FOREWORD

Nothing just works in life, everything that works is worked out. Everything that happens is made to happen. Everything that works in life has keys or secrets or principles by which they work. Inability to locate these keys is what gets destiny grounded, wearing out and wearying destinies. Ability to locate these keys make for sweatless breakthroughs and promote excellence and distinctions in life. It makes stars of men on earth.

The pathways to the discovery of these keys and how to utilize them for man's benefits on earth are the awesome truths that Rev Sunday Dan Akingbelure has taken time to expound to us in this book.

I met Apostle Sunday Dan Akingbelure some years ago when he came to preach for Hope for the Nations Foursquare Gospel Church in Raleigh, North Carolina. From that time, we became divinely connected. I have been intimately magnetized to him through his in depth knowledge in God's word and the unusual ways by which he disseminate the gospel message. He's such an amazing, impactful, transparent and reflective gospel minister who ministers God's word with an unassuming passion. Nobody meets him and wants to miss

him. He's too divinely contagious. He preaches the Bible as if he was there when the Bible was written. He prays like thunder. His prayers attract immediate heaven's attention. His ministrations in our church in Raleigh, North Carolina US, between March 19 – 22, 2020 during the Covid-19 period is difficult to forget in a lifetime.

This book contains nuggets. It carries keys that will open life's doors in every area where you want to stand out and be celebrated in life.

It is a great honor for me and I am excited and fulfilled to write the foreword to this master piece.

Get this book. Read it thoroughly. Digest it. Pray the prayers after each chapter. Buy copies for someone you love. Use this book for seminars and conferences in your organization, church or fellowship. You will richly be blessed thereby.

Not one word or sentence of this book is devoid of meaning and power

INTRODUCTION

I received the burden to write this book during my trip to U.S in March 2020. As I travelled from Dallas in Texas, To Atlanta in Georgia to Los Angeles in California and then Raleigh in North Carolina, the burden became heavier and heavier.

In my trips, I began to see the terrible oppressions and wickedness of satan in the lives of men. I saw the ubiquity and the universality of problems. I saw the whites, blacks and all men of different colors, suffering the same fate in the wicked hands of satan. I discovered that satan, and of course, the problems of life, have no regard for skin, location, education, beauty or background. In some cases, I saw illiterates or the unlettered having upper hands above the literates

As I arrived Nigeria on the day of the border closure on Monday March 23, 2020. I quarantined myself at home and gathered my writing materials to begin to collate my data and gathering my findings. By Wednesday May 27, 2020, the fifty four chaptered book was completed.

The summary of my findings is that life's afflictions are not predestination in God. The universe was created with codes. If you don't have the password into the specific codes into the different areas of life, your sweats will increase, your struggles will multiply and you will not be accessible to life's inheritance. The moment you have the passwords, the codes of life open for you, it does not matter who or where you are in life.

The responsibility of every man therefore is to search out or discover the keys that unlock the locks of life. The moment you have those keys, the impossibilities of life become a walk over for you.

This book is about how to accept and respond to this awesome responsibility to command easy passage into the pleasant riches and treasures in life.

The contents of this book will release you into your divine placement in God. The prayers after every chapter will launch you into the realm of power to subdue life's oppositions.

This book is the formula for solving and resolving life's complex equations. It is the turnaround that your destiny had, for long, been waiting for.

CHAPTER ONE

MYSTERIES AND REVELATIONS

**“And though I have *the gift of* prophecy,
and understand all mysteries, and all
knowledge; and though I have all faith,
so that I could remove mountains, and
have not charity, I am nothing”**

1 Cor.13:2

Creation is coded in mysteries. The issues of God, of His kingdom, and of this life are coded in mysteries

**“It is the glory of God to conceal a thing:
but the honour of kings is to search
out a matter”**

Pro.25:2

**“He answered and said unto them,
Because it is given unto you to know
the mysteries of the kingdom of
heaven, but to them it is not given”**

Matt.13:11

When mysteries are decoded, they become revelations. So, revelations deliver into a man’s hands, keys that open life’s doors. Revelations are

therefore keys that open the door into the treasures of life. Without revelation, life becomes hard, tight and tough.

PETER, IN UNFOLDING MYSTERIES

**“And Jesus answered and said unto him,
Blessed art thou, Simon Barjona: for
flesh and blood hath not revealed it unto
thee, but my Father which is in heaven.
And I say also unto thee, That thou art
Peter, and upon this rock I will build my
church; and the gates of hell shall not
prevail against it.
And I will give unto thee the keys of the
kingdom of heaven: and whatsoever thou
shalt bind on earth shall be bound in
heaven: and whatsoever thou shalt loose
on earth shall be loosed in heaven”**

Matt.16:17-19

The mystery of the identity of Jesus unfolded by Peter delivered the keys of the kingdom of heaven unto him. It distinguished and enthroned him above the other Apostles. It enlisted him among the blessed. This was what qualified him to deliver the great sermon on

Pentecost day that did not conform to normal homiletical exegeses, yet produced the greatest results in sermon delivery.

Jesus, after His resurrection, was ascending into heaven, commanded the apostles to wait in the upper room for the baptism with the Holy Spirit before they could go out to accomplish the assignment he had sent them Acts 1:4-5.

They went to the Upper room and prayed endlessly and wearisomely without results, the Holy Ghost did not come. They were worn out and frustrated at the prayer altar, the Holy Ghost was not in view. It was as if Jesus promises were of non-effect Acts 1:14.

It was when Peter, the man of revelation appeared on the scene that things changed.

Peter, by revelation, discovered that the number of apostles praying for the coming of the Holy Ghost were eleven. He found out when Elijah was praying for God's fire to fall on Mount Carmel. Elijah had to erect altar for the sacrifice according to the number of the twelve tribes of Israel which is twelve. And God has promised to answer prayers by that name Israel. And it was when Elijah looked for twelve stones to erect the altar of sacrifice that God instantly answered prayers by bringing fire down from heaven 1Kgs.18:31-38. The fire was unusual because it burnt stones and licked water.

Peter discovered that the Holy Ghost is also God's fire. So, to bring Him down, the number of the apostles in the prayer chamber must be up to twelve, to synchronize with Elijah's experience on Mount Carmel. Thus he counseled that a replacement be made for Judas who had fallen and displaced by transgression. Matthias was chosen to replace Judas in Acts 1:15-26. Without any further delay, the Holy Ghost descended from heaven and fell upon all of them in the upper room as cloven tongues of fire Acts 2:1-4. The Holy Ghost initiated

them all into the realm of the supernatural, melting away their human frailties, lukewarmness, deficiencies and limitations, setting them all aglow, ablaze and hot for their God.

That is the power of revelation – the unfolding of secrets displayed by Peter. But for that revelation displayed by Peter, the apostles would have been worn out in praying in the upper room without being able to bring the Holy Ghost down. The keys of the kingdom of heaven had been handed over to him by revelation.

Men of revelation don't struggle with life. They take cheap command and control of the issues and affairs of life. Difficult things become easy and simple with them. They command easy passage, sweatless accomplishments and struggle – free results in life's endeavors

PAUL: A MAN OF UNUSUAL REVELATION

**“It is not expedient for me doubtless
to glory. I will come to visions and
revelations of the Lord”**

**“And lest I should be exalted above
measure through the abundance of
the revelations, there was given to me
a thorn in the flesh, the messenger of
Satan to buffet me, lest I should be
exalted above measure”**

II Cor.12:1, 7

“Then fourteen years after I went

**up again to Jerusalem with Barnabas,
and took Titus with me also.
And I went up by revelation, and
communicated unto them that gospel
which I preach among the Gentiles,
but privately to them which were of
reputation, lest by any means I should
run, or had run, in vain”**

Gal.2:1-2

Apostle Paul was a man of unusual revelations and he commanded unspeakable exploits on earth. He accessed the mysteries of grace in God that is not common to mortal men by revelation Eph.3:1-5, 7-9, 1 Cor.15:9-10. His steps and moves in life were by revelation Gal.2:2. By this revelation, he championed the breakthrough of the gospel to the gentiles. He accessed God's mind or secrets and wrote more than half of the epistles of the New Testament. He fought with beast in Ephesus and spent a whole day in the belly of the ocean and still came out unhurt II Cor.11:25, 1 Cor.15:32. His physiology had become divine, it refused to answer to snake poisoning Acts 28:1-6

The Almighty God configured His creation in secrets or mysteries. Those who are able to decode mysteries reign as kings in life Pro.25:2. It is this unravelling of mysteries that grants a man access into the masteries and deliver him from the miseries of life.

In any area of life where you are able to decode mysteries, you gain mastery or dominion in that area. You rule and reign there. You become a god commanding value in that area. That area becomes your selling point, your product where you command patronage in the market of life.

REVELATION DISTINGUISHED DANIEL

Revelation - access into secrets, distinguished Daniel in his generation.

**“As for these four children, God
gave them knowledge and skill in
all learning and wisdom: and Daniel
had understanding in all visions and
dreams”**

Dan.1:17

He was reputed to have unusual access into unusual secrets Dan.2:10-11, 17-19. He could unravel the deep and secret things of God Dan.2:21-22; 5:12. The darkest of the darkness of men are daylight before him. He commanded and exhibited the wisdom that only divinity could display Dan.5:11

He dominated the market in the area of unraveling of mysteries, becoming a consultant to kings and presidents Dan.5:11-16. He became a "homo superior" rather than a "homo sapiens" Dan.6:1-3. At

his days, he was able to see the end of the world in both symbolic and clear terms Dan.7-12. This deified and immortalized him among men Dan.2:46-49.

The treasures or inheritance of God to the sons of men on earth are decoded in mysteries - they are kept secret Isai.45:3, Pro.25:2. Ability to explore secrets and unravel mysteries will grant a man cheap access into the riches of life Ezek.28:3-4.

Secrets are to be unfolded, mysteries are to be decoded for the enthronement and triumph of men in this world Dan.2:19, Eph.3:8

SAMSON: A MAN OF MYSTERY

**“And Delilah said to Samson, Tell me,
I pray thee, wherein thy great strength
lieth, and wherewith thou mightest be
bound to afflict thee.**

**And Samson said unto her, If they bind
me with seven green withs that were
never dried, then shall I be weak, and
be as another man.**

**Then the lords of the Philistines brought
up to her seven green withs which had
not been dried, and she bound him with
them.**

**Now there were men lying in wait,
abiding with her in the chamber. And she**

**said unto him, The Philistines be upon
thee, Samson. And he brake the withs,
as a thread of tow is broken when it
toucheth the fire. So his strength was not
known”**

Judges 16:6-9

A man's life and secrets must be a mystery to his enemies. A man must have his customized secrets or keys by which life answers to him. A man's destiny experiences and keys in life must be coded to the enemy but decoded to himself. This is what will make a man to be invincible, untouchable and unconquerable to his enemies in life. His life will be a forbidden forest, a terror to the enemy. That was the case with Samson. His destiny and life's keys were coded in the seven locks of hairs that exemplified his Nazarene identity. That was a secret between him and his maker. As long as this mystery remained only with Samson, he was a no-go-area to the enemy.

The moment this mystery became decoded - a revelation to Delilah - Samson's enemy, the man that tore a lion with his bare hands became a cheap prey in the hands of the predators of life Judg.16:16-21.

A man's secret or mystery in life is his gate in the spirit realm. The moment his secret or destiny is decoded by the enemy, the enemy is in possession of his gate. The man has fallen. The mystery of Samson was configured into the seven locks of his hairs. That was his key. It was the token of his Nazarite covenant between him and God. With this in place, he was a dreaded creature. He couldn't be dared by any mortal. Samson should have kept this secret jealously. But carelessness and irresponsibility made him to allow this secret to slip and creep into the enemy's hands. The resultant effect was

catastrophic. He lost out in the power game. You must have a secret - a key - in life that is your covenant token between you and your maker. When you keep it, service it and guard it jealously, you remain a mystery among men and a terror to your enemies. You are not programmed in life to fall cheaply into the hands or traps or snares of your enemies except the enemy is able to decode your secrets.

ELISHA IN JERICHO: TERMINATING THE BATTLE THAT IS SHROUDED IN MYSTERY

**“And the men of the city said unto Elisha,
Behold, I pray thee, the situation of this
city is pleasant, as my lord seeth: but the
water is naught, and the ground barren.
And he said, Bring me a new cruse, and
put salt therein. And they brought it to him.
And he went forth unto the spring of the
waters, and cast the salt in there, and said,
Thus saith the LORD, I have healed these
waters; there shall not be from thence any
more death or barren land.
So the waters were healed unto this day,
according to the saying of Elisha which
he spake”**

II Kings 2:19-22

The inhabitants of Jericho could not explain the unpleasantness of the products and experiences of Jericho in spite of the pleasantness of the land, its location and its topography. The city was founded on a plain land, not on the mountain, well watered, though in the desert, with green vegetation. Infact they used to call Jericho the city of Palm trees. Yet the waters were bitter and the ground barren. There was nothing planted that produced fruits. The people's lives were full of efforts without returns, sweatings without sweetness. The city refused to answer to its name. Everything around the city spoke of success and prosperity but the inhabitants were failures and poverty in practical display. Their hard lives and afflictions defied diagnosis and prognosis. That is the description of a battle shrouded in mystery. That was similar to the experience of the New Testament woman with the issue of blood Mark 5:25-26.

Such a battle makes a man of perpetual and chartered victim until the mystery surrounding the battle is decoded by revelation. This situation of Jericho had spanned through decades. This experience explains the realities of prolonged and stubborn battles that many people face in our world today.

When Elisha arrived at the scene, by revelation - access into secrets - the decoding of mysteries - he discovered that the battle of Jericho was foundational. He looked for salt in a new cruse and went to the source - the spring - of the water of the city and declared the Word of God - the origin or source of all creation there II Kgs.2:21, Heb.11:3.

Thus, the city was made whole from its foundation IIKgs.2:22 in the same way that the woman with the issue of blood was made whole from the source of the battle Mark 5:29. It was the revelation of the source of Jericho's battle to Elisha that informed Elisha of the necessary prescription that granted him cheap victory over the battle that had become a stubborn, vicious but hydra headed monster to the inhabitants of the city.

Elisha knew what to do by the power of revelation

The battle that is a mystery to you is what renders you a victim and preys perpetually on you. The battle that has become unfolded or decoded to a man cannot defeat a man again. Power changes hands the moment your battle becomes unfolded to you.

When your battle becomes unfolded to you in life, you gain insight into what to do and the route of escape becomes cheap and easy for you.

The wife of the prophet who died with monumental debt got out of this deadly trap by access into revelation through the grace upon Elisha the man of God IIKgs.4:1-7.

Battles of mysteries render men captives, victims, slaves and defeats in life. When the mysteries behind battles are unfolded, battles cease, warfares become accomplished. Testimonies and celebrations spring out of such stubborn battles. All you need to triumph over your stubborn, prolonged battles is revelation.

JOHN THE BAPTIST: A MAN OF REVELATION

**“And this is the record of John, when the
Jews sent priests and Levites from
Jerusalem to ask him, Who art thou?
And he confessed, and denied not; but
confessed, I am not the Christ.
And they asked him, What then? Art thou
Elias? And he saith, I am not. Art thou
that prophet? And he answered, No.
Then said they unto him, Who art thou?
that we may give an answer to them that
sent us. What sayest thou of thyself?
He said, I am the voice of one crying in
the wilderness, Make straight the way of
the Lord, as said the prophet Esaias”**

John 1:19-23

The identity of John was clear and open to him. He was able to decode the mystery of his identity from the revelation of the prophet Isaiah John 1:23, Isai.40:3. But the Jewish priests and Levites could not decode him. He was a mystery to them.

Your life and destiny must remain a mystery that only you can decode but coded to your enemies or the sons of men. It is a tragedy when your life, destiny or your battles are coded to you. When you don't know who you are in life, life will make you who you are not. When you don't know your life's assignments or why you are here, you will begin to perform another man's assignment. And no one excels or

become distinguished in life by performing the assignment that is not allotted to him. You will be struggling and laboring without any meaningful or tangible results.

John's ability to decode the mysteries of his life and his assignments earned him the reputation of the greatest prophet of the Old Testament in the description of our Lord Jesus Christ Matt.11:7-11

Never allow men to define you or yourself to define yourself by the circumstances of life. Endeavour to define yourself by the revelation of your manual in life - the Holy Scriptures.

Search the scriptures John 5:39. Therein you will discover who you are, why you are here and what must you do to be who you should be in life. The mysteries of your true identity and very existence will be unveiled or unfolded to you from the scriptures. The mysteries of the kingdom of God and the things of God are unfolded in the Book. Explore the Book for your discovery and recovery on the earth.

MYSTERY UNFOLDED: GATEWAY TO TRIUMPHS AND DOMINION IN LIFE

The creations of God, the kingdom of God, and life generally are coded. Inability to decode them promotes experiences of endless weeping, grief and tears. The tears of life continue unabated until you are able to decode them Rev.5:1-5

Inability to decode them makes life a chronicle or journey of miseries and meaningless existence. Your inability to decode the mysteries of

life helps you to take cheap mastery of the issues and affairs of life, granting you access into the life of worth and value in life's journey

In the subsequent chapters of this book, I want to begin to unfold to you, certain mysteries that control some strategic spheres of God's creation, and when you are able to access them by the insights that I will be sharing with you, you shall no more be dominated but you will begin to exercise unreserved and irrevocable dominion in your sojourn on the earth.

CHAPTER TWO

THE MYSTERY OF PRAYERS

**“Call unto me, and I will answer thee, and
shew thee great and mighty things,
which thou knowest not”**

Jer.33:3

Prayer in life, is a mystery. Those who unfold the mystery take cheap mastery of life by it. We were told of Elijah who was human like us. He engaged the force of prayers and brought the elemental forces in compulsion to submit and answer to him. The heavens and earth obeyed and harkened to him James 5:17-18, just like Joshua in Josh.10:10-14.

Why is prayer a mystery?

The acts of God – the miracles we expect in life – are the products of the responsibility of man coupled with the sovereignty of God. But the sovereignty of God is withheld until the responsibility of man is displayed. Thus, it is the display of the responsibility that provokes the sovereignty of God. When the sovereignty of God meets with the responsibility of man, a miracle will result. It is therefore the action of man on earth that will determine the response of heaven. The earth must give the input that generates the finished product from heaven. The earth releases the raw materials that generates the finished products from heaven. The earth releases the moisture that propels the rainfall from heaven.

In Jeremiah 33:3, the miracle that man needs or heaven's finished product is "great and mighty things, which thou knowest not". That is, occurrences that are beyond explanation and exclamation – amazing and surpassing experiences.

But how do we generate this? "Call unto me". This is man's responsibility. It is man that will call unto Him. It is not God that will call. Man has to call unto Him on the earth. This is the raw material he has to provide for the finished products he wants. After calling unto God, what happens? "I will answer thee, and shew thee..." That is God's sovereignty. That is heaven's response to man's responsibility. So, God will not call, it is man that will call. Man cannot answer, it is God who will answer. It is a contract. When man has fulfilled his part in the contract – to call, it commits God to His own part – to answer. The by product is "great and mighty things which thou knowest not". Thus prayer is a key which when man engages it on the earth, commits heaven for a performance or manifestation Matt.16:19. But when man is docile to engage it on earth, heaven remains silent and indifferent to man's needs even if he's qualified for those needs

UNDERSTANDING THE MYSTERY OF PRAYERS

**"The heaven, even the heavens,
are the LORD'S: but the earth hath
he given to the children of men"**

Psalms 115:16

In creation, God reserved the heavens for Himself and the earth for man. So, the earth is man's domain. And the laws that God enacted in

nature that is respected in the spirit realm is the law of domain that states that:-

- There is nothing that must happen in a man's domain without his consent.

By this law, God can, but will not come down to intervene in anything on the earth without the permission or allowance or approval of man because the earth is man's domain. Man's consent is legally required for any occurrence or happenings on the earth. He's to decide, determine and dictate what happens in his domain. That's why the Bible says,

**“Thou shalt also decree a thing,
and it shall be established unto thee:
and the light shall shine upon thy ways”**

Job 22:28

Therefore, God does not intervene in any situation in the affairs of life except man invites or allows Him. The intervention of God is a product of the invitation of man. God could not intervene in the 25 years barrenness of Abraham and Sarah, until Abraham invited God Gen.18:1-10; 21:1-2

Even when God wanted to go and destroy Sodom and Gomorrah, the consent of Abraham was needed Gen.18:17-33. And prayer is the medium by which his consent is elicited in the interventions and operations of God on the earth. Practically, nothing works or happens on earth until man prays.

The law of domain also posits that man is not permitted to suffer defeat in his domain. If he looks as if he's defeated, its not ultimate, its

temporary. That was why Jacob prevailed against the angel that wrestled with him at Bethel Gen.32:24-28.

Don't forget that angels excel in strength Psalm 103:20. One angel slaughtered one hundred and eighty five thousand armed Assyrian soldiers in one night 1 Kgs.19:35. Yet that same angel could not defeat only Jacob. That was because the battle took place in man's domain or territory and the law of domain does not allow a man to be defeated in his God given territory. Heaven is the domain of the angel, he could defeat Jacob there, but not on earth. The angel Michael defeated satan in heaven because that was Michel's domain Rev.12:7-9.

Man, through the instrumentality of prevailing praying, exercises his God given authority in his domain, to either allow or disallow things from happening on the earth. Even God, honors and respects that law. When you understand this mystery, you know that prayer is not optional, it is a compulsory course in the quest for dominion and possessing your rightful inheritance on earth.

WITHOUT PRAYER, WE PERISH

The earth is man's territory that God has given to him Psalm 115:16. Man, by the law of domain, is supposed to be in charge, in control, exercising dominion here on earth. Nothing is permitted to happen here without his consent because it is his domain. Every occurrences has his endorsement, consciously or unconsciously.

Man must be conscious of the reality of this law and accept responsibility for it. God Himself does not come down here to act or intervene in the affairs of man without man's consent by inviting God.

Prayer is the medium by which man invites and commits God to his situation on earth.

Herod Antipas had arrested John the Baptist and put him in prison Matt.14:2-3. The whole world knew that John was a world acclaimed prophet of God Matt.14:5. Even Jesus attested to the greatness of John as God's prophet Matt.11:11-12. So, everybody thought God would intervene. Even John himself was sure that God would do something. But the earth is given to man. God does not come to intervene on the earth until man invites Him in prayers Jer.33:3. For John, no prayer was made. God was ready in heaven. The angels were in rapt attention. But heaven was not invited and committed. Until John the Baptist, the greatest prophet ever lived at the time, the forerunner and announcer of our Lord Jesus Christ, was beheaded to mark and celebrate the birthday of the king Matt.14:6-12.

God did not want His servant to become a victim of a gruesome death of that magnitude. He was able and willing to rescue His servant, but He was not invited to the scene. He will never break His law nor alter heaven's protocol to impose Himself on man on earth. Man's ignorance of this law of domain and inability to enforce it in warfares are the reasons for his needless oppressions, afflictions, intimidations and disasters often unleashed upon him in his territory on this earth.

This is the sad end of John the Baptist, the destiny prophet of the Most High God Luke 1:13-17.

Thus, without prayer, we perish.

The Herod family is a blood thirsty dynasty. Herod Agrippaa1 followed the footsteps of his ancestor Herod Antipas. He succeeded his uncle Herod Philip II as Tetrach of Itumen. He took James, the brother of

John, sons of Zebedee that were among the early disciples of Jesus. People thought that James was a great man of God, God would intervene. Heaven was not provoked. There was no praying. God was not invited and so there was no divine intervention. Herod slaughtered James like a Christmas fowl. God does not intervene in any situation on earth, until man invites Him Acts 12:1-2.

Then Herod proceeded further by arresting Apostle Peter. He put him in prison, waiting for execution after the order of John the Baptist Acts 12:3-4. Satan will always proceed further if you didn't stop him. The way to stop satan from proceeding further in his ministry of stealing, killing and destruction, is to stop him. If you don't stop satan, he will stop you.

THE MYSTERY OF PRAYERS

Then God was invited

**“Peter therefore was kept in prison:
but prayer was made without ceasing
of the church unto God for him”**

Acts 12:5

The invitation of God through the instrumentality of effectual, fervent, prevailing praying provoked divine intervention and the dispatch of heaven's rapid response squad to prison where Peter was kept. Angel came to the scene, broke the chains with which Peter was bond, open the prison doors without key and brought Peter out of the prison Acts 12:6-10.

Infact, before the angel return to heaven, he went to Herod's palace to enforce the law of retribution. The law of retribution says that "My enemy's life will be a ransom for my own life", "anybody that wants me dead must die in my place", "evil arrows programme for me must backfire by fire" Pro.21:18, II Thess.1:6. So, the angel visited Herod in his place to enforce this law. The angel knocked Herod's head and worms ate him alive Acts 12:21-23.

Prayer provokes angels on assignment and angels excel in strength Psa.103:20. Thus, all the interventions of God in the affairs of men on the earth are predicated on the invitation to God by men through the machinery of fervent praying.

DANIEL: A MAN OF PRAYER, A MAN GREATLY BELOVED

There are two men that are called the beloved of God in the Bible, and the two of them are men of great prayers.

First is Daniel Dan.10:11 and the second is our Lord Jesus Christ Matt.3:16-17; 17:5

Daniel had provoked sufficiently divine intervention in his affairs in life through effectual fervent praying Dan.6:10-11 that angels on assignment were at his bidding at every minute of his life. He commanded angelic ministration in the den of lions Dan.6:22-23. His antagonists that were novice in the art of praying and securing divine intervention became food for lions Dan.6:24.

The prayers of Daniel were so potent that the supernatural results he attracted became the attention and declaration of a pagan king Dan.6:25-28.

Prayer therefore attracts God, brings Him into the scene of a man's life. Without prayer, He won't come. He won't act. He won't intervene in a man's situation. The enemy will be having his field day in a man's life Isai.56:9-11.

THE LIMITATION OF SATAN ON EARTH

Jesus rose up from the dead to announce to us that all powers on earth and in heaven had been given to Him Matt.28:18. He gave those powers to those who believed in Him Luke 10:19.

Therefore there is no place in the entire Bible where power is given or attributed to satan.

Satan only has subtilties Gen.3:1, wiles Eph.6:11, fiery darts Eph.6:16, devices II Cor.2:11, deceptions Rev.12:9, cunning craftiness Eph.4:14.

The devil is not permitted and has no power to dominate, enslave, bind, stop or afflict man in man's territory which is the earth.

HOW DO YOU HANDLE OR RELATE WITH SATAN ON THE EARTH?

He's under your feet Rom.16:20

You trample on him Luke 10:19

You resist him James 4:7, 1 Pet.5:9

You cast him out Mark 16:17

You bind him Matt.16:19, Rev.20:1, 2

You give him no place Eph.4:27

You destroy his works 1 John 3:8

And when you do these things, he must obey you.

You do all these things on the altar of praying in the name of Jesus and Satan cannot resist that for he has been mandated to bow and submit to the name of Jesus Phil.2:9-11

On the earth which is the domain of man, the devil does not deserve a bit of attention at all. You relate with and treat him as a toothless bulldog. You give him command instruction as a nuisance and an unwanted liability that needs to be chased away. You don't relate with him as a power broker. He's already defeated at Calvary. He's powerless and has no authority to exert on man upon the earth.

Satan cannot dominate man. He can only go on the earth or in a man's life as far as man can allow him. So, you must not allow him. Give him no place Eph.4:27.

Satan cannot operate in your life to oppress or afflict you except he has a legal ground. If there is no legal ground, his operations and activities in your life are a bundle of illegality predicated upon either your ignorance Hosea 4:6, Isai.5:13 or your lethargy or inability to enforce your dominion mandate by prayer warfare Matt.11:11-12, Luke 11:21-22.

Your knowledge of who and where you are in relation to devil will generate divine strength into you by which you send the devil packing from your territory.

PRAYER POWER

Prayer is the means by which you partner with God to enforce His will to be done on the earth Matt.6:9-10. Prayer is an invitation to God to intervene in the affairs of man on earth.

Prayer is therefore limitless. It can accomplish as much as God. Prayer restores lost strength and glory Judg.16:28-30.

Prayer collapses time and makes the results of years ahead to be realized today Matt.15:21-28.

- The dried scattered bones in the open valley of Ezekiel, rose to become a great army after Ezekiel had prayed Ezek.37:1-10
- Prayer reverses the irreversibles and revokes the irrevocables of life. It reverses verdicts, judgments, decisions and conclusions of the spirit realm as was the case with King Hezekiah II Kgs.20:1-6, Hannah 1 Sam.1:5, 6, 10-11, 19-20.
- Prayer converts the impossibilities of life into cheap testimonies – as in the case of Sarah Gen.21:1-7, Elizabeth Luke 1:13-19.
- Prayer opens prison doors and effects the release of the prisoners from the stubborn incarcerations of life Acts 12:5-10.
- Prayer performs amazing wonders Jer.33:3.
- Prayer closes and opens heavens and compels the release of the fruit of the earth James 5:17-18.

Prayer is a mystery, that when a man accesses or unfolds, brings heaven to bare on the earth, taking cheap mastery, control and dominion of the affairs of life.

CHAPTER THREE

THE MYSTERY OF POWER

Power is one of the mysteries that determine or explain most of the occurrences and experiences of life. Essentially, power resolves the equations and the complex transactions of life. Power is the myth behind answers to the unanswered questions of life. Power gives life beauty, color and meaning.

