

Fundamentally, all battles of life are inspired and configured by words. They must also expire by words. All battles answer to the arrows of words.

***“He sent a man before them, even Joseph,  
who was sold for a servant***

***Whose feet they hurt with fetters, he  
was laid in iron***

***Until the time that his word came: the  
word of the LORD tried him***

***The king sent and loosed him; even the  
ruler of the people, and let him go free***

***He made him lord of his house, and  
ruler of all his substance***

***To bind his princes at his pleasures;  
and teach his senators wisdom”***

***Psa.105:17-22.***

Joseph's battles in life were tough and turbulent. He was a victim of ingrained fundamental battles. He was supposed to be Jacob's

firstborn, but this fundamental battle negatively rearranged him into the eleventh son. If Jacob had married Rachael originally according to his plan, Joseph would have become Jacob's first son. It was the reality of that battle in place that caused the manipulation that brought Leah in into Jacob's life by which Reuben came to take Joseph's place as firstborn.

Again the battle went further to hinder Rachael from early child bearing. She was a victim of protracted delay in child bearing. The battle increased to make him suffer the loss of his mother at his early childhood period. The battle became complicated as he became a bitter and destructive victim of hatred, envy and rejection of his brethren. Everywhere he went or found himself in life; the spirit that is enforcing the battle monitored and remotely controlled his life for discomfort and unpleasant experiences of life.

However, Joseph resolved his life's battles with words. He understood and employed the winning words in winning spiritual warfare. *"Until the time that his word came; the word of the LORD tried him"* Psalm 105:19. Ultimately, he recovered his firstborn birth right back I Chro.5:1, 2. Even when the situation was unpleasant, Joseph kept declaring what God's word has said about him. Eventually the word prevailed Acts 19:20.

## **BATTLE, WORDS AND SOLUTIONS**

Skill in effective management and utilization of words is a key determinant of whether battle will turn to solutions in life or not.

There are five levels or types of words that determine the direction of battles in life:

First is the word of the enemy *“The enemy said, I will pursue, I will overtake, I will divide the spoil, my lust shall be satisfied upon them; I will draw my sword, my hand shall destroy them”*

Exo.15:9.

The words of the enemy create, strengthen, promote, service and elongate battles.

Battles move in the direction of enemy's words. The enemy is endlessly saying something. Battles also speak. Do you know the voice of battles? “This case is impossible” “this matter cannot be resolved”, “this test shows that you can't give birth, “this lump in your body is cancerous” etc. The words of the enemy or battle create fear, discouragement, hopelessness, sorrow and sadness.

Second is an inner or silent word

***“For she said within herself, if I  
may but touch his garment, I  
shall be made whole”  
Matt.9:21.***

She said within herself. This is referring to your thoughts. Your thought pattern or process also directs the direction of your battle in life. *“As a man thinketh in his heart, so is he”* Pro.23:7. What you think is what you believe. What you believe is what is

performed for you Luke 1:45. No matter how hard you pray in life, if what you are saying supports the battle against your prayers, you can't win your life's battles. Your thoughts determine your destiny.

Third is a forceful or violent word.

***“And from the days of John the Baptist until now, the kingdom of heaven suffereth violence, and the violent taketh it by force”  
Matt 11:12.***

This is the voice or language of spiritual warfare. This is the right and winning artillery in the battlefield of life. Spiritual warfare is not a wrestling contest with opposition forces; it is a contest of exercise of authority. And in this contest, a command instruction is the rule of the game Job 38:12-13.

Thus, to win your life's battles, you must be able to command authoritatively, affirmatively, violently, forcefully to enforce the obedience and compliance on the forces of opposition. When Jesus cursed the deceptive, barren fig tree, the bible says his disciples heard it Mark 11:14. You can't come to vigil or doing a serious fasting and praying silently and carelessly and think that opposition forces will submit to you.

***“As soon as they hear me, they shall obey me: the strangers shall submit themselves unto me”  
Psa.18:44.***

Opposition forces need to hear you before they obey and submit to you. A closed mouth in the battlefield of life will produce a sealed, wounded and ruined destiny.

Fourth are your confessions or declarations. That is your spoken words.

***“Say unto them, as truly as I live,  
saith the LORD, as you have spoken  
in mine ears, so will I do unto you”  
Num. 14:28.***

What you constantly say also determine the direction of your battles in life. Words are spirits and they are creative. Words create their corresponding realities. What comes out of your mouth, consciously or unconsciously will determine the direction and destination of your battle.

Finally, God’s word. God’s word is the sovereign or ultimate of all words. It is right words, which are very forceful Job 6:25. God’s words are contained in the open pages of the scriptures.