DEFINITION, DESCRIPTION AND WORKS OF POWER

Power gets things done in life. Our coming to this world is by power. Our entering into the womb of our mother was in the midst of stiff and destructive competition. Thousands of spermatozoa engaged in tough competition until only one survived the conflict that resulted in the pregnancy in the womb of the woman, and then you were born. Your delivery was in the midst of tough battle resolved only by power. Some children died in the womb of their mother. Some died at child birth. Some died young. Every step in the journey of life till where you are now is an expression of power.

Power works things out in life. Everything that refused to work for a man is due to absence of, or inadequate power. Life and its operations are serviced by power. Life and its operations become grounded, stiff and still when power ceases.

It takes power to become and to attain.

**“But as many as received him, to them
gave he power to become the sons of God,
even to them that believe on his name”**

John 1:12

**“And declared to be the Son of God
with power, according to the spirit of
holiness, by the resurrection
from the dead”**

Rom.1:4

Whatsoever or whosoever God has created you for, you don't become it until power comes. To be who and where you should be in life, you need power.

You need power to fulfill destiny. When you have discovered your purpose in life, you need power to fulfill or realize it.

Jesus called the twelve disciples and told them that they will go to the ends of the world to preach the gospel to every creature but He quickly warned them to wait for enduement with power before embarking on the assignment Luke 24:48-49, Acts 1:8.

Whatsoever you want to do or pursue or to realize or to fulfil in life, you need power to get it done. Without power, life's endeavors will become aborted pregnancy.

What you can't accomplish – what you struggle for – what you are denied in life – is what you are not empowered for.

You can't breakthrough in life beyond your power level. Your power limits determine your height, class, status and stature in life.

You maintain your status or level and upgrade it by power. What you have increases, decreases or remains stagnant by your power level Psalm 105:24.

POWER BREAKS BONDAGE, PROMOTES FREEDOM

Bondage or freedom, whichever one you are enjoying in life, is a reflection of the power you carry.

God was announcing to Moses, His programmed agenda to release Israel from the stubborn bondage in Egypt and bringing them into their promised, freedom land – flowing with milk and honey in Exo.3:7-10, and God quickly has this to say:-

**“And I am sure that the king of Egypt
will not let you go, no, not by a mighty
hand.**

**And I will stretch out my hand, and
smite Egypt with all my wonders which
I will do in the midst thereof: and after
that he will let you go”**

Exo.3:19-20

Bondage therefore is a proof of powerlessness. There are bondage masters and slave drivers in life. They keep men perpetually and stubbornly in the land of bondage by their own power Exo.5:1-2. You need a superior power than theirs to effect your release from their

stronghold and covenant. Until a superior power arrives, your deliverance from their captivity is not decided, determined and delivered.

When God's superior power came, Pharaoh that was hell bent never to release Israel from bondage in Exo.5:1-2, was begging them to leave in Exo.12:29-33

Thus power breaks the yoke of bondage and promotes the force of freedom. The spirit of the Lord is the bondage breaker II Cor.3:17. And the spirit of the Lord is the generator of power Acts 1:8.

The reign of bondage continues until power arrives. What is the proof of bondage in a man's life? Hard, bitter, difficult life Exo.1:13-14, Isai.14:3. Simple and easy things becoming difficult. Sweatings and strugglings without results. Road blocks, hindrances and barriers. Continued stagnation. Endless disappointments, failures and frustrations. Experiences of labor without favor. Experiences of domination, slavery and servitude. Vicious cycle of oppressions, affliction and infirmities. Inability to rise or be lifted in life. Being tied perpetually to a particular destruction, affliction and infirmity Luke 13:11. These are the languages or expressions of bondage in a man's life. There are bondage masters that enforce, monitor and supervise these experiences in a man's life. They do this by the powers available at their disposal Exo.5:1, 2.

But when a superior power comes, their powers become irrelevant and annulled. Their chains are broken. Their captives are released and freedom is delivered Isai.14:2.

Thus, freedom is enhanced by power. Freedom makes for easy passage. Freedom makes for sweetness and struggle – free results and

accomplishments Deut.6:10-11. When freedom comes, difficult things become easy. Power gives way for gains. Impossibilities become a walkover. Testimonies and celebrations come out of stubborn, prolonged battles Psa.126:1-3.

Infact, it takes power to ascend and remain on the throne in life. Without power, you remain at the lowest, ebb on the ladder of life, becoming the tail and the beneath in life's social stratification system.

POWER DIVIDES SOCIETY

In Acts 3:1-11, we can see three dominant classes of all men in the society according to the way power has divided them. The power you command determines the class to which you belong.

The first class of people are the conquered or the victims or the defeats or the overcome.

**“And a certain man lame from his
mother's womb was carried, whom
they laid daily at the gate of the
temple which is called Beautiful, to
ask alms of them that entered into
the temple”
Acts 3:2.**

These are people in life that powerlessness has reduced and mortgaged their destinies to this realm. Their identities are lost in their battles. They use their battles to define or describe them. A

certain man – no name. Their battles began from the womb. The problem is older than him. They are carried. They are perpetual dependants. They are by gate Beautiful, yet they are ugly. They sit beside gold, yet poor. They are compelled to beg as their occupation. They have no choice or will or decision over their lives. Some people died here if their power level did not increase in life.

The second class of people are the conquerors – the overcomers – the victors.

**“And he leaping up stood, and walked,
and entered with them into the temple,
walking, and leaping, and praising God.
And all the people saw him walking and
praising God:
And they knew that it was he which sat
for alms at the Beautiful gate of the
temple: and they were filled with wonder
and amazement at that which had
happened unto him”**

Acts 3:8-10

The increase in power level had made this man to overcome what had overcome him before. What he couldn't do in forty years, he accomplished in forty seconds. He had taken his captors captive Isai.14:2. He had arrested his arresters. He had turned his battles to

testimonies. He became a wonder and amazement to himself and his world.

It takes a greater power than the one that one had before to arrive at this bus stop in life.

The third class of people in the society are the more than conquerors – the deliverer of deliverers.

**“And he took him by the right hand,
and lifted him up: and immediately
his feet and ankle bones received
strength”**

Acts 3:7

These people are not just miracle seekers, they are miracle providers and distributors. They are solutions and answers to the puzzles in the lives of men. They make things happen. They terminate battles and bring the hands of God to bare in the situations and circumstances of men.

It takes the most superior power to get to this realm. Before Peter and John could get to this realm, they were prayer addicts and power hungry. They were going to the temple at the hour of prayer Acts 3:1. The hour of prayer is the hour of power. To increase your power level, you must learn to increase your prayer vigor in life.

Thus the power level you carry, will determine the class you belong to in the society or in your generation.

ASCENDING INCREASING POWER ALTITUDES IN LIFE

In life, power has no peak. God is the ultimate of power. The more of power you crave for and work towards, the more you experience. The more hungry and thirsty you are of power, the more you get. There is no end to power encounter.

In the class of more than conquerors, men are of different levels.

There is the level of touching Acts.3:7.

Then, later in the quest of power or in ascending increasing power altitudes, level changes to just speaking Acts 5:1-11. There is no need of touching. The tongue has become the extension of the mouth of God.

Later, level changes from talking to shadow casting Acts 5:15. So, the deeper your hunger and thirst for power, the greater the power you attract and command, then the greater the exploits you command in the journey of life.

CHAPTER FOUR

DECODING THE MYSTERY OF POWER: WHEN POWER COMES

Decoding the mystery of power grants a man access into power. Inability to access power makes a man an object of misery and pity for the rest of his life.

Access into power delivers the following divine dividends to a man.

First, enemies bow. Power compels opposition to bow, submit and surrender. Power does not entertain negotiation or consultation with the enemy. It just compel enemy to surrender.

**“Say unto God, How terrible
art thou in thy works! through
the greatness of thy power shall
thine enemies submit themselves
unto thee”**

Psalm 66:3

Stubborn Pharaoh crumbled, bowed and surrendered with pleading, when God showed up His power in the lives of the children of Israel in Egypt. His unbending arrogant and proud heart collapsed and melted at the instance of power Exo.12:29-33.

Wicked Abimelech bowed down and surrendered when he was plagued by the display of God's power in the life of Abraham. He had to restore Abraham his wife and all he took away from Abraham with interests under divine compulsion by power Gen.20:7-18. It was the display of power that terrorized Laban the Syrian and compelled him to give up his evil pursuits and plans against Jacob Gen.31:23-25, 29.

Second, battle is subdued. It takes power to subdue and terminate battles. Battles and power are inversely related. Fire power extinguishes the fire of battles. Power causes battles to cease Psa.46:8-11. When battles cease, losses are restored back 1Sam.7:13-14.

All that the stubborn and prolonged battles of your life are waiting for is the arrival and baptism with power. The appearance of power will automatically produce the disappearance of battles. The arrival of power activates the demise of battles and the destruction of the weapons of war.

Third, motion is injected. Power propels motion. Stagnation or the status quo is a proof of absence of power. Isaac Newton has posited that:

*"A body is in a state of perpetual rest,
And only moves in an opposite direction,
Proportional to the force exerted on it".*

Thus, it takes power to enforce or compel motion. Until power comes, continued stagnation is the master.

The man at the Beautiful gate was stagnated for forty years Acts 3:2; 4:22. There was a power that kept him in that state for those years. But when a greater power came upon him, movement and motion were injected. Progress came Acts 3:8-10. Movement was accelerated. He

enjoyed divine speed. He realized in the twinkling of an eye what he couldn't do for decades. That is the exploit of power.

Fourth, the conclusion of the enemy is reversed, his works are destroyed. The works of the enemy are programmed for destruction 1John 3:8. But it takes power to realize this.

The curse of Joshua brought barrenness and bitterness to Jericho Josh.6:26. It takes power under Elisha to reverse it IIkgs.2:19-22. It is the accomplishment of the works of the enemy that brought the woman with the issue of blood to her state of misery Mark 5:25-26. It took power to reverse it Mark 5:29-30. The woman that was tormented in affliction was under an oppressive power Luke 13:11, 16. It took a superior power to release her Luke 13:12-13. The works and conclusions of the enemy hold men down until a superior power arrives. Power therefore reverses enemy's verdicts, destroys his works.

Fifth, destiny is released for fulfilment. Your destiny is the purpose that brought you to this world. It needs to be discovered, pursued and fulfilled to give life meaning, worth or value. But you can't accomplish this without power.

Jesus came to redeem mankind from sin and deliver men from the fetters and bondage to satan. Jesus couldn't accomplish this until power came. He went for an adventure into power in a 40 day fasting and praying in the desert. After this encounter the Bible says:

**“And Jesus returned in the power
of the Spirit into Galilee: and there
went out a fame of him through all the
region round about”**

Luke 4:14

The book of Matthew explained how he began to terminate all the works of the devil to begin to realize his ministry without sweat as a result of the power of God that came upon him.

Sixth, there is ease in accomplishing divine commission. Power provokes divine backing to realize divine commission. Whatsoever you want to do or God sent you to do in life, without His backing, you will be sweating, struggling and laboring and there will be no results.

Jesus died, rose from the dead and dispatched his disciples to go to all nations to preach the gospel and make disciples for Him Matt.28:19-20, Mark 16:15-18. But they couldn't realize this awesome assignment until they secured His backing through an encounter with power Acts 1:8, Acts 2:1-4. Power therefore guarantees divine backing to realize and fulfill divine commission.

Seventh, dominion is secured. Power prevents domination and servitude, secures coronation and enthronement Psa.66:7.

PRAYERS

2. Power that gets things done with ease, fall upon me as from today in Jesus name.

12. Power to prove the enemy liars, fall upon me as from today in Jesus name.

CHAPTER FIVE

DECODING THE MYSTERY OF POWER: THE ESAU'S EXPERIENCE.

**“And Isaac his father answered and
said unto him, behold, thy swelling
shall be the fatness of the earth, and
of the dew of heaven from above.
And by thy sword shalt thou live, and
shall serve thy brother; and it shall come
to pass, when thou shalt have the
dominion that thou shalt break his
yoke from off thy neck”**

Gen.27:39-40

Esau's problem started from the womb. Before he was born, he was not favoured. There was a sentence against him that he would serve his brother Gen.25:21-26. So, the curse of slavery and servitude was hanging upon him from birth.

Some people will say that was his destiny and they used to say that there is nothing you can do about destiny. They said it had been predetermined. Predestination as they call it.

Eventually, the events of Esau's life began to unfold along that line as his journey in life continued.

The father, Isaac, wanted to release the first born blessings upon him before he died. Isaac asked him to prepare an animal he loved for him to eat before he could bless him Gen.27:1-4. In connivance with their mother Rebekah, Jacob had come with mischief and subtility to truncate and direct the blessing to himself.

By the time Esau returned with the savory meat to Isaac his father, he heard that Jacob had gone with the blessing Gen.27:30-33.

Esau refused to give up. He turned deaf ears to his father's verdict. He cried unto his father for the blessing he desperately needed Gen.27:34.

His father Isaac replied that there was nothing that could be done as he has bestowed all blessings upon Jacob Gen.27:35. Yet Esau refused for an answer. He determined that there must still be a reserved blessing for him. He cried for it Gen.27:36.

His father replied that all hopes were lost as he couldn't reverse the blessings on Jacob and that he had made him to serve his brother, Jacob Gen.27:37.

Esau was undaunted. He held unto his father tenaciously, crying for blessings that couldn't be exhausted from source Gen.27:38.

Then, the verdict changed. Blessings came down from source like downpour of rain from heaven Gen.27:39-40. The heavens that were shut before opened again.

But then, there was a demonic hangover - the vestige or remnant of a foundational curse in the blessings invoked upon Esau. It was a carryover of the curse he inherited from birth. These evil carryovers according to Gen 27: 40 include:

(i) You will live by your sword

(ii) You shall serve your brother

(iii) When you access power (Dominion), you will break his yoke from your neck.

Esau left his father's presence in search for power to break this evil foundational inheritance, break the yoke to serve his brother from his life and to recover his lost blessings to Jacob.

By an encounter with power, things changed radically for Esau against those evil hangovers upon his life. Evil predestination and the scourge of the tongue became reversed, revoked and annulled over his life.

ESAU REVERSED THE CURSE!

“.....when thou shalt have the dominion.....”

Gen.27: 40

That is when you have accessed or encountered power.....

On Esau's adventure into power, he broke the curse and reversed the evil foundational inheritance. He reversed the yoke of evil predestination. He annulled the scourge of the tongue from his head. By an encounter with power, he proved his father wrong.

First, at his returning back from Laban, Jacob acknowledged that he is a servant to Esau. He called Esau his lord, contrary to Isaac's verdict that Esau would be Jacobs's servant Gen.32:4-7, see Gen.27:37.

Esau said it was you that made me his servant, not God, what God has not made me, I refuse to become. I am the first born, he must

become my servant. *“Who is he that saith and it cometh to pass when the lord commanded it not?” Lam 3: 37.*

Second, Jacob bowed several times to Esau as a servant bows to his master Gen.33:5-9.

Third, at their meeting after several years of their separation, both confessed that they have enough and didn't need to depend on the other person Gen.33:9-11. So, they have equal blessings.

Fourth, both were stupendously rich and their riches were equal Gen.36:6-7

Fifth, Esau had established monarchy and great dynasty before Jacob Gen.36:31. So, he was ahead of Jacob.

Sixth, he was blessed with Jacob, so, he got his blessings back Heb.11:20.

Esau thus succeeded in realizing the dominion mandate of Gen.1:28. By an access into power, he revoked the yoke of evil predestination upon his life and recovered lost blessings. That is the mystery of power in extracting masteries out of the mysteries of life.

PRAYERS

1. Power to reverse evil foundational inheritance, fall upon me right now in Jesus name.
2. Thou the yoke of evil predestination hanging upon my destiny, break and release me now by fire in Jesus name.
3. Thou the yoke of the scourge of the tongue upon my destiny, break and release me now by fire in Jesus name.

CHAPTER SIX

DECODING THE MYSTERY OF POWER: THE JACOB'S EXPERIENCE.

“And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed”

Gen. 32:28.

“He took his brother by the heel in the womb: and by his strength he had power with God.

Yea, he had power over the angel, and prevailed: he wept, and made supplication unto him: he found him in Bethel, and he spoke with us”.

Hosea 12:3-4.

Jacob also discovered the need for adventures into power in life.

- (i) He was also a victim of evil foundational inherence Gen.25:26.
- (ii) He carried a cursed name Gen.25:26.
- (iii) His nature was corrupt Gen 25:29-34; 27:36
- (iv) He was a victim of labour without favour Gen.31:40-42.
- (v) He was a victim of manipulation Gen.29:25.

(vi) He was a victim of poverty Gen.28:11.

To contend with the miseries of his life, he engaged in the battle for power encounter Gen.32:24-28.

Thus, he had power encounter at Penuel Gen.32:28-32. By that encounter:

- (i) He prevailed against the angel Gen.32:28, Hosea 12:4.
- (ii) His name (identity) changed Gen.32:28.
- (iii) An evil implantation went out of him Gen.32:31-32.
- (iv) By power, his sunset turns to sunrise Gen.28:11, 32:31.
- (v) He moves from curse to blessings Gen.32;29.
- (vi) He began another foundation – the nation of Israel. He became exception to the evil rules of his father's house. Abraham had one child of promise. Isaac had two. Jacob had twelve.

Thus when power comes, you breakthrough evil foundational and ancestral barriers to become exceptions to the evil rules of your father's house. That is the mystery of power in life's journey.

11. Power that turns labor to favor, fall upon me now in Jesus name.
12. Thou the yoke of poverty, break upon my life right now and release me to prosperity in Jesus name.

CHAPTER SEVEN

DECODING THE MYSTERY OF POWER: HOW POWER COMES

The mystery of power is decoded or unraveled by access into power. You access power by quest for power. You develop an insatiable hunger and thirst for God's power. People that are lethargic, complacent and indifferent to power cannot access power. Power is attracted to the one that is desperate for it. Power is a treasure, a commodity of value in God's kingdom. Treasures don't come cheap. They are not found at the surface. They lie down deep in the hidden and secret places of life. Power is not accessible to the man that has an alternative to it. Power is not optional in the journey of destiny fulfillment.

***“As the heart panteth after the water
brooks, so panteth my soul after thee O
God.***

***My Soul thirsteth for God, for the living
God: when shall I come and appear before
God?***

***My tears have been my meat day and night,
while they continually say unto me, where
is thy God?”***

Psalms 42:1-3

***“O God, thou art my God; early will I seek
thee my soul thirsty for thee, my flesh
longeth for thee in a dry and thirsty land,
where no water is;***

***To see thy power and thy glory, as so as I
have seen thee in the sanctuary”***

Psalm 63:1-2

These are the lamentations and cravings of the man that wants to access the power of God. The power of God is available to the man that craves for it with all of his being, with every readiness to count the cost of it. The power you have not manifested is the price you have not paid.

You may go in an adventure into the power alone. Jesus went in this search in a forty day dry fasting and praying in the wilderness Luke 4:1-13. At His returning back from this search, God’s power came with him Luke 4:14-15. He began to command uncommon and extraordinary results Matthew 4:23-25. He spent most of his nights and days on the mountains in praying Mark 1:35, Luke 6:12.

No wonder all men were looking for Him Mark 1:37, John 12:19. Jesus spent his life looking for God, seeking God’s presence and he reaped the harvest of power. When you seek for God with all your heart, you will surely find Him and attract His power Jer.29:13-14.

Sometimes, you seek to access God's power by following hard after a father or mentor that is manifesting the power. This was the case with Elisha in following hard after Elijah who was a magnet for God's power. He eventually contacted the double portion of Elijah's power according to his desperate desire II Kgs 2:1-15. The power of God can be transferred to you from someone who is spiritually higher than you.

Elisha exhibited the raw powers of God. He performed thirty two in place of the sixteen miracles of his master, Elijah. The only man in scriptures who performed his last miracle post humously II Kgs. 13:20-21. He contacted the power by his rugged pursuit of Elijah.

You can also contact God's power by connecting to a spiritual companion in an adventure into power. You move with a man that is hungry and thirsty of God's power like you.

We read of Peter and John going to the temple at the hour of prayers Acts 3:1. The hour of prayer is the hour of power. No wonder they encountered power that raised the paralytic by the Beautiful gate of the temple Acts 3:6-8. Peter and John were prayer companions. The apostles were prayer companion Acts 4:23-31. No wonder, they were all visited with God's immeasurable power Acts 4:17-19. Daniel had prayer companions Dan. 2:17-19.

You must have companions in your adventures into power to connect you to God's power.

Your desperate desire for God's power will drive you into commitments and sacrifices or self-denials to qualify you for the rainfall of the supernatural. And when the power comes, you begin to unfold the mysteries of His power for a triumphant lifestyle on the earth.

PRAYERS

1. Power for uncommon results and rewards in life, fall upon me right now in Jesus name.
2. Power to become extraordinary in life, fall upon me now in Jesus name.
3. Power for conquest and triumph in life, fall upon me right now in Jesus name.
4. Grace to carry divine presence, fall on me now in Jesus name.
5. Thou the heavens of my rainfall of God power, open unto me now in Jesus name.
6. Oh God, I am thirsty of your power, envelope me right now with the garment of your power in Jesus name.
7. I refuse to be a victim and a defeat in life in Jesus name.
8. Power to become a terror and a dread to satan and his cohorts, fall upon me now in Jesus name.
9. Power that is available on the altar of prayers, fall upon me now in Jesus name.
10. Power to rule in the midst of the enemies, fall upon me now in Jesus name.

CHAPTER EIGHT

THE MYSTERY OF THE OPPORTUNITIES IN ADVERSITY

**“But as for you, ye thought evil
against me; but God meant it
unto good, to bring to pass, as
it is this day, to save much
people alive”**

Gen.50:20

**“And we know that all things work
together for good to them that love God,
to them who are the called according to
his purpose”**

Rom.8:28

To some extent, Karl Marx's theory of the thesis interacting with the antithesis to generate the synthesis is true and real to life. It is the good and evil that travel together. Every adversity in life has tremendous, hidden, great opportunities within it. Inside death is life John 12:22. Every tear of sorrow has the capacity of reproducing tears

of Joy. Hannah's tear of sorrow in 1Sam.1:7-8 became tears of joy in 1Sam.1:26-28.

Inside the chaotic, formless, empty, ugly and ruined earth came out the beautiful, ordered and perfect earth Gen.1:2, 31.

The adventure that was meant for the judgment and destruction of Sodom and Gomorrah in Gen.18 became for the deliverance of Abraham and Sarah from the destructive bondage to barrenness.

It is the interaction of both the positive and negative that causes current to flow in electricity.

Everything in life that hurts also carries some soothing and healing balms within it. Whatsoever will hurt will also help you. Whatsoever will ruin you also has the capacity for raising you. It was meant for hurting and ruining for Joseph, but it turned out for his lifting Gen.50:20; 42:21.

The four lepers at the gate of Samaria suffered terrible adversities of estrangement, rejection, abandonment and dereliction for years. But inside their adversities lie their deliverance, lifting and prosperity in life IIkgs.7:3-8. There is therefore no affliction in life that did not carry some measures of affluence within it.

Inside the open valley of Ezekiel, overlaid with bones that were dried and scattered lie a great army Ezek.37:1-10.

THE COVID19

The Covid19 that invaded the entire earth in the early months of Year 2020 was devastating and adverse. It grounded the economy of nations, shut down worship centres, crushed many businesses and endeavors, sent many loved ones prematurely to the grave, brought

untold famine and hardships. The great losses incurred across the nations of the earth looked irrecoverable.

Terrible as the scenario looked, there are hidden, golden opportunities that it carried. It will pull down or ruin some people, some people will rise by it. Some will go into the abyss and oblivion by it. Some will come to fame, significance and state of renown by it. As it will hurt some, it will also help some. The same thing that breaks some people in life, will build some other people.

That is one of the mysteries of life. Adversities of life carry hidden opportunities within them!

PRAYERS

1. I break the yoke of adversity upon my life right now in Jesus name.
2. Every yoke of hard life upon my life, break and release me now by fire in Jesus name.
3. Every program of bitter and difficult life organized for me in life, break and release me now by fire in Jesus name.
4. Every covenant with bitter bondage upon my life, break and release me now by fire in Jesus name.
5. Thou the covenant with sweat and struggles, on account of my life, break and release me now by fire in Jesus name.
6. Every arrow of adversity, fired at me in life, be roasted by fire in Jesus name.
7. Power that turns every hurt to help in life, fall upon me as from today in Jesus name.
8. Power that melts away the hardness of life, fall on me as from today in Jesus name.
9. Power that turns oppositions to opportunities, fall on me as from today in Jesus name.
10. Power that turns impossibilities into testimonies, fall upon me as from today in Jesus name.

CHAPTER NINE

UNFOLDING THE ADVERSITIES OF LIFE

**“The LORD on high is mightier than
the noise of many waters, yea, than
the mighty waves of the sea”**

Psalm 93:4

Adversities are coded in life. You can't access the opportunities they carry until you are able to decode them. Adversities of life speak. Problems speak. You must be able to understand their language if you will access into the advantages they have.

There are seven ways of decoding or accessing the adversities of life in order to take delivery of their hidden opportunities. There is no challenge or problem of life you have that does not have significant benefits hidden in it for you. There are keys that will open the door of the benefits for you.

First, see solution in the midst of the problem. See opportunities within the adversity.

In order to see the solution in the problem, you must first need to remove the 'mud' in your eyes. The mud prevents sight and revelation.

**“And the water was spent in the bottle,
and she cast the child under one of the**

shrubs.

**And she went, and sat her down over
against him a good way off, as it were
a bowshot: for she said, Let me not
see the death of the child.**

**And she sat over against him, and
lift up her voice, and wept...**

**And God opened her eyes, and she
saw a well of water; and she went,
and filled the bottle with water, and
gave the lad drink”**

Gen.21:15-16, 19.

Let me show you something first from this text. Abraham was sending Hagar and Ishmael away from home into a journey of no return in a hot, dry desert and what Abraham gave the two of them was a bottle of water and a loaf of bread Gen.21:14. But when God opened the eyes of Hagar, what she saw was a well of water Gen.21:19. No man can meet your needs. What man has for you is a bottle of water, but what God has for you is a well of water. In life, it is only God that can supply all your needs Phil.4:19. Hagar sat down beside the well of water but the tears and crying did not allow her to see the well of water. The tears in her eyes is the ‘mud’. As long as your eyes are full of crying and weeping because of the adversity and problem, you will not be able to see the hidden opportunities in the adversity.

David's servants were weeping beyond measure when the Amalekites attacked and burnt Ziklag 1Sam.30:1-6. In the midst of the tears, their eyes were closed to the route of escape and recovery. But when David removed the 'mud' from his own eyes, revelation and direction came that effected their recovery of all losses 1Sam.30:8-20.

The 'mud' could be anxiety, fear and worries. The servant of Elisha was overwhelmed with fear and worries and could only see the host of the Syrian army surrounding their abode. But when the 'mud' was removed in answer to the prayers of his master, his eyes were opened and he could see the chariots of fire and horses in the place of the Syrian army IIkgs.6:15-17.

Remove the 'mud' from your eyes. You can't access revelation in the midst of tears, confusion, disturbance, fear, worry, tension, anxiety.

Don't wallow in or be submerged in the adversity. Don't focus on the problem. Don't sink in the storm of the adversity. The ship does not sink because it rests upon waters, but because it allows water to enter into it. Don't join them in analyzing, magnifying and advertising the problem. Don't join them talking about and discussing the problem.

Satan likes attention. The best way to handle and overcome satan is to ignore him. The Bible says we should give no place to satan Eph.4:27. Demystifying satan and his works.

You look at the problem, but you see the solutions, you look at the adversity but see the opportunities.

Your eyes are configured by God to see the invisible Gen.13:14-15, Heb.11:27. The problems or adversities are natural. The solutions or opportunities are spiritual. You look at the problems with the natural eyes. You see the opportunities or solution with the spiritual eyes.

Eyes that look are common, eyes that see are rare. Everybody looks, few see.

Remove the 'mud' from your eyes. Remove crying, weeping, obsession, anxiety, fear and tensions. Look beyond the physical and you will see the hidden opportunities in the womb of the adversity.

Second, begin to ask the probing questions of life. The kind of questions the four lepers at the gate of Samaria asked themselves in IIkgs.7:3-4. Until questions are asked, answers won't come. Ask yourself the sincere questions of life, "what is the way out of this dead end?" "What step can I take to turn things around for myself in this situation?" What is the challenge or situation saying to me right now?"

People who ask question, they don't miss the way in life.

Third, think deep and positively.

Solutions and answers to the problems and puzzles of life lie down and pile up in the form of ideas in the minds of men and only deep thinking draws them out.

The problems of life are not looking for who to kill but who will solve them.

Problems therefore are solutions in the hands of men.

The minds of men are made for thinking. When you can't think, your mind is disused. Whatsoever is disused in life becomes obsolete, grounded and redundant. So, when you lack relevant, requisite ideas to solve your life's challenges and move your life forward, it's a proof that your mind is already obsolete and unproductive. Your mind is no more working. It is the possession of a working mind that makes men to mind you in life. So, when they said, "Don't mind him", it means,

you don't possess a working mind. You have become a liability. Whatsoever is used regularly becomes effective, efficient and more productive for greater use. When you constantly subject your mind to rigorous mental exercises, your mind becomes more sharpened, active, sensitive and accurate for more results and productivity in life.

It is not just thinking that delivers results and answers to life's puzzles, it is deep thinking. The depth of your thinking determines the brightness of your life. Deep thinking generates requisite, productive, result oriented ideas that will pave a way for a man at life's dead ends.

It was the type of thinking that delivered the prodigal son from his hopeless and redundant experiences of life Luke 15:17-20.

Engage your mind on the adversity through positive, meditative thinking and the door of the hidden opportunities within it will open unto you in the form of ideas.

Fourth, ask God for revelation. Ask, seek, knock for revelation Matt.7:7-9. Revelation is the unfolding of secrets. What is revealed to you is what you can see.

The request of King Nebuchadnezzar was seen as a riddle to men. It was a secret that cannot be accessed by mortal men Dan.2:10-11. But Daniel went to God in asking, seeking and knocking. And the secret was revealed to Daniel in a night vision Dan.2:17-19. Daniel thanked God for revealing the deep and secret things Dan.2:20-21. Secrets are revealed by the Holy Spirit in answer to effectual fervent prayers 1Cor.2:9-11. The opportunities in the adversities will be unfolded by revelation. Revelation gives direction that terminates confusion, frustration and stagnation in life.

Fifth, discuss with like minds. Cleopas and his friend (like minds) were engrossed with the discussion about Jesus on their way to Emmaus

and Jesus, the subject of their discussion came into the midst of them Luke 24:13-15. What you think and talk about you attract in life.

When great minds rub with great minds, explosive ideas erupt.

Thus, when you are able to unfold or decode the adversities of life, you access great ideas, revelation, direction and opportunities that will generate the answers and solutions to the adversities. Those that are able to succeed in this venture come out of the adversities better and greater than before the adversities.

Those who failed in this adventure become ruined and lost in the storm of the adversity.

PRAYERS

1. Oh God, make a way for me in the wilderness and rivers for me in the desert of my life as from today in Jesus name.

10. Oh God, turn my challenges to miracles for me as from today in Jesus name.

11. Oh God, cause me to sing the song of victory this week in Jesus name.

CHAPTER TEN

TURNING ADVERSITIES INTO OPPORTUNITIES

One of the greatest divine skills you need to develop in life is the skill of turning adversities into opportunities, bringing testimonies and miracles out of hopeless, destructive and stubborn battles. You must arm yourself with covenant strategies to work in partnership with God to turn hopeless situations around in life. I told you before that problems are not looking for who to kill. When problems stroll into your life, they didn't come to kill you. They are moving about, looking for who to solve them. When you solve that problem, you have fulfilled the mission of that problem. Problems are solutions in the hands of men. The problems you are able to solve add value to you, distinguishes and specializes you. The one you can't solve devalues, demeans you, leaving you weaker for the next battle of your life.

THE FACTORY HOUSE OF PROPHECY

The factory house where adversities are transformed into opportunities, where hopeless and stubborn battles and turned into miracles and testimonies is prophecy. The bones were dried and scattered in the open valley of Ezekiel. The experience or situation was pathetic, hopeless and helpless in Ezek.37:1-3. But God asked Ezekiel to engage the force or weapon of prophecy. He obeyed and acted as instructed Ezek.37:4-9.

Then there was a turnaround. The dry bones became a great army Ezek.37:10. Thus, the bridge that links adversities into opportunities

is prophecy. It is the bridge by which impossibilities of man cross over to the land of miracles and testimonies.

Prophecies are the means by which what you have seen in the spirit realm are converted into the natural, physical world. It is the means by which the possibilities of God, the inexhaustible treasures and resources of God that are abundantly available in the spirit or supernatural world are translated into tangible reality in the natural world.

Prophecy is the way by which you call those things that be not as though they were Rom.4:17.

THE MYSTERY OF PROPHECY

The mystery of prophecy is seen in Ezek.37:4-10. The condition of the bones was very hopeless and helpless. The bones were hard, dry, tough and scattered. God could have commanded the bones to rise up and become a great army without Ezekiel's involvement because He can do all things.

But then, one of the laws enacted by God in creation is the "Law of Domain". The law is rooted in Psalm 115:16:

**"The heaven, even the heavens,
are the LORD'S: but the earth
hath he given to the children
of men"**

This law states that every man or creature is sovereign and supreme in his domain. He must not suffer defeat in his domain. Nothing is permitted to happen or to occur in his domain without his consent.

By this law, the earth is given to man as his domain. Man is not permitted to suffer defeat here. Nothing is permitted to occur here without his approval. For God to come from heaven to command the dry bones to become an army without the consent of man in whose domain the bones are, will be breaking the law and God won't work against Himself. So, God needs the approval of man in whose domain or territory the miracle will take place to cooperate with Him in granting the approval before the miracle could take place. That was why God called Ezekiel to the scene.

Every miracle on earth therefore is a partnership between God and man. God's intervention on the earth is by the invitation of man. It is the responsibility of man coupled with the sovereignty of God that generate the miraculous. God won't work a miracle on earth until He sees a partner in man. Man has to bind on earth before heaven gives endorsement Matt.16:19. It is the responsibility of man that provokes the sovereignty of God.

Prophecy is the means by which man accepts his own responsibility in the deal. It is the means of inviting God to do His part. But if you didn't invite or tell Him, though He's able and wants to do it, He won't because the event is taking place in man's domain or territory.

That is God's principle in His workings on the earth and God won't break His principle.

God needed a man to prophesy to the bones (man's responsibility – man's invitation) and then God steps in to cause the bones to arise (God's sovereignty – His intervention).

God commanded Ezekiel to prophesy in Ezek.37:4-6, 9. He prophesied as commanded and the problems became a great miracle in Ezek.37:7, 10.

PROPHETIC KITS

Effective prophecy has seven kits.

First, there must be a human impossibility – a chronic hopeless and helpless case Ezek.37:1, 2.

Anytime God wants to work a miracle, He looks for a man that has a hopeless case, because that is the raw material that God needs to manufacture a miracle.

When God wants to give a destiny child, He looks for a woman that has a chronic delay in child bearing. That was the case with Sarah, Hannah, Elizabeth. Anytime, God wants to work a miracle of supernatural supplies, He looks for someone with a chronic lack. That was the case with the wife of the prophet who died in monumental debt in II kgs.4:1-7 or the widow of Zarephat in Ikgs.17:9-16. Anytime God wants to make a man a wonder, He look for the man whose battle is older than him. That was the case with the forty years old paralytic by the Beautiful gate of the temple Acts 3:2, 6-11. So, a human impossibility is God's raw material for manufacturing a miracle and a testimony in a man's life.

The first kit for prophecy is a chronic problem – a human impossibility.

Second, there must be a divine sight or solution to the problem Ezek.37:1-3. You must see beyond the problem to the solution. Abraham was still barren when God brought him outside to see his children in multitude Gen.13:14-15. He had to see the children in the spirit realm before they are called forth into the natural world. The future you can't see today, you can't attract tomorrow. The problem is real, but the solution or miracle is much more real. You must be able to see the solution in the midst of the problem to be able to call forth the solution in prophecy.

Third, there must be a divine mind Ezek.37:3. A man's mind can either be demonic, natural, or supernatural (divine). The supernatural mind believes in all possibilities Mark 9:23. In life, what you believe is what is performed for you Luke 1:45. The supernatural mind is the mind of Christ 1 Cor.2:16. It does not see impossibility in anything.

Fourth, there must be the Word of God Ezek.37:4-6. There must be a revealed Word of God concerning the hopeless situation. The sent word concerning that impossible situation must have been found Psa.107:20. There is a sent word concerning every challenge a man is having on the earth. The Word had been sent before the challenge came. You locate the word by searching for it in the midst of the challenge John 5:39.

A specific word concerning the challenge you are passing through is a divine kit for prophecy. It has the potency of converting the human impossibility into a miracle.

Fifth, there must be a divine tongue Ezek.37:4. The tongue is the vehicle of prophecy. Prophetic operations and transactions are carried out by the tongue. The tongue is a creative force. It is irresistible Luke 21:15. It is the means by which the provisions, resources and manifestations in the spirit realm are transported into the natural world. It commits God to a man Num.14:28.

Sixth, there must be God's voice Ezek.37:5. God's voice is what happens when you give expressions to God's word. The power of God's voice is seen in Psalm 29:3-9. God's voice is the trigger of God's artillery for action Rev.19:11-15.

Seventh, there must be angles on assignment. Angels are prophetic agents. Anytime they sense God's voice, they respond accordingly Psa.103:20.

These seven are kits for prophecy. When these kits are in place and are employed, there will be a revival in a man's open valley, the dry bones will rise up to become a great army, hopeless cases will turn to become miracles and testimonies.

9. Thou angels, messengers of miracles, locate my address right now in Jesus name.
10. I prophesy that, this week I shall experience what no man but what God alone can do in Jesus name.

CHAPTER ELEVEN

THE MYSTERY OF GRACE

**“For I am the least of the apostles,
that am not meet to be called an
apostle, because I persecuted the
church of God.**

**But by the grace of God I am what
I am: and his grace which was
bestowed upon me was not in vain;
but I laboured more abundantly
than they all: yet not I, but the grace
of God which was with me”**

1 Cor.15:9-10

Grace is one of the mysteries of God that administer the occurrences of life. When a man is able to decode and access grace, the man becomes a wonder to himself and to his world.

THE MINISTRY OF GRACE

“But by the grace of God, I am what I am.... 1 Cor.15:10.

So, grace makes men. Where and who you are, are expressions of the grace that is available to you. Nobody rises or is lifted or becomes greater than the grace he carries in life.

“...but I labored more abundantly than they all, yet not I, but the grace of God which was with me” 1 Cor.15:10.

Grace activates efforts for results in life. It is not everybody that exerts energy that gets results in life, but the one that is graced. Grace generates reward and returns from life's endeavors.

What you are graced for is what works for you in life. What you are graced for is what is easy for you. That's what you do and generates results struggle-free. That is where you realize results that defies explanation, logic and reasoning.

Where you are graced, you generate results that are bigger than your skills, abilities, age and your efforts. There, you exerts the least energy or effort and generate the greatest results and returns in life's adventures.

When and where a man is graced in life, the regulatory laws of nature are suspended for him. The impossibilities of men become a cheap walkover for him. The man becomes an exception or exemption to the laws of life in such areas of his life. What refused to work for everybody begins to work for him.

Life answers and submits to a man that is graced.

Grace forbids sweats and promotes sweetness. It forbids struggle and hardships and promotes ease. Where you are sweating and stagnated is where grace is not available for you.

Every accomplishment, breakthrough and results of life come via grace. Where grace for them is lacking or stops is where those results cease. It takes grace to command motion and experience progress. Every change of level, status, position, location require grace for it to happen. Grace is the activator of speed and the catalyst of turnarounds.

Grace distinguishes or singles a man out of the crowd for an outstanding blessing or breakthrough. The man by the pool of Bethesda was not the only sick man there. They were very many. But grace singled him out for an exceptional blessing John 5:1-9. There was nothing that should have qualified him more than the rest except grace. The man failed every test of healing but grace answered for him. Grace always qualifies the disqualified and the absence of grace disqualifies the qualified.

Grace exempts a man from general or universal affliction. It breaks the yoke of common imprisonment upon a man's life. It delivers a man from ancestral or generational captivity.

Grace is an immunity and insurance around a man's life. It reverses and annuls curses. It returns evil arrows and the wickedness of the wicked back to sender in a man's life. Grace fights for a man.

Power fights to win battles for a man in life but grace wins battles for a man without fighting.

Where grace is not available to a man is where he sees disgrace in life. Where a man is experiencing shame, reproach, contempt and dishonor is where grace is absent.

GRACE COMPANIONS

**“Let us therefore come boldly unto
the throne of grace, that we may
obtain mercy, and find grace to help
in time of need”**

Heb.4:16

Grace has companions: mercy, helps and favor. A man that is graced will always obtain mercy like David Psa.23:5-6. A man that is graced will always attract helps and destiny helpers at life's bus stops. When a man is graced, even his enemies will be willing to assist him.

DECODING THE MYSTERY OF GRACE

**“But he giveth more grace.
Wherefore he saith, God resisteth
the proud, but giveth grace unto the
humble”**

James 4:6

The absence of grace in a man's life is a proof that God is resisting the man. And when God is resisting a man, who will receive him? Until God receives you, no man will receive you. Life will not receive you. And it is humility that endears God to a man in life.

Every man that is selfless, every man that abases himself before God, every man that is lowly and meek at heart will always attract divine delight and enjoy grace in life's journey.

If you are not graced in life, your results, speed, rate of accomplishment, worth and value will be limited. Your sweats will multiply and your labors will increase. But when you are graced, you will live life that will make men to call you the son of God most High.

CHAPTER TWELVE

THE MYSTERY OF THE SUPERNATURAL

God declared by His Word, His programme and agenda in creating man in Gen.1:26. God actualized the plan by creating man in Gen.1:27. God gave man his creative mandate in Gen.1:28.

But then, after this the Bible said,

**“And every plant of the field before
it was in the earth, and every herb of
the field before it grew: for the LORD
God had not caused it to rain upon
the earth, and there was not a man
to till the ground”**

Gen.2:5

But man had been created in Gen.1. Why did the Bible say there was not a man to till the ground in Gen.2?

MAN: A SPIRIT

The man created in Gen.1 is the image and likeness of God Gen.1:26, 27. God is a spirit John 4:24. Thus the man created is a spirit.

There was not a man to till the ground because a spirit cannot relate with the material or natural world. He cannot till the ground.

So to be able to relate with the material or physical world that God has created therefore, and to be able to fulfill creative mandate, God has to create another man.

**“And the LORD God formed man of the
dust of the ground, and breathed into his
nostrils the breath of life; and man became
a living soul”**

Gen.2:17

This new man now has two components:

First, the natural component which is the dust of the ground, which will enable him to relate with the natural world.

Second, the supernatural or spiritual component which is the breadth of God into him. This is the god in him. This will enable him to relate with God, his source and the supernatural world.

Man, by creation is therefore a combination of both the natural and supernatural entities. This is the mystery of man's creation.

Man lost the supernatural dimension of him at the fall. God's presence left him Gen.3:7-10. He became dust Gen.3:19. But this spirit dimension became restored back to him in redemption.

**“That which is born of the flesh is flesh;
and that which is born of the Spirit is spirit”**

John 3:6.

PROVOKING THE SUPERNATURAL

In life, the one of two component entities – the natural or supernatural dimension of you that you place a demand upon is the one that will be provoked into manifestation for you. If your demand is on the natural dimension, you will be subjected to the regulatory laws of nature and the supernatural dimensions of you will be silenced and inactive. If you place a demand on the supernatural dimension of you, the regulatory laws of life will be suspended and you will begin to experience supernatural manifestations – occurrences that cannot be explained by nature.

How do you provoke or place a demand on the supernatural?

First, you must be born again. The god in you lies dormant, inactive by sin. Repentance from sin – genuine salvation experience resurrects and activates your spirit realm, enabling him to be responsive to the Holy Spirit of God. You must be totally delivered from the bondage to sin to be able to provoke the supernatural John 3:1-8.

Second, you must be baptized in the Holy Ghost with the evidence of speaking in tongues. You receive a measure of the Holy Spirit at redemption but you need a full baptism with Him to operate in the supernatural 1Cor.14:18. When you speak in tongues, you sensitize your spirit man to receive signals in the spiritual world and then you set forces over there loose and in motion on your behalf.

Third, stir the supernatural. Like the pool of Bethesda, the supernatural needs to be stirred or triggered for its contents to be delivered John 5:4.

You stir it by an aggressive and radical act of faith that is illogical and unreasonable to commonsense.

Peter and the other disciples were in the ship in a turbulent storm. Their ship was about to capsize. They saw Jesus walking on the sea. They were bewildered. Peter requested Jesus to allow him to walk on the same sea towards Jesus. And Jesus answered, "Come". Peter ignored the evidences of the senses at the command instruction of Jesus, "Come". He stood up from the boat, put his leg on the water and he began to walk on the water. That is how you put a demand on or provoking the supernatural. That is how to stir the supernatural. You take a faith step in the direction of a particular word you receive from God, against contradictory evidences of the senses.

Fourth, you carry a divine perspective of yourself before life's challenges and act with that consciousness or mentality. You see yourself beyond your human biological composition. You see yourself as a god – bigger and greater than any confronting or intimidating challenge of your life. At that instance, you see yourself impossible to fail or to be defeated. You see the god in you at work and not your natural self. Every action you manifest at that instance, secretes a divine hormone into your systems that energizes, empowers or strengthen you to accomplish the humanly unimaginable. That was what happened when David confronted Goliath in the battle of Ephesdammim 1Sam.17:32-51. David saw himself spiritually superior and stronger than Goliath 1Sam.17:36-37.

Most of the time, life takes you and answers to you in the perspective and mindset you carry of yourself.

Fifth, you rise up to confront the evil lion roaring against you. That was the case with Samson Judg.14:5-6.

There are evil lions roaring against you in your marriage, finances, business, career, ministry, health, supernatural life. Lions threatening to devour you. You don't accept defeat. You don't avoid or run away from them.

When you confront them headlong like Samson, you place a demand on the god in you to rise and act on your behalf. Your human limitation will give way. The supernatural will respond and you see yourself accomplishing the unusual.

Sixth, you make a bold and public declaration that compel creations to submit and bow to you against the invading wave of the powers of darkness. That was what Elijah did in the days of wicked king Ahab 1Kings 17:1. You make bold and public pronouncement that cannot be resisted. That was what Elisha did in Samaria II Kings 7:1. To be able to provoke the supernatural at this realm, you must be anointed to decrees Job 22:28. You must be irresistible in the place of prayer James 5:17-18.

Seventh, you must develop a crave and craze for the supernatural. This was the case with Elisha in II Kings 2:1-15. What you don't place a demand upon by hunger and thirst, you don't attract in life.

When you place a demand on the supernatural, you put the natural laws on hold and silence your natural components. When you place a demand on the natural dimension, you silence the supernatural in

you. You place a demand on the natural dimension of you by conforming to norm, becoming complacent, indifferent and contented with the status quo or with who and where you are, wishing that things will happen without working for them.

The supernatural is part of the mystery of man's creation. It answers only to those who can provoke it. If you can't provoke it, you continue life and can die under the destructive, regulatory laws of nature that bind you with the limitations and impossibilities of this world.

PRAYERS

1. Power to command the unusuals of life, fall on me now in Jesus name.
2. Power for amazing results in life, rest upon me now in Jesus name.
3. Power to dare the dreaded and to do the impossible, fall upon me now in Jesus name.
4. Power for signs, miracles and wonders, fall on me as from today in Jesus name.
5. Power that terminates the yoke of limitation upon a man's life, fall on me as from today in Jesus name.
6. I prophesy that every power that dares me as from today will go for me in Jesus name.
7. Thou the evil lion roaring against my destiny, be devoured now by fire in Jesus name.
8. Every Goliath terrorizing and intimidating my destiny, be devoured now by fire in Jesus name.
9. I prophesy that as from today, I am unchallengeable, irresistible and unstoppable in Jesus name.
10. I decree that anywhere I turn to as from today, ways will open for me in Jesus name.
11. Thou the limitations of life, become limited in all areas of my life as from today in Jesus name.

CHAPTER THIRTEEN

ACTIVATING SUPERNATURAL ACTS THROUGH THE HOLY SPIRIT

Introduction: There are five major issues to examine here:

- A. Supernatural Acts: What are they?
- B. Supernatural Acts: When do they happen?
- C. Supernatural Acts: Who is their agent or manufacturer?
- D. Supernatural Acts: Why do they happen?
- E. Supernatural Acts: How are they activated?

A. SUPERNATURAL ACTS: WHAT ARE THEY?

**“And Sarah said, God hath made me to laugh,
so that all that hear will laugh with me.**

**And she said, Who would have said unto Abraham,
that Sarah should have given children suck?
for I have born him a son in his old age”**

Gen.21:6-7.

There are natural acts or occurrences in life, such as conception of a woman, delivery of a baby, growth of a baby, the working of the human senses etc. Natural acts are controlled by the laws of nature. Natural acts appeal to the senses, to logic or human reasoning.

Supernatural - a combination of two words: super, meaning superior to, and natural, meaning, the natural or physical.

Supernatural acts therefore are occurrences that are superior to or higher, greater, more powerful than the natural.

They are occurrences that cannot be explained by logic, reasoning, senses or the regulatory laws of life.

When supernatural acts happen, they silence science and turn the wisdom of the wise to foolishness. They create exceptions to the rules of life. They break life's protocols. They annul the philosophy and psychology of men. They dare the dreaded. They defy age long traditions and challenge deeply rooted foundations. They prove the reality of the supernatural world.

B. SUPERNATURAL ACTS: WHEN DO THEY HAPPEN?

“And Moses stretched out his hand over the sea;

and the LORD caused the sea to go back by a

strong east wind all that night, and made the

sea dry land, and the waters were divided.

And the children of Israel went into the midst

of the sea upon the dry ground: and the waters

were a wall unto them on their right hand, and

on their left”

Exo.14:21-22

Supernatural acts happen when the regulatory laws of life are suspended temporarily or terminated permanently. The prevailing laws of life can be

- Ancestral or generational
- National
- Scientific or
- Demonic

When these laws are put on hold, supernatural acts result. Anytime God wants to work in a man's life, He locates the prevailing law administering the specific challenges in a man's life and put it on hold, the challenge or battle will cease and supernatural acts will result. Supernatural acts happen when the irreversibles of life are reversed and irrevocables are revoked. That was what happened when Israel crossed over the Red Sea Exo.14:21-22, when the iron axe head swam at the instance of Elisha II Kings 6:1-7, when Peter walked upon waters Matt.14:29, when Sarah conceived and delivered at old age Gen.21:1-7, when Mary conceived without meeting with a man Luke 1:31-34. That was what happened when Joseph suddenly moved from prison to become Prime Minister of Egypt in one night, having no regard for protocols and constitution of Egypt Gen.41:37-45.

C. SUPERNATURAL ACTS: WHO IS THEIR AGENT OR MANUFACTURER?

“Then said Mary unto the angel, How shall

this be, seeing I know not a man?

And the angel answered and said unto her,

**The Holy Ghost shall come upon thee, and
the power of the Highest shall overshadow
thee: therefore also that holy thing which
shall be born of thee shall be called the
Son of God”**

Luke 1:34-35

The Holy Ghost is the agent or manufacturer of supernatural acts. It was the Holy Spirit upon Ezekiel that empowered him to prophesy upon the dry bones that become a great army Ezek.37:1-10. It was the Holy Spirit upon Joseph that orchestrated his sudden turnaround Gen.41:38.

It is the Holy Spirit that can suspend or terminate the laws of life and provoke supernatural acts.

D. SUPERNATURAL ACTS: WHY DO THEY HAPPEN?

**“And I will lay sinews upon you, and will bring
up flesh upon you, and cover you with skin,
and put breath in you, and ye shall live; and ye
shall know that I am the LORD”**

Ezekiel 37:6

God said the reason why He’s turning the dry bones into a great army is so that people will know that He is Lord.

Supernatural acts happen to prove that God is sovereign, that He's ultimate, that He has the final, ruling and overruling say in the affairs of men. They happen to humiliate satan, disgrace him and show him his limitations, to prove to satan that he does not have the final or ultimate say. To prove to satan that he is not in control, not in charge and that his stay or power is temporary.

Supernatural acts happen to prove the faithfulness of God and the efficacy or validity of His promises Num.23:19.

E. SUPERNATURAL ACTS: HOW DO THEY HAPPEN OR HOW ARE THEY ACTIVATED?

**“Elias was a man subject to like passions
as we are, and he prayed earnestly that it
might not rain: and it rained not on the
earth by the space of three years and
six months.**

**And he prayed again, and the heaven gave
rain, and the earth brought forth her fruit”**

James 5:17-18

Every supernatural act is provoked by man with the response of God. Every miracle is a partnership between man and God. It is the provocation of God by man that secures the intervention of God in the affairs of men.

The Holy Ghost is the agent of supernatural acts. The Holy Ghost is provoked in fasting and prayers and then the acts of God will be unfolded.

Elijah prayed, heaven withheld rain 1kgs.17:1. He prayed again, heaven released rain, the earth released fruits James 5:17-18. He prayed and God's fire descended on Mount Carmel 1Kings 18:36-38. The apostles prayed in the Upper Room and the Holy Ghost responded to them Acts 1:14; 2:1-4. They were thence initiated into the acts of God. They prayed again and they were baptized into the great power and great grace of God Acts 4:31, 33. The hour of prayer is the hour of power. And power generates the acts of God.

Jonah prayed to God from the belly of the fish Jonah 2:1. The prayer provoked God to compel the fish to go and vomit Jonah upon a dry land Jonah 2:10. Nebuchadnezzar prayed and praised God in an animal form in the forest and the acts of God were demonstrated on his behalf Dan.4:34-37.

When the Holy Spirit is provoked in an environment of effectual fervent praying, supernatural acts are activated for manifestation on the earth.

PRAYERS

2. Every power that is strengthening and sustaining the battles of my life, be consumed now by fire in Jesus name.

10. Miracles that advertise the name and glory of God, begin to locate me as from today in Jesus name.
11. Holy Spirit, come upon me right now and empower me for the acts of God in Jesus name.

12. Holy Ghost fire, come upon me right now and consume every spirit working oppression and affliction in my life in Jesus name.

13. Holy Ghost, come upon me right now and launch me into the realm of the supernatural in Jesus name.

CHAPTER FOURTEEN

THE MYSTERY OF LIFE'S PROBLEMS

**“Yet man is born into trouble
as the sparks fly upward”**

Job 5:7

Problems or challenges are real and true to life as the existence of man! There is no life without a problem or major challenge. Rich, poor, educated, illiterate, the king in the palace, the slave in the village, the popular, the defamed man, the old, the young, everyone has one problem or the other. Problem is ubiquitous. It is everywhere, in every life. It has no regard for age, location, nationality, social status, color, beauty or race. Problems are true to life but our problems differ from person to person. Every man's problem is unique with him. It may be small or insignificant to the man that is not having it but it is big to the man that is actually carrying it.

In life, there is no point of problem – free zone. There is no demilitarized zone in life. At every particular point in life's journey, there will be one challenge or another than every man is facing. It is the stark reality of life!

PROBLEMS: CODED IN LIFE

Life's problems are coded. Only those who can decode them, solve them. It is the problem that is coded or that is a mystery that renders man a perpetual victim and defeat in life. The problem that is decoded or unfolded or unveiled cannot defeat a man again. The day the secret of your problem or your enemy becomes revealed unto you is the day you walk out of the problem. The day Delilah got the secret of the strength of Samson, power changed hand in favor of the Philistines against Samson Judg.16:16-21. The key to dominate and triumph over life's battle is to have access to the revelation of the secret or mystery of your problem – your battle or your enemies.

PROBLEMS: SOLUTIONS IN THE HANDS OF MEN

**“Then went Samson down, and his father
and his mother, to Timnath, and came to
the vineyards of Timnath: and, behold, a
young lion roared against him.**

**And the Spirit of the LORD came mightily
upon him, and he rent him as he would
have rent a kid, and he had nothing in
his hand: but he told not his father or his
mother what he had done”**

Judges 14:5-6

The problems of life, when they come around, are not looking for who to kill, but who will solve them.

Anytime, problems arise here and there, and alight in your house, the problems come to you because they know that you carry with you their solution. Problems are solutions in the hands of men. Every specific problem in life will not go to the man that does not have their solution in their hands.

The lion roared against Samson because the lion knew that Samson had what it takes to kill it. It didn't roar against Samson's father or mother, knowing that those ones have not the wherewithal to kill it.

Don't pity yourself when problems come. If you cannot solve the problem, it won't come near you. Rejoice when problem come because that is your opportunity to prove who you really are and what you carry.

Anyone that does not have the problem does not have what it takes to tackle and solve the problem. There is no man that has a problem that does not have the inbuilt solution to the problem within him. Sarah, Hannah, Elizabeth were barren for years. But the solution to the problem still came from within them. The same womb that couldn't carry pregnancy for years, still brought forth destiny children at last. There was a destructive poverty in the house of the prophet who died in poverty. It was in the same house that prosperity that lasted for generations still came forth 2kings 4:1-7. The paralytic by Bethseda was there for thirty eight years. Healing still erupted from within him at last John 5:1-9. The same Bartemeus that was blind, still rose up with his blindness and came to Jesus Mark 10:46-49, 50. The man that was born lame from his mother's womb at the Beautiful gate had been there for forty years. Healing still came out of him one day. There is no problem that a man carries that does not have a corresponding answer within it inside the man. Problems can't ruin you, they will raise you. You have what and all it takes to solve the problem.

THE MINISTRY OF PROBLEMS

Problems are the examinations you have to write and pass to qualify for life's promotions and liftings. Your class and level does not change in life until you pass the test of one problem or another.

Life is a journey of battles. Every problem you solve is a ladder for ascending into the next phase or level of life.

Second, problem is the means by which God tests our commitment, loyalty, love and faithfulness to Him Job 1:9-12.

Third, problem is a test of our value and worth in life. Problems make us to be a blessing to people. You are not a blessing if there is nothing positive that people are learning from you. Every problem solved makes you a reference to people.

Fourth, problem builds and strengthens our character Heb.5:8

Fifth, problems are the gateways to encounter with power.

Sixth, problems make us resourceful in life Gen.47:8-9.

Seventh, problem is the measure of your strength Pro.24:10.

Every problem solved leaves you stronger for the next battle and every problem unsolved leaves you weaker for the next battle in life.