God’s word is opposite of what the enemy or battles are saying. Thus when your thoughts, spoken words, violent words tally with God’s word you will undoubtedly win and triumph over the battles of your life. That is how to be skilled in managing and utilizing words for your dominion lifestyle on the earth.

**LET US PRAY**

16. From henceforth, I began to walk upon the ground of testimonies and miracles as from today in Jesus name.
17. Begin to thank God for answered prayers.

## DAY 49: CONTENDING WITH VOWING

***“Now Jephthah the Gileadite was a mighty man of valour, and he was the son of an harlot: and Gilead begat Jephthah***

***And Gilead's wife bare him sons; and his wife's sons grew up, and they thrust out Jephthah, and said unto him, Thou shalt not inherit in our father's house; for thou art the son of a strange woman***

***Then Jephthah fled from his brethren, and dwelt in the land of Tob: and there were gathered vain men to Jephthah, and went out with him”***

***Judg. 11:1-3.***

Jephthah was also a victim of terrible, devouring foundational battle. His identity and destiny had been sickly, plagued and deformed from birth. He was a bastard born by a harlot. He suffered terrible shame, rejection, hatred and abandonment from his early childhood period. His siblings had thrown him out of his father's house to a strange and unknown land. What a horrible beginning in life.

But it is not what happened to you on the outside that determines your destiny in life but what happens to you on the inside. It is not the strength of the challenge that confronts you in life that determines your defeat or victory but your response or attitude to the challenge. The challenges of life are not to break you but to mould you to what God has packaged for you in life.

Attitude is a powerful weapon in contending with life's challenges.

Jephthah did not react but responded positively to the challenge by embarking on the journey of self-discovery and self-development.

***He achieved this by***

- Seeking the knowledge of or intimacy or fellowship with God Judg.11: 11, 35.
- Seeking for divine empowerment Judg.11:29.
- Seeking for baptism with divine strength Judg.11:15-27.  
Divine strength comes by knowledge Pro.24:5.
- Seeking to develop a covenant walk with God Judg.11:23.
- Seeking to develop himself skillfully Judg.11:4-6.
- Seeking to develop his leadership potentials and capabilities Judg.11:3.
- And finally he sought to discover God's principles or ways Judg.11:30-31.

Very shortly, these attitudes and adventures of Jephthah paid off. He was sought out from among his brethren to deliver them from an intractable, impending national destruction Judg.11:4-6.

## **VOWING: WINNING STRATEGY IN SPIRITUAL WARFARE**

Jephthah was called upon to lead his people against the battle with the Ammonites, the descendants of Lot Gen.19:38.

Jephthah knew this was an uphill task but he had been acquainted with the principles or ways of God. He had discovered that one way to provoke God to respond unreservedly to your situation is to commit God's partnership with you by vowing. Vowing is a sacrificial way of cutting a covenant with God. Every time you are facing an impossible adventure in life and you enter into a vow with God concerning the adventure, God steps in to perform the impossible. Thus Jephthah adopted this principle.

***“And Jephthah vowed a vow unto the LORD, and said, if thou shalt without fail deliver the children of Ammon into my hands,***

***Then it shall be, that whatsoever cometh forth of the doors of my house to meet me, when I return in peace from the children of Ammon, shall surely be the LORD'S and I will offer it up for a burnt offering”***  
***Judges 11:30-31.***

He traded with God by vowing. God responded by winning the battle for him Judg.11:32-33. Jephthah, being a covenant keeper Judg.11:35 paid his vows amidst all odds Judg.11:39.

This was also Hannah's experience. God, it was, that shut her womb I Sam.1:5-6. She also cut a covenant with God by vowing I Sam.1:10-11 and the barren woman became the joyful mother of seven children I Sam.2:5.

Vowing therefore remains a potent strategy for victory in spiritual warfare. When the battle is greater than you and tougher than you can contend with, back up your petition to God with a vow and the God of the impossibilities will turn your story around.

## CHAPTER NINE

### **THE LAW OF THE SUPERNATURAL**

***“There is therefore now no condemnation  
to them which are in Christ Jesus, who  
walk not after the flesh, but after the Spirit***

***For the law of the Spirit of life in Christ  
Jesus hath made me free from the law of sin  
and death”  
Rom.8:1, 2.***

The supernatural world is much more real than this natural, physical world. It is the world of spirit beings. It controls, directs, dictates or determines the occurrences or happenings in this natural world. All the events and happenings in this natural world are decided, concluded and executed over there.

That is the world of possibilities and limitless opportunities. It is the world of no limit, no boundary, no barriers. This is because the limiting or regulatory laws of this world don't apply there. The laws of the supernatural which have power to suspend or terminate the regulatory laws of this world, are in operation there.

If you want to access the possibilities of God in this natural world, all you need to do is, find your way into that realm first,

and then second, locate the operational laws in that place that address your situation here and engage the law and you will begin to command the corresponding results that are unusual.