SOLVING LIFE'S PROBLEMS

To solve life's problems:-

First, carry a positive mental attitude (PMA) in the face of the problem or challenge. Carry a divine perspective of yourself before any challenge that faces you in life. Commonize the problem, don't specialize it. See the problem like one of the ones you had overcome before 1 Sam.17:34-36. Don't see the problem as bigger or greater than you. See it as inferior to you. Don't carry a defeatist mentality. Confront the problem with that attitude. Attitude is a strategy that is superior to energy in fighting life's battles. You win life's battles by strategy Pro.24:6.

Second, see God as partnering with you in the battle against the problem 1Sam.17:37. See that you and God form an unbeatable team Rom.8:31.

Third, confront the problems with all the weapons of our warfare – the Blood of Jesus, the promises of God, your faith life and warfare prayers.

YOU ARE MORE THAN CONQUERORS

“Nay, in all these things we are

More than conquerors through

him that loved us”

Romans 8:37

The problems of life have reduced the population of men into four classes:-

- The perpetual victim – the defeats

- Those managing their problems. They try to cope with them
- The victors. They have overcome their problems
- The more than conquerors. These people have overcome their problems and are delivering or helping others to overcome their own problems. These are deliverers of deliverers

You must understand that in redemption, the end result of our problem had been determined before our problem began. Jesus had won the battle for us with His blood Rev.12:11.

Jesus Himself is the referee in the battle. He will not blow the last whistle until we win. We are not fighting for victory. But we are fighting from victory in the battle. Thus, in redemption, we are more than conquerors in our life's battles.

So, don't give up, no matter the reality facing you. Cheer up. Victory is near in Jesus mighty name.

PRAYERS

1. Oh God, make my problems ladder for my rising and lifting in life in Jesus name.
2. Oh God, strengthen and empower me more than the problems and challenges of my life as from today.
3. Thou the prolonged problems of my life, turn to answers and solutions for me as from today in Jesus name.

9. Thou the spirits monitoring the protracted problems of my life, be devoured now by fire in Jesus name.
10. Thou the Blood of Jesus, enter into the battlefield of my life and begin to fight for me as from now in Jesus name.

CHAPTER FIFTEEN

THE MYSTERY OF THE FINGER OF GOD

**“We see not our signs: there is no more
any prophet: neither is there among us
any that knoweth how long.**

**O God, how long shall the adversary
reproach? shall the enemy blaspheme
thy name for ever?**

**Why withdrawest thou thy hand, even
thy right hand? pluck it out of thy”**

Psalm 74:9-11

One of the keys to dominion and triumph in life’s journey is the finger of God.

The finger of God’s is located in His hand. His hand is the expression of His power. His power is the instrument or requirement for life’s battle.

The withdrawal of God’s hand from a person’s situation provides opportunities for the enemy to reproach and blaspheme God’s name in such a life. When God plucks out His hand or stretches them forth into a man’s situation, the finger of God is released. When the finger of God is released, opposition is silenced permanently, adversaries are totally subdued.

THE FINGER OF GOD LIMITS, DISARMS AND STOPS THE ENEMY

**“And the magicians did so with their
enchantments to bring forth lice, but
they could not: so there were lice upon
man, and upon beast.**

**Then the magicians said unto Pharaoh,
This is the finger of God: and Pharaoh's
heart was hardened, and he hearkened
not unto them; as the LORD had said”**

Exo.8:18-19

The finger of God speaks of the enemy's limitations vis-à-vis God's supremacy. It speaks of the supremacy and the ultimate power of God.

The enemy will still flex his muscle, boast and fight until the finger of God is stretched forth.

The presence of the finger of God tells the enemy, you have reached your limits and you can proceed no further. It tells the enemy in very clear terms, that the sovereign God is at work and what He can do, no other power can do the same. The finger of God therefore can wipe off the enemy and can terminate battles.

All that the stubborn and prolonged battles of your life are waiting for before they surrender finally and totally is the release of the finger of

God. And as you invoke and provoke the finger now in aggressive and violent warfare prayers, your battles will cease, the banner of victory at last will be placed on your hand and irresistible testimonies will begin to show forth in all areas of your life in Jesus mighty name.

PRAYERS

1. Every yoke that is repealing the hands of God from a man's life, break and release me now in Jesus name.
2. Every yoke that is bringing reproach to God's name in a man's life, break and release me now in Jesus name.
3. Miracle that silence opposition and reproach in a man's life, locate me this week in Jesus name.
4. Thou the finger of God, silence the voice of opposition in my life as from today in Jesus name
5. Thou the finger of God, put a permanent stop to the invasion and advancement of the enemy in my life as from today in Jesus name.
6. I command every evil finger that is stretched towards my destiny to wither now by fire in Jesus name.
7. Thou the ministry and operations of the enemy in my life, expire now by fire in Jesus name.
8. I command the conspiracy of the enemy around my destiny to scatter by the finger of God as from today in Jesus name.
9. Thou the finger of God, terminate battles from my life as from today in Jesus name.
10. Thou the finger of God, compel my enemies to surrender unto me as from today in Jesus name.

CHAPTER SIXTEEN

THE FINGER OF GOD CREATES AND RECREATES

**“When I consider thy heavens, the work
of thy fingers, the moon and the stars,
which thou hast ordained”**

Psalm 8:1

**“The heavens declare the glory of God;
and the firmament sheweth his handiwork”**

Psalm 19:1

The finger of God is the agent of creation. When the finger of God comes into a situation, God's creative power steps into that situation to create or recreate what is needed as in the case of the man with a withered hand in Mark 3:1-5.

It can create jobs, spouses, recreate new wombs, or new parts in the place of damaged ones. God's finger can come to correct the defects or 'buts' in human lives as in the case of Namaan in 2kings 5:1, 14.

When God's finger is stretched forth, it empowers destiny and creatures to begin to realize or fulfill creative mandates.

Every dysfunctioning or malfunctioning in destiny or physiology is corrected and adjusted when the finger of God is stretched forth. I command perfect soundness and sanctity in all areas of your life and destiny right now by finger of God in Jesus mighty name.

CHAPTER SEVENTEEN

THE FINGER OF GOD REVERSES THE IRREVERSIBLES OF LIFE

**“And the earth was without form, and void;
and darkness was upon the face of the deep.
And the Spirit of God moved upon the face
of the waters.**

**And God said, Let there be light: and there
was light...”**

**“And God saw every thing that he had made,
and, behold, it was very good. And the
evening and the morning were the sixth day”**

Gen.1:2, 3, 31.

**“When I consider thy heavens, the work
of thy fingers, the moon and the stars,
which thou hast ordained”**

Psalm 8:3.

The finger reverses the finished work of satan. It reverses the irreversibles of life. It undo what the enemy has done. Satan has turned the earth formless, shapeless, empty and chaotic in Gen.1:2. The finger of God was stretched forth as from Gen.1:3 and a new, beautiful, ordered and resourceful earth came out of the chaotic, formless earth Gen.1:31, Psa.19:1.

The finger of God reverses the verdicts, sentence and judgments of the enemy. The verdict of the enemy about Joseph was that his dreams will not come to pass Gen.37:19-20. But the finger of God reversed this verdict when the dream came to pass Gen.42:6-9.

The finger of God reversed the conclusions and condemnations of the enemy. It disproves the proofs and evidences of the enemy. Joseph's brothers brought Joseph's coat soaked with blood home to their father to prove that he had been devoured by an evil beast. Their father mourned for Joseph Gen.37:31-35. But the finger of God disproved their proofs, reversed their conclusions and annulled their evidences Gen.45:25-27. Their evidence was true but their conclusion was false. Hallelujah!

The finger of God reversed the dungeon destiny for Joseph. The ruling and overruling hand of God located Joseph and lifted him from the dungeon into the palace overnight Gen.41:14, 37-44.

The dungeon rejected and vomited him, the palace received and adopted him by the finger of God.

The finger of God reverses the pronouncements and declarations of the enemy and renders the enemy's declarations a lie and a failure.

The finger of God reverses the intentions, plots and plans of the enemy and turns them to the good of a man Gen.50:20.

The finger of God will accomplish all these in your life today in Jesus mighty name.

PRAYERS

1. Thou the finished work of satan is my life, be reversed now by the finger of God in Jesus name.

2. Every accomplishment of the enemy in my life, be revoked and reversed now by the finger of God in Jesus name.
3. Every demonic agenda and program in any area of my life, the finger of God visits you right now, scatter by fire in Jesus name.
4. Every satanic installation and implantation in my destiny, be uprooted and dismantled right now by the finger of God in Jesus name.
5. Every conclusion and decision of evil in my life and destiny, be annulled right now by the finger of God in Jesus name.
6. Every void and formless in life my life and destiny, clear now by the finger of God in Jesus name.
7. Every chaos and confusion in any area of my life, clear right now by the finger of God in Jesus name.
8. Every evil verdict and judgment against my life and destiny, be revoked and annulled now by the finger of God in Jesus name.
9. Every dungeon destiny organized for me by the enemy, the finger of God reverse and annul it right now in Jesus name.
10. Thou the pronouncements and declarations of the enemy concerning me, the finger of God annuls you right now in Jesus name.
11. Thou the finger of God, turn the evil plans of the enemy for my good as from today in Jesus name.

CHAPTER EIGHTEEN

THE FINGER OF GOD WRITES AND REWRITES

**“And he gave unto Moses, when he had
made an end of communing with him
upon mount Sinai, two tables of testimony,
tables of stone, written with the finger of God”**

Exodus 31:18

**“When I was gone up into the mount to
receive the tables of stone, even the tables
of the covenant which the LORD made with
you, then I abode in the mount forty days
and forty nights, I neither did eat bread nor
drink water:**

**And the LORD delivered unto me two tables
of stone written with the finger of God; and
on them was written according to all the
words, which the LORD spake with you in
the mount out of the midst of the fire in the
day of the assembly.**

**And it came to pass at the end of forty days
and forty nights, that the LORD gave me**

**the two tables of stone, even the tables of
the covenant”**

Deut.9:9-11

The finger of God writes breakthroughs, fruitfulness, prosperity, progress, miracles, and all pleasant riches for man in life. These are expressed in the promises or prophecies or covenants with man and are contained in His word – the Bible. All the promises of God in the scriptures are the handiwork of His fingers and they carry His backing for performance in the lives of His children. Locate the ones that apply to you and enforce them by warfares 1Tim.1:18.

The finger of God can erase and rewrite what the enemy had written for a man. These are called handwriting of ordinances. These are contrary to us and are against us Col.2:2:14-15.

Every evil, affliction, written by the enemy, concerning us, waiting for maturity or execution are erased, annulled and rewritten by the finger of God. The enemy had written Simeon for Peter, but the finger of God rewrote it to Cephas John 1:42, Jacob for Israel but it was rewritten to Israel Gen.32:28.

The finger of God can write judgments and curses for someone. It wrote curses for Coniah Jer.22:29-30, it wrote judgment for Nebuchadnezzar Dan.4:17 and also for Belshazzar Dan.5:5, 25.

The finger of God can write mercy for someone John 8:6, 8.

Every occurrence or happening on earth was first written before performance or manifestation. There is nothing that happened at any particular time that had not been written beforehand.

The products of God's finger – God's writings are signs and wonders Dan.4:2-3.

The finger of God will write and rewrite as appropriate in your life right now in Jesus mighty name.

PRAYERS

1. Thou the handwriting of ordinances that are written against me, that are contrary to my destiny in life, the finger of God erases and annuls you out of my life right now in Jesus name.
2. Every affliction, written for me by the enemy, waiting for maturity date, thou the finger of God, erase it now in Jesus name.
3. Thou postdated battle waiting for maturity in my life, thou the finger of God, erase it from my life now in Jesus name.
4. Thou the finger of God, rewrite the story of my life for the better as from today in Jesus name.
5. Thou the finger of God, write prosperity and breakthroughs for me this week in Jesus name.
6. Thou the finger of God, write fruitfulness for me in all areas of my life this week in Jesus name.
7. Thou the finger of God, write progress for me in all areas of my life this week in Jesus name.
8. Thou the finger of God, write miracles and testimonies for me this week in Jesus name.
9. Thou the finger of God, write a new name, a new history for me this week in Jesus name.
10. Thou the finger of God, write goodness and mercy for me this week in Jesus name.

CHAPTER NINETEEN

THE FINGER OF GOD DISARMS DEMONS

**“But if I with the finger of God cast out devils,
no doubt the kingdom of God is come upon
you.**

**When a strong man armed keepeth his palace,
his goods are in peace:**

**But when a stronger than he shall come upon
him, and overcome him, he taketh from him
all his armour wherein he trusted, and
divideth his spoils”**

Luke 11:20-22

One of the forces that satan and his cohorts cannot withstand or resist, is the finger of God.

The hierarchy of satanic kingdom in Eph.6:12 bow, submit and surrender to the finger of God.

The finger of God therefore:

i. Terrorizes, paralyzes, humiliates, disgraces, displaces and casts out demons and destroys their works Luke 11:20.

ii. Defeats or overcome sataan Luke 11:22 as seen in the case of:

- The Gadarene man Matt.8:31-32
- The boy with deaf and dumb spirit Matt.9:32-33
- The lunatic Matt.27:14-18.

- The unclean spirit Mark 1:23-27

When the finger of God is released, satan is rendered totally powerless, demons are tormented, bound and cast out of their hiding places.

PRAYERS

1. Thou the finger of God, empower and strengthen me against demons on assignment as from today in Jesus name.
2. I blind and paralyze principalities and powers assigned to the battles of my life right now by the finger of God in Jesus name.
3. By the finger of God, I bind and paralyze the ancestral spirit of my father's house that is monitoring my life and destiny in Jesus name.
4. By the finger of God, I bind and paralyze the spirit of attack from home that is monitoring my life and destiny in Jesus name.
5. By the finger of God, I bind and paralyze the spirit that is shooting arrows at my business and finances right now in Jesus name.
6. By the finger of God, I bind and paralyze the demons that are attacking my marriage and family life in Jesus name.
7. By the finger of God, I bind and paralyze every anti marriage and anti-fruitfulness spirits that are monitoring my life in Jesus name.
8. By the finger of God, I bind every spirit of infirmity and affliction in my health in Jesus name.
9. By the finger of God, I bind and paralyze the spirit of promise and fail, monitoring my life in Jesus name.
10. By the finger of God, I bind and paralyze every evil pursuer that is following my life right now in Jesus name.
11. By the finger of God, I render satan and his agents completely powerless and defeated in all areas of my life in Jesus name.

CHAPTER TWENTY

THE FINGER OF GOD FOR HEALINGS

**And he took him aside from the multitude,
and put his fingers into his ears, and he
spit, and touched his tongue;
And looking up to heaven, he sighed, and
saith unto him, Ephphatha, that is,
Be opened.**

**And straightway his ears were opened,
and the string of his tongue was loosed,
and he spake plain”**

Mark 7:33-35.

From this encounter, we understand that:

- i. Any area of deformity in a man's life that the finger of God touches is made totally whole and well Mark.7:33, 35, 37.
- ii. Any area of a man's life that is bound is loosed by the finger of God Mark 7:35.
- iii. Any closed case or closed area of life is opened by the finger of God Mark 7:35.
- iv. The finger of God is a key that unlocks locked doors Mark 7:34.
- v. Any area of difficulty or impossibility is reversed by the finger of God Mark 7:35
- vi. The finger of God creates surpassing surprises Mark 7:37.

vii. Every sickness – physiological, psychological, mental, spiritual, demonic, reproductive, financial, ancestral, destinal etc. answers unreservedly to the finger of God.

And no sickness or disease can remain in the body that the finger of God has touched. The finger of God upon a man's body turns the body from human to divine.

I command the finger upon all areas of your life for healing and health from henceforth in Jesus name.

CHAPTER TWENTY ONE

THE FINGER OF GOD FOR DELIVERANCE

**“And I am sure that the king of Egypt will
not let you go, no, not by a mighty hand.
And I will stretch out my hand, and smite
Egypt with all my wonders which I will do
in the midst thereof: and after that he will
let you go.**

**And I will give this people favour in the
sight of the Egyptians: and it shall come
to pass, that, when ye go, ye shall not go
empty”**

Exo.19-21.

The finger or hand of God is the agent and instrument of deliverance from every form of bondage.

The task and slave master of a man's life will be hell bent and stubborn until the finger of God is stretched forth. Captivity and oppression become the master in life until the finger of God arrives. The finger of God is the end of all destructive yokes and stubborn bondages in a man's life.

Bondage makes life hard, tough, bitter, difficult and wearisome Exo.1:13-14. Bondage promotes slavery and rigorous servitude Isai.14:3. Bondage sponsors destructive oppression and captivity Jer.50:33, Exo.5:1, 2.

When the finger of God is stretched forth, you take captive your captors and rule over your oppressors Isai.14:2, then the rod and weapon of the bondage master is broken upon one's destiny Isai.14:4-5.

At the release of the finger of God, you begin to experience freedom, ease, abundance and pleasantness. Difficult things becomes simple for you. Closed doors become opened. Progress becomes normal and automatic. Nothing restrains, restricts or limits you again. You enter into the realm of dominion, ruling and reigning over the issues and affairs of life.

These shall be your undeniable experience as from today in Jesus mighty name.

11. By the finger of God, I break the rod of the wicked and the scepter of the rulers over my life as from today in Jesus name.

CHAPTER TWENTY TWO

THE MYSTERY OF WEALTH CREATION

One of the mysteries that we need to unfold in our world is the mystery of wealth creation. This is because money answers all things according to the Bible Eccl.10:19.

The Bible says,

**“The rich and poor meet together: the
LORD is the maker of them all”**

Proverbs 22:2

But we are not told that He made the rich, rich and the poor, poor. How then did poverty and riches come?

**“He becometh poor that dealeth with a
slack hand: but the hand of the diligent
maketh rich”**

Proverbs 10:4

Thus poverty or prosperity or riches is what they become. They are not born with it. They become it by the secrets or keys they are able to lay hold unto and apply themselves to.

Riches or prosperity in life are coded. They are kept in secrets Isai.45:3, Ezek.28:3-4. They are only accessible to those who can search for and go for them.

THE LAWS OF LIFE

The secrets of riches are kept in the laws enacted by God in creation. The laws are to be explored, discovered and ventured into by discipline and diligence to be able to access the hidden riches of life. This is the reason why the sloughful, the complacent and the diligent who cannot apply themselves to this task will wallow and die in abject poverty. Riches are kept secret in the regulatory laws of nature, only accessible by the unveiling of the relevant laws and applying them. This is the only way to decode the mystery of wealth creation. The laws are deep and inexhaustive. But let me share some of them with you.

The rich and the poor are both the creations of God Pro.22:2. But the rich becomes rich by doing what rich people do and the poor don't. The moment the poor people locate what rich people do that make them rich, and they apply themselves to them, they will join the class of the rich people. So, the discovery of the laws of riches and wealth creation and diligent commitment to those laws will create a divide between the rich and the poor. It is not destiny or predestination or favour or act of God. It is a choice, available by work.

**There was a certain rich man, which
was clothed in purple and fine linen,
and fared sumptuously every day:
And there was a certain beggar named
Lazarus, which was laid at his gate,**

**full of sores,
And desiring to be fed with the crumbs
which fell from the rich man's table:
moreover the dogs came and licked his
sores”**

Luke 16:19-21

The rich man did not know God, yet he was rich and wealthy. Lazarus was holy and prayerful, yet he was married to poverty. So, wealth creation is not rooted in holiness or prayerfulness.

The rich man here discovered what makes men rich and was dodged in doing them. And his riches were multiplying. Lazarus, on the other hand was contended with poverty. Bible says he was desiring to be fed with crumbs Luke 16:21. That was his desire. And the Lord always grants the desires of our heart Psa.37:4. So, Lazarus didn't do anything about wealth creation since he was contented or satisfied with poverty. And so, he lived and died in poverty, though he was holy, righteous and prayerful unlike the rich man Luke 16:22. He was a beggar at birth and at death. Nothing meaningful or valuable was added to his life. What you refuse to work out won't work for you in life.

In the school of wealth creation, there are relevant, requisite laws that must be discovered, understood and engaged to command riches. Nature is neutral. It does not matter who or where you are. If you can succeed in this adventure, riches and wealth will answer to you on the earth.

Wealth is an adventure that is accessible to anyone that cares to venture.

Let me share some of these laws with you and the attendant commitments in our exploration into wealth creation.

PRAYERS

1. Every yoke of poverty upon my life, break and release me now by fire in Jesus name.
2. Every covenant of poverty hanging upon my destiny, break, release me now by fire in Jesus name.
3. Every curse of poverty upon my generation that is holding me down, break and release me now by fire in Jesus name.
4. Every monitoring spirit that is repealing finances from me, be consumed now by fire in Jesus name.
5. Spirit of financial dryness and hardship monitoring my life, be roasted now by fire in Jesus name.
6. Every spirit that is disconnecting me from financial helpers, be consumed out of my life by fire in Jesus name.
7. Gates of poverty erected in my life, scatter now by fire in Jesus name.
8. Doors of financial prosperity, open wide unto me as from today in Jesus name.
9. Thou the two leafed gates that lead to the land of wealth, open wide unto me as from today in Jesus name.
10. Oh God, lead me to my wealthy place as from today in Jesus name.
11. Doors of the hidden riches of secret places, open unto me as from today in Jesus name.

CHAPTER TWENTY THREE

THE LAW OF BURNING DESIRE

**“Delight thyself also in the LORD; and
he shall give thee the desires of thine
heart”**

Psalm 37:4

The law of burning desire states that: *“Whatsoever a man longs for or seeks desperately with passion in life, he attracts”*. The law posits that God always permits for us in life, what we desire in our heart.

A man can never rise or gets in life more than his desperate desire and pursuits.

Whatever you desire is easily believed and worked for. It makes pursuits possible and gives energy for running until there are results.

Lazarus destructive poverty was tied to his desire Luke 16:20-21.

CREATING WEALTH BY BURNING DESIRE

There are seven ways of creating wealth by burning desire:

First, have a mindset for wealth. Don't have a negative or destructive mindset for riches. Avoid a destructive mindset for riches. Avoid a destructive love for money 1Tim.6:10. Don't have a desire to get money by all means, good or bad. Don't think money is evil. Have a desire to be rich.

Second, your motive in anything you want in life matters. Have a desire to be rich, not to satisfy your selfish interest, but to satisfy the purpose of God on earth and meet the needs of humanity.

When God sees that your desire is selfless, He will open door for you for the desire to be realized.

Third, pursue your desire in God's way. Locate God's ways or means of making people rich and follow those ways. Avoid crooked and dubious ways of getting rich. Avoid the get – rich quick syndrome of the world.

Fourth, resist idleness, pleasures and complacency which are generators of poverty.

Fifth, find out what rich people do that make them rich and what poor people do that keep them poor and act accordingly.

Sixth, constantly declare your desires. Avoid negative confessions about money. Don't hate or talk against rich people. Let your confessions tally with your desires Pro.18:20-21

Seventh, pray and work your desires into reality Mark 11:24.

Engage in serious warfares to disengage yourself from evil foundations of poverty like Jabez 1Chro.4:9-10.

PRAYERS

1. Every magnet of poverty in my life, melt away from my life now by fire in Jesus name.
2. Thou the yoke of idleness and laziness, break upon my life and release me in Jesus name.
3. Thou the yoke of emptiness and nothingness of the hands, break upon my life now and release me by fire in Jesus name.
4. Every curse upon my hands that is resisting prosperity, break and release me now by fire in Jesus name.
5. Every baton of poverty transferred to me in life, be roasted now by fire in Jesus name.
6. Spirit of poverty that is following me in life, catch fire and leave me alone in Jesus name.
7. Thou the yoke of evil foundational inheritance of poverty in my life, be consumed now by fire in Jesus name.
8. Thou the magnet of riches, be installed into my life as from today in Jesus name.
9. I prophesy that whatsoever I do as from today, I shall prosper in Jesus name.
10. Power for wealth creation, fall upon me as from today in Jesus name.

CHAPTER TWENTY FOUR

THE LAW OF VALUE

The law of value states that “*rewards, income, prosperity and patronage in life follow value*”. In other words, you are able to create and generate wealth in life when you are irresistibly valuable i.e. you possess skill, services or products that compel men to be looking for you Mark 1:37, John 12:19.

THE MYSTERY OF VALUE

There are three classes of men in the school of value in life.

First, men that are useless. These are people that are liabilities and irrelevant in societies. They are problems and concerns. They are consumers and dependents. They contribute nothing to society. They are beggars and burdens. They have no solution to their own problems. They go about in life with series of complex problems begging for solutions. Their problems keep increasing and multiplying every day. The only inheritance they leave for their posterity are questions unanswered and problems unsolved. They live lives of frustration and meaninglessness. They are wretched, miserable and pitiable. There is nothing any man envy them for. Nobody wants to be identified with them. No man wants to keep company with them. King Solomon said of them in his writing:

**“All the brethren of the poor do hate him:
how much more do his friends go far from
him? he pursueth them with words, yet
they are wanting to him”**

Proverbs 19:7.

Second are men that are useful. These people generate solutions to their own problems and the problems of others. They contribute to the quality of the society. They solve problems. They meet needs. But as good and great as these people are, they have competitors and alternatives. Their products are also available somewhere else with another man. Another man can do exactly what they are doing. So, they are not absolutely essential. They are not indispensable.

The third are men that carry value. To be valuable is to possess skills and products that make you indispensable and irreplaceable. Skills that make you to have no competitor or alternative. Men of value are exceptional and distinct among men.

When you command value, there is no amount that is too much to reward you for your services or products because there is no man that can do or deliver it exactly like you. It is either you do or deliver it or no one else can. This therefore compel all men to be looking for you. You are irresistibly valuable. You generate products or services that all men in all strata of society crave or long for. You are not a local but a global champion. You therefore command global patronage. This makes you to be priceless. This is surely a master key to wealth creation. When you command value, you don't market yourself, value markets you in life.

VALUE KITS

There are two great Bible heroes that commanded value. Let's discover value kits from them

SOLOMON

He's reputed as the richest man ever lived. The Bible explained the source of his wealth in 1Kgs.10:23-25.

All kings all over the world were looking for him to pay royalty and reward him for the display of his uncommon and unparalleled wisdom. Rewards in life, follow value.

What are his value kits?

First, he discovered, developed and maximized his God given talents and gifts 1Kgs.4:29-30.

You must discover your unique gifting and develop it in life to carry value.

Second, he excelled all his competitors and superiors 1Kgs.4:30-31.

The pursuit of excellence is a key to distinction and core to commanding value.

Third, he worked hard and generated outstanding products 1Kgs.4:32-33. Diligence and industry are value generators.

Fourth, he attracted global patronage 1Kgs.4:34.

Fifth, kings looked for him 1Kgs.10:1-10. Who pursues you in life is a measure of what value you carry.

If you carry these value kits like Solomon, you will never be limited or be obsolete in wealth creation.

DANIEL

A Jewish slave boy who reigned and transcended three generational kings in the kingdoms of Babylon and Medo-Persia. He was irresistibly valuable that:

- Kings worshipped him like God Dan.2:46-48
- Kings bow to his order Dan.2:49
- Kings promoted him Dan.5:29
- Kings preferred him above all Dan.6:1-3
- Kings attached his name to the Almighty Dan.6:26-28

What are his value kits?

First he discovered and developed his talents and giftings Dan.1:17

Second, he excelled all others Dan.1:19-20.

Third, he commanded results and products that are inaccessible and cannot be dared by mortal men Dan.2:10-11, 19.

Fourth, he was a great worshipper of God Dan.2:23

Fifth, he commanded products that compel kings to hear about and be looking for him Dan.5:13-14.

Sixth, he commanded the spirit of excellence Dan.6:1-3.

Seventh, he had access into God's secrets – he was a man of deep revelations Dan.7:1; 2:19.

Eight, he was a man of great insights into knowledge Dan.9:2

So, he commanded global patronage

In summary, value lies in a man's ability to:

- Discover his God given talents and giftings and develop them.

- Update and upgrade himself
- Be diligent and disciplined
- Be excellence driven in all your pursuits and endeavors
- Be God's focused and connected.

These will attract to you global patronage and unfathomable rewards that consummate your capacity for wealth creation.

PRAYERS

1. Oh God, make me significant and valuable in life in Jesus name.
2. Thou the yoke of irrelevance and non – achievement upon my life, break and release me now by fire in Jesus name.
3. Every yoke that is reducing men to liabilities and burdens in life, break upon my life and release me now in Jesus name.

10. Oh thou my destiny, you shall not be lost in the crowd of life in Jesus name.

CHAPTER TWENTY FIVE

THE LAW OF CREATIVE POWER

The law of creative power says that *“your wealth creation capacity is tied to your ability to bring out the tangible from the intangible”*. You must therefore be able to create to be wealthy.

Wealth exists in the spirit realm Isai.45:3, Ezek.28:3-4. You must therefore be able to see it in the spirit realm and convert it into natural reality. That is the proof of creativity Heb.11:3.

You may be born poor but you must not remain or die poor like Lazarus. One dominant force to engage to create wealth is the development of your creative power. If you cannot develop this skill in life, your success in wealth creation will be limited.

ENGAGING THE LAW OF CREATIVE POWER

To succeed in wealth creation, you must be able to engage the law of creative power. The law is explained by the following procedures.

First, be born again. John 3:1-7. By salvation, you are adopted into the family of God John 1:12. You become a partaker of the divine nature 1Pet.1:3-4. You are accessible to the very mind of Christ which is the most resourceful, productive and creative mind in all creation 1Cor.2:16. Salvation initiates you into the creative class of God John 1:12, Heb.11:3. The riches and rights of redemption are not available or accessible to you until you are born again.