Before we examine some of these laws, let us understand how to gain access into the supernatural world.

First, is by redemption.

***“That which is born of the flesh is flesh;  
and that which is born of the Spirit is spirit”  
John 3:6.***

By redemption you are a spirit in the class of God

***“...that which is born of the Spirit is spirit”  
John 3:6.***

***“God is a Spirit, and they that worship  
Him must worship Him in spirit and in  
truth”  
John 4:24.***

Redemption initiates you into the Spirit class of God. Thus, by redemption, you are a walking spirit, you are a citizen of the supernatural world. By redemption, you are keeping company with the heavenly hosts. You are therefore supposed to be naturally supernatural and supernaturally natural in this natural world. That is the proof of the reality of redemption.

Second, is the baptism in the Holy Spirit.

***“And they were all filled with the Holy Ghost,  
and began to speak with other tongues, as the  
Spirit gave them utterance”  
Acts 2:4.***

At the baptism of the Holy Spirit, you are initiated into the spirit world. You begin to speak the language of the supernatural world, the lifestyles, experiences and powers of the supernatural world become normal with you.

Thus, to access the possibilities of God which is the heritage of the supernatural world, you must be born again, baptized in the Holy Spirit and be able to operate the laws of the supernatural. These laws are our subject of attention in the last three days of this programme.

## DAY 50: THE LAW OF THE WORD OF GOD

The written Word of God is the law of God. It is the law of the supernatural world.

God's word is God's:

- Laws                                      Psa.119:1, 18, Josh.1:8
- Testimonies                            Psa.119:2, 14
- Ways                                      Psa.119:3, 15
- Precepts                                Psa.119:4, 15
- Statutes                                Psa.119:8, 12, 16
- Commandments                      Psa.119:6, 10, 19
- Judgments                            Psa.119:7, 13, 20

Every verse of the Holy Scriptures is God's law or the law of the supernatural world. It has power to put on hold or terminate permanently any prevailing or regulatory law of life. It was the word that came to Sarah that terminated the laws of barrenness that held her and the husband down for about twenty five years Gen.21:1-7. It was the word that came to Mary and overruled natural laws of conception and child – bearing Luke 1:38. It was that word that came to Peter and annulled the law of toiling and strugglings without results and ushered him into his net breaking, ship sinking breakthroughs of life Luke 5:5-11. It was that word that came to the paralytic man at Bethseda and terminated the 38 years paralysis that almost wrecked and

ruined his destiny. He did in 38 seconds what he couldn't do in 38 years. The bed that carried him in 38 years, he carried in 38 seconds John 5:7-9. It was that word that came to Israel at Mountain Kadeshbanea that terminated the law of meandering and circular movement that wasted Israel for 38 years in the wilderness Deut.1:6-7, 2:2-3, 14.

There is no regulatory law of this natural world that will not submit or give up to the supernatural law of the Word of God. By the word all things were created Col.1:16-18. Since the creatures cannot be greater than the Creator, all things therefore must submit, surrender and bow down to the Word. The law of the Word of God therefore overrules all other laws, verdicts, conclusions, decisions and judgments in this natural world.

## **ENGAGING THE LAW OF THE WORD OF GOD**

How do I engage the law of the Word of God to access and command the possibilities of God?

First, identify the human impossibilities, limitations, embargoes and restrictions confronting you in life.

Second, identify God's promises concerning those challenging areas of your life. Locate what God has said concerning those challenges of your life.

Third, enforce those promises of God in His Word over the impossibilities and challenges in your life through the instrumentality of aggressive warfare. Use God's word to annul

and revoke every evil law hanging upon any area of your life and destiny. Silence the voice of the enemy with the unbeatable and irresistible voice of God Psa.29:1-6.

Fourth, keep declaring what God's word has said concerning that area of your life against contradictory evidences of the senses.

Fifth, begin to thank God over that challenge of your life. Rejoice and celebrate God's faithfulness over the oppression and wickedness of Satan.

Let God's word be rich in your heart Col.3:16 and abundant in your mouth Matt.12:34. 37.

As we engage the law of God's word in warfares today, every evil regulatory laws of life operating in any area of our lives, shall be terminated, surrendered and bow to us in Jesus mighty name(Amen).

## DAY 51: THE LAW OF FAITH

***“Jesus said unto him, If thou canst believe,  
all things are possible to him that believeth”***

***Mark 9:23***

The Law of Faith is another powerful law of the supernatural world. The law terminates the law of man's impossibilities and initiates a man into the possibilities of God.

The law of faith says that whatsoever you can conceive and believe that is validated or supported by the Word of God, you can possess in this natural world no matter how tough, difficult or humanly impossible that thing can be Mark 9:23. The law goes further to assert that you will receive inheritance from God according to the measure or level of your faith Matt.9:29.