Second, be able to see needs and proffer solutions. See the needs around you, in your world. What commands patronage and create

wealth is ability to meet needs. There are diverse needs all around the place. There are problems everywhere. If you can't see needs – problems – and proffer solutions or answers, you can't succeed in wealth creation. What people pay for in life are problems solved, needs met. If you are not a problem solver, you won't attract patronage and you can't create wealth. That is why people who service and maintain the status quo will remain in poverty.

Third, is a deep, productive thinker. Thinking generates ideas. Ideas are products of value in the market of life. Ideas sell in all the currencies of the universe. You create wealth, you must be able to think out of the box. You must be able to generate different and better ways of doing the same thing Gen.11:1-4.

Fourth, you must be a dreamer Gen.37:5-11. You must be able to see what the natural eyes can't see Gen.13:14-15, 17.

Fifth, you must be able to develop your imaginative ability. Imagination breaks the restraints of life Gen.11:6. You must be able to extract tangible from the abstract world like Solomon 1Kgs.4:32-34 and Joseph in Gen.41:34-36.

Sixth, you must be skillful. Be able to produce what you've been able to see in the spirit realm craftily with the touch of excellence

Seventh, be result driven and addicted. Hate and react against mediocrity and non-achievement. Be a goal setter and goal getter.

Creativity is an attribute of God Heb.11:3, Rom.4:17. That attribute is planted in us at creation, and when we allow it to flow, it makes us to be the best that we can be.

Any man that is creative will have products that will attract global patronage and will be succeeding in wealth creation.

CHAPTER TWENTY SIX

THE LAW OF COURAGE

The law of courage states that, *“The degree of wealth you can create and build in life are all functions of the courage you muster”*.

In life, courage, boldness, fortitude are indices of the strength of your mind. It takes this strength to command any worthwhile accomplishment as nothing on earth is realized on the platform of weakness and timidity.

COURAGE AND LIFE’S EXPLOIT

Joshua was taking over the leadership of the children of Israel after the demise of God’s great General, Moses, and the only command instruction God gave him was *“be strong and of a good courage”*. This command was repeated three times in Josh.1:1-9 to assert the definitiveness of it Josh.1:6, 7, 9. To succeed where Moses failed, you need an extraordinary courage.

A man can be powerful and fearful in life like Elijah 1Kgs.19:1-4. His rate of accomplishment will be limited. But when you are strong and courageous you can dare the dreaded and confront the insurmountable. Exploits in life are brain children of courage and fortitude.

One of the greatest undoings of Aaron, Israel’s high priest was weakness and lack of courage Exo.32:21-24.

THE MINISTRY OF COURAGE IN THE CREATION OF WEALTH

First, your willingness to risk failure and disappointment is the measure of your desire to succeed in life. It is not life that matters but the courage you bring into it.

Courage helps you to stick your neck out and do something when you could easily live in your comfort zone. It therefore takes a high degree of courage to create wealth. The fearful can't launch out into any meaningful adventures Pro.26:13; 22:13.

To create wealth, you must be courageous to take risks. It takes risks to enter into entrepreneurship.

Second, courage helps you to beat fear to do something different. God requires that you do the things that you sometimes dread Pro.12:27, II Tim.1:7.

Third, courage helps you to dare the dreaded and go ahead to exercise your creativity, confronting uncertainty in the face of certainty.

Fourth, the journey into wealth creation is bedeviled with lots of challenges. It takes courage to confront the stubborn and insurmountable challenges of life Deut.31:7, Josh.1:6, 7, 9.

Fifth, courage helps to go through when others have given up. It helps you to turn failures into enthusiasm in the hope that something good will come out of it.

Infact, courage helps you to see failure as a raw material and stepping stones to success.

Be bold, be courageous to launch out into what you have the endowments and passion for. That's the pathway to wealth creation and wealth building.

PRAYERS

1. I break the yoke of failure upon my life right now in Jesus name.
2. I break the yoke of the fear of failure upon all my endeavors in life in Jesus name.
3. Thou the yoke of discouragement upon my life, break, release me now by fire in Jesus name.
4. Grace for rich and purposeful pursuits, rest upon me as from today in Jesus name.
5. Anointing for the richness of the mind and the hands, fall upon me as from today in Jesus name.

9. Power that succeeds where other fail, power that stands up right where others fall, come on me right now in Jesus name.
10. Power for wealth creation and wealth building, fall upon me now in Jesus name.

CHAPTER TWENTY SEVEN

THE LAW OF DISCIPLINE

The law of discipline maintains that, *“Your capacity and ability to create and build wealth are predicated upon your disciplined lifestyles”*.

Discipline is the bridge between goals and accomplishments in life. The journey into wealth creation requires a lot of discipline.

What is discipline?

**“But I keep under my body, and bring it
into subjection: lest that by any means,
when I have preached to others, I myself
should be a castaway”**

1 Cor.9:27.

**“But what things were gain to me,
those I counted loss for Christ”**

Philippians 3:7

Discipline is the training of your mind and the building of your character aimed at producing self-control. It is bringing yourself under rules and regulations to be able to achieve certain feats or accomplishments in life.

An undisciplined man cannot create and build wealth. If he starts it well, he will end it badly or poorly. Some people's wealth empires are in their stomachs. Indiscipline had made them to eat their tomorrows.

THE MINISTRY OF DISCIPLINE

1. Discipline helps to overcome comfort, sleep, complacency and laziness. There is a direct relationship between sleep and poverty. Discipline helps to overcome adducing reasons and excuses for idleness and poverty Pro.6:9-11; 24:30-34.

Discipline promotes hard and smart work. Discipline and diligence are twins. They are generators of outstanding results and wealth in life.

2. Discipline provokes the diligence that helps a man to dig his well of wealth Gen.26:18-22. It takes discipline to get a man to his Esek Gen.26:18-20. It takes a more discipline to get to Sitnah Gen.26:21. It takes a greater discipline to reach Rehoboth Gen.26:22.

3. It takes discipline to be sowing contrary to weather forecast Gen.26:12.

4. Discipline helps to prioritize well. It helps to make first things first Matt.6:33.

5. It takes discipline to be organized, systematic, focused and determined all of which promote wealth making.

6. Discipline helps continuous pursuits in the right direction without getting wearied or tired Phil.3:13-14.

7. Discipline is the myth behind the smooth realization of life's dreams and visions. It also takes discipline to pursue, overtake, recover in life's journey.

Discipline made our Lord Jesus Christ to endure the cross, despising the shame until He attained Heb.12:2. Discipline makes almost any vision achievable, and any dream possible. Where there is no discipline, wealth is squandered, crushing debt is incurred and resourceful business or ventures are ruined. Lack of discipline and diligence fill the wealthy field of man with thorns and nettles that generate wretchedness and poverty Pro.24:30-34.

Without discipline in life, you cannot attain, you will be detained.

PRAYERS

1. Thou the garment of wretchedness and poverty upon me, tear and be roasted now by fire in Jesus name.
2. Power for sowing and reaping, rest upon me now in Jesus name.
3. Power for laboring with results, fall upon me now in Jesus name.
4. Power to dig my well of wealth, fall upon me now in Jesus name.
5. I prophesy that even in the desert, I shall dig my well and find water in Jesus name.
6. Every power that is contending with my prosperity, be frustrated and wasted now by fire in Jesus name.
7. Every anti prosperity covenant hanging upon my life and destiny, scatter and be annulled now by fire in Jesus name.
8. Oh God, move me to my Rehoboth as from today in Jesus name.
9. I prophesy continuous increase in my wealth and prosperity as from today in Jesus name.
10. Oh thou my destiny, enter into the realm of additions of kingdom blessings as from today in Jesus name.

CHAPTER TWENTY EIGHT

THE LAW OF INVESTMENT

The law of investment states that *“To build wealth that lasts, you must be skilled in making, managing and multiplying wealth”*.

That is you must be able to access multiple streams of income in life. If you are only accessible to only one source of income, you cannot build wealth. Your wealth will only be for subsistence.

One of the ways to achieve multiple streams of income is to develop the skill in financial investment.

WHAT IS INVESTMENT?

It is clearly seen in Matt.25:14-30. It is releasing what you have to reproduce and multiply back to you. Increase is a product of releasing what you have John 12:24. What you want multiplied to you must first be released to metamorphose and change form and come back to you in multiples. Whatever you hide and refuse to let go ends up dying. For wealth to be built, there has to be a release of a seed for multiplication.

HOW TO INVEST

1. Lay your treasures in heaven Matt.6:19-21.

Your tithes, offerings, kingdom promotional givings are investments in heaven that will surely provoke supernatural supplies to you in life.

2. Trade in life with your gifts, talents and skills. Turn them to monetary values. Turn them to effective commodities of exchange that must yield great dividends to you Matt.25:14-30.

3. Invest into share capitals. Use your money to create money – shares, investment tradings, Treasury bill etc.

4. Invest in real estates and properties.

5. Diversify. Just like the river that broke into four parts Gen.2:10, in order to properly obey the law of wealth creation, diversification becomes necessary. Invest into more than one or two businesses so that incomes can flow to you from different sources.

Investment is the way to wealth building and multiplication.

PRAYERS

1. Power for making, managing and multiplying wealth, come upon me right now in Jesus name.
2. Power to command multiple streams of income, fall upon me now in Jesus name.
3. Every power that is blocking the pipes of prosperity into my life, be roasted now by fire in Jesus name.
4. Every power that is diverting the source of finances away from me, be roasted now by fire in Jesus name.
5. Gen.2:10, river of wealth that multiply to different directions of my life, flow unto me as from today in Jesus name.
6. Yoke of financial stagnation upon my life, break, release me now by fire in Jesus name.
7. Anointing that transforms gifts and talents to money, fall upon me now in Jesus name.
8. Thou the profits of the earth, begin to yield unto me as from today in Jesus name
9. Oh ye my investments in life, begin to yield great dividends unto me as from today in Jesus name.
10. Power that generates prosperity from whatsoever I do, come upon me right now in Jesus name.

CHAPTER TWENTY NINE

THE LAW OF 'PROPER MIX'

This law states that: - *“Wealth is essentially created by two dominant forces. Your ability to adequately mix or combine the two of them will determine your degree and volume of wealth building in life”.*

THE TWO WEALTH GENERATING FORCES

The first force that create wealth in life is divine endowments.

In order to create wealth, God has put certain abilities, giftings, talents and potentials in you at creation, so that by them, you can make a difference in your world. They are divine endowments that are not bought and cannot be passed on to you by someone else but are the gifts of heaven to you.

They are your God given products that you must discover and come to this earth to trade with. They are the things you must sell to generate your needed wealth for you in life.

For Daniel, it was visions and dreams Dan.1:17. For Solomon, it was wisdom 1kgs.4:29-34. For Bezaleel and Aholiab, it was cunning craftsmanship Exo.31:1-6.

The second force is skill. Skills are acquired. Skills are the practical abilities we acquire, learn, own and develop. You can do this by going to school or learn a trade. You go for tutoring or mentoring under someone who is already skillful in the trade.

PROPER MIX

When practical skills are mixed with our natural talents and gifts to produce works in the material world, it helps us to accomplish the purpose we are created for. It creates for us a world of endless possibilities. If we would dare to unleash our divine endowments and abilities with our special skills in life, we would experience the power of wealth creation.

This is the stories of men that build great wealth. Ability to combine appropriately, your innate abilities (gifts and talents) with your natural abilities (skills got by training) and you pursue this with the touch of excellence, will enhance your capacity in wealth creation. You will stand out among men and be outstanding in life.

PRAYERS

1. Thou the spirit of excellence and distinction, rest upon me as from today in Jesus name.
2. Anointing for ten times better, fall upon me as from today in Jesus name.
3. Thou the spirit and anointing that beat the best, rest upon me as from today in Jesus name.
4. Anointing for above and not beneath, rest upon me as from today in Jesus name.
5. Anointing for the head and not the tail, rest upon me right now in Jesus name.
6. Thou the innate, hidden abilities, begin to work for me as from today in Jesus name.
7. Thou the endowments of God within me, come alive right now and release me to my world in Jesus name.
8. Anointing for limitless wealth creation, fall upon me right now in Jesus name.
9. Oh thou my destiny, you are a city that is set upon the hill that cannot be hid as from today in Jesus name.
10. Anointing for stardom, rest upon me right now in Jesus name.

CHAPTER THIRTY

THE LAW OF POWER

**“But thou shalt remember the LORD thy God:
for it is he that giveth thee power to get wealth,
that he may establish his covenant which he
sware unto thy fathers, as it is this day”**

Deut.8:18

The law of power states that: *“In life, you are a victim of what you are ignorant of or what you are not empowered for”.*

Therefore. When you know what to do in the area of wealth creation and you are empowered for it, you succeed in creating and building wealth. You must know the sources of power for wealth creation. You must also know how to engage them.

SOURCES OF POWER FOR WEALTH CREATION

Power for wealth come via:

1. IDEAS

Ideas are products of deep, productive and resourceful thinking. If you are not rich in your mind, you can't be rich in your hands. And the poof of rich minds is quality and working ideas. Men of ideas rule this world. Ideas show you what to do and how to do it to generate your needed results in life.

Ideas creates products that attract patronage in the market of life. It was ideas that brought Joseph to limelight Gen.41:33-37. Ideas

symptomize the depth of your thinking which in turn determines the brightness of your life or how bright you can shine in life.

The prophet Isaiah admonishes us to *“arise and shine”* Isai.60:1. You arise by commanding quality ideas. If you cannot command working ideas, you are not better than a dead man and you continue life or can even die in ignominy and anonymity. You’ll be wallowing in the sepulcher order of life

2. REVELATION

Revelation is another source of power for wealth creation. Revelation is the unfolding of secrets Dan.2:19. Wealth is kept in secrets Isai.45:3. When the secrets of what will create wealth is revealed to you, you take delivery of keys that open doors to wealth creation and you can never remain poor again.

3. DIVINE INSTRUCTION AND DIRECTION

In the time of drought and famine in Gerar, it was divine direction and instruction that bailed out Isaac Gen.26:1-4. It was acting on divine direction that turned the situation around for him Gen.26:12-14.

When you act by divine direction or instruction, you secure divine backing that turns the desert into a fruitful hill Psa.32:8.

4. SPIRITUAL WARFARE

You need to contend with, break and scatter the gates of poverty erected against your life and destiny. You need to dismantle the strongholds of institutional poverty and financial hardship erected in your destiny. You need to revoke, annul and scatter the yoke of evil foundational inheritance that is springing forth, the waters of poverty into your destiny. You need to contact the anointing that will activate your efforts for results in life Luke 5:5-6.

You need to pray your destiny into connection with destiny helpers that will launch you into wealth creation in life.

5. THE COVENANT

The last source of power for wealth creation is the covenant Deut.8:18. The covenant is expressed in sacrificial giving Psa.50:5.

God has no greater means of prospering a man who is not a sacrificial giver. Giving is a profound source of power for wealth generation.

God is rich. He is a sacrificial giver John 3:16.

Don't observe the wind, just sow Eccl.11:3-4.

Without any reservation and excuse, just give, with a cheerful heart, your

- Tithes
- First fruits
- Giving to your pastor and God's servants
- Giving to the needy
- Giving for kingdom projects
- Bountiful offerings whenever you are going to God's house

Giving is part of your worship to God Gen.22:5.

If there is any reason that has denied you of access to give, that reason has disqualified you from accessing the covenant of wealth building.

BENEFITS OF SACRIFICIAL GIVINGS

1. The giving hand cannot lack Luke 6:38

2. It opens the door of unusual favors, and opportunities for a man.
3. It generates returns of money and blessings that money cannot buy.
4. Sacrificial giving redeems a man from attacks, assaults and arrows of the enemy.
5. Sacrificial giving is expressed in what Noah did after the flood in Gen.8:20.

This action of Noah moved God to alter the curse imposed upon man and creation by the reason of the fall in Gen.3:17-19. This was reversed in Gen.8:21-22. This is the mystery of sacrificial giving.

Sacrificial giving therefore is a dominant gateway into power for wealth creation.

PRAYERS

1. Power for financial freedom come upon me right now in Jesus name.
2. Grace to give sacrificially to access financial breakthroughs, rest upon me right now in Jesus name.
3. Power for financial dominion, come upon me right now in Jesus name.
4. Anointing that activates efforts for financial results in life, fall on me now in Jesus name.
5. Grace that connects a man to financial destiny helpers, come upon my life right now in Jesus name.
6. Thou the strongholds of poverty and financial hardship in my life, be dismantled and scatter from my life now in Jesus name.
7. I receive right now the keys that open the doors of financial prosperity in Jesus name.
8. Divine ideas for wealth creation, enter into me as from today in Jesus name.
9. Oh thou my mind, be empowered for wealth creation right now in Jesus name.
10. Oh thou my destiny, receive access into the revelation of the secrets of wealth creation right now in Jesus name.
11. Anointing for divine direction and discretion for wealth creation, come upon me right now in Jesus name.

CHAPTER THIRTY ONE

THE MYSTERY OF HARVEST TIME

Sudden and unexplainable experiences are part of the riddles that characterize our universe. They are, indeed, the mysteries of harvest time.

Harvest times are the occurrences of great exclamations that defy explanations. They are occurrences that we see the effects but cannot see the cause. We see the reagents but can't see the agents. We see the fruits but can't locate the root. They are happenings that leave us in bewilderments. The only explanation we have of these experiences and occurrences is "it is harvest time".

Joseph went to bed in the dungeon in Egypt. He woke up the following morning to meet himself on the seat of the Prime Minister of Egypt against all protocols, laws or constitution of Egypt Gen.41:37-45. The only explanation is "it is harvest time"

Mephibosheph was abandoned in Lodebar. He was lame at his early life II Sam.4:1-4. He found his way in less than twenty four hours sharing the throne with King David in Israel II Sam.9:1-7. There is no explanation than "harvest time".

The King Ahasuerus could not sleep one night until he was compelled to remember Mordecai for the good deeds he had done long before that time. In some few hours, events became unfolded and Mordecai, the gateman suddenly became a great man Esth.6:1-11. It is harvest time.

Abiathar the priest, son of Abimelech had served God consistently for decades. He had survived ordeals and deaths with David in the wicked

hands of King Saul. When David became king, he became one of the 'kitchen cabinets' of David. He was loyal and committed to David till David's last day on the throne.

Mysteriously, he fell out of place with King Solomon, having gone to pitch his tent with Adonijah. He was dealt with by Solomon and his destiny became wasted in Anathoth in the last days of his life. All his labors of decades were not to be reckoned with 1Kgs.2:26-27. It is harvest time.

King Saul lost all his sons and his armor bearer in the battle of Ramothgilead in one day. Not one escaped 1Sam.31:1-6. What a great tragedy. It is harvest time.

Haman was hanged on the gallows erected for Mordecai Esth.7:10. His ten sons were also hanged in one day Esth.9:13-14. What a riddle. It only has explanation in "it is harvest time"

WHAT IS HARVEST TIME?

**"While the earth remaineth, seedtime and
harvest, and cold and heat, and summer and
winter, and day and night shall not cease"**

Gen.8:22.

**"Be not deceived; God is not mocked: for
whatsoever a man soweth, that shall he
also reap.**

For he that soweth to his flesh shall of the

**flesh reap corruption; but he that soweth to
the Spirit shall of the Spirit reap life
everlasting”**

Galatians 6:7-8.

Harvest time is the maturity dates of seeds sown in life.

All harvests of life, positive or negative, answer to seeds sown.

There is no event or occurrence in life that just happens. There is no plant without a seed. There is no smoke without fire. There is no house without foundation. Every happening at any particular period originated from a seed sown at an entire period. But it is not the date the seed was sown that it became matured for harvest. The day the occurrence blew open was the maturity date of the seed. That was the harvest time.

HARVEST: A LAW OF LIFE

Gen.8:22, Gal.6:7-8

Harvest is a law of life. Every harvest or occurrence or happening in life is a response to an earlier seed sown. Harvest in life answers to seeds. Life's seeds that generate the harvests of life include:

- Sins and sinning
- Breach of covenant
- Acts of wickedness
- Prayers

- Efforts of labors in life
- Life's pursuits
- Desires
- Dreams and visions Gen.37:5-11; 42:6-9
- Faithfulness Acts 1:21-26
- Your foundation in life
- Actions and behaviors
- Giving and sacrifices
- Benevolence and kindness
- Thoughts
- Words
- God's words
- Life's investments
- Self-development

All these are seeds – corrupt and incorruptible – that generate their corresponding harvests in life.

PRAYERS

1. Thou the operations of the works of evil around me, expire now by fire in Jesus name.
2. Every power that is sponsoring and promoting evil occurrences in my life, be devoured now by fire in Jesus name.
3. Every yoke upon my life that is strengthening evil reoccurrences, break now and be consumed by fire in Jesus name.
4. I command demonic manipulations in my life to be revoked and annulled by fire in Jesus name.
5. Evil programming into my destiny, scatter now by fire in Jesus name.
6. Programmes of evil configured into the years of my life, be revoked and annulled now by fire in Jesus name.
7. Oh God, make me an exception to the evil rules of life as from today in Jesus name.
8. Garment of divine immunity from evil arrows and assaults, tear from my neck as from today by fire in Jesus name.
9. Anointing for exception from attacks and assaults, come upon me now in Jesus name.
10. I prophesy that my destiny shall not walk into demonic arrangement in life in Jesus name.

CHAPTER THIRTY TWO

TYPES OF HARVESTS

There are three dominant types of harvests in life according to the seeds sown. Let us examine them briefly.

DEMONIC HARVEST

These are bitter, negative, unpleasant experiences that defy prognosis and diagnosis, that repeal prescriptions and solutions that a man is passing through in life. Cases of sudden calamities and disasters, misfortunes and losses, the inexplicable sinking of the ship of destiny that happen to people in life. These are harvests of seeds sown at a particular time or another in the journey of life.

MANIFESTATIONS OF DEMONIC HARVESTS

1. *Hard Life*

Hard life has to do with sweatings and strugglings that generate no returns to man. Experience of labor without favor. This was the life of Peter at the lake of Genasaret Luke 5:5, toiling and taking nothing. Emptiness, nothingness, non-achievement in the midst of exaction of energy and efforts. That was the experience of Jacob in the house of Laban Gen.31:40-42. Twenty years labor without reward. That was the experience of Israel in the hands of the Medianites in the days of Gideon Jugd.6:1-6. This is bondage in reality Exo.1:13-14. It is also rooted in a curse Gen.3:17-19.

2. Much Prayers but No Answer

That was the case of Hannah. She was visiting the temple year by year to pray, but there was no answers. Labor loss, fallacy and failure on the altar of prayers 1Sam.1:7

3. Hatred and Rejection

When you are not loved or appreciated. You are hated and rejected for no reason. When you are always used and dumped. When you are always forgotten and abandoned, not minding the good works you are doing. That is an example of demonic harvest. That was the experience of Joseph in his earthly life Gen.40:23. He was always rewarded with evil for all the good deeds he manifested.

4. Big Dreams, Great Visions but No Fulfillment.

That was the reality of Joseph's life Gen.37:5-11. Lots of prophecies, but no performance. You have all it takes to be rich, yet you remain poor. You have all it takes to be great but you are small. You have all it takes to be on top, but you are caged and downtrodden.

5. Pursuits without Delivery

The paralytic at Bethseda was making efforts, pursuing but no delivery John 5:7. The Bible says:

**“He gave also their increase unto the
caterpillar, and their labour unto the
locust”**

Psalm 78:46

Always making efforts to no avail. Very hardworking, always pushing but not going forward in life. It is an experience of demonic harvest.

6. Collective Captivity

When everybody in the same family or the same bloodline are victims of the same oppression and affliction in life.

King Saul and all his sons died the same day in one single battle 1Sam.31:6. Hamman and his ten sons suffered the same type of death – hanging Esth.7:10; 9:13-14.

SEEDS OF DEMONIC HARVESTS

1. Hidden curses. The curse of Joshua upon Jericho was a seed that generated the terrible bitterness, hardness and barrenness of the land Josh.6:26, IIkgs.2:19. This is the root of all stubborn battles in life Mark 5:25-26.

2. The scourge of the tongue, like the case of Abiathar. Evil pronouncement and judgment hanging upon Eli, his great ancestor, as a result of his breach of covenant, rebellion and disobedience to God 1kgs.2:26-27.

3. Acts of wickedness

The acts of wickedness of King Saul toward the Gibeonites became a bitter harvest for Israel in the days of David IISam.21:1.

4. Limitation and dedication to satan

5. Unbroken covenant with the devil.

WAY OUT OF DEMONIC HARVESTS

1. Salvation

Repent and turn to God Acts 3:19-21

2. Radical consecration to God.

3. Prayer of renunciation.

4. Restitution and correction of past errors II Sam. 21:8-9.

5. Address your faulty foundation in spiritual warfare.

6. Raise an altar of redemption through sacrificial giving.

NATURAL HARVEST

The second type of harvest in life is natural harvest Gal. 6:7.

This is getting returns appropriate to what you actually labored for in life. For example, Mordecai was rewarded for what he labored for – what he did to the king Esth. 2:21-23; 6:1-11.

You went to school or for a training and you acquire a skill that attracted a job or contract to you is natural harvest.

If you pursue an adventure that you are qualified for and you are denied, there is an illegality that is meted against you in the spirit realm. It is an evil arrow against your life and destiny.

PRAYERS

1. Every evil seed, waiting for germination and maturity in my life, be uprooted by fire in Jesus name.
2. Every voice of judgment following me in life, the cry of mercy silence you permanently from my life right now in Jesus name.
3. Oh God, deliver me by your mercy from the harvest of judgment in Jesus name.
4. Every evil implantation waiting for maturity in my life, be consumed now by fire in Jesus name.
5. Every demonic installation at the foundation of my destiny, be dismantled right now by fire in Jesus name.
6. Every evil conspiracy and confederacy against my life and destiny, scatter and be annulled now by fire in Jesus name.
7. Every tree of evil harvest, growing in my life, be uprooted by fire in Jesus name.
8. Every magnet of evil in my life, melt away now by fire in Jesus name.
9. Every yoke of labor loss and leaking pocket in my life, break and release me now by fire in Jesus name.
10. Every yoke of collective captivity upon my life, break and release me now by fire in Jesus name.

CHAPTER THIRTY THREE

SUPERNATURAL HARVEST

This is reaping dividends that are greater than your savings, your labors and your expectations in life.

Joseph's expectation and request to the chief butler was to mention him to Pharaoh so that he would be released from jail and to return to his father. But he was released to become Prime Minister in Egypt. This is supernatural harvest. Peter's experience when Jesus encountered him in the Lake of Genasaret was supernatural harvest. His returns were incomparable to his efforts Luke 4:6-7.

Supernatural harvest is reaping pleasantly, what you didn't sow at all. It is reaping the labor of others Deut.6:10-11, John 4:38. This was Mephibosheph's experience in II Sam.9:1-7. He reaped sumptuously from David what Jonathan sowed 1 Sam.18:1-4.

CHARACTERISTICS OF SUPERNATURAL HARVESTS

1. Realizing life's pursuits with ease Luke 5:6, Gen.26:12-14.

2. Divine speed

Accomplishing within a very short period, what others are struggling for in a lifetime.

3. Speedy, unreserved and undelayed answers to prayers. Granting the requests you did not make 1Kg.3:12-13, Isai.65:24.
4. Commanding or attracting unusual helps and favors IISam.9:1-7. Attracting helps that are bigger and greater than you.
5. Little or insignificant efforts and amazing returns or rewards Luke 5:6-7.
6. Reaping results that defy natural laws like Isaac in Gerar Gen.26:12-14, 18-22.
7. Commanding the support of the heavens and earth Luke 12:16.
8. Commanding the rain of harvest Gen.7:11-12.

When a man begins to experience the rain of harvest:

- Things begin to happen and work for you supernaturally in ways you cannot explain. Doors begin to open for you of their own accord without your efforts. You begin to generate results beyond your imaginations, expectations and explanations.
- You begin to command the results of ten years in one month.
- Losses of past years begin to be restored back to you with great dividends.
- You begin to access the realm of all possibilities.
- You begin to experience exponential, geometric and superlative results, returns and rewards to life's labors and efforts.
- You begin to command the helps of the earth Rev.12:16.

TRIGGER OF SUPERNATURAL HARVESTS

Supernatural harvest is provoked by:

1. Effectual fervent praying as in the case of
 - Elijah James 5:17-18
 - Zacharias Luke 1:13-17
2. Purity of life – as in the case of Mary Luke 1:26-33
3. Sowing or sacrifices Gen.26:12-14
4. Divine instruction and dedication Luke 5:4, 6, Gen.26:1-4
5. Visions and dreaming Gen.37:5-11; 42:6-9.
6. God's word Luke 8:11, Isai.55:10-11. Sow the seed in warfare declarations Deut.1:10-11, Jer.36:11.
7. The covenant

Jonathan sowed the seed of the covenant 1Sam.18:1-4. The covenant preserved Mephibosheph in II Sam.21:6, 7. He reaped the harvest in II Sam.9:1-7.

The seed sown by Cornelius, generated bumper harvest for him Acts 10:1-4.

Harvests answer to seeds. All seeds sown will yield harvests today or today.

PRAYERS

1. Favor for supernatural harvests, come upon me right now in Jesus name.
2. Favor that terminate the yoke of labor, fall on me now in Jesus name.
3. Favor that announces a man in the place of honor, come upon me now in Jesus name.
4. Favor that advertises a man in the strategic and significant quarters of life, come upon me right now in Jesus name.
5. Favor that makes a man to reap sumptuously in the place where he didn't sow, come upon me right now in Jesus name.
6. Grace to reap the dividends and harvests of praying, fall upon me in Jesus name.
7. Oh thou my destiny, begin to command and attract unusual helps and favor in all areas of life as from today in Jesus name.
8. I prophesy that in my life as from today, the bitterness of life is past in Jesus name.
9. Thou the doors of the pleasant riches of life, begin to open unto me of your own accord as from today in Jesus name.
10. Oh thou my destiny, begin to drink the river of God's pleasures and eat the food of God's delight as from today in Jesus name.

CHAPTER THIRTY FOUR

THE MYSTERY OF EXPLOITS

**“And such as do wickedly against the
covenant shall he corrupt by flatteries:
but the people that do know their God
shall be strong, and do exploits”**

Daniel 11:32

Life is all about results. We came to this earth to generate results. Results in life define our worth and value. Results give meaning, expression and definition to our existence. Life is not really about duration but donation. It is what you are adding or generating to your world. We are here to add and not to diminish from our world. They said you will be remembered in life, for either the problems you solved or the problems you caused.

There are two dominant, opposite extremes in life.

First are those who couldn't generate results. They are problem causers and problem carriers. These are people that are exploited – victims of life's exploitation. They are impoverished, depleted, dispossessed and disinherited. They are spoilt by the spoilers of life, the way Israel spoilt the Egyptians Exo.12:35-36. They are exploited the way the medianites impoverished Israel in the days of Gideon Judg.6:2-6. They are oppressed and enslaved Isai.14:4-5.

People who cannot generate results are burdens and liabilities to themselves and their worlds. Their lives are pitiable, meaningless and worthless.

Second are those who do or command exploits. These are proof producers and result generators in life.

WHAT ARE EXPLOITS?

Exploits are:

- The results that validate the supernatural identity of a man
- Results that are products of creativity, resourcefulness and ingenuity of a man.
- Results that resist or react against domination, slavery, docility and servitude.
- Turning the worst into the best situation, bringing beauty out of ashes and order out of chaos in life Gen.1:2, 3-31.
- Results that makes a man an exception to the regulatory laws of life.
- Commanding customized products, globally acclaimed and celebrated accomplishments.
- Results that beat the best, results that are unprecedented, results that provoke surpassing surprises in life.

FOUNDATION FOR EXPLOIT

God created us for exploits Gen.1:26-28. But exploits are only accessible to the men of strength. The weak in life will be exploited. The powerless will be spoilt by the spoilers.

**“...the people that do know their God
shall be strong, and do exploits”**

Daniel 11:32

**“When a strong man armed keepeth his
palace, his goods are in peace:**

**But when a stronger than he shall come
upon him, and overcome him, he taketh
from him all his armour wherein he
trusted, and divideth his spoils”**

Luke 11:21-22

**“And it came to pass, when Israel was strong,
that they put the Canaanites to tribute, and
did not utterly drive them out”**

Judges 1:28

The foundation for exploits in life therefore is strength. The stronger you are, the greater the exploit you will command. The weaker you are, the more exploited you become.

When the spoils of life are to be shared, it is among the strong, the weak is disqualified and are not remembered.

**“Therefore will I divide him a portion with
the great, and he shall divide the spoil with**

**the strong; because he hath poured out his
soul unto death: and he was numbered with
the transgressors; and he bare the sin of
many, and made intercession for the
transgressors”**

Isaiah 53:12

Go for strength in life and your results will be record – breaking. You will not be found among mediocres and nonentities. You will find your name among the list of the dignitaries.

PRAYERS

1. Thou my destiny, receive power for results and rewards in the journey of life as from today in Jesus name.
2. Thou my destiny, reject exploitation, begin to command exploits as from today in Jesus name.
3. I refused to be exploited, to be impoverished and be depleted in life as from today in Jesus name.
4. Thou eaters of harvest, devourers of increase monitoring my life, be roasted now by fire in Jesus name.
5. Thou my destiny, you shall not be a burden or a liability in life as from today in Jesus name.
6. I terminate the yoke of slavery and servitude from my life as from today in Jesus name.
7. I receive strength for exploits and mighty works in life as from today in Jesus name.
8. I deliver my labors in life from the locusts, I redeem my increase from the caterpillars in Jesus name.
9. I receive power to suck honey from the rocks of life in Jesus name.
10. Power to generate results that advertise and glorify God, rest upon me as from today in Jesus name.

CHAPTER THIRTY FIVE

COMMANDING SUPERNATURAL EXPLOITS

Exploits are results that are amazing and dumbfounding in life. Supernatural exploits are results that command divine backing. These are results that transcend natural laws and explanations. Results that have explanations in the acts of God. Results that answer only to the finger of God.

Man, by creation, carries two natures – the natural and the supernatural (the dust and the breath of God) Gen.2:7. Whichever of the two natures that man puts a demand upon, determines the results he gets or commands in life. If he puts a demand on his natural dimension, he suffers exploitation. If he puts a demand on his supernatural dimension, he commands exploits.

That was the experience of Samson when he met the lion in the vineyard of Timnath Judg.14:5-6. That was the experience with the David in his confrontation with Goliath 1Sam.17:32-51. That was the same experience with David and his men in the Ziklag episode 1Sam.30:1-20.

Whichever of the two natures you have that you place a demand upon at any particular time, determine the results you generate in life.

To command supernatural results in life, you must learn to place a demand on the supernatural dimension of you through the application of the laws of the supernatural.

**“There is therefore now no condemnation
to them which are in Christ Jesus,
who walk not after the flesh, but after**

the Spirit.

For the law of the Spirit of life in Christ

Jesus hath made me free from the law of

sin and death”

Romans 8:1, 2

Every time you engage the law of the supernatural, you put on hold or suspend natural laws. When natural laws are suspended, you experience amazing results called exploits.

Let us examine some of these laws briefly

THE LAW OF PURITY

The supernatural dimension of man – the god in him – the breathe of God in him – thrives and is activated (like a fish in the river) in an atmosphere of purity and spirituality Rom.8:5-8.

Every time you commit or remain in sin, your spiritual systems collapse. The god or the breathe of God remains dormant, docile and inactive. He can't respond to any demand you place on Him. Exploit will become impossible. That was the case with Gehazi in IIkgs.4:29-31. Sin is very deadly and ruinous.

You must therefore constantly pursue a sensitization and activation of your spirit man by an insatiable and endless pursuit of purity and holy living. That is the key to exploits.

When Samson was maintaining his Nazarene vow, he was always under the refreshing grace and power of the Holy Spirit and exploits were at his whilms and caprices Judg.14:5-6.

When sin entered by breaking his Nazarite vows, the Holy Ghost left, exploits ceased and he became a victim of exploitation Judg.16:16-20. When his hair began to grow again, exploits re-appeared and exploitation disappeared Judg.16:28-30.

Hate sin and run away from it like Joseph Gen.39:7-12. That is the gateway into exploits.

THE LAW OF STRENGTH

Strength generates exploits Dan.11:32. The stronger you are, the more exploit you command. A weak man will always be exploited Josh.1:6-9, Luke 11:21-22.

Strength is generated by knowledge Pro.24:3-5. Knowledge triggers the god in you – the supernatural dimension of man Dan.11:32. You use knowledge to fight and win life's battles Pro. 24:6. You use knowledge to pray. Prayer generates power Acts 4:31, 33.

AREAS WHERE YOU NEED KNOWLEDGE TO DOMINATE IN LIFE

First, you need knowledge about satan. You must know who satan is in relation to you. He is to be cast out Mark 16:17. He's to be bound Matt.16:19, Rev.20:1-3. He's to be trampled upon Luke 10:19, Rom.16:20. He's to be chased away and he must flee 1Pet.5:8, 9. He's powerless Matt.28:18. He's not to be given attention Eph.4:27. He's under your feet by virtue of your redemptive right Eph.2:5, 6; 1:19-22.

Second, you need the knowledge of who you are in redemption. You are a child of God John 1:12. You are seated with Christ in the

heavenly places Eph.2:5; 1:19-22. You are a spirit John 3:6 in the class of God John 4:24.

Third, you need the knowledge of who you are in relation to satan. Satan is to eat dust by the fall Gen.3:14, Isai.65:25, Gen.2:7. But in redemption, you are a spirit John 3:6. So, satan cannot prey on you.

Fourth, you need the knowledge of God Jer.32:27, 17, Luke 1:37.

You therefore need to act with these knowledge to generate exploits in life.

THE LAW OF IMAGINATION

Imagination breaks the restraints of life Gen.11:6.

It is an exercise of the transformed and renewed man Rom.12:2. It is the proof or by product of a divine mindset.

You carry a mindset that God is in you and is the one acting in what you are doing. That was what answered to David in 1Sam.17:32-51, to Caleb and Joshua in Josh.14:6. You act like God as if it is impossible to fail or fall.

Imagination provokes the god in you for exploits. If you don't know how to provoke or engage your power of imagination for results in life, you continue life in exploitation and deprivation.

THE LAW OF MOTION OR PROGRESS

Pursuits or motion in life is the destroyer of the status quo. Pursuits promote motion and progress Ilkgs.6:1-7. Pursuits stir the god in you.

Anytime you see yourself stagnant for a long time or at any level of defeat or failure, something should react inside of you and be searching for what to do to break the yoke.

The natural dimension of you will be complacent and take it as normal, adducing excuses for it because it is wired to be subject to the laws of nature that imposes limitations 1Sam.17:33. But the supernatural reacts or rebels against it because He is wired for endless motion.

The law of motion therefore places a demand on the supernatural by:

- Subjecting your mind to rigorous, mental exercises of divine reasoning.
- Stretching yourself beyond your normal limits.
- Refusing to adduce excuses or reasons for failures or stagnation.
- Refusing to give up or withdraw from life's challenges. Always look for a way of escape from every dead ends of life.
- Understanding that every time you reach a height in life, it has become obsolete, reach out for a higher height.
- Always remembering that it is man's responsibility plus God's sovereignty that creates a miracle for man in life.

THE LAW OF FAITH

All men of faith are men of exploits Mark 9:23

Faith collapses and suspends the rules of life Matt.15:21-28.

Holding unto God and His promises and acting accordingly contrary to contradictory evidences of the senses will generate results of exploits.

THE LAW OF THE COVENANT

The covenant provokes the god in you – the supernatural.

There are two pillars of the covenant:

First is God's promises plus the conditionalities attached to them.

Second is sacrificial giving Psalm 50:5.

These two open the door for unusual favor that provoke exploits.

THE LAW OF REVELATION

Exploits are in the womb of revelation. One atom of revelation is worth more than a volume of informations.

A man of revelation is a man of exploits Dan.2:19, 23.

Revelation generates direction Gen.26:1-4, 12-14, 18-22, Ilkgs.4:1-7.

Revelation comes from meditation and praying Dan.2:17-19.

Peter was a man of revelation Matt.16:16-19, Acts 1:15-26. He was a man of exploits Acts 2:37-40.

These are the seven laws of the supernatural, which if a man engages in life, will birth exploits and terminate the yoke of exploitation.

9. Door of revelation for exploits, open wide unto me as from today in Jesus name.
10. Power to breakthrough and break forth, to break limit and break barriers, fall upon me as from today in Jesus name.

CHAPTER THIRTY SIX

THE MYSTERY OF RESTORATION

Losses are real and true to life. But the reality of losses is the possibility of restoration. Restoration itself is a mystery. Only those who unveil this mystery access the realm of the pleasant riches and treasures of life.

RESTORATION: WHAT DOES IT MEAN? IT IS:

- To bring back to its original state
- To bring back to the stage of sanity and sanctity
- To receive or recover back what was lost
- To revive what had died
- To reinvigorate or revitalize
- To reverse or undo what the enemy had done. To change and annul enemy's conclusion, decisions and verdicts
- To enforce and realize creative mandates
- To renew and refresh
- To heal and deliver
- To create again
- To gather back what was scattered
- To store or fill again

UNDERSTANDING RESTORATION PART 1:

It Is Becoming Who God Created You To Be.

The Shunemite woman was barren for years until she encountered Prophet Elisha. It was naturally hopeless for her to give birth when she met Elisha. But by that encounter, she conceived and gave birth, even at her old age IIkgs.4:8-17. Originally, she was not created barren. God didn't create a barren woman. Fruitlessness was implanted into everyone at creation Gen.1:28.

Thus, by the encounter, she became who God created her to be originally. That's restoration.

Restoration is therefore the recovery or reclaiming back of your original identity and destiny in creation or in God.

But you can only discover who God created you to become from God's Word – the Bible, which is the manufacturer's Manual for all creations.

We were told of a woman in the Bible that was deformed for eighteen years. By an encounter with Jesus, the disease disappeared and she was straightened up Luke 13:11-13, 16. That is restoration. God didn't create her malformed or deformed. She was made straight the way she was made at the beginning. She became the woman that God created her to be. That's restoration.

We were told of Naaman who was naturally leprous beyond redemption IIkgs5.1. But by an encounter with Elisha, the leprosy became cleared. His flesh was restored back to its original creation IIkgs.5:10, 14. That's restoration.

Restoration is reclaiming back your original identity and destiny – becoming who you were originally created to be.

This is a mystery as some people died without becoming who God created them to be.

PRAYERS

1. I rebuke and resist the diversion and perversion of destiny from my life right now in Jesus name.
2. Every arrow shot at my destiny, come out now in Jesus name.
3. Every wound, bruise and hurt on my destiny, be healed now in Jesus name.
4. Every power that is making me who God did not create me to become, be consumed now by fire in Jesus name.
5. Every power that is subjecting me to a state of bitter conditioned living in life, be roasted now by fire in Jesus name.
6. Thou the source of bitter water flowing into my life and destiny, dry up now by fire in Jesus name.
7. Every power that is denying me of my rightful benefit and inheritance in life, be wasted now by fire in Jesus name.
8. I reject by fire, satan's alternatives in my life in Jesus name.

10. Power to become who God created me to become, fall on me right now in Jesus name.
11. Power to fulfill purpose, fall on me right now in Jesus name.
12. Battle against my destiny, be subdued before me as from today in Jesus name.

CHAPTER THIRTY SEVEN

UNDERSTANDING RESTORATION PART II: IT IS THE REVERSAL OF THE DIVERSION OF DESTINY

Joseph was a case study of destiny diversion in life. He was a terrible victim of antenatal arrows Gen.49:22-23. He had suffered many losses before birth. He was a victim of attacks from the womb. He was supposed or destined to be Jacob's first born, but he ended up becoming the eleventh son – destiny diversion and manipulation.

JOSEPH: HIS FOUNDATIONAL HIDDEN BATTLES

- He was a victim of stubborn captivity and bondage Psa.105:17-18
- He was a victim of evil transactions – they sold him Acts 7:9-10, Psa.105:17, Gen.37:28.
- He was a victim of hatred and rejection Gen.37:4, 5.
- He was a victim of evil conspiracy Gen.37:19-20
- He was a victim of forgetfulness Gen.40:23.
- He was a victim of evil plots and snares Gen.39:7-12.
- He suffered for what he didn't cause Gen.39:19-21.
- His father suffered manipulation in getting married that caused seven years delay in getting married Gen.29:20-30.
- The mother suffered delays in child bearing Gen.30:1, 22-24.

- He had dreams and visions that were not realized for years Gen.37:5-11.
- He was gifted but the gifts were not working for him.
- He worked hard for Potiphar but rewarded with imprisonment.

JOSEPH: HIS WARFARES

Joseph knew he was a victim of evil, foundational battles. He knew he was supposed to be Jacob's first born and that it was hidden battles that negatively rearranged his destiny to number eleven. He accepted responsibility for the battle and fought vigorously Psa.105:19, Gen.49:22-26. He prevailed in battle.

JOSEPH: DESTINY DIVERSION BECAME REVERSED

- He got his firstborn or birthright blessing back 1Chro.5:1, 2.
- His long awaited dream became realized Gen.37:51-11; 42:6-9.
- He moved from prison to palace. Became enthroned, breaking all protocols and all known regulatory laws of life Gen.41:37-45.
- Received within some short period what he couldn't get in years Gen.41:45.
- Received lost glory back Gen.45:13.
- He became the benefactor of his brethren Gen.45:7-11.
- He became the deliverer of the then world from the destruction that was coming upon the earth Gen.41:55-57.

- His two sons – Ephraim and Manasseh later became two tribes in Israel. They moved ahead of their generation to be at par with Reuben, Judah etc.

Thus, Joseph recovered back the blessings he lost from the womb. He was delivered from antenatal arrows. He actually experienced the reversion of the diversion of his destiny. This is restoration.

PRAYERS

1. Every yoke of stubborn captivity and bondage upon my life and destiny, break and release me now by fire in Jesus name.
2. Every demonic transaction that had taken place in my destiny, be reversed and annulled right now in Jesus name.
3. Every garment of hatred and rejection upon my destiny, tear now, be roasted by fire in Jesus name.
4. Every power working demonic exchange and manipulation in my life, be consumed now by fire in Jesus name.
5. Every yoke of hidden battle in my life, scatter now by fire in Jesus name.
6. Every evil conspiracy, plot and plans against my life and destiny, scatter and be annulled by fire in Jesus name.
7. Every yoke of forgetfulness and abandonment in my life, be devoured now by fire in Jesus name.
8. Every injustice against my destiny, be revoked and annulled by fire in Jesus name.
9. Every yoke of vision and destiny abortion in my life, be consumed now by fire in Jesus name.
10. Every yoke that is making a man suffer for what he didn't cause, be consumed by fire out of my life right now in Jesus name.
11. Oh God, move me from domination to dominion as from today in Jesus name.

12. Power for the restoration of losses from the womb, fall upon me as from today in Jesus name.

CHAPTER THIRTY EIGHT

UNDERSTANDING RESTORATION PART III: IT IS DELIVERANCE FROM THE YOKE OF IDENTITY CRISIS

**“And, behold, thy cousin Elisabeth, she
hath also conceived a son in her old age:
and this is the sixth month with her, who
was called barren.**

For with God nothing shall be impossible”

Luke 1:36-37

One of the toughest battles facing mankind on earth today is the battle of identity crisis. This battle stigmatizes destinies. Every man carries two identities – the person that you are and the person that you must or are supposed to be. The former (i.e. the person that you are) is outward while the latter (the person that you must be) is inside.

Life defines or describes you by the person that you are but your real person – your original person – the person you are supposed to be is inside or invisible.

People or life uses your problems to describe you in life.

For example:

- They called Elizabeth barren Luke 1:36. They used her problem – barrenness to describe her.

- The man by the beautiful gate of the temple had no name. His name was lost in his battle. They used his inborn paralysis to describe him Acts 3:2.
- Bartemeus was called “blind Bartemeus” Mark 10:46. They used his battle ‘blindness’ to describe him.
- They used begging to define Lazarus Luke 16:20.

This is the battle of identity crisis in life. Life defines you by who you are – your challenges or problems or battles at the expense of who you really are – who you are supposed to be.

People’s original identities are lost or swallowed in the battles they carry in life. So, instead of being identified by their true, original, real identity, they are identified by their problems. That is identity crisis.

Restoration is deliverance from the yoke of identity crisis

**“And the Spirit of the LORD will
come upon thee, and thou shalt
prophecy with them, and shalt
be turned into another man”**

1Sam.10:6

When a man is restored from the yoke of identity crisis, he becomes another man. The man that he’s supposed to be emerges from the man that he used to be.

When Saul was going to look for the lost asses of his father, he was an ordinary man. But while he was returning back home four days later, he came as King Saul. The crisis of identity had been resolved. The man he was supposed to be had emerged from the man he used to be. His means of identification and salutation had changed. That is

restoration. When you really encounter restoration, people that used to ask you “Where is your God?” will suddenly see you and say “how great is your God?”

I command every chain of bondage tying you to the yoke of identity crisis to be scattered and roasted now by fire in Jesus mighty name (Amen).

PRAYERS

1. Thou the yoke of identity crisis, break upon my life, release me now by fire in Jesus name.
2. Every stigma labeled and plastered on the wall of my destiny, catch fire and be roasted in Jesus name.
3. Every appendage and affliction with which men are defining me in life, be consumed now by fire in Jesus name.
4. Every yoke that is making me a dependant and a liability in life, be consumed now by fire in Jesus name.
5. Every chain tying me to a particular affliction in life, break, release me now by fire in Jesus name.
6. Power to become another man, come upon me now in Jesus name.
7. Power to reverse enemy's conclusion, come upon me now in Jesus name.
8. Power for the restoration of identity, fall upon me now in Jesus name.
9. Oh God, let "where is your God?" suddenly turn to "how great is your God?" in my life as from today in Jesus name.
10. Oh God, change my story, my level and my status for the better as from today in Jesus name.

CHAPTER THIRTY NINE

UNDERSTANDING RESTORATION PART IV: IT IS RECLAIMING BACK YOUR DENIED OR DELAYED INHERITANCE

The story was told us in IIkgs.4:1-7 of a prophet – a man of God – who served God in purity and consecrated service and died in monumental debts. He was a chartered debtor who used his only two sons as collateral for his debts. After his death, creditors came to carry, his two sons as redemption for their father's destructive debts.

By an encounter with Elisha, the fortunes of the family received a turnaround overnight. The wife and the children lived in prosperity and affluence for the rest of their lives.

Thus, the prosperity was there with them when the husband was alive but was denied him. It was denied him on the platform of ignorance and lack of direction. The wife accessed divine instruction and direction through Elisha and the financial embargo, restriction and limitation, hanging destructively upon the family became lifted. The doors of financial fortunes and turnaround opened to the family. That is restoration.

When restoration comes, what is delayed or denied you for decades is released to you with great dividends in a twinkling of an eye.

In life, delay is not denial and denial is not final. The Bible says:

**“To turn aside the right of a man before
the face of the most High,
To subvert a man in his cause, the Lord
approveth not.
Who is he that saith, and it cometh to
pass, when the Lord commandeth it not?”
Lam.3:36-37**

Restoration is getting back ultimately, what was delayed or denied you before.

PRAYERS

1. Every power working delays and denials in my life, be roasted now by fire in Jesus name.
2. Every power that is resisting and opposing me at the bus stop of my breakthroughs in life, be roasted now by fire in Jesus name.
3. Every yoke of near success syndrome upon my life, break, release me now by fire in Jesus name.
4. Every power that is discrediting and disqualifying me in the place of my rightful inheritance in life, be consumed out of my life now by fire in Jesus name.
5. Power for restoration of delayed and denied blessings, fall on me right now in Jesus name.
6. Yoke of failures and indebtedness upon my life, break and release me now in Jesus name.
7. Doors of financial fortunes and turnarounds, open unto me as from today in Jesus name.
8. All losses in the past years, be restored back to me as from today with great dividends in Jesus name.
9. Garment of shame and disgrace, tear from my neck right now and be roasted by fire in Jesus name.
10. Oh God, connect me to my agents of restoration right now in Jesus name.

CHAPTER FORTY

UNDERSTANDING RESTORATION PART V: IT IS POSSESSING YOUR POSSESSIONS

***“But upon Mount Zion shall be deliverance
and there shall be holiness; and the
house of Jacob shall possess their
possessions”
Obadiah 17***

***“I will overturn, overturn, overturn it:
and it shall be no more, until he come:
whose right it is; and I will give it him”
Ezekiel 21:27***

Restoration is reclaiming back what you had before that was unjustifiably or demonically taken away from you. That is repossessing your possessions.

The Shunamite woman lost her only son in a mysterious attack II Kings 4:18-20. By the intervention of Elisha, the dead son came back to life and the woman had her son back II Kings 4:32-37. That is restoration.

During a terrible seven years famine, the woman left home and all her property, assets and fortune were seized from her before she returned after the famine. By divine intervention and the covenant of mercy, all the loses were returned back to her II Kings 8:1-6. That is restoration.

Abraham went to sojourn in Gerar, in the land of the Philistines. Abimelech, the king of Gerar seized Sarah and took her away from

Abraham. But God terrorized Abimelech and compelled him to return Sarah back to Abraham Gen.20:1-7. Abimelech returned Sarah back to Abraham with interests Gen.20:14-16. That is restoration.

Some people have lost relationships, peace, joy, fortunes, health or somethings that were dear to them in life. These can be reclaimed back for life's losses are not final. That is restoration.

Every good, pleasurable and pleasant things of life that you had lost shall be restored back to you right now in Jesus mighty name (Amen).

PRAYERS

1. Thou the spirit and power of losses monitoring my life, be paralyzed and devoured from my life now in Jesus name.
2. Thou the yoke and covenant of losses and misfortunes upon my life, break and be annulled right now in Jesus name.
3. Thou the eater of increase, monitoring my life, be devoured now by fire in Jesus name.
4. Power to possess my possessions in life, fall upon me right now in Jesus name.
5. Arrow of assault and attack fired at me, backfire by fire right now in Jesus name.
6. All the evil agenda and programme of the enemy against me, turn them to my good as from today in Jesus name.
7. All of my blessings in the custody of my enemies, be released to me right now in Jesus name.
8. Oh God, terrorize my enemies to release my blessings in their hands to me right now in Jesus name.
9. Every blessing that I had lost in the past years, I receive restoration with interests right now in Jesus name.
10. I receive the restoration of my peace and health right now in Jesus name.

CHAPTER FORTY-ONE

UNDERSTANDING RESTORATION PART VI: IT IS TOTAL RECOVERY

**“And David recovered all that the Amalekites
had carried away: and David rescued his two
wives.**

**And there was nothing lacking to them,
neither small nor great, neither sons nor
daughters, neither spoil, nor any *thing* that
they had taken to them: David recovered all.
And David took all the flocks and the herds,
which they drove before those *other* cattle,
and said, *This is David's spoil.*”**

1 Samuel 30:18-20.

David and his six hundred men had lost all they had in Ziklag to the devouring Amalekites. This experience had led to an untold weeping, grief and sorrow I Sam.30:1-6. David and his men had lost virtually everything they had to the invasion.

But by divine encouragement, divine direction, divine empowerment divine pursuits and divine intervention, David had gone after the satanic invaders and dispossessed them of what they had looted. And David recovered back all that were stolen away from them. That is restoration.

Restoration is retrieving from the enemy what belongs to you that is in the custody of the enemy.

PRAYERS

1. Power to pursue, overtake and recover, fall upon me right now in Jesus name.
2. Power to overtake to take over in life's journey, fall upon me right now in Jesus name.
3. Anointing for swifter than eagles, stronger than lions, fall upon me right now in Jesus name.
4. Thou the evil pursuers of my life, be devoured from my life right now by fire in Jesus name.
5. Every program of weeping and sorrow, organized for me this year, scatter now by fire in Jesus name.
6. Power to spoil my spoilers in life, fall upon me now in Jesus name.
7. Power to succeed where I had failed before, rest upon me now in Jesus name.
8. Oh, ye Amalekites, pursuing my life, receive the fire of God, be roasted now in Jesus name.
9. Power for total recovery, fall upon me now in Jesus name.
10. I prophesy that this month shall be my month of the gathering of spoils in all areas of my life in Jesus name.

CHAPTER FORTY-TWO

UNDERSTANDING RESTORATION PART VII: IT IS BEAUTY FOR ASHES.

Restoration is receiving beauty for ashes. It is carrying added colour, meaning and value that you had before.

God created a very beautiful earth in Gen.1:1. The earth became formless, shapeless, void, chaotic and dark in Gen.1:2. But God began another work of recreation as from Gen.1:3. And a very beautiful, ordered and prosperously furnished earth emerged in Gen.1:31. That is restoration. It is becoming better, richer and more glorious that you were before.

The situation in Ezekiel's valley of dry bones were pitiable, hopeless and pathetic Ezek.37:1,2 But after Ezekiel had prophesied according to divine direction and empowerment, a great army came out of the valley of dry bones Ezek.37:10. The hopeless and helpless scene turned out to become an amazing wonder. That is restoration.

Thus, when restoration comes, the ugly becomes beautiful, the desert becomes a fruitful hill, the poor becomes rich, the cemetery becomes a sanctuary.

Every hopeless and helpless experience of your life will turn to become an amazing testimony in your life from henceforth in Jesus mighty name.

PRAYERS

1. I receive right now, beauty for the ashes of my life in Jesus name.
2. I break right now, the yoke of meaningless existence upon my life in Jesus name.
3. Every power that is organizing chaos, formlessness and emptiness for me in life, be roasted now by fire in Jesus name.
4. Every garment of pity and shame sown for me in the spirit realm, tear and be roasted now by fire in Jesus name.
5. Every program of confusion and frustration organized for me in the spirit realm, scatter now by fire in Jesus name.
6. Every hopeless case in my life, turn right now to become a miracle in Jesus name.
7. Thou my destiny, receive the garment of glory and honour in the place of pity and shame right now in Jesus name.
8. Oh God, give me an amazing testimony this week in Jesus name.
9. Oh God, turn my desert to become a fruitful hill as from today in Jesus name.
10. I prophesy that in the name of Jesus this week, everything is turning around for my good in Jesus name.

CHAPTER FORTY-THREE

DELIVERANCE FROM THE ARMED ROBBERS ALONG DESTINY JOURNEY.

**“And Jesus answering said, A certain *man*
went down from Jerusalem to Jericho,
and fell among thieves, which stripped him
of his raiment, and wounded *him*, and
departed, leaving *him* half dead.”**

Luke 10:30.