The platform for faith is what God has said Rom.10:17. So whatsoever you have heard from God's word and you believe is possible unto you and you act to possess is possible.

Thus, the fundamental ingredients of faith are God's word that you heard, the conviction or agreement of your mind with the word, your corresponding confessions or declarations and the action steps that you are taking against your feelings. These will generate the miraculous for you. That was the experience of the woman with the issue of blood, Matt.9:20-22, Mark 5:25-34. That was the case with the impotent at Lystra in Acts 14:8-10

Thus , faith is not just positive confession.it is discovering, believing, confessing and acting upon what God has said against what we are seeing or hearing or feeling.

In life what you believe is what you become John 1:12, what you believe is what is performed for you Luke 1:45. The dynamics and mysteries of faith is found in Abraham in Rom.4:17-21

Faith moves the invisible hands of God and stirs the pool of the miraculous towards the direction of a man in life.

As we express our faith in warfares, the doors of God's possibilities will be open wide unto us today in Jesus name.

## DAY 52: THE LAW OF SACRIFICE

***“Gather my saints together unto me;  
those that have made a covenant with  
me by sacrifice”  
Psa.50:5.***

Sacrifice is a major characteristic of the supernatural world. God made a sacrifice of His only begotten Son for the redemption of mankind John 3:16. Jesus came and sacrificed his life, comfort and pleasures for man John 10:11, 17-18, II Cor.8:9. Thus, the lifestyle of sacrifice grants a man access into the supernatural world where the possibilities of God are cheap deliveries.

The law of sacrifice says that you cannot take from the kingdom of God what you did not invest into it. Your gains from the kingdom are a function of your pains into it. The supply of the kingdom into a man's life is a function of the losses a man is able to secure into the kingdom. The deliveries of the kingdom into a man's life is directly proportional to the denials a man suffered for the kingdom.

### **THE PLACE OF SACRIFICE IN ENGAGING THE LAWS OF THE SUPERNATURAL**

Abraham went to Moriah Mountain to sacrifice his promised son Isaac to God. By that, God bounded Himself to an oath to bless

him Gen 22:9-18, Heb.11:17-19. The sacrifice therefore commits God to a man on earth. Noah sacrificed one of the pairs of animals of God after the flood and God reversed the curse that he had placed upon the earth and mankind as a result of the sin of Adam Gen.3:17-19; 8:20-22. He altered the evil foundational inheritance that was hanging upon man as a result of the fall. God enacted a new covenant relationship with man and the earth. Infact that sacrificial act of Noah enabled him to live to his name Gen.5:28-29. They may be calling you Sweetness but you are reflecting Bitterness like Naomi, until you know how to actualize the spirit of your name by erecting an altar of sacrifice in life, you don't recover or become it.

Moses sacrificed his glory and honour as heir – apparel in Egypt to display divinity in human form on the earth Heb.11:24-26, Acts 7:35-36

## **SACRIFICE: WEAPON FOR FIGHTING STUBBORN BATTLES**

Sacrifice is a divine provoker. It can move God to do what God would not have done under a normal situation.

God shut up the womb of Hannah and so, she remained barren I Sam.1:5, 6. But she went to Shiloh and erected an altar of sacrifice and God reversed His decision I Sam.1:10-11, 19-20. God was angry with David's action in numbering Israel without

seeking God's consent. God decided to wipe out Israel with a bubonic plague. In one day, seventy thousand people had died II Sam.24:15.

David went to erect an altar of sacrifice on the threshing floor of Araunah, the sacrifice turned the anger of God to the pleasure of God and the plague was stopped II Sam.24:24-25. Sacrifice therefore is an altar that alters altars.

The spirit realm is committed to honouring the sacrifice of the higher bidder. There was a battle in array: army against army between Israel and Moab. Elisha had prophesied that Israel would win the battle and Israel was winning. But the King of Moab went to erect an altar of sacrifice with his eldest child that should reign in his stead. That sacrifice altered the configuration and direction of the battle. The victory of Israel was short-lived II Kg.3:26-27.

Sacrifice engages and employs the forces in the supernatural world to act on behalf of a man to outlaw or overturn the regulatory laws of life over a man's life.

Many people remain defeated, depleted and disinherited in life, not because they can't pray or fast or claim God's promises, but because they are impotent and weak in employing the forces of sacrifice to confront the stubborn battles of their lives. Ignorance or not being skillful in employing the weapon of sacrifice may

render a man a perpetual victim or casualty or totally ruined in the battle of life.

In the last day of this programme, as we cry unto God today, raising an altar of sacrifice on account of the stubborn battles of the past months and years, we will enter into the realm of victory at last and we shall begin to sing a new song in Jesus mighty name (Amen).