**“The thief cometh not, but for to steal,
and to kill, and to destroy: I am come
that they might have life, and that they
might have *it* more abundantly.”**

John 10:10.

There are armed robbers along destiny journey on earth. Their assignments are to dispossess men of their rightful inheritance, cause losses, delays and denials in life. It is these assignments of these evil robbers that necessitate the ministry or reality of restoration. These malevolent forces target seven things in a man's life. These seven things are our pursuits in life for restoration.

First, is years.

**“And *I will restore to you the years*
that the locust hath eaten, the
cankerworm, and the caterpillar,
and the palmerworm, my great
*army which I sent among you.”***

Joel 2:25.

These powers eat years. They feed on time. They cause the loss of years. They waste the time and life of a man. They make a man to be struggling at the age of fifty what he should have accomplished at the age of twenty. They make a man's life to be full of emptiness, nothingness, vanity and non-achievement. They deny a man's proofs or results to show for the times of his life.

You need to fight in life for the restoration of the wasted years of your life.

Second, is blessings.

**“And he said, Thy brother came with
subtilty, and hath taken away thy
blessing.**

**And he said, Is not he rightly
named Jacob? for he hath supplanted
me these two times: he took away my
birthright; and, behold, now he hath
taken away my blessing. And he said,
Hast thou not reserved a blessing for
me?”**

Gen 27:35-36.

The second target of these forces in a man's life are blessings – things that give worth meaning and substance to life. They steal or even destroy homes. They prevent children, riches and prosperity, good and fulfilling jobs, career and businesses. They attacked and ruined all blessings that Job laboured for years Job 1:13-22. Job engaged in warfare and got all those blessings restored back to him. Job 42: 10-17.

Third, is health.

**“For I will restore health unto thee,
and I will heal thee of thy wounds,
saith the LORD; because they called
thee an Outcast, *saying, This is Zion,*
whom no man seeketh after.”**

Jeremiah 30:17.

These forces cause loss of health, they eat people's health. They cause physiological disabilities and dysfunctionings. You need to fight for the restoration of the sanctity and sanity of your body physiology. Health, they say is wealth in life. The moment someone is sick, he is limited in the pursuit and fulfilment of the purpose of life.

Fourth, is glory.

**“And ye shall tell my father of all
my glory in Egypt, and of all that ye
have seen; and ye shall haste and
bring down my father hither.”**

Genesis 45:13.

These forces deny a man of his glory in life. They make men to live in nakedness and shame. They put the garment of disgrace and reproach upon men. They keep men in the land of pity and ignominy, making him to wallow in despair and despond. They make a man a victim of the corner gate and the valley gate of life. They remove the crown from a man's head so that he cannot manifest glory, subjecting him to slavery and servitude Job 19:8-9. A man needs to fight for the restoration of his glory in life.

Fifth, is strength.

**“And Samson called unto the LORD,
and said, O Lord GOD, remember me,
I pray thee, and strengthen me, I pray
thee, only this once, O God, that I may
be at once avenged of the Philistines
for my two eyes.”**

Judges 16:28.

These forces also target a man's strength. Strength is the major requirement for life's accomplishments and exploits. These forces keep a man in weakness and powerlessness so he cannot fulfil or realize the purpose of life. When a man is weak, he is subject to the plunderers and spoilers of life and destiny Luke 11:21-22. It takes great strength to accomplish and arrive in life Josh.1:6, 7, 9. A man needs to fight fiercely and forcefully for the restoration of strength in life.

Sixth is Peace.

Peace is the absence of war. Peace means rest. Peace is the conducive environment for progress and breakthroughs in life I Kings 5:3-5, 1Sam.7:13-14.

These robbers target peace, promoting continuous and endless battles that frustrate the accomplishments and results of life. A man needs to fight for the restoration of peace if he will experience meaning and value in life.

Seventh is Joy.

**“Then he said unto them, Go your way,
eat the fat, and drink the sweet, and
send portions unto them for whom
nothing is prepared: for *this* day is holy
unto our Lord: neither be ye sorry; for
the joy of the LORD is your strength.”**

Nehemiah 8:10.

These forces eat and rob men of Joy. They keep men in sorrow, grief, regret, remorse all through life. They create occurrences of weeping and crying that rob men of the strength to pursue life with rigor and results. Sorrow and crying prevent men of the needed strength for life's results. That was the case with Hannah 1Sam.1:7, with David and his men 1Sam.30:4.

A man needs to fight vigorously for the restoration of his joy in life to be able to realize the mandates of life Isa.35:10.

Thus, in talking about restoration, these are the seven things that must be restored to man from the hands of the evil hijackers and armed robbers along destiny's highways of life.

PRAYERS

1. Oh ye armed robbers, lying in wait for me along destiny journey, be consumed now by fire in Jesus name.
2. Oh God, restore back to me the lost years of my life right now in Jesus name.
3. Thou wasters of time, life and destiny, monitoring my life, be wasted now by fire in Jesus name.
4. Every power that is wrestling and struggling with my blessings in life, be consumed now by fire in Jesus name.
5. Every anti-fruitfulness spirit, monitoring my life, be roasted by fire in Jesus name.
6. Every eater of flesh and sucker of blood, monitoring my life, be roasted now by fire in Jesus name.
7. Every spirit of infirmity, affliction and disease in my body, be consumed right now by fire in Jesus name.
8. Every power that is trading with my glory in life, be consumed now by fire in Jesus name.
9. I command the yoke of slavery and servitude to break upon my life right now in Jesus name.
10. Oh God increase me greatly, make me stronger than my enemies as from today in Jesus name.
11. Power for peace and rest on every side, fall upon me right now in Jesus name.
12. Oh God, restore joy and peace unto me from today in Jesus name.

CHAPTER FORTY-FOUR

POWER FOR RESTORATION

“So the Philistines were subdued, and they came no more into the coast of Israel: and the hand of the LORD was against the Philistines all the days of Samuel. And the cities which the Philistines had taken from Israel were restored to Israel, from Ekron even unto Gath; and the coasts thereof did Israel deliver out of the hands of the Philistines. And there was peace between Israel and the Amorites.”
1 Samuel 7:13-14.

There are powers behind losses, delays and denials in life. All losses of life are lost to battles. Battles explain why the inheritances of life are not delivered. Battles explain why a man cannot possess his possessions no matter how hard he tries. Battles are the myth behind hard and tough life. Battles are the obstacles to sweet, pleasant and sweatless experiences of life.

When battles and enemies are subdued, the ministry of the robbers along destiny journey becomes terminated, losses will cease and restoration becomes automatic. It is when the Philistines became subdued that the cities they took from Israel were restored. It takes power to subdue enemies and terminate battles.

It takes power to compel enemies to bow and opposition to surrender. Psalm 66:3, 7. Restoration is not in view therefore until power comes.

SOURCES OF POWER FOR RESTORATION

1. DIVINE ENDUEMENT

There is a level of divine power you carry that the power begins to fight for you. You become dreaded, irresistible, unchallengeable and unstoppable. You become formidable. It is a product of a long and disciplined process of walking with God. There is a relationship you develop with God that the powers and natures of God have become robbed off on you. At that level, you begin to carry God everywhere you go. Anyone that touches you touches the apple of God's eyes.

That was what happened when Abimelech took Sarah from Abraham and God acted on behalf of Abraham immediately Abimelech was terrorized, plagued and compelled to restore Sarah to Abraham Gen.20:1-4.

That was the realm that Moses got to when God dealt with Miriam and Aaron on his behalf Num.12:1-16 and God punished Korah, Dathan and Abiram Num.16.

There is a level of divine empowerment you get to that God begins to fight your battles for you, defending you against every attacks, assaults and oppositions.

2. FASTING AND PRAYING

Job suffered terrible losses in his days of battle Job 1& 2. But he later engaged in praying and all losses became restored back to him Job 42:10-17.

Prayer disarms and paralyses the stubborn armed robber on destiny journey and compel them to release your inheritance in their custody. Hannah went to pray and backed up her prayers with a vow and her inheritance was released I Sam 1:10-11, 19-21. Rachel went to pray and the prayer provoked divine remembrance and conception Gen.30:22-24. Her Joseph, withheld for years was released to her.

3. THE HOLY GHOST

It was the Holy Spirit that came upon Saul and a new identity came out of him 1Sam.10:6. His diverted and perverted destiny became reversed and restored. It was the Holy Spirit that come upon the apostles especially Peter on the day of Pentecost that extracted the men they should be from the men that they used to be. All of them became different, their glorious identity became restored back to them.

4. THE PROPHET

Every man's restoration is in the hand of his prophet. There is a prophet assigned to bring a man out of his bondage in Egypt Hosea 12:13. It was Peter's encounter with his prophet in Jesus that changed him from Simeon to Cephas that restored his purpose and identity or destiny to him John 1:42, Matt.16:16-19. It was the encounter that Elisha had with his prophet in Elijah that restored his real destiny to him 1kgs.19:19-21, IIkgs.2:1-13.

It was the arrival of Elisha at Jericho that restored the destiny of the city IIKgs.2:19-22. Your restoration is not in view until you meet your God ordained prophet.

5. REVELATION

Revelation opens the door of restoration. What you have not recovered is what is not revealed to you. Joseph saw the revelation of his future Gen.37:5-11 and restoration became delivered Gen.42:6-9. John knew who he was by revelation John 1:19-22 and he fulfilled his course in life Acts 13:25.

What is revealed to you is what is restored to you in life.

6. THE COVENANT

David on the throne suddenly could not sleep in the night. He had to look for Mephibosheph and restored all the estates of King Saul to him IISam.9:1-7. Mephibosheph was also spared from the judgments upon the house of Saul IISam.21:1-9. All these were predicated upon the covenant entered into between Jonathan and David 1Sam.18:1-4. That covenant was with a great deal of sacrifice from Jonathan. A covenant has a token in Sacrifice Psalm 50:5. The covenant therefore is a provoker of restoration. The covenant made by Hannah in 1Sam.1:10-11 provoked the restoration of Samuel to her.

The sacrifice of the Shunamite widow to Elisha provoked the restoration of her delayed child IIKgs4:8-17.

7. COMMITMENT TO GOD

God is the restorer of losses Joel 2:25 Job 42:10, Jer.30:17. You must therefore be committed to God, walk with Him, serve him and relate with him by the covenant to secure His restoration package for your life. Matt.6:33.

PRAYERS

1. Oh God, subdue my battles, my enemies and my problems totally before me as from now in Jesus name.
2. Power for restoration, fall upon me right now in Jesus name.
3. Thou the doors to sweet, pleasant and sweatless experiences of life, open unto me as from today in Jesus name.
4. Power that resists evil from a man's life, fall upon me now in Jesus name.
5. Oh God, open the door of remembrance for me this week in Jesus name.
6. Every closed door and closed case in my life, be opened unto me this week in Jesus name.
7. Thou the delayed and denied blessings of my life, be released unto me this week in Jesus name.
8. Power to become another man, come upon me right now in Jesus name.
9. Every captivity in my life, turn now like a dream in Jesus name.

10. For every stubborn battle of my life, the covenant shall begin to fight for me as from today in Jesus name.

CHAPTER FORTY-FIVE

THE MYSTERY OF THE SEASONS OF LIFE

**“And he changeth the times and the
seasons: he removeth kings, and
setteth up kings: he giveth wisdom
unto the wise, and knowledge to them
that know understanding:”**

Daniel 2:21.

Life is configured in times and seasons. Every occurrence or happening in life is tied to times and seasons.

THE LAWS OF SEASONS

The law of season is analyzed in Eccl.3:1-9. Life is made up of two conflicting seasons; the positive (pleasant) and the negative (the unpleasant). *The law of season says that no season of life is programmed to last forever.* No season is designed to be permanent. Every season of life is temporary. It is for a period. *The law states that the seasons of life are to follow each other in a sequence just as day and night, light and darkness follow each other.*

That is why the Bible says:

**“For his anger endureth but a moment:
in his favour is life; weeping may endure
for a night, but joy cometh in the
morning”**

Psalm 30:5

LESSONS FROM THE LAW OF SEASONS

1. When you are passing through a tough and hard time, it will look as if it will not end and a philosopher said, *“The times when we suffer pain, last longer. But the time of bliss, pass as if they didn’t exist”*.

Thus, when you are experiencing a tough time, speak to yourself that it will soon pass away. Encourage yourself that the opposite of that season, your time of compensation is at the door step. Don’t be discouraged and don’t give up at your hour of pain. Commonize the problem, don’t specialize it. Don’t celebrate it, ignore it. Don’t confess negative. Don’t cry or weep. Don’t murmur or grumble. Don’t focus on the pain, focus on the gain that is ahead. When the problem or the pain is toughest and the situation is hardest, you are a stone throw to breakthrough. Just speak to yourself that *“This situation will soon pass away”*. Tell yourself *“It has not come to stay, it has come to come to pass”* And you will soon see the end of it. You will surely tell the story of the problem. The problem will not tell your story.

2. When you are in a pleasant season of life, know that the opposite of that season is at the corner, beckoning to stroll in. That’s not the time to be complacent, to be at ease, to be resting. It is the time for more aggressive and violent warfare because the powers that want to enforce or usher in the next contrary season is waiting and watching. This was what was hidden from Job when he was in the positive season of life and he thought it was going to continue forever until the powers on a mission to enforce the contrary season struck. To continue to enjoy the positive season in life, you must seek for more strength and power Luke 11:21-22.

3. Every season of life has certain powers or forces, remotely controlling, sponsoring, promoting, strengthening and executing them. There are powers that are bringing seasons to be.

4. If your battle is tough and prolonged, it will not last forever. It will soon give way for a new season.

5. Every unpleasant season you are passing through has a way of escape in God 1Cor.10:13. God is the game changer of life. He changes time and seasons Dan.2:21. The situation may be tough but it is not tougher than you. It may be great but you are made of a harder, greater and stronger stuff than it. You will overcome and outlive it.

6. Every negative season of life speaks. Try to decide its language Psalm 92:2-3. This is the triumph of the sons of Issachar.

***“And of the children of Issachar, which
were men that had understanding of
the times, to know what Israel ought
to do; the heads of them were two
hundred; and all their brethren were
at their commandment.”***

1 Chronicles 12:32.

7. The ministry of life's battle is to usher men into a new, positive and pleasant season of life. Every stubborn and destructive affliction in life, carries both the potentiality and capability to initiate a man into a new and positive season of his life. No problem in life is sent to kill a man, but to serve as a ladder for a man's rising to his greatness and fame. After this season of darkness and hardness is a new season of light, ease and celebration. It is after the captivity of Zion has turned, that mouth was filled with laughter and tongue with singing Psalm 126:1-3.

A NEW SEASON IS ON YOUR WAY:

**“Behold, I will do a new thing: now it
shall spring forth; shall ye not know
it? I will even make a way in the
wilderness, and rivers in the desert”
Isaiah 43:19.**

God is ushering towards you right now, a new season, new things are springing forth in your life, new experiences and new encounters. The materials, elements and components with which your battles are configured are already expired! God is changing your season for the better. You are entering into your new season right now!

WHAT IS A NEW SEASON?

1. Affluence in the place of afflictions Exo.1:13-14, Deut.6:10-11
2. Harvests of labours of past years Exo.12:35-36. Favours in the place of labours. Sweetness in the place of sweatings.
3. Open doors of opportunities and possibilities.
4. Rest on every side in the place of wars roundabout 1kgs.5:3-4.
5. Things turning around for your good Gen.50:20.
6. Harvests of goodness and mercy Dan.4:31-35; 6:27-28.
7. Hope realized - hope made alive Gen.8:1.

These and many others shall be your undeniable experience right now in Jesus mighty name Amen.

PRAYERS

1. Every power that is making pain and affliction to be normal with me, be consumed now by fire in Jesus name.
2. Every power that is making miracles and blessings to be strange and difficult in my life, be consumed now by fire in Jesus name.
3. Every power that is making breakthroughs illegal and forbidden in my life, be consumed now by fire in Jesus name.
4. Every legal ground that satan and his agents are holding unto to afflict and oppress my life, be annulled and revoked now in Jesus name.
5. Program of weeping and sorrow in my life, your night season ends now, dry up by fire in Jesus name.
6. Thou the morning of my joy, break forth now in Jesus name.
7. I revoke right now, the covenant of affliction in my life in Jesus name.
8. Every battle that is determined to write the last chapter of the book of my destiny, be consumed now by fire in Jesus name.
9. Every power that is sitting upon the throne of my affliction in life, be dethroned now in Jesus name.
10. Every power that is using my challenge to get promotion in the spirit realm, be roasted now by fire in Jesus name.
11. Wisdom for the understanding of times and seasons, come upon me now in Jesus name.

12. Oh God, change my times and seasons for the better as from today
in Jesus name.

CHAPTER FORTY-SIX

ACTIVATING YOUR NEW SEASON

We have seen that life is made up of two conflicting seasons: positive and negative, pleasant and unpleasant. Also, that the two conflicting seasons of life must follow each other in a sequence. That no season is programmed to be permanent. That there are powers on assignment to enforce each of the seasons.

THE REALITIES OF LIFE.

There are two stark realities of life. First, the negative or unpleasant season of life can be prolonged if nothing is done. God told Abraham that his descendants would sojourn in the land of bondage for four hundred years Gen.15:13. But because Israel didn't do anything about it, their affliction in Egypt became prolonged by thirty years Exo.12:40. The negative season of life can be transferred to posterity, making the season or affliction generational if nothing is done.

Second, the positive or new season can be denied or delayed if it is not activated. That God desires or says something does not mean it is automatic if you do nothing. This is because man is a creature of responsibility. God will never impose His will on man. Man's choice is a major determinant of his change in life.

ACTIVATING YOUR NEW SEASON IN LIFE.

The following steps need to be taken if you want to activate your new season for manifestation.

First, repent from sin and turn to God.

**“Repent ye therefore, and be converted,
that your sins may be blotted out,
when the times of refreshing shall come
from the presence of the Lord;
And he shall send Jesus Christ, which
before was preached unto you:
Whom the heaven must receive until
the times of restitution of all things,
which God hath spoken by the mouth
of all his holy prophets since the world
began.”**

Acts 3:19-21.

Sin brings a man into and keeps a man in the negative season of life. Sin perverted and changed the season of Adam in the Garden of Eden from the pleasant to the unpleasant, negative and bitter season of life. Adam's season changed from affluence to affliction as a result of sin Gen.3:23-24. Sin brings a curse and provokes God's anger Gen.3:17-19. Sin renders a man powerless and weakens him to confront or contend with his enemies or battles Josh.7:11-13. Until you repent from sin and turn to God, the door of a new season is not opened to you.

It is only God that can change times and seasons Dan.2:21. He does not change your times and seasons until you are on the same page with Him.

Until you turn to Him therefore, it is not your turn for a turnaround of a new season. Until you turn to Him in total repentance refreshing does not come to you from God's presence. Until you turn to Him, His promises and prophecies are not activated for performance and fulfilment in your life. Until you turn to Him, you are not qualified for the restoration of all losses in life.

It was when Israel turned to God in Egypt that God opened the door for a new season to them by effecting their release from bondage Exo.2:23-25; 3:7-10; 4:22-23.

It was when Nebuchadnezzar turned to God that terminated the season of his dethronement and opened the door of a new season of restoration back to the throne for him Dan.4:34-36. It was when Jonah turned to God in the belly of the fish that God spoke to the fish to vomit him on a dry ground Jonah 2:1-2, 10. When you turn away from sin and turn to God, you are on your way to your new season.

Second, be committed to serving God, His interests and His kingdom on the earth. Since He is the only one that changes times and seasons Dan.2:21, be committed to Him in such a way that He will be delighted and pleased with you, open the door of a new season for you. This was the case of Israel in Egypt Exo4:22-23. Give priority attention to Him and His kingdom here on earth Matt.6:33.

Third, be a change agent.

In life, you are either a victim of change or an initiator of change. Change is the constant in nature. There are two ways by which change comes in life. First is the change that comes by itself. This change is usually unpleasant and bitter. People that experience this change are victims of change.

Second, is by initiating change. People that experience this change are agents of change. The change here is pleasant and desirable. It's a disaster being a victim and not an agent of change. Nobody stands on the ground of the status quo and accesses his new season in life. New season comes by change initiation, it does not come by being a victim of change. The four lepers at the gate of Samaria initiated change and accessed a new season IIKgs7:3-16. That was the same thing with the prodigal son Luke 15:17-20.

Discover new methods, techniques and formulas for solving and resolving the equations or transactions of your life. You initiate change when you discover new ways of doing what you have always been doing to generate better results. Until you discover what to change in your life and apply yourself to it, you are not yet ready to access your new season in life.

Fourth, locate God's promises for your new season. There is a sent word ahead of you concerning the challenges of your life Psalm 107:20. Locate it. Begin to declare it Isa.55:10-11.

Fifth, prepare yourself for your new season. Go for knowledge. Read books Dan.9:2. Locate principles and pathways of men ahead of you that had worked for them and apply them to your own life.

Sixth. Activate your faith. Put your faith to use and to work Mark 9:23, Luke 1:45.

Seventh, engage in warfares Matt.11:11-12. Paralyze the forces that are determined to prolong the negative season and delay or deny the positive season of life. Deal with them in warfares. Release and empower the angels of new and positive season to go to work in your life.

PRAYERS

1. Oh God, open the door of refreshing unto me right now from your presence in Jesus name.
2. Thou the season of my life, turn right now from affliction to affluence and as from sweat to sweetness in Jesus name.

9. Equations and transactions of evil hanging upon my life and destiny, be revoked and annulled now by fire in Jesus name.
10. Oh, thou my destiny, move into your pleasant and desirable season of life as from today in Jesus name.
11. Oh God, unveil your ways and principles for a change of story unto me as from now in Jesus name.

CHAPTER FORTY-SEVEN

DEALING WITH POWERS THAT PROLONG THE EVIL SEASON OF LIFE.

Life is configured in times and seasons Ecc.3:1-9. The seasons of life are to follow each other in a sequence. The Bible says weeping may endure for a night but joy comes in the morning Psalm 30:5. Weeping is not permitted to endure forever. It is for a night. When a man's evil season continues unabated, it is running contrary to God's word. It must be resisted.

God's will is to make an utter end of all affliction and to dismantle the strongholds of evil reoccurrences Nah.1:8-9. God is determined in His agenda to terminate and annihilate the vicious cycle of evil reoccurrences.

There are powers on a mission in life to strengthen evil reoccurrences and prolong the negative or evil season of life. These powers perform the following operations.

First, they promote evil carryovers. They cause year by year weeping 1Sam.1:7. They make a man's weeping to last from morning till night. They make a man's wounds to be incurable Jer.15:18.

Second, they resist prophecies and promises of God from coming to pass in a man's life. God promised Abraham that his descendants would spend four hundred years in the land of bondage Gen.15:13. But Israel ended up spending four hundred and thirty years in the bondage of Egypt Exo12:40. God said the captivity of Israel in Babylon would be seventy years Jer.29:10. But the seventy years came, they were not released. This was what led to Daniel's fasting and prayers Dan.9:2-3. Powers that prolong the evil season of life resist prophecies

from coming to pass. If you don't deal with them, they are hell bent to wreck your destiny.

Third, they challenge the sovereignty of God in a man's life. This was what Pharaoh did in Egypt for Israel Exo.5:1-2. Nebuchadnezzar did it for Shadrach, Meshach and Abednego Dan 3:15. Sennacherub did it for King Hezekiah Ilkgs.18:22-37. They want to prove God liars and powerless in a man's life.

Fourth, they prolong and strengthen a man's battle IISam.3:1.

Fifth, they service and strengthen the evil season of a man's life Luke 16:20-22. They sponsored poverty, infirmity and death in Lazarus life.

Sixth, they facilitated the destructive and unnecessary delays of the paralytic at Bethseda John 5:5-7. They often resist a change of season.

Seventh, they can transfer evil seasons to posterity and generations. They transferred delays in child bearing from Abraham to Isaac and to Jacob.

Eighth, they can extinguish the fires of generations within a day. They killed Saul and his children in one day. 1Sam.31:6. Hamman and his ten sons were hanged together Esth.7:10; 9:14.

HOW DO YOU DEAL WITH THESE POWERS?

1. You contend with them in warfares Dan.9:2-3.
2. Stand upon the word of God in Nah.1:8-9 and claim your victory over them.

3. Trigger and dispatch angels on assignment to confront the forces on a mission to elongate the negative season of life Dan.10:12-13.

The ministry of these forces is to continue to proceed further Acts 12:1-3. You need to stop them. If you don't stop them, they will continue to elongate the evil season of life.

PRAYERS

1. Every power on a mission to prolong the evil season of life, be wasted out of my life by fire in Jesus name.
2. Every force or power that is strengthening and elongating my life's battles, be consumed now by fire in Jesus name.
3. Every power that is resisting God's promises from coming to pass in my life, be devoured now by fire in Jesus name.
4. Every power that is hindering good prophecies from coming to pass in my life, be devoured out of my life right now by fire in Jesus name.
5. Every negative prophecy, waiting for fulfillment in my life, be revoked and annulled now by the Blood of Jesus in Jesus name.
6. Every power that is promoting evil reoccurrences and repeated afflictions in my life, be devoured from my life now by fire in Jesus name.
7. Every spirit that is promoting promise and fail in my life, be roasted now by fire in Jesus name.
8. Every power that is challenging the sovereignty of God in my life, receive the fire and thunder of God and be roasted right now in Jesus name.
9. Every power that wants to make God a liar in my life, be roasted now by fire in Jesus name.
10. Every source of strength for life's afflictions and oppressions in my life, dry up now by fire in Jesus name.

11. Every spirit that is sponsoring generational battle and affliction in my family, be wasted now by fire in Jesus name.

CHAPTER FORTY-EIGHT

THE SEVEN WINDS OF THE SEASONS OF LIFE

“And God remembered Noah, and every living being, and all the cattle that was with him in the ark: and God made a wind to pass over the earth and the waters asswaged”.

Genesis 8:1.

The wind is one of the elements created for times and seasons Gen.1:14-18. It is one of the agents or forces of the supernatural. The wind is a mystery John 3:8. It can be an agent or instrument of judgment Jonah 1:4, 13 and also that of mercy and deliverance Gen.8:1. It was an agent of deliverance for Israel Exo.14:21-22 and judgment for the Egyptians Exo.14:27-31

THE SEVEN TYPES OF WINDS

There are seven types of winds that remotely control and determine the seasons of life. All the winds are in God's storehouse Jer.51:16.

First is THE EAST WIND

This wind ushers in the evil season of life. This wind carries or brings problems, afflictions, calamities and diseases. It sponsors battles and

judgments Gen.41:6, 23, 27, Exo.10:13; 14:21. You can send the wind to the camp of your enemies to fight for you.

Second is THE WEST WIND

This is the wind that blows away problems and afflictions Ex.10:19. It is the wind that ushers in the positive season of life. It is the wind of a new season. Gen.8:1.

Third is THE NORTH WIND

This wind causes drought, dryness, no rain. It drives away blessings, causes famine, hunger and barrenness Pro.25:23.

Fourth, is THE SOUTH WIND

This is the wind that brings peace and blessings Job 37:17, Acts 27:13; 28:13.

Fifth is THE DESTROYING WIND

This ushers in the evil seasons of life Jer.51:1, 2.

Sixth is THE TEMPESTUOUS WIND OR THE EUROCLYDON

This is the wind that brings life's storms. It causes multiple or complex crisis. This the wind that sinks the ship or destiny Jonah 1:4, 13. Mark 4:37, Acts 27:4, 14.

Seventh is THE WIND FROM HEAVEN

This is the wind of the Holy Spirit Acts 2:1-4. When the wind blows, He gathers the wheat in the garner and burns the chaff with unquenchable fire Matt.3:10:12.

This wind answers to effectual fervent praying Acts 1:14; 2:1-4; 4:31, 33. Elijah prayed in 1kgs.18:42 and the wind came that brought the rain that terminated the drought in Israel 1kgs18:45.

PRAYERS

1. Oh, thou contrary wind that is blowing from God into my life, thou the Blood of Jesus, speak mercy on my behalf now in Jesus name.
2. Every wind bringing affliction and hardship into my life, dry up now from your root in Jesus name.
3. Every wind of adversity that is blowing into my life, dry up now by fire in Jesus name.
4. Thou the east wind, begin to blow and transport plagues, punishments and incurable afflictions into the camp of my enemies as from today in Jesus name.
5. Thou the destroying and tempestuous wind, begin to blow and remove rest and peace from the life of my enemies as from today in Jesus name.
6. Thou the south wind, begin to blow over my life right now and usher in refreshing, peace and all round blessings in all areas of my life in Jesus name.
7. Thou the wind of God, blow up the waters that are covering my blessings and breakthroughs and dry up the waters right now in Jesus name.
8. I command my miracles and blessings to begin to appear and manifest from henceforth in Jesus name.

9. Thou the wind of change, the breathe of God, begin to blow upon my life and destiny as from now in Jesus name.

10. Every chaff and deposit of the enemy in my life, thou the wind of change, begin to blow them away from my life from now in Jesus name.

11. Every implantation and establishment of satan in every area of my life and destiny, thou the wind of change, uproot them and sweep them out of my life as from today in Jesus name.

12. Thou the wind of change, blow upon my life and change my identity and destiny for the better from henceforth in Jesus name.

13. Thou the wind of change, blow upon me like the day of Pentecost, set me ablaze, aglow and aflame for God for the rest of my life in Jesus name.

CHAPTER FORTY NINE

THE MYSTERY OF THE DIVINE TWIN SUPER POWERS OF LIFE

**“But unto them which are called, both
Jews and Greeks, Christ the power of
God, and the wisdom of God”
1 Cor.1:24**

The divine twin super powers of life are power and wisdom.

Jesus came into this world and His identity as the Son of God was validated by these two forces – power and wisdom. About Him, the Bible says:

**“But the men marvelled, saying, What
manner of man is this, that even the
winds and the sea obey him!”
Matt.8:27**

He displayed answers to all problems, challenges of mankind. He bought solutions to all questions of human existence. All battles of life were resolved at His command. Every human need responded to provision and divine supplies at His instance. He generated results that astonished men with great astonishments.

There was no challenge of life that resisted solution and answers the moment He's involved. The only explanation for these experiences are these two forces – the power and wisdom he commanded.

Life is a battlefield. All battles of life are resolved and decoded by power and wisdom. Life is a journey of challenges. The challenges of life are dissolved by power and wisdom. Life is a journey of complex equations and transactions. The complex equations of life have formulas in power and wisdom. There is practically no problem in human existence that does not have ultimate solution and answers in power and wisdom.

If you are facing a stubborn, prolonged and impervious challenge in life and you cannot resolve it in power, go for wisdom. If the answer is not in power, it will be in wisdom. But there is no challenge that can defy or resist the two of them.

Every man's status is validated in the more than conquerors class in life by power and wisdom.

POWER AND THE JOURNEY OF LIFE

Life is a battlefield. It is like the battle of Ephesdammim 1Sam.17:1. Everyman has emerged from the battle of life either as:

i. A victim 1Sam.17:11, 24. In this battle, the people here are King Saul and all the armies of Israel. These are the defeated, the casualties, the overcome or the conquered. These are people that are already ruined, wounded, incapacitated and counting their loses in life. They are weak and impotent to confront life. There are forces on a mission to render men victims and casualties, to make them susceptible and vulnerable to life's arrows and attacks – forces that

are determined to make men suffer destructive bruises and wounds in life Gen.49:23-24.

ii. The second class of people in life are the victors. In the battle of Ephesdammim, this was Goliath 1Sam.17:4, 23. These are the conquerors. These are powers that have taken the victims captive. These are powers that shot arrows and have wounded or bruised the victims. This was Goliath dealing devastating blows on Saul and all the armies of Israel.

iii. The third class of people are the more than conquerors. In the battle of Ephesdammim, this was David 1Sam.17:49-51 – the one that killed Goliath. He is the conqueror of conquerors.

The more than conquerors are those who took captivity captive. They take captive the captors. They arrest the arresters. They were not just delivered from the battle, they were deliverers of deliverers. They did not just survive the battle, they were the sharers of the spoils of the battle Isai.53:12, 1Sam.30:20, 26.

In the experience of man of earth, the victim is the human race, who had been taken captive by satan and death. The victor is satan or his agent – death. Man had lived in bondage to them as a result of the fall. The more than conqueror is Jesus who came, shed His blood, died and resurrected to overcome satan and death Rev.1:18, Rom.6:9, Heb.2:14-15.

In redemption, we are identified with Christ in His death and resurrection Rom.6:4 and so, we are initiated into his more than conquerors class Luke 10:19.

But the major requirement to activate these benefits and to enjoy them is power. It takes power to reap the harvests of the more than conquerors realm in life.

Power gets things done in life. Power reverses what the enemy has done. Power propels motion. You dare, defeat and plunder a conqueror by power Luke 11:21-22. Power configures the equations of life in one's favor. Power resolves the transactions of life in one's direction and according to one's bidding.

Your greatest asset in the quest for more than conquerors experience in life is power.

The battles of life have answer in power. The accomplishment of creative mandate is rooted in power.

You owe your destiny the responsibility of adventures into power.

ACCESS INTO POWER

You access power by:

The pursuit of God through a deep hunger and thirst Psalm 42:1-3; 63:1-3. Then you follow hard after a man of power the way Elisha followed hard after Elijah in IIkgs.2:1-13. Then you commit yourself to a regimented and disciplined life of fasting and praying like Jesus in Mark 1:35, Luke 6:12; 4:1-10, 14.

PRAYERS

1. Oh God, baptize me with power and wisdom for the effective management of life as from today in Jesus name.
2. Power and wisdom to access the pleasant riches of life, come upon me as from today in Jesus name.
3. Every program of vanity and nothingness organized for me in life, scatter now by fire in Jesus name.
4. Every yoke that is making a man's life anonymous, insignificant and irrelevant, break upon my life and release me now by fire in Jesus name.
5. Power for the more than conqueror, fall upon me right now in Jesus name.
6. Oh thou my destiny, you shall not be a defeat or a victim in any area of life as from today in Jesus name.
7. Power to reap the harvest of the more than conquerors class, fall upon me right now in Jesus name.

8. Power to spoil the spoilers of life, fall on me now in Jesus name.

9. Power to take captivity captive and to turn slave drivers to slaves, fall upon me right now in Jesus name.

10. Power to compel life to begin to answer to my biddings, rest upon me as from today in Jesus name.

11. Thou the equations of life, begin to be resolved in my favor as from today in Jesus name.

CHAPTER FIFTY

THE MYSTERY OF WISDOM

**“And when the sabbath day was come,
he began to teach in the synagogue:
and many hearing him were astonished,
saying, From whence hath this man these
things? and what wisdom is this which is
given unto him, that even such mighty
works are wrought by his hands?”**

Mark 6:2

Apart from power, the other divine twin super power of life is wisdom. Every solution to life's battles, every answer to life's puzzles you can't find in power, you will discover it in wisdom. God had programmed or deposited needs on this side of eternity in either power or wisdom or in both of them. That was why Jesus was an embodiment of both of them when he was on earth 1Cor.1:24.

God is a reservoir of the two Dan.2:20.

Wisdom therefore is the generator of answers to the puzzles, pressures and conflicts of life. The mysteries of life are unveiled by wisdom. The codes of life are decoded by wisdom. The knots of life are untied and the nuts of life are cracked by wisdom.

Job lamented the mystery of and his crave for the source of wisdom in Job 28:7-25.

King Solomon identified what wisdom generates. These include:

- Happiness Pro.3:13
- Great gains and reward Pro.3:14
- Life's precious things Pro.3:15
- Longevity Pro.3:16
- Pleasantness and peace Pro.3:17
- Tree of life Pro.3:18
- Creativity Pro.3:19; 8:12
- Strength Pro.8:14; 24:5
- Enthronement Pro.8:15-16
- Riches and honour Pro.8:18; 3:16

God lives in wisdom Dan.2:20. His words carries wisdom Matt.7:24-27. His word makes wise IITim.3:15.

Even though battles and challenges of life requires the use of both power and wisdom to generate ultimate solutions in life. Wisdom unravels the mysteries and riddles of life

WHAT IS WISDOM?

Wisdom is:

First, knowing what to do, how to do it and when to do it. This is what Joseph displayed before Pharaoh in Egypt Gen.41:25-39. This is the authentic gateway out of life's stagnation, confusion and frustration. The absence of this makes life wearisome and burdensome Eccl.10:15. There is a what to do to be who you should be and to be where you should be in life. All battles and challenges of life have what to do to turn them around. Ignorance of what, when, how of life's battles

strengthens the battle to be prolonged and elongated in life. Access into what, how and when terminates life's battles and transforms the battle into testimonies.

Second, access into secrets Ezek.28:3-4.

It is access into the intangible world to lay hold onto the tangible realities that are available there.

Nebuchadnezzar asked for access into the dream he had which he had forgotten. This is a deep secret Dan.2:5-6. The wise men of Babylon told the king that there is no mortal that can unravel this mystery Dan.2:10-11. Daniel went to God and unraveled the mystery Dan.2:21-23.

The treasures of life are kept in secrets Isai.45:3. It takes wisdom to locate and unveil them.

Third, the practice of God's word Matt.7:24-27

This was what Peter displayed in Luke 5:5 that launched him into the breakthroughs and results of exclamation beyond explanation in Luke 5:6-7.

It is absolute foolishness to despise the Word of God.

TYPES OF WISDOM

**“Howbeit we speak wisdom among them
that are perfect: yet not the wisdom of
this world, nor of the princes of this
world, that come to nought:**

**But we speak the wisdom of God in a
mystery, even the hidden wisdom,
which God ordained before the world
unto our glory”**

1 Corinthians 2:6-7

Thus in life there is:

First, the wisdom of this world. This is the wisdom of intellect. The wisdom that makes a man become a PhD holder or a Professor in any field of study.

Second is the wisdom of the princes of this world. This is the wisdom that is guiding the display of the occults and the Satanists. The operations of the powers of darkness and all waves of satanic activities are in this category.

Third is the wisdom of God in a mystery. This is the display of divine wisdom – the wisdom of God. It is the wisdom that enthrones Pro.8:15. It generates outstanding results and promotes without regards for the protocols of life Gen.41:39-44.

PRAYERS

1. Wisdom that generates mighty works, rest upon me as from today in Jesus name.
2. Wisdom for exploits and outstanding results, rest upon me as from today in Jesus name.
3. Wisdom for distinction and excellence in life's journey, fall on me right now in Jesus name.
4. Wisdom to unravel mysteries and dissolve doubts, fall on me right now in Jesus name.
5. Wisdom to unfold hard sentences and melt puzzles, fall on me as from today in Jesus name.
6. Wisdom to bring peace out of the storm, to generate answers from life's complex questions, fall on me now in Jesus name.
7. Wisdom to know what to do, how to do it and when to do it, fall on me now in Jesus name.
8. Yoke of stagnation, confusion and frustration, break upon my life and release me now by fire in Jesus name.
9. Wisdom that turn life's challenges around for the better, rest upon me now in Jesus name.
10. Baptism with divine wisdom, rest upon me now in Jesus name.

CHAPTER FIFTY ONE

MIND MYSTERY

The seat of wisdom in life is the mind. The condition of your mind determines what you generate or produce in the natural world. Whether you command exploit or exploitation is a reflection of the nature of your mind.

TYPES OF MIND

There are seven types of mind in life:

First is the demonic minds Mark 5:1-9. This is the mind possessed and taken over by the devil. These are people that are controlled and guided by forces or spiritual powers beyond their own will or volition.

Second is evil minds Matt.9:4, Heb.3:12. These are people who invent evils and all acts of wickedness.

Third is the reprobate mind Rom.1:28. These are minds that pervert nature. They do things that are unnatural, debased, corrupt, immoral and abnormal.

Fourth is the carnal minds Rom.8:5-8. These are people that are ruled by the flesh rather than by the Holy Spirit or by the Word of God.

Fifth is the right mind Mark 5:15. These are people that think and act normally or naturally.

Sixth is the renewed or spiritual mind Rom.12:2. This is the mind that has undergone training and development and have become spiritual. This is the person that can please God Rom.8:5-8.

Seventh is the sound mind II Tim. 1:7. This is the mind of Christ 1 Cor. 2:16. This is the mind that carries divine wisdom that generates exploits in life.

This is the working mind which if you have it, makes men to mind you in the journey of life.

It is the possession of this mind that initiates a man into the more than conquerors class or realms of life.

This is the mind that generates results and answers that defy human explanation in life Mark 6:2

PRAYERS

1. Thou the yoke of mental blindness upon my life, break and release me now in Jesus name.
2. Every arrow fired at my mind, come out now and go back to sender in Jesus name.
3. Every force and power dominating me against my will and decision in life, be consumed now by fire in Jesus name.
4. Every power that is subjecting me to unbearable, conditioned living in life, be wasted out of my life right now by fire in Jesus name.
5. Every yoke of negative and evil thinking upon my life, break, release me now in Jesus name.
6. I break the yoke of corruption and perversion upon my life right now in Jesus name.
7. I receive right now, the transformed and renewed mind in Jesus name.
8. I receive right now the mind of Christ, the sound and supernatural mind in Jesus name.
9. Oh thou my destiny, move from pity to envy, from shame to glory as from today in Jesus name.
10. I prophesy that my destiny is released into the land flowing with milk and honey as from today in Jesus name.

CHAPTER FIFTY TWO

DELIVERANCE FROM SICK AND WEAK MINDS

God created man a more than conqueror, a change agent, problem solver and a solution carrier. He's designed to create solution to his problems and the problems of his world. He is wired to make his world better than the way he met it Gen.1:26.

The world is a theatre of battles and a jungle of complex challenges. But God configured in him all that he needs to terminate his battles and transform his world into a better place. All challenges of life are answers and solutions in his hands. But his mind has to conceive them before his hands can carry them.

Every time a problem locates your address in life and stays, it knows that you have answers and the kits to solve it. Your solution to that problem will definitely promote you or lift you to your next level in life.

THE TRAGEDY OF WEAK AND SICK MINDS

It is the mind that you carry that determines the results you command or generate in life. If you carry a sick or weak mind, you will not be able to realize creative mandates. You will be exploited, depleted and impoverished. It is the sound mind that commands the wisdom that generate exploits which validates your more than conquerors status in life.

The weak mind is the right or natural mind Mark 5:15. That is the mind that is bedeviled with junks and diverse limitations as a result of the fall. The mind needs to be developed and renewed to be able to do exploits Rom.12:2.

The sick minds are the demonic, reprobate and carnal ones. These ones need purging, cleansing and deliverance to be able to function in the world of exploits.

CHARACTERISTICS OF WEAK AND SICK MINDS

The weak and sick minds are characterized by:

First, confusion and frustration Eccl.10:15

The mind is void, blank, black and empty. He's praying but doing nothing. He does not know what to do to turn things around – no idea, no revelation, no direction, no instruction and no route of escape. He's trapped, snared and stagnant. He's experiencing a dead end and dead locked.

He's not making efforts, not pushing, just looking, watching and waiting. So, his battles and challenges remain with him for as long as he lived. That was the case with the prophet that died in debt, he didn't know what to do Ilkgs.4:1. That was the case with Lazarus who died in poverty Luke 16:20-22

Second, he's indecisive, he can't take decisions. Even when he knows what to do, he lacks the force to act. He can't act. He has glorious ideas, thoughts, visions and dreams that are not acted upon.

In life, decision and destiny are twins. Destiny moves in the direction of decision. When decision is not taken, destiny remain stagnant.

Third, he lives in a destructive fear, doubt, worry and anxiety. This possibly explains why he can't take decision – fear of failure.

Fourth, if he will take decisions at the end of the day, it will be wrong decisions. He's not available to process life's information's, equations and transactions accurately. Examples are people committing suicides or opting out of their God ordained and legal marriage. The decision of Ahitophel to commit suicide is a wrong one IISam.17:23. The decision of Cain to kill Abel is a wrong one Gen.4:8.

Fifth, procrastination. The weak and sick minds always postpone till tomorrow what they can do today.

Reuben procrastinated the decision to release Joseph and to send him to their father but when he returned back to the pit where they dumped Joseph, the boy was not there Gen.37:22, 29-30. That earned him his father's curse and the loss of his inheritance in Jacob's lineage Gen.49:1-4. Governor Felix procrastinated his day of salvation. He decided to send for Paul at a more convenient time, which didn't come Acts 24:24-25. There is tragedy in procrastinating. The woman with the Alabaster box of ointment did not procrastinate and received an eternal memorial and commendation Mark 14:3-9.

Sixth, sick and weak minds always yield to wrong advice, evil influence and evil pressures. That was the case with Rehoboam who yielded to the counsels of the young men against the counsels of the wiser old men. This cost him the kingdom 1kgs.12:8-11.

Amnon yielded to the evil influence of his friend and raped his sister. That caused him his life IISam.13:1-14, 28-29. Aaron yielded to wrong influence and pressure to make the golden calf and causing Israel to sin Exo.32:1-6.

Seventh, sick and weak minds accept defeat easily 1Sam.30:1-4. They are given to crying, weeping, regretting, murmuring and complaining. They accept failures as normal. They always give justifying reasons and excuses for remaining in the negative or evil seasons of life.

Until you are delivered from the sick and weak mind, you cannot carry the sound mind that displays the wisdom that generates exploits and register you in the more than conquerors class of the sons of God on earth.

PRAYERS

1. I plead the Blood of Jesus upon my mind to purify and cleanse my mind from all junks, pollutions and perversions in Jesus name.
2. I break every yoke of bondage and captivity upon my mind right now in Jesus name.
3. Every yoke that is reducing the capability and productivity of my mind, be broken and release me now in Jesus name.
4. Thou the Blood of Jesus, heal and deliver my mind right now from every form of oppression and affliction in Jesus name.
5. Every yoke of idleness, lethargy and complacency upon my life, break, release me now in Jesus name.
6. Every yoke of indecision and indifference upon my life, break, release me now in Jesus name.
7. Every yoke of fear, worry, tension and anxiety upon my life, break, release me now in Jesus name.
8. Every yoke of wrong decisions – yoke of error – break, release me now in Jesus name.
9. You the spirit of procrastination, monitoring my life, receive fire, be roasted in Jesus name.
10. Yoke of defeat and failures upon my life, break, release me now in Jesus name.

CHAPTER FIFTY THREE

THE MYSTERY OF A SOUND MIND

**“For God hath not given us the spirit
of fear; but of power, and of love,
and of a sound mind”**

II Timothy 1:7

**“Jesus said unto him, If thou canst
believe, all things are possible to him
that believeth”**

Mark 9:23

Sound mind is a mystery of our world. The mystery of sound mind is that nothing is impossible with the man that has it.

To validate your more than conquerors status in life, you need wisdom. Wisdom is the generator of exploits. But wisdom is in the womb of a sound mind. The sick and weak minds carry folly which generate exploitation and servitude. The main requirement for life's breakthroughs, success, distinction and dominion is a sound mind. With a sound mind, there is no sea that cannot be crossed, there is no mountain that cannot be crushed and there is no desert that cannot be traversed.

With a sound mind, your heavens are unobstructed by the clouds, there is no height that is unattainable, there is no goal that is unreachable.

With a sound mind,

- You can enlist yourself in the creative class of God.
- You can bring the best out of the worst situation in life.
- You can extract opportunities from the adversities and oppositions of life
- You can bring amazing miracles and testimonies out of stubborn battles.
- Turn the desert into a gold mine.
- Turn the sea into a dry land for an easy cross over.
- Turn the valley of dry bones into a great army.

Your greatest requirement and asset in the more than conquerors class in life is a sound mind.

DEVELOPING A SOUND MIND

Your greatest responsibility and awesome debt that you owe your destiny is the development of your mind to become sound. It is an unavoidable, inescapable and indispensable responsibility if you don't want to be exploited and depleted in life.

It is the mind that is developed that becomes sound. The undeveloped, uncultivated mind remains fallow, shallow, sick and weak and leaves a man exploited, poor and disinherited in life.

The following action steps will help you in your adventure into mind development.

First, you must be born again John.3:1-7. You must carry God's natures John1:12. The unregenerated man cannot carry the mind of Christ 1Cor.2:16.

Until you are born again, you cannot access the divine life. You have no inheritance in God and His kingdom. Repent of sins and acknowledge Christ by confessing, Jesus as Lord and savior of your life Acts 3:19-21, Rom.10:9-10. This is the first step into a sound mind. The best that an unbeliever can have is the right or natural mind, and not the mind of Christ.

Second, renew your mind by reading and meditating in quality doses of God's word on a continuous basis Rom.12:2. This will help to purge and cleanse your mind from all the junks, pollutions and encumbrances that had saturated the mind by reason of the fall.

Third, take time to consciously avoid demonic, immoral, carnal, destructive and unedifying information from accessing your mind. The mind is wired to process informations. Your mind is the engine and the factory house of your destiny. The raw materials in the factory house of your mind are informations. The finished products in the factory are the exploits or exploitations that characterize your experiences in life. Be disciplined to censor the informations that percolate into your mind. Jesus said, *"...take heed what you hear..."* Mark 4:24.

What and who you become ultimately are the informations that have settled in your mind that had been processed that you have decided to act upon.

In life, what you hear is what you believe and what you believe is what you become.

Fourth, you develop your mind, building a sound mind by taking conscious step to subdue the vices and building up the virtues of the emotion. You subdue the negative predispositions of the emotion – fear, doubt, worry, tension, anxiety, sorrow, crying, remorse, unforgiveness, hatred and all negative feelings. Then you take step to build up the positive predispositions – courage, boldness, fortitude, faith, excitement, enthusiasm, hope, love, confidence, sense of worth and fulfillment, joy and all positive feelings.

With this experience, you will not react but respond to life's challenges, oppositions and confrontations. The results you generate become your acquired experiences in life that serve as foundation for your thrust into your next level. It builds your confidence to confront the next challenge of life.

That is how to develop and train your mind to become sound and strong.

David faced lots of challenges in life. From his early childhood period, he was abandoned among animals in the forest. But he has trained and developed his mind with the positive dispositions of the emotion. So, when a lion confronted him, he was not timid or fearful, he was bold to confront the lion and he killed it. At another time, it was a bear. He faced the bear with tough courage and killed it. When he now confronted Goliath, the informations his mind has received from his past experiences became a platform of confident assurance that he would kill Goliath, not minding the realities facing him. The knowledge of the mystery of his being circumcised as against the uncircumcised life of Goliath strengthened his confidence the more 1Sam.17:32-37.

These are informations from life's experiences that develop the soundness of the mind.

The same applies to Samson. A young lion roared against him. He developed not the least fear or sense of defeat. He was bold and confronted the lion. He tore and shredded the lion Judg.14:5-6. So, when he confronted the massive gate of Gaza, his sound mind, relying on past experiences, told him he could uproot the gate, he dared and realized it Judg.16:1-3.

Informations from life's experiences can create a sound or sick mind, depending on which of the dispositions of the emotion you displayed. This will determine your degree of exploits or being exploited which in turn can enlist you in the class of more than conquerors or delist you from there.

Thus, you develop a sound mind by deciding regularly to respond rather than reacting to life's challenges and confrontations. Take faith steps. The results strengthen your mind for exploits.

When you confront life's challenges and win, you will be developing a sound mind. If you avoid life's challenges and you don't win, you will be building a weak and sick mind.

Fifth, the relationships you maintain in life, the company you keep, the people you move with will determine your mindset and the type of mind you develop whether sound or weak. The Bible say, *"Iron sharpeneth iron..." Pro.27:17. He that walks with the wise shall be wise..."* says the scriptures in Pro.13:20.

Sixth, you develop a sound mind by your thinking life. Negative thinking will develop a weak mind. Positive, resourceful, deep thinking will develop a sound mind and trigger the mind for exploits.

Thinking is a way of placing a demand on our mind to extract the inexhaustive divine deposits that are hidden within it. The mind is wired for thinking. When you subject your mind to rigorous mental exercises by productive, meditative thinking you generate unfathomable ideas that invent amazing results and customize for you, products that attract to you patronage in the market of life.

The more and the deeper you think, the stronger or more sound your mind becomes.

When you cannot put your mind to use by thinking and this continues for a long time, the mind becomes obsolete and outdated. Catastrophic defeat and failures of destiny become the end result.

Seventh, you develop a sound mind by learning. Solomon developed a sound mind that generates for him his wisdom by instructions from his father Pro.4:1-4, 10.

Jesus, the wisdom of the New Testament also attained wisdom by leaning John 5:19-23, 30. You develop your mind by learning Gal.4:1-2. You start dying when you stop learning.

TRAGEDY OF ABSENCE OF SOUND MIND

“For he cometh in with vanity, and departeth

**in darkness, and his name shall be covered
with darkness”
Eccl.6:4**

The inability to develop and possess a sound mind renders life and destiny ignominious and anonymous. You come to this earth like you didn't come. You came with vanity and depart in darkness. You are not known, not sung, not celebrated. You are nameless and unnoticed. You lived life without story and glory.

CHAPTER FIFTY FOUR

MONEY MYSTERY

**“A feast is made for laughter, and wine
maketh merry: but money answereth
all things”
Eccl.10:19**

**“The ransom of a man's life are his
riches: but the poor heareth not
rebuke”
Pro.13:8**

In the sojourn of man on earth, money is a mystery. It is one of the formulas for solving and resolving the equations of life. The Bible says it answers all things Eccl.10:19. It determines every man's allocation and location on earth.

Economically, money is defined as a medium of exchange. It is a means by which good and services change hands. Worth and values are measured in monetary terms. It is expressed as currency. Currency is that which flows. It is expressed in liquidity. So it is not static.

Money has both physical and spiritual significance and configuration. It serves as a means of exchange both in the natural and spiritual world.

The reality of life is that most of the battles we fight and the afflictions we are passing through in life have been paid for monetarily, known or unknown to us.

Joseph went to slavery in the land of Egypt between the age of seventeen and thirty. Infact, he died in Egypt. But there was a monetary transaction that activated the affliction Gen.37:28.

Balaam came from Zippur to come and curse Israel. The curse was to cause destruction upon Israel and dispossess them of their God ordained Promised Land - to deny them of the land flowing with milk and honey which they had labored for, for forty years in the wilderness. But this curse had a price tag attached to it in monetary terms Num.22:7.

Boaz, from the gentile land of Moab rose up to emerge a progenitor of our Lord Jesus Christ through Obed and Jesse, a status, originally reserved for Chillon and Mahlon, sons of Elimelech. But this was made possible by a monetary transaction that activated the deal Ruth 4:9. Thus the transfer of the inheritance of Elimelech's posterity to Boaz was by a monetary transaction.

Delilah was paid for the diversion and perversion of Samson's glorious predestination Judg.16:5, 18-19. The sudden downturn and downfall of the great Samson had a price tag. It took money to truncate his destiny.

Hamman paid money to the law makers that promulgated the law to exterminate the Jews in the days of King Ahasuerus. He also paid for those who will kill them Esth.3:9-10, 12-15.

But for the timely intervention of Queen Esther and the people in fasting and praying, the evil plot would have been hatched Esth.4:15-17.

The holocaust that would have wiped out the Jews from the earth had a monetary price tag.

Money was needed for Jesus to feed His audience in the desert John 6:5-7.

The arrest, trial and crucifixion of Jesus was with a monetary transaction with Judas Iscariot Luke 22:4-5. He sold Jesus to Jesus' enemies for an amount of money.

The Jewish leaders bribed the security guards at the tomb of Jesus to refute the resurrection of Jesus Christ Matt.27:11-15.

Felix the Governor was expecting monetary bribe before he could release Paul from detention Acts 24:24-26.

Joseph collected all the land of Egypt to Pharaoh with money Gen.47:14-15, 19-20.

There is therefore a price tag for the particular afflictions and the unabated battles you are passing through in life. Somebody has paid for the transaction that activated the affliction.

Money is a currency of transaction in the stubborn, complex and persistent afflictions and oppressions of your life.

MONEY AS A CURRENCY OF REDEMPTION AND RESTORATION

Money is also a currency of transaction for redemption and restoration of men on earth.

For Israel to return to their own land after they were scattered abroad the nations of the earth, Jeremiah the prophet needed to buy a land with money Jer.32:9-11.

David bought Araunah's threshing floor to raise an altar of sacrifice of atonement and redemption for Israel from the bubonic plague that came from God upon Israel II Sam.24:24-25.

The woman with the alabaster box of ointment came with the expensive or costly perfume to anoint Jesus for burial Mark 14:3, 5, 8. This great sacrifice established a memorial for her in God's kingdom Mark 14:9.

Jesus came to shed His Blood for man's redemption. The Blood of Jesus is invaluable in monetary terms. The Blood of Jesus is the hardest of all currencies in all eternity 1Pet.1:18-19.

The blood purchased (bought) us back from satan Acts 20:28. The blood justified us from all condemnations Rom.5:9. The blood purges us Heb.9:4, cleanses us 1 John 1:7, washes us from sins Rom.1:5.

Money is therefore also, an instrument of redemption, a medium of exchange for man.

**“The ransom of a man’s life are his
riches....”**

Pro.13:8

**“The rich man’s wealth is his strong city:
the destruction of the poor is their
poverty”**

Pro.10:15

The tragedy of the poor is that he has nothing with which to ransom or redeem his destiny.

You need money to reverse evil transactions, covenants and curses that were activated by evil transactions.

There is a price paid for your affliction. You redeem your destiny back by paying the price for the altar that must speak and fight for you.

WHAT DO YOU NEED MONEY FOR IN THIS TRANSACTION

1. You pay your tithes. This is to enlist you in heaven’s warfares Mal.3:10-12.

2. You raise altar of sacrifice. This is to reverse every hanging judgment II Sam.24:24-25.

It provokes the covenant of mercy and favor 1kgs.3:3-14.

3. You give for kingdom promotions Mark 10:29-30.

4. You give for the prophet or God's servants Matt.14:3-9.

5. You give regular offerings to God Luke 6:38.

6. You give to the poor Mark 14:7.

All these are for the redemption and restoration of your destinies. They are to reverse all transactions that have perverted, diverted and negatively rearranged destinies.

ABOUT THE BOOK

Life generally is coded. Issues of life are veiled and kept secret. Life, marriages, ministry, health, prosperity etc. have secrets.

Secrets are codes. Only those who are able to access those secrets succeed in life. In any area where you are able to access the secrets, you reign, dominate and become distinguished in those areas. In areas where you cannot access the secrets, you become a victim and defeated there, life becomes a bundle of struggles, trial and errors. You fail woefully and fall fatally in those areas.

You decode life by knowledge. Knowledge is a key that open's life's doors Luke 11:52. This book is a knowledge bank, by which you access life's secrets, you decode life's code and take dominion of the affairs of life.
